BANGALORE, THURSDAY, AUGUST 5, 1926.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### Levy of Education Cess in the Kadur District.

READ—

Correspondence ending with letter No. L. B. 319-25—26, dated 19th June 1926, from the Deputy Commissioner and President, District Board, Kadur District, submitting with his remarks a copy of the resolution passed by the District Board at a special meeting held on 7th June 1926, agreeing to the levy of Education Cess at the rate of half-anna in the rupee on all items of revenue on which cess is levied, subject to the conditions specified in the margin and requesting sanction to the levy of the cess at the above rate with effect from 1st July 1926.

1. That the whole of the Education Cess and the Government grant made as a result of the levy of cess is spent by the Education Department on extending educational facilities in the rural (Non-Municipal) areas.
2. That the Government give grant to this District at the same *prorata* rate as that given to Hassan and Shimoga Districts.
3. That the cess will be levied from 1926-27 or the subsequent year thereafter from which Government sanction the grant referred to above.

ORDER No. E. 355-52—Edn. 36-26-4, DATED 23RD JULY 1926.

Government observe that the supplementary grant made by Government to the Hassan and Shimoga Districts was not based on any proportion to the income from the Education Cess in the respective Districts, and as such, the intention of the second condition is not clear. Government will, however, be prepared to sanction during the current year a grant of Rs. 7,500 to the Kadur District as in the case of the Shimoga District.

2. Subject to the above modification, the conditions specified in the resolution of the District Board are accepted and the levy of Education Cess in the Kadur District at the rate proposed is sanctioned with effect from the year 1926-27.

3. Separate orders will issue as regards the source from which the Government grant should be paid. Meanwhile the Inspector General is requested to take steps to utilise in consultation with the District Board the amounts of the Education Cess to the best advantage.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Text-books in the Primary, Middle and High School Classes.

READ—

1. Subject No. 101 of the Proceedings of the Representative Assembly at the Dasara Session of 1924 suggesting that with a view to avoid inconvenience to students, books prescribed for the lower classes should not be changed year after year or oftener than once in five years and the reply of Government thereto.

2. Subject No. 138 of the Proceedings of the Representative Assembly at the Dasara Session of 1925, stating that the text-books prescribed for the Primary classes are at present changed annually and that it causes some hardship to students who cannot afford to buy the books and suggesting that orders may be passed so that text-books prescribed may be changed only once in five years.

3. Correspondence ending with letter No. D2. Dis. 7056—25-26, dated 7th June 1926, from the Inspector-General of Education, stating that on a detailed examination of the list of the prescribed text-books, it is found that text-books once prescribed are not changed in the Primary and Middle School classes for a period of at least three years, except in the case of language subjects for the 4th year Middle School class, that text-books in language subjects are changed every year in the case of the Lower Secondary and all the High School classes, that in future, the same text-books are proposed to be prescribed in language subjects also for the IV and Forms of High Schools for a period of three years, such text-books for the VI Form and Lower Secondary class being, as at present changed every year, and that on account of the revised curricula of studies and rules for the S. S. L. C. Examination there have been some changes recently in non-language subjects in the High School classes, though the rule is that text-books on these subjects are to remain unchanged for at least a period of three years and adding that the dissatisfaction which seems to exist in respect of alleged frequent change of text-books in Primary and Middle Schools is due to some misapprehension.

ORDER No. E. 395-98—EDN. 131-24-108, DATED 24TH JULY 1926.

Recorded.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Secretariat Functions of the Public Works Department.

READ AGAIN—

Government Order No. 2534-85—C. B. 157-23-1, dated the 4th February 1924, sanctioning certain administrative changes in the Public Works and Electrical Departments.

2. Note by the Chief Engineer on the subject of the Secretariat duties in connection with the Department of Public Works.

ORDER No. 358-409—C. B. 19-26-1, DATED 28TH JULY 1926.

In the Government Order read above, Government sanctioned the combination of the Irrigation Branch and the Roads and Buildings Branch of the Public Works Department, which till then were under separate officers, into one charge and placed the whole work under one Chief Engineer. This Officer was given purely administrative work and the Secretariat functions of the Public Works Department together with those of the Electrical Department were assigned to a separate officer, *viz.*, Mr. K. R. Seshachar, who is in addition Special Officer, Krishnarajasagara Works. Owing, however, to the necessity for starting the construction of the High Level Channel and on account of other developments on a large scale in connection with the Krishnarajasagara Works, it is found necessary to have a full-time Chief Engineer for the Krishnarajasagara Works. As Mr. K. R. Seshachar will, therefore, be unable hereafter to attend to Secretariat work of the Public Works Department, the Chief Engineer was requested to submit proposals for a re-allocation of the administrative and Secretariat work of the Department. That Officer has proposed the revival of the two circles of Superintending Engineers which were abolished in 1922, one Officer at least being appointed for the present and placed in charge of the four districts of Hassan, Kadur, Shimoga and Chitaldrug, so as to relieve the Chief Engineer of part of his inspection work and enable him to take up the duties of the Secretary to Government in the Public Works Department. It has also been proposed in this connection that the Tank Survey Division may be abolished and the work transferred to the regular Public Work Divisions. Establishment as in the appended

list has been proposed for the two administrative offices, *viz.*, that of the Chief Engineer and the Superintending Engineer.

Government approve of the proposal to revive one Superintendence Circle in the Public Works Department in order that the Secretariat functions of the department may be transferred to the Chief Engineer. The Superintending Engineer will be in charge of the four districts mentioned above with headquarters at Shimoga and the Chief Engineer in direct charge of the other four districts and the Special Divisions as heretofore. He will also be Secretary to Government in the Department. The establishment proposed for the offices is sanctioned. Mr. K. R. Seshachar, Special Officer, Krishnarajasagara Works, will continue as Secretary to Government for the Works and in the Electrical Department. These arrangements will come into effect from 1st August 1926.

The Tank Survey division will be abolished as proposed. Orders have already separately issued abolishing the special new establishment till now employed in the Departments of Education and Military to carry out the building and other works of those departments. The work carried out by the establishments will hereafter be attended to by the Public Works Department. The extra cost of the new circle of Superintendence of the Engineering Department which is estimated at Rs. 18,090 will thus be reduced, the net financial result of the arrangements now sanctioned being as in the statement in the margin. Necessary action according to these orders may be taken immediately.

| | | |
|---|---|---|
| Extra cost of revised Establishment .. | | Rs. 18,090 |
| Savings by abolition— | | |
| (1) of establishments in Education and Military Departments .. | Rs. 11,572 | |
| (ii) of Tank Survey Division (in 1926-27) approximately .. | „ 2,500 | |
| Net extra expenditure in 1926-27 .. | | Rs. 4,018 |
| In future years .. .. | | „ 6,518 |

The Chief Engineer is requested to point out a source for meeting the net extra cost of Rs. 4,0 8 during the current year and to investigate what further reductions of establishment can be effected in his office, and whether the existing arrangements for attending to architectural work can be modified so as to reduce expenditure and submit proposals early for orders of Government.

As, according to the revised arrangements sanctioned in this order, transfer of grant from one major head to another during the current year is involved, a supplementary schedule of demand should be placed before the Legislative Council for voting at the next session an extra grant to the Civil Works Budget.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## 'A' Statement.

READ—

Government Order No. E. A. 2093-172—E. A. 14-21-7, dated 28th November 1921, issuing supplementary instructions for regulating the filling up of vacancies in the ministerial ranks of superior service.

2. Government Order No. G. 9155-394—G. M. 137-23-1, dated 5th December 1923, prescribing a statement for reporting vacancies to the Central Recruitment Board.

3. Letter No. 3068-109—C. R. B., dated 10th December 1925, to the Heads of Departments and Deputy Commissioners of Districts forwarding for issue of necessary instructions to the appointing officers under their control, copy of letter to the Deputy Commissioner, Kolar District, stating that all the candidates of the Backward Communities, who have applied for a post may be simultaneously sent for and the best among them selected if he is willing to accept the post and that if no candidate of the Backward Communities turns up, the appointment may be offered to the applicant who is best eligible under the rules.

4. Extracts from the Proceedings of the meeting of the Central Recruitment Board held on the 4th June 1926, in the matter of prescribing qualifications for posts advertised in the Gazette, and giving further facilities for applicants to appear before the appointing officers.

ORDER No. E. 480-532—C. R. B. 2-26-1, DATED 28TH JULY 1926.

The Central Recruitment Board have brought to the notice of Government that qualifications in addition to those prescribed by Government for the appointment are being notified in the case of some of the vacancies advertised in the Gazette, and have therefore suggested that in 'A' Statement to be sent to the Board, giving particulars of vacancies proposed to be advertised, a column may be added to give information as to whether the qualifications proposed for the vacancy are those prescribed by the Government, and if not, to explain why additional qualifications are considered necessary.

2. They have also observed that it is necessary to give additional facilities for candidates for vacancies to appear before the appointing officers and have accordingly suggested that in the notification of vacancies published by the Central Recruitment Board in the Gazette, it may be specified that the applicants for vacancies may appear before the appointing officers on the dates noted against each vacancy, and if the appointing officers should happen to be absent from Headquarters on such dates, they may leave instructions with the Officers or ministerial heads under them to interview the candidates or to direct the candidates to appear on some other specified date.

3. Government are pleased to accept the suggestions of the Central Recruitment Board, and to direct that additional columns for giving the information referred to be inserted in the 'A' Statement, to be sent to the Board. As the preparation of lists of applicants and forwarding applications to appointing officers will take some time, the date for interviewing the applicants will be so fixed as to leave an interval of at least fifteen days from the latest date for receiving applications by the Board. The 'A' Statement as revised is appended.

4. The Superintendent, Government Printing, is requested to have a sufficient number of forms of the revised statement printed, and supply the same on indent to all the appointing Officers.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Budget Estimates of the Coffee Experimental Station.

READ—

Government Order No. I. C. 3284-5—A. & E. 2-25-9, dated 16th November 1925, sanctioning the Budget Estimates of the Coffee Experimental Station for the year 1925-26.

2. Letter No. C. 954—Hc. 248 of 25-26, dated 31st March 1926, from the Director of Agriculture forwarding for the orders of Government the Budget Estimates for 1926-27 of the Coffee Experimental Station as also of the Koleroga Investigation Work.

3. Letter No. I. C. 7883, dated 17th May 1926, to the Director of Agriculture, enquiring whether he has heard definitely from the Coorg Government and the United Planters' Association of South India regarding their contribution towards the expenses of the above Station for the year 1926-27.

4. Statement received from the Amildars of Taluks of Mysore, Shimoga, Kadur and Hassan Districts showing the demand under Coffee Cess for the year 1926-27.

ORDER No. I. C. 196-7—A. & E. 300-25-25, DATED 9TH JULY 1926.

The Director had sent up with the Budget Estimates of the Coffee Experimental Station, the estimates relating to the remedial measures for combating Koleroga and other areca nut diseases. This is not correct. The charges on account of these measures appear under the head "27 Agriculture 5 Miscellaneous", and are in no way connected with the administration of the Coffee Cess and Experimental Station Fund.

2. As regards the budget estimates of the Coffee Experimental Station for 1926-27, it is observed that the Director has furnished no information as to what the revised receipts and expenditure for the year 1925-26 are estimated to be and what will be the probable closing balance for that year. The Director is requested to submit a report to Government in this matter and to furnish similar information while submitting the budget estimates for the Coffee Experimental Station in future years.

3. The budget estimates of receipts and expenditure of the Coffee Experimental Station for the year 1926-27 are sanctioned as shown in the statement appended to this order. In the estimates as now sanctioned, no account is taken of the contributions likely to be given by the Coorg Government and the United Planters' Association, South India, as the Director of Agriculture has not yet submitted his final report in the matter. It is however, presumed that including these probable contributions as also the sum that is expected to be available in the shape of the closing balance of the Coffee Cess and Experimental Station Fund for the year 1925-26, the expenditure as sanctioned for 1926-27 will be well within the amount available for the purpose.

4. As regards the grant payable by the Government, under Section 4 of the Mysore Coffee Cess Regulation, a sum of Rs. 15,000 has been included in the budget for 1926-27. But as it is seen from the statements received from the Amildars of Taluks that a sum of roughly Rs. 16,000 is the estimated receipts under Coffee Cess for the year 1926-27, necessary action will be taken to make available the balance of Rs. 1,000 (to make up Rs. 16,000 payable by the Government).

5. As the major portion of the expenditure for 1926-27 is of a non-recurring nature, the Director is also requested to investigate the question of recurring expenditure in future years and submit a report within three months for the orders of Government.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## Budget Estimates of the Coffee Experimental Station for 1926-27.

| Receipts | Rs. |
|---|---|
| 1. Realisations from Coffee Cess. | 16,000 |
| 2. Government Grant .. | 16,000 |
| Total .. | 32,000 |

| Expenditure | | Rs. |
|---|---|---|
| 1. ESTABLISHMENT. | | |
| 1 Farm Manager .. | 80—10—150 | 2,784 |
| 1 Assistant ,, .. | 50—5—75 | |
| 2 Temporary Fieldmen | (25) | |
| 1 Clerk .. | (40) | |
| 1 Peon .. | (12) | |
| Allowance to Medical Officer—Rs. 20 a month | | 240 |
| 2. TRAVELLING ALLOWANCE. | | |
| Establishment .. | .. 400 | 2,400 |
| Lumpsum contribution for Travelling Allowance, on account of "Scientific Assistants" .. | .. 2,000 | |
| 3. Construction of buildings .. | | 14,790 |
| 4. Labour .. .. | | 4,000 |
| 5. Implements and fencing .. | | 2,000 |
| 6. Seeds and manure .. | | 2,300 |
| 7. Contingencies .. .. | | 1,000 |
| 8. Laboratory Equipment .. | | 2,000 |
| 9. Mycological Investigations .. | | 750 |
| 10. Entomological Investigations .. | | 750 |
| Total .. | | 33,014 |

*Note 1.*—Contributions from the Coorg Government and the United Planters' Association, South India, have not been included under Receipts pending the final report of the Director of Agriculture.

*Note 2.*—The excess expenditure over receipts will be met out of the probable contributions from the Coorg Government and the United Planters' Association, South India, as also from the opening balance of the Coffee Cess and Experimental Station Fund for 1926-27.

## Hunsur and Heggaddevankote Taluks.

ORDER NO. G. 920-3—SANY. 51-25-16, DATED 29TH JULY 1926.

At the Meeting of the Budget Session of the Legislative Council, held at Mysore in June 1926, the following resolution was passed by Government:—

> "This Council recommends to the Government of His Highness the Maharaja of Mysore that Heggaddevankote and Hunsur Taluks, which have got many points in common with other Malnad Taluks be brought under the benefit of the Malnad Improvement Scheme."

This resolution was accepted by Government.

2. Government are pleased to direct accordingly that the Taluks referred to be included in the area of operations of the Malnad Improvement Scheme.

3. The Deputy Commissioner and President, District Board, Mysore District is requested to furnish very early a programme of improvements to be undertaken, in the taluks during the current year and the amount required for expenditure.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## Report on the Flood Relief Operations.

READ—

Interpellations Nos. 17 and 30 of the Birthday Sessions of the Representative Assembly in June 1925 in regard to the Flood Relief Measures adopted by the Government and the discussions thereon.

2. Correspondence ending with letter No. C. 1751—25-26, dated the 19—28th April 1926, from the Revenue Commissioner in Mysore, forwarding a consolidated report on Flood Relief Operations in the several districts up to the end of December 1925.

3. The Note of the Mysore Central Flood Relief Committee, published in the *Mysore Gazette*, on the above subject.

ORDER No. R. 476-81—L. R. 147-24-102, DATED 26TH JULY 1926.

Recorded.

2. The Report of the Revenue Commissioner is published for the information of the public.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE,
*Dated Bangalore, 19—28th April 1926.*

FROM

C. S. BALASUNDARAM IYER, ESQ., B.A.,
*Revenue Commissioner in Mysore.*

TO

*The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*

SIR,

Referring to correspondence ending with your D. O. letter No. R. 4521, dated 13th March 1926, I have the honour to forward herewith a consolidated report in duplicate on Flood Relief operations in the several Districts up to the end of December 1925, with special reference to certain *interpellations* relating to Flood Relief measures and the discussion held thereon during the Birthday Sessions of the Representative Assembly (1925). Although the report has been prepared with special reference to the Interpellations, yet certain additional information regarding Flood Relief operations is embodied therein so as to make the report complete.

INTRODUCTION.

About the middle and later part of July 1924, owing to unprecedented and abnormal rainfall in the [illegible]nd parts of the State and the adjoining British territory of Wynad and Coorg, there were heavy floods which were greater than those recorded during 1923, about the same time in the Thunga, the Bhadra, the Thungabhadra, the Kaveri, the Hemavathi and the Kapini rivers resulting in great loss of property, damage to bridges, standing crops and railway lines, and in interruptions of communications and flooding of parts or whole of a good number of riverside villages and towns like Yedatore, T.-Narsipur, Nanjangud, Seringapatam, Shimoga and Harihar.

*I. The extent, the nature and the amount of damages caused by the floods.*

Nanjangud. Heggaddevankote. Malvalli.

In the Mysore District among the towns T.-Narsipur, Nanjangud and Yedatore suffered most heavily. The villages that suffered most from the floods belong to T.-Narsipur and Nanjangud Taluks. The Taluks of Heggaddevankote, Malvalli, Hunsur and Seringapatam were also affected to some extent. In all 102 villages suffered. The number of houses destroyed wholly or partially came to 3,861 with a loss of nearly Rs. 2,59,414 and the value of grains and other properties lost along with them amounted to Rs. 20,820 making a total loss of Rs. 2,80,234 or Rs. 3 lakhs in round figures. The more serious form of loss that caused suffering to the people was the damage done to lands and the standing crops. Damage to lands occurred chiefly in the taluks of T.-Narsipur where an extent of 349 acres, the bulk of it being wet land, was rendered permanently unfit for cultivation. In Nanjangud Taluk 25 acres of land were similarly affected. A total extent of 1,859 acres and 21 guntas consisting of wet, dry and garden lands was rendered temporarily uncultivable in the marginally noted Taluks and the damage done to lands and crops standing thereon is roughly estimated at Rs. 4,98,156 or Rs. 5 lakhs in round figures.

HASSAN DISTRICT.

The total extent of damage to lands in the flooded area in the Hassan District was 1,418 acres 31½ guntas and the amount of damage including the value of crops thereon is estimated at Rs. 88,388. Sixteen houses at Ramanathpur in Arkalgud Taluk and 16 in Saklespur town were under water and collapsed. Five irrigation channels and 54 tanks were also damaged on account of the heavy rains. The total damage done to houses and house

property including movables was estimated at Rs. 4,200. There was no loss of human life except one death in the Manjarabad Taluk brought about by the collapse of a house due to heavy downpour. Landslips especially in Malnad parts occurred largely which also damaged roads and bridges. Damages to bridges and culverts were also caused by the submersion of roads.

### SHIMOGA DISTRICT.

In the Shimoga District damage to lands occurred in the Taluks of Shimoga, Honnali, Sorab, Sagar, Nagar and Tirthahalli. A total extent of 3,623 acres 6 guntas of lands was affected by the floods. The cost of damages to houses and property is estimated at Rs. 1,21,195 and that to lands and crops at Rs. 1,26,872. The estimates of damages in the several taluks were as per margin.

| | Damage to house and property. | Damage to land and crops |
|---|---|---|
| | Rs. | Rs. |
| Shimoga ... | 48,239 | 6,675 |
| Honnali ... | 52,245 | 15,740 |
| Tirthahalli ... | 26,111 | 76,500 |
| Sorab ... | ... | 6,081 |
| Sagar ... | ... | 21,876 |
| Total ... | 1,21,195 | 1,26,872 |

The damages to houses and property were most in the Honnali Taluk and to lands and crops were most in the Tirthahalli Taluk and it is this Taluk that suffered most by the floods.

In Shimoga town itself 747 houses were affected of which 235 houses were totally destroyed, and the loss is estimated at over Rs. 4 lakhs. The Municipality took timely action for the grant of relief to the sufferers. In all 84 villages in the Taluks of Shimoga, Honnali and Tirthahalli were affected. The total number of buildings damaged is reported to be 1,610 of which 655 houses were wholly damaged and the remaining 955 houses were partly damaged.

### KADUR DISTRICT.

In the Kadur District an extent of 2,932 acres 32 guntas of lands was affected by the floods and the amount of damages came to Rs. 2,02,773 as per margin. There was a difference of 248 acres in the extent of damages between the lists prepared by the Special Sheikdars in the first instance and verified by the local officers and a difference of 40 acres in the extent of damages between the lists prepared as above and the lists finally submitted to Government. Information in this respect is not furnished by the other Deputy Commissioners of Districts.

| Taluk | Extent. | | Value of damages. |
|---|---|---|---|
| | A. | G. | Rs. |
| 1. Chikmagalur ... | 24 | 24 | 997 |
| 2. Tarikere ... | 54 | 7 | 553 |
| 3. Koppa ... | 2,102 | 36 | 1,33,450 |
| 4. Narasimharajapura ... | 820 | 22 | 15,774 |
| 5. Mudgere ... | 430 | 13 | 52,399 |
| Total ... | 2,932 | 32 | 2,02,773 |

### CHITALDRUG DISTRICT.

Owing to the floods of the Thungabhadra river, portions of Harihar town and the marginally noted 9 villages situated on the banks of the river were affected in the District. The houses that were damaged partially and wholly numbered 123 and 377 respectively. There was, however, no loss of life as the flooded localities were promptly evacuated. No land damages or damages to crops in any appreciable measure were reported either. No lands were eroded or otherwise rendered unfit for cultivation permanently.

8. Palya and
9. Vasana.

It will thus be seen that on the whole nine Municipal towns, 195 villages and 6,750 houses were affected by the floods in all the 5 Districts and the total loss was about Rs. 8,05,629 or Rs. 8 lakhs in round figures. The total loss under damages to lands and crops for all the Districts amounted to Rs. 9,16,189 or Rs. 9 lakhs in round numbers.

*II. The nature and extent of help rendered by Government (A—Loans).*

Government sanctioned a sum of Rs. 1,00,000 for grant of Takavi loans to deserving persons affected by the floods in the Mysore District. For the Hassan District a sum of Rs. 25,000 was sanctioned by Government and for Shimoga, Kadur and Chitaldrug Districts, Government sanctioned Rs. 21,500, Rs. 36,875 and Rs. 13,500, respectively, for the above purpose making a total of Rs. 1,96,875. The amount granted till the end of December 1925 to the several Taluks in the Mysore District is detailed in the margin. On the whole 798 applications were received from raiyats for Takavi loans, for repairing the damaged lands and building houses, out of which 77 were rejected. In the Hassan District 139 applications involving a sum of Rs. 21,485 were received and out of these, 119 applications for a sum of Rs. 11,295 were

| Name of Taluk. | Amount | | |
|---|---|---|---|
| | Rs. | a. | p. |
| 1. Nanjangud ... | 16,600 | 0 | 0 |
| 2. T. Narsipur ... | 53,505 | 0 | 0 |
| 3. Seringapatam ... | 250 | 0 | 0 |
| 4. Hunsur ... | 1,600 | 0 | 0 |
| 5. Heggaddevankote ... | 11,987 | 8 | 0 |
| 6. Malvalli ... | 4,750 | 0 | 0 |
| 7. Mysore ... | 600 | 0 | 0 |
| Total ... | 89,292 | 8 | 0 |

sanctioned at the concession rate of interest at 3½th per cent and the remaining 20 applications were rejected on account of inadequate security furnished. Interest was waived by the Deputy Commissioner in six cases each for a loan of Rs. 25, the applicants being reported to be poor. A sum of Rs. 9,575 was granted as loans under the ordinary rules. Out of the grant sanctioned for loans in the Shimoga District a sum of Rs. 15,015 was spent in the affected Taluks of Shimoga, Honnali, Tirthahalli and Nagar. 233 persons were benefited by these loans. 92 applications in the Shimoga Taluk and 40 in the Tirthahalli Taluk were rejected. In Kadur District, out of the allotment sanctioned for grant of Takavi loans a sum of Rs. 372-2-0 was spent during the months of July, August and September 1924. The total number of applications received from the raiyats for Takavi loans for repairing the damages and for building houses amounted to 242. Out of these 34 were rejected. Five applications were received from tenants and other petty traders of Koppa Taluk for the grant of Rs. 50 on personal security. Only one application was granted. The other 4 applications were rejected as the applicants could not furnish any security. An application was also received from one Cuttlegiri Manjappa in Koppa Taluk whose areca garden land valued at Rs. 2,000 was buried under debris due to landslips praying for suitable relief. The spot was visited by the Special Sheikdar and Amildar on 25th October 1924, and the Sub-Division Officer, Tarikere, granted a permanent remission of assessment of Rs. 10 to him. Out of the allotment of Rs. 13,500 sanctioned by Government for grant of Takavi loans in Chitaldrug District, a sum of Rs. 6,000 was a loan to the Harihar town Municipality for advancing loans to the sufferers for building houses in that town. Applications for loans involving a total amount of Rs. 4,600 were received by the Municipality. It is reported that the sufficiency or otherwise of the securities offered by the applicants is being scrutinised by the Municipal Council and that the applications would be disposed of as early as possible. As regards loans to sufferers in rural areas, 5 applications involving an aggregate amount of Rs. 950 were received and loan orders issued in respect of them before the close of the official year.

| August ... | 183 10 0 |
| September ... | 145 8 0 |
| Total ... | 372 2 0 |

In addition to the above grant of Takavi loans, Government sanctioned the marginally noted sums for giving immediate gratuitous relief to such persons or families as had been rendered destitute and were helpless. A sum of Rs. 1,200 was distributed among the affected Taluks of the Mysore District. This was supplemented by private subscriptions (in cash and kind) and grants by local bodies in the T.-Narsipur, Nanjangud, Heggaddevankote, and Yedatore Taluks. At T.-Narsipur and Nanjangud relief committees were formed and the money and grain were distributed through their agency. Gratuitous relief was given for a period of about 14 days and about 13,075 men were given relief at a cost of nearly Rs. 1,400. In the Hassan District only a sum of Rs. 225-14-0 was spent out of the allotment sanctioned for gratuitous relief for the construction of sheds to those rendered houseless and also for the purchase of seed grains. A sum of Rs. 4,500 was surrendered to the Central Flood Relief Committee and a sum of Rs. 274-2-0 lapsed. In the Shimoga District only a sum of Rs. 586 in cash was distributed immediately after the floods among 193 poor and destitute persons by the Deputy Commissioner and the Sub-Division Officer, Tirthahalli and Treasury Assistant Commissioner in charge of Shimoga Taluk as per details noted in the margin.

| Districts | Amount sanctioned. Rs. |

| 1. Mysore ... | 5,000 |
| 2. Hassan ... | 5,000 |
| 3. Shimoga ... | 5,000 |
| 4. Kadur ... | 5,000 |
| 5. Chitaldrug ... | 2,000 |
| Total ... | 22,000 |

| | Persons. | Rs. a. p. |
|---|---|---|
| Deputy Commissioner, Shimoga ... | 103 | 304 0 0 |
| Sub-Division Officer, Tirthahalli. | 62 | 211 0 0 |
| Treasury Assistant Commissioner, Shimoga Taluk. | 28 | 71 0 0 |
| Total ... | 193 | 586 0 0 |

A sum of Rs. 2,125 was contributed to the Shimoga town municipality towards relief measures and Rs. 24-12-0 were spent on miscellaneous expenditure. The balance of Rs. 2,264-4-0 was transferred to the Central Flood Relief Committee. The cost of 7 gold medals awarded in connection with the Flood Relief Operations of 1923-24 was also adjusted out of the grant under Gratuitous Relief Fund. The amount spent out of the allotment sanctioned for gratuitous relief in the Kadur District is not furnished by the Deputy Commissioner. But it is stated that a sum of Rs. 870-10-8 was distributed among 109 sufferers. How much out of it was spent from the Government grant has not been made clear. A sum of Rs. 757-3-0 was distributed in cash to the sufferers in the Chitaldrug District, each deserving sufferer being paid from Rs. 5 to Rs. 10 according to the number of members in his family. Jolam to the value of Rs. 50 was purchased and distributed to the poor and helpless

Adikarnatakas in Guttoor village and 25 coarse blankets presented by Mr. Usman Khan were caused to be distributed among the deserving poor sufferers. The distribution of relief, *viz.*, grant of Takavi loans and gratuitous relief by Government took place before the collection of subscription from the public in the Hassan District and both before and after the collection in the Kadur District.

The other kind of relief sanctioned by Government from time to time to the sufferers from the floods is noted hereunder :—

| Advances for | Mysore | Hassan | Shimoga | Kadur | Chitaldrug |
|---|---|---|---|---|---|
| | Rs. | Rs. a. p. | Rs. | Rs. | Rs. |
| Sinking wells in newly formed villages and village extensions. | 15,000 | ... | 8,292 | ... | ... |
| House-building co-operative societies formed in affected towns with a view to facilitate the construction of houses in extensions. | 50,000 | 5,000 | 60,000 | ... | ... |
| Acquisition of sites for laying out new extensions and for forming new villages. | 85,000 | 2,142 15 0 | 5,019 | 5,123 includes for sinking wells. | 5,000 |
| Supply of seed paddy and manure in the flood-affected areas. | 30,000 | for all the | Districts. | ... | ... |
| Supply of shed materials at cost price | 10,000 | do | do | ... | ... |

The total number of wells sanctioned, the outlay incurred and the number of well works completed up to date in Mysore District are shown below :—

| Taluks | No. of wells sanctioned | Total estimated amount | Total outlay | No. of works completed |
|---|---|---|---|---|
| | | Rs. a. p. | Rs. a. p. | |
| 1. T.-Narsipur ... | 18 | 9,592 0 0 | 5,785 3 0 | 10 |
| 2. Nanjangud ... | 10 | 5,658 0 0 | 4,241 14 0 | 5 |
| 3. Malvalli ... | 2 | 1,250 0 0 | 480 0 0 | nil |
| Total ... | 30 | 16,500 0 0 | 10,507 1 0 | 15 |

In addition to the above, 2 well works costing Rs. 1,295 were sanctioned from the funds of Nanjangud Taluk Board and these have been completed at a total outlay of Rs. 1,271-11-0. Out of the grant sanctioned to Talkad Municipality 4 well works at an estimated cost of Rs. 2,118 were sanctioned, and two of these have been completed. The total outlay incurred in respect of these 4 works is Rs. 1,718-11-0. Estimates for the sinking of wells in 13 villages of Shimoga District at an aggregate cost of Rs. 10,084 were sanctioned. A sum of Rs. 1,788-4-0 was paid on account of well works during 1924-25. An outlay of Rs. 223-11-0 on Honnapur well work in the Shimoga Taluk was so far incurred during the year in January and February 1926 out of the amount placed at the disposal of the Treasury Assistant Commissioner, Shimoga. In the Chitaldrug District in order to provide water facilities to the sufferers in their new surroundings, estimates for the sinking of wells were sanctioned in the following six villages :—

(1) Rajanahalli. (2) Nandigudi.
(3) Guttoor. (4) Deetoor.
(5) Bilasanoor. (6) Vasana.

It is reported that these well works have been put in hand and that they are in various stages of progress.

House-building Co-operative Societies were formed at Nanjangud, T.-Narsipur and Talkad during 1924-25. As the grant given for T.-Narsipur Society has all been utilised and as there is a demand for more loans from house builders, a requisition for additional grant for the society has been made to the Registrar of Co-operative Societies. The Nanjangud Society has also utilised its entire grant. The Talkad Society has just started work. Similar Societies have been formed at Ramanathpur, Arkalgud Taluk in the Hassan District, and Shimoga town in the Shimoga District.

Government having sanctioned advances for the acquisition of lands for laying out new extensions and for forming new villages, sites in about 50 villages as noted in the margin were acquired in the Mysore District, for grant to the affected people. Tirumakoodalu has been shifted entirely by allotment of sites higher up. Displaced families in the Nanjangud and T.-Narsipur Taluks were given sites in the newly formed extensions. In Yedatore a site has already been selected for shifting the present old town and arrangements for shifting are in progress. In rural places action is being taken to shift the affected villages to the sites higher up which have been acquired for the purpose, and the people are putting up structures as funds at their disposal permit. Out of the allotment of Rs. 85,000 sanctioned by Government for acquisition of lands so far, about Rs. 60,000 have been spent in the shape of compensation. In the Hassan District a sum of Rs. 2,142-15-0 was advanced in connection with the extension of Ramanathpur village and Saklespur town extensions. In the Shimoga District selections of new sites for building of houses were made in all necessary cases and sites allotted to the deserving persons. Proposals for acquisition of lands in 21 cases, 17 in Honnali Taluk, 3 in Shimoga Taluk and 1 in Tirthahalli Taluk were sanctioned by Government. Alienations of gomal lands for building purposes were sanctioned in 5 cases, 4 in the Tirthahalli and 1 in the Honnali Taluk. The estimated cost of compensation payable to owners of lands was Rs. 7,853. A sum of Rs. 2,934-7-8 was drawn from the Treasury on account of compensation during the year 1924-25. A Town Committee was organised by the Shimoga Town Municipal Council and extensions were formed to provide sites. Steps were taken in the Chitaldrug District for the shifting of the population of the flooded areas and suitable localities were selected for housing them and acquisition proceedings taken in respect of the said localities. The localities were formed into convenient building sites and granted to the sufferers. In many of the affected villages, the sufferers are reported to have constructed houses on the sites granted to them. Out of the 108 sites formed in Haribar town, 49 sites were granted to the poor free of cost and 39 to others at upset price, the total amount realised thereby being Rs. 1,868-2-3.

(B) *Supply of Building Materials.*—Depots for stocking House-building materials were opened in the marginally noted centres in the Mysore District to afford facilities for the sufferers to reconstruct houses as early as possible. Materials at a cost of Rs. 6,224-9-8 were supplied by the Forest Department. They were given to the poor free of cost and sold to the others at cost price. The number of applications received and dealt with was 275 in T.-Narsipur, 101 in Nanjangud, 43 in Heggaddevankote, 36 in Malvalli and 26 in Yedatore Taluks making a total of 481 in the District. With the exception of a few applications in the T.-Narsipur Taluk, all the others were for free grant and were complied with accordingly. Timely relief in the shape of granting timber was given to the sufferers in the affected localities in Shimoga District. In Honnali Taluk Rs. 261-3-0 worth of building materials were given free of cost and materials valued at Rs. 94-5-0 were given to the sufferers at cost price. In the Tirthahalli Taluk, 604 cart-loads of timber and 2,050 Maragalas were given free to the sufferers. Building materials were supplied free of cost in Tarikere and Narasimharajapura (Sub) Taluks in the Kadur District as detailed below :—

T.-Narsipur.
Gargeswari.
Talkad.
Nanjangud.
Heggaddevankote.
Hunsur.
Seringapatam
Malvalli
Yedatore

| Taluks | No. of persons | Quantity |
|---|---|---|
| Tarikere ... | 78 | Not furnished. It is reported that the value of the materials given is Rs. 2,050. |
| Narasimharajapura ... | 38 | The supply of 410 cart-loads of timber and 8,600 bamboos was made through the Forest Department. |

In the Chitaldrug District, with a view to encourage the rapid construction of houses, building materials were got from the Forest Department and distributed among the sufferers as noted hereunder and the unutilised portion was disposed of by public auction :—

| | Big bamboos | Small bamboos | Props |
|---|---|---|---|
| 1. Receipt of stock from the Forest Department | 2,986 | 12,416 | 1,766 |
| 2. Free distribution for beggars (Adikarnatakas) and other poor people. | 1,245 | 8,490 | 816 |
| Balance ... | 1,741 | 3,926 | 950 |
| 3. Distribution at cost price ... | 340 | 3,925 | 471 |

The total amount realised from the disposal of the materials both at cost price and the public auction is reported to have amounted to Rs. 532-10-6.

(C) *Grant of remissions.*—In accordance with Government Order No. R. 3784-90—R. M. 3-24-169, dated 23rd December 1924, laying down rules for remission of assessment on lands damaged by the floods, a sum of Rs. 28,373-5-10 was remitted in the Mysore District by the Jamabandy Officers as detailed in the margin. There was no instance reported of cases recommended by subordinate Officers which were rejected by the Jamabandy Officers. In the Hassan District, a total remission of Rs. 1,934-13-5 was sanctioned in all the Taluks except Arsikere by the Huzur Jamabandy Officers. In the Shimoga District, where the damage done to lands was heavy, the lands were inspected field by field by the Special Sheikdars and measurements of the area damaged were taken and the loss was estimated. In the Taluks, where no special establishment was maintained, the work was got done by the ordinary establishment. The affected lands were inspected by the Amildars and the Jamabandy Officers in accordance with the orders of Government. A remission of Rs. 9,706-7-10 was sanctioned in the District on an area of 3,622 acres 6 guntas under the directions contained in Government Order dated 23rd December 1924. The remissions sanctioned in the several taluks were as hereunder:—

| | Rs. | a. | p. |
|---|---|---|---|
| Yedatore ... | 1,149 | 8 | 0 |
| Hunsur ... | 1,424 | 8 | 0 |
| Seringapatam ... | 412 | 7 | 0 |

| Tirthahalli ... | 2,085 | 26 | 5,360 | 11 | 7 |
| Total ... | 3,622 | 6 | 9,706 | 7 | 10 |

In the Kadur District, a sum of Rs. *7,248-0-9 was finally recommended for remission by the Sub-Division Officer, Tarikere, and the Deputy Commissioner who conducted the Huzur Jamabandy in the respective taluks. There was a difference of Rs. 628 between the probable amount of remissions as per lists of Special Sheikdars and that recommended by the Huzur Jamabandy Officers. The amount of remissions recommended by the local Officers came up to Rs. 7,876-1-2, while the amount finally sanctioned by Government came up to Rs. 7,248-0-9 as per recommendations of the Sub-Division Officer and the Deputy Commissioner. In addition to the above grant of remissions, seed paddy, etc., at cost price was supplied in the flood-affected area in the Kadur District at a total cost of Rs. 1,142-3-4. In the Shimoga District 4,369 seers of paddy (Halubbalu variety) were sold to raiyats of Shimoga and Tirthahalli (Shimoga 572 seers and Tirthahalli 3,797 seers) Taluks by the Agricultural Department at a cost of Rs. 397-0-0.

| Total ... | 7,248 | 0 | 9 |

In the preparation of the lists of damages Messrs. Bhistappa, Venkata Rao and Ramachandra Rao (Pleader) were present at the time of inspection of damaged lands by the Deputy Amildar in Narasimharajapura Sub-Taluk and Messrs. H. Krishna Rao, Krishnabhatta of Bettagere, Bandigudi Imam Sab and Asagodu Venkatramanagowda were requested by the Amildar, Koppa Taluk, to associate themselves with the above work. Of these, Mr. Bettagere Krishnabhatta is stated to have taken interest in the work. No land damages nor damages to crops in any appreciable measure were reported in the Chitaldrug District. No lands were eroded or otherwise rendered unfit for cultivation permanently. In the above circumstances, there were no cases calling for any remission of assessment in this District. Thus a total sum of Rs. 47,262-11-10 as noted in the margin was remitted in the districts affected by the floods as per Government Order, dated 23rd December 1924.

*III. Total amount of subscription raised from the public, the amount spent and the balance.*

The total amount of public subscriptions from all sources till the end of December 1925 was Rs. 69,931-1-11 in the Mysore District, Rs. 13,721-4-11 in the Hassan District; Rs. 17,063-8-7 in the Shimoga District; Rs. 6,603-7-11 in the Kadur District and Rs. 6,094-6-8 in the Chitaldrug District. Money grants ranging from Rs. 10 to Rs. 30 were distributed among the deserving poor of the Nanjangud, T.-Narsipur, Heggaddevankote, Seringapatam, Hunsur and Malvalli Taluks of the Mysore District. The amount which was thus spent in giving relief to the end of December 1925 came to Rs. 53,117-11-6 leaving a balance of Rs. 16,813-6-5 as noted in the margin and this amount was surrendered to the Central Flood Relief Committee, Bangalore, on 17th March 1926. In the Hassan District, a sum of Rs. 8,111-4-11 was collected by way of subscriptions purely from the public and a sum of Rs. 5,610 was realised as contributions by local bodies. Out of the above amounts, a sum of Rs. 1,765-7-0 was spent in the district for grant of relief to sufferers by way of cash payments towards construction of new houses and purchase of seed paddy. A sum of Rs. 9,500 was sent to other districts for grant of relief to sufferers from floods in those districts and the balance of Rs. 2,455-13-11 was surrendered to the Central Flood Relief Committee, Bangalore. In the Shimoga District, a District Flood Relief Committee and Taluk Relief Committees for Shimoga, Honnali and Tirthahalli Taluks were formed under the auspices of the District Board. A sum of Rs. 16,950-9-0 was raised by way of subscriptions and contributions from the local bodies as per details noted hereunder :—

| Rs. | a. | p. |
|---|---|---|
| 69,931 | 1 | 11 |
| 53,117 | 11 | 6 |
| 16,813 | 6 | 5 |

| | Rs. | a. | p. |
|---|---|---|---|
| Shimoga District subscriptions ... | 2,941 | 9 | 6 |
| District Local Boards ... | 7,000 | 0 | 0 |
| Central Flood Relief Committee ... | 6,000 | 0 | 0 |
| Hassan District Board Flood Relief Committee ... | 1,000 | 0 | 0 |
| Gubbi Taluk Board ... | 8 | 15 | 6 |
| | 16,950 | 9 | 0 |
| Interest on investment in Savings Bank ... | 73 | 7 | 5 |
| Other collections ... | 39 | 8 | 2 |
| Total ... | 17,063 | 8 | 7 |

Out of the above amount, an expenditure of Rs. 12,226-2-0 was incurred in the taluks noted in the margin. The balance at the credit of the District Committee was Rs. 4,837-6-7. The utilisation of the sum is under correspondence with the Secretary, Flood Relief Committee. 175 kamblies were supplied by the Central Flood Relief Committee and these were distributed among the poor people in the affected parts of the district. The total amount of subscriptions raised from the public in the Kadur District came to Rs. 6,603-7-11 as detailed in the margin. A sum of Rs. 870-10-8 was distributed among 109 sufferers and Rs. 5,732-13-3 was surrendered to the Central Flood Relief Committee on 6th November 1925 as per requisition made by the Secretary of the Committee. The subscriptions and donations offered by the public and local bodies and the total expenditure incurred in the Chitaldrug District is detailed hereunder :—

| | Rs. | a. | p. |

*(This does not include the amount collected by the President, Davangere Municipality, and the subscription of as Municipality.)

The balance of Rs. 182-4-0 noted above is reported to be with the Secretary of the Flood Relief Committee of Harihar and the Committee has since reported that the amount has been reserved for the purpose of aiding the sufferers who have yet to construct houses in the new sites granted to them. In addition to the above, the President of the Davangere town Municipal Council collected a sum of Rs. 907 from the public of that place and a further sum of Rs. 1,000 was promised to be subscribed by that Council. It is reported that a sum of Rs. 556 was actually spent out of these amounts for purchasing and supplying pot tiles to 23 sufferers of Guttoor village. The Deputy Commissioner does not report how the balance of Rs. 351 has been utilised.

The total amount of subscriptions raised from all sources in all the districts amounted to Rs. 1,13,413-14-0 of which Rs. 52,002-9-1 was from subscriptions by the public as noted in the margin. Out of the total collections, a sum of Rs. 79,014-15-2, was spent leaving a balance of Rs. 34,398-14-10. Out of the balance, a sum of Rs. 29,028-4-3 was surrendered to the Central Flood Relief Committee, the Deputy Commissioners of Mysore, Hassan and Kadur Districts having surrendered the whole balance that remained with them after meeting the requisite demands in their districts out of the amount collected. Out of the balance of Rs. 4,559-6-8 in the Chitaldrug District, only a sum of Rs. 4,026-2-8 was surrendered to the Central Flood Relief Committee. So a sum of Rs. 533-4-0 still remains with the Deputy Commissioner. Out of this a sum of Rs. 182-4-0 is reported to be with the Secretary of Flood Relief Committee, Harihar. As regards the balance of Rs. 351, no account has been rendered. There was a balance of Rs. 4,837-6-7 with the Deputy Commissioner, Shimoga, and the same has not been surrendered yet to the Central Flood Relief Committee, as the utilisation of the amount is under correspondence with the Secretary of that Committee.

*Conclusion.*—It may not be out of place to state that the several officers of Government entrusted with the relief works did signal service in rendering timely help to the unfortunate sufferers from floods and several philanthropic gentlemen subscribed liberally. They also helped the local officers in distributing money, blankets and other clothing and food grains among the destitute and the poor in the flooded parts. All possible care and promptitude was shown by the officers who acted with quickness and sympathy in the administration of relief that was liberally sanctioned by Government from time to time. Government also placed on record their high appreciation of the promptitude and energy with which not only the officials but also many leading non-official gentlemen took steps to afford relief to the people who were in distress, and it was to their efforts that there was no loss of life except one solitary instance of the death of a boy by the collapse of a house in the Manjarabad Taluk of the Hassan District. Government also considered that the services of certain persons, who saved lives and property at considerable risk to themselves during the floods and provided shelter and relief to sufferers, deserved suitable recognition and therefore sanctioned in their Government Order No. 832-36—C. B. 63-25, dated 28th September 1925, the award of a public service medal

Names of persons who were awarded medals—

1 Mr. Abdul Razack Saheb, Narasimharajapura Sub-Taluk.
2 ,, Koneripuram Ramachar, Tirthahalli Taluk.
3 ,, Narasasetti of Immavoo, Nanjangud Taluk.
4 ,, Karim Sab, Tirthahalli Taluk.
5 ,, Govinda Das, Tirthahalli Taluk.

Names of persons who were granted certificates—

1 Mr. B. Michael, Shimoga.
2 ,, B. S. Nagesa Rao, Nanjangud Taluk.
3 ,, E. Krishnappa, Nanjangud Taluk.
4 ,, V. Samiengar, T.-Narsipur Taluk.
5 ,, Kadim Venkatasubbaiya, T.-Narsipur Taluk.
6 ,, M. S. Shamachar, Ramanathapur, Arkalgud Taluk.
7 ,, B. N. Raghavayya, B.A., L.L.B., Advocate, Shimoga.
8 ,, P. Venkappayya, Shimoga.
9 ,, A. Ananthiah, Shimoga.
10 ,, Syed Mahomed, Shimoga.
11 ,, Seshagiri Das, Tirthahalli Taluk.
12 ,, Bishte Gowda, Tirthahalli Taluk.
13 ,, C. Subba Rao, B.A., B.L., Advocate, Shimoga.
14 ,, S. Seetharamiah, Advocate, Shimoga.

during the Dasara of 1925 to Mr. Ambigara Chella of T. Narsipur Taluk of the Mysore District who displayed extraordinary courage in carrying persons and property safe across the river in high floods at considerable personal risk. Five medals worth Rs. 30 each together with 14 certificates were also ordered by Government to be presented to persons who rendered valuable service in saving the lives of people and in providing shelter and relief to the distressed people.

I have the honour to be,
Sir,
Your most obedient servant,
C. S. BALASUNDARAM IYER,
*Revenue Commissioner.*

## REVENUE SECRETARIAT.

### Settlement of Hisses in Khates.

READ—

Representative Assembly Subjects Nos. 7 and 8 of the Birthday Sessions of June 1926, regarding the settlement of Hisses in Khates and the Dewan's reply thereto.

ORDER No. R. 675-82—L. R. 92-26-2, DATED 2ND AUGUST 1926.

The question of the registration in the Revenue accounts of the separate shares in a Khate in the names of the different share-holders or hissedars and the restriction of the liability to land revenue on each share to the hissedar registered in the accounts, has been urged before the Government in the Representative Assembly for many years. It is also requested that no payment on account of land revenue should be received from any other person than the owner or hissedar, and Shanbhogs of villages should be called upon to furnish correct statements of hisses to Patels to facilitate land revenue collection.

Full effect to these representations can only be given after a correct record of rights of the different occupants in the land is maintained and the Mysore Land Revenue Code amended to enable the incorporation of this record into the land revenue accounts, with suitable provisions for its being maintained up-to-date.

Under the Revenue law in force at present, the registered occupant of a holding is solely responsible for land revenue due to Government; and power has been given to the Deputy Commissioner under the Code to transfer the holding in the names of co-sharers when the holding is brought to sale fraudulently for arrears of land revenue; and the Rules passed under the Code provide for the splitting up of Khates subject to a prescribed minimum in the names of co-sharers under certain conditions. The Shanbhogs are not required under the Rules, to maintain statements of hissedars owing shares in khates.

With a view to avoid the inconvenience and loss which may be caused under the present system, the Revenue Commissioner suggested in his letter No. 2671, dated the 20th March 1923, that separate khates may be maintained for each survey number and that the sub-division of survey numbers may be freely allowed without restriction to any minimum the only limit being the physical disability of putting up survey bandhs and making the corrections in the survey and village records.

During the last session of the Representative Assembly, the whole subject was thoroughly discussed. With a view to determine what modifications in the village accounts can be introduced so that they may reflect as far as possible the existing rights of the occupants in the lands without violating the revenue laws in force, Government direct that a Committee of the following gentlemen may be appointed with the Revenue Commissioner as the Chairman :—

(1) The Revenue Commissioner (Chairman).
(2) Mr. A. V. Ramanathan, Deputy Commissioner, Mysore District.
(3) The Superintendent, Revenue Survey.
(4) Mr. Venkatappa *alias* Chikkanna, Malvalli.
(5) ,, Venia Reddi, Malur.
(6) ,, S. G. Mallaiya, Mandya.
(7) ,, G. Subba Rao, Closepet.
(8) ,, Hanumantha Rao, Devanhalli.

The Committee will investigate this question in all its aspects and submit a report to Government before the end of September next having special reference to the following points :—

(1) The examination of the present khate system of accounts and its defects.

(2) The advantages of constituting each survey number as a separate khate, with the removal of restriction on the sub-division of survey numbers.

(3) The practicability of registering hisses in the khate and the restriction of liability to assessment to the hissedars.

(4) Restriction of sales on account of arrears of land revenue to survey numbers parts of survey numbers on which arrears are due.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

## FINANCIAL SECRETARIAT.

### Post Office Cash Certificates.

READ—

Letter No. Sl. 4185, dated the 19th June 1926, from the Comptroller, soliciting orders as to whether Post Office Cash Certificates may be accepted as securities when they are offered and deposited with a Government Officer in the same manner as promissory notes and debentures.

ORDER NO. FL. 381-440—G. F. 259-25-2, DATED 23RD JULY 1926.

Government are pleased to direct that Post Office Cash Certificates may be accepted as securities at cash payment value at the time of deposit.

2. Necessary amendments to the Account Codes may be issued incorporating this provision.

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

## PUBLIC WORKS SECRETARIAT.

### Execution of Works.

READ—

Letter No. C. 681, dated the 29th June 1926, from the Chief Engineer of Mysore, submitting proposals for bringing all original and repair works now being carried out by separate departments under the single control of the Public Works Department.

ORDER NO. P. W. 262-72, DATED 24TH JULY 1926.

A technical staff, as detailed in the margin, has now been employed under the Inspector-General of Education for the execution of certain works relating to that department. Of this establishment, one Overseer and two Sub-Overseers belong to the permanent cadre of the Education Department, the Engineering Assistant is a lent officer from the Public Works Department, and the remaining staff is temporary.

| | Rs. |
|---|---|
| 1 Engineering Assistant .. .. | 170+35 |
| 2 Draftsmen .. .. | 2 (35) |
| 2 Clerks .. .. | 35, 25 |
| 2 Peons .. .. | 11, 10 |
| 2 Overseers .. .. | 2 (100-10-150)+30 |
| 2 Draftsmen ... .. | 2 (30) |
| 2 Clerks ... .. | 2 (25) |
| 2 Sub-Overseers .. .. | 2 (45+15) |
| 4 Sub-Overseers ... .. | 4 (40+25) |
| 8 Peons .. .. | 8 (10) |

Similarly, for the execution of works relating to the Military Department, two Sub-Overseers have now been employed in that department. The Engineering staff of the Agricultural Department consists of one Agricultural Engineer and one Draftsman. As regards the Police Department, no special Engineering staff has been employed.

2. Government consider that the existing arrangement under which separate staffs are entertained for the execution of works by the several departments as stated above is not satisfactory and that the entrusting of these works to the Public Works Department will be conducive to greater efficiency and economy.

3. They are accordingly pleased to direct that the execution of all works, original as well as repairs, now being done under the supervision of the respective departments, *viz.*, Educational, Military and Police, be taken over by the Public Works Department.

4. As regards the staff, Government, in view of the fact that the transfer of the execution of the several works of the Education Department to the Public Works Department would throw a heavy amount of work on the latter department, direct that one Sub-Engineer, one Overseer and two Draftsmen now employed in the Education Department be transferred to the Public Works Department and the services of the remaining staff be dispensed with, effecting a savings of Rs. 9,292 per annum. Similarly, the services of the two subordinates employed in the Military Department

should likewise be dispensed with in that department and the question of absorbing them in the Public Works Department may be considered on its own merits.

5. As regards the Agricultural Department, Government consider that the nature of work turned out is peculiar to that department. The Agricultural Engineer is also a part-time teacher in the Hebbal Agricultural School. They are therefore pleased to direct that the Engineering establishment attached to this department may be allowed to continue in that department.

6. The Chief Engineer is requested to take necessary action for taking over charge of all the works now being attended to by the Education, the Police and the Military Departments in consultation with the Heads of Departments, after settling all claims of contractors up to the date of transfer of works.

7. The Inspector-General of Education is requested to furnish to the Chief Engineer a complete list of educational buildings in the State, Taluk and Districtwar, hitherto under charge of that department, and a statement giving detailed information *re* amounts sanctioned, outlay incurred so far and the balance to be spent, etc., in respect of all works in progress. Necessary steps may also be taken to transfer the grants for such works and place them at the disposal of the Public Works Department.

K. R. SESHACHAR.
*Secretary to Government,*
*Public Works Department.*

## IMPORTANT GOVERNMENT ORDERS.

### REVENUE SECRETARIAT.

Improvement of Tanks, etc.

### OFFICIAL MEMORANDUM.

R. 632-6—L. R. 91-26-1 DATED, 31st JULY 1926.

In view of the importance of the tank system of Mysore and the necessity for ensuring more efficient methods for the restoration of tanks, Government in their Order No. P. W. 3530-36, dated 31st March 1926, directed the formation of a tank Survey Division, for the collection of all necessary data for preparing a suitable programme for the selection of tanks for restoration or improvement in the future.

2. It was represented at the Deputy Commissioners' Meetings held at Mysore on the 17th and 18th June 1926, that, owing to want of control over the distribution of water, more land than could be cultivated with the available water supply was sown with wet crops and the raiyats sustained much avoidable loss. It was further stated that there was great wastage in the use of water and that under a system of better regulation of water supply, a larger extent of land could be brought under wet cultivation than is done at present. It is also reported that the feeder channels of large tanks are usually in disrepair and that sufficient attention has not been paid to the provision of masonry *madaboys*, etc.

3. The draft Irrigation Bill which was published in the *Mysore Gazette* dated the 27th September 1923, contains necessary provisions for regulating supply of water and preventing waste, and has to be taken up for consideration and placed before the Representative Assembly and the Legislative Council at an early date.

4. In the Malnad Districts, the grants under the Irrigation Cess Fund have not been utilised in full. There is an order of the Chief Commissioner to the effect that the surplus proceeds of the Irrigation Cess Fund could be utilised for the construction of new roads. It is considered that after the requirements of the tanks in the Malnad are fully met, there may be no objection to utilising the remainder for the repair of old or construction of new roads.

5. These questions require careful consideration by a Committee before further action can be taken thereon. Government are pleased to appoint the following gentlemen as members of the Committee:—

(1) The Revenue Commissioner (Chairman).
(2) Mr. K. R. Seshachar.
(3) Mr. A. K. Syed Taj Peeran, Deputy Commissioner, Shimoga District.
(4) Mr. B. Narasinga Rao, Pleader, Mysore.
(5) Mr. N. S. Nanjundiah, President, District Board, Hassan.

6. The following points will be considered by the Committee and a report submitted before the end of September next:—

(1) Regulation of water supply in tanks and channels to avoid waste, and to ensure its full use for purposes of cultivation;
(2) The introduction of the Irrigation Bill;
(3) Examination of the provisions of the Tank Panchayet Regulation and suggestion of changes necessary.
(4) The utilisation of the proceeds of the Irrigation cess in the Malnad for repair—construction of roads.

By Order,
C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

## Refunds.

READ—

Sub-para 1 of para 2 of Government Order No. R. 4314-6—L. R. 149-24-87, dated 26th February 1926, directing that the Sub-Division Officers and the Amildars be vested with certain additional powers in the matter of granting refunds and remissions.

2. Letter No. C. 3162—25-26, dated the 6th July 1926, from the Revenue Commissioner in Mysore, soliciting orders for enhancing the powers of the Deputy Commissioners to sanction refunds of sale amounts from Rs. 500 to Rs. 1,000.

ORDER No. R. 664-74—L. R. 26-26-2, DATED 2ND—4TH AUGUST 1926.

The recommendation of the Revenue Commissioner to enhance the powers of sanction of the Deputy Commissioners of Districts, in respect of refunds of sale amounts from Rs. 500 to Rs. 1,000, is approved.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

**Lower Secondary Training Course.**

READ—

Correspondence ending with letter No. H. C. 390—23-24, dated 22nd May 1925 from the Inspector-General of Education, submitting proposals for (1) extending the Lower Secondary Training Course to two years, (2) revising the rates of allowances to substitutes for teachers undergoing the various grades of training, and (3) increasing the number of Graduate Teachers deputed every year for training from 6 to 12 and providing two stipends for the training of Graduate Teachers of Aided Schools.

2. Un-official Note No. 58, dated 28th April 1926, by the Inspector-General of Education on the same subject.

ORDER No. E. 655-56—EDN. 288-22-12, DATED 2ND AUGUST 1926.

The orders on the Education Memorandum contemplated, among other matters, the extension of the Lower Secondary Training Course from one to two years so that the teachers deputed for training may, in addition to receiving normal training improve their knowledge of the subjects to be taught. The Inspector-General now states that such extension is most urgently called for as the majority of teachers who go in for the Lower Secondary Examination with the idea of entering the teaching profession are men of very modest intellectual endowment and their general educational equipment is scanty and that it is therefore necessary to supplement their knowledge by a course of study in general subjects so as to develop their power of understanding and give them a grounding in subjects which they will be called upon to teach in the Primary Schools. He also proposes that the number of men and women teachers to be deputed for training in the Lower Secondary Training Class may be raised from 580 and 33 to 610 and 60 respectively distributed in both the

first and second year classes of the Lower Secondary Training Course, the number of teachers (both men and women) annually recruited being reduced from 613 to 335 and adds that with the longer course and a more effective training, a much larger proportion of candidates who undergo training may be expected to complete the same successfully, making little difference in the total number of candidates passing the Examination (the percentage of passes in the Lower Secondary Training Course being very low at present) but with considerable difference in the quality of teachers trained. The selection of teachers for the Lower Secondary Training during 1925-26 is reported to have been made on the basis of a two-years' course and both the first and second year classes will be at work during 1926-27.

2. With a view to meet the requirements of the two-years' course, the Inspector-General recommends that the staff of the Training College may be strengthened by two hands on Rs. 50—5—75 each (one for Kannada Section and one for Urdu Section) and the Maharani's High School and the Zanana Normal School, Mysore, by one hand each on Rs. 50—5—75 and that each of the six District Normal Schools be given a trained Graduate Assistant Master on Rs. 50—5—75 in lieu of an existing hand on Rs. 35, so as to improve the quality of teaching in the Schools.

3. In this connection, the Inspector-General also brings to notice that the rates of allowances now given to Training Substitutes are not fixed with reference to qualifications of the substitutes appointed but vary according to the grade of training to which the teachers in whose places they are entertained, are deputed. With a view to remove the inequality in the rates of allowances given to the several classes of Training Substitutes and to make the same uniform on the basis of their qualifications (which is generally a pass in the Mysore Lower Secondary Examination), the Inspector-General proposes that the allowances and stipends payable to the substitutes and private candidates may be revised as indicated below:—

| | | | Rs. |
|---|---|---|---|
| (1) | For those who have passed English Lower Secondary Examination .. .. | Men | 14 |
| | | Women | 15 |
| (2) | For those who have passed Vernacular Lower Secondary Examination .. | Men | 13 |
| | | Women | 14 |
| (3) | For unpassed candidates appointed in special cases .. .. | Men | 11 |
| | | Women | 12 |
| (4) | For private candidates to the Lower Secondary Training and Upper Secondary Classes .. | Men | 11 |
| | | Women | 12 |

The grants at the existing rate to teachers of Aided Schools are proposed to be continued and made tenable for 22 months (excluding the second vacation), calculation being made for an average of 11 months each year.

4. On a careful consideration of the proposals, Government are pleased to direct that the Lower Secondary Training Course be extended to two years and to approve of the action of the Inspector-General in having made the selection of teachers for the training during 1925-26 on the basis of a two-years' course. The increase in the number of teachers to be deputed for training (both the classes taken together), the extra staff proposed for the several institutions and the revision of the rates of allowances and stipends are also sanctioned. The increase in the number of Graduate Teachers to be deputed for training every year from 6 to 12 (including one Lady Graduate) is also approved for a period of five years from 1926-27.

5. As regards the question of making provision for the training of two Graduate Teachers of Aided Schools, no further orders are called for, as Government have in their Order No. E. 6562-53—Edn. 15-24-17, dated 4th June 1926, sanctioned the training of at least two teachers of Aided High Schools every year for a period of three years from 1926-27.

6. The extra cost on account of the proposals herein sanctioned amounting to Rs. 24,310 as detailed in the statements appended, will be met from the provision of Rs. 50,000 for additional requirements in the budget of the Education Department for the current year.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## FINANCIAL SECRETARIAT.

### Amount of surrender value and paid up policies.

READ—

Letter No. 22202, dated 21st May 1926, from the Secretary, Insurance Committee, forwarding for sanction with the approval of the Committee, an amendment to Rule 20 of the Rules of the Public Branch of the State Life Insurance Committee in conformity with the directions contained in Government Order No. Fl. 889—G. F. 44-25-6, dated 12th August 1925, about the general formula for calculating the amount of surrender value and paid up policies.

ORDER No. FL. 806-8—G. F. 44-25-41, DATED 4TH AUGUST 1926.

The substitution of the following rule for the existing Rule 20 of the Public Branch is sanctioned. "Lapsed policies which have been in force for not less than 3 complete years may be exchanged for fully paid up policies. *Vide* Appendix I annexed to this order for calculation."

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

## APPENDIX I.

## CALCULATION OF PAID-UP POLICIES AND SURRENDER VALUE.

### GENERAL.

The amount of surrender value to be paid on policies, under all the tables, which are in force (more than one year and) for less than three years, is fixed at 25 per cent of the amount paid, until further orders.

2. No Paid-up Policy can be issued, if a policy has not been in force and premiums paid for three complete years. In regard to Paid-up Policies the amount shall be taken at the nearest integral rupee to the amount brought up by the calculations. Thus, for instance, if the calculations give a Paid-up-Policy of Rs. 314-4-0 or less, the amount to be granted will be Rs. 314, or if the calculations give a Paid-up Policy of Rs. 314·5 or over, the Paid-up Policy will be Rs. 315.

3. In the case of ordinary whole Life Policies which have been in force not less than three years, the surrender value is first calculated, and from that will be obtained the Paid-up Policy; while in the case of whole Life Policies by limited payments, and all Endowment Assurance Policies, the Paid-up Policy will be calculated first and the surrender value will be derived therefrom.

### TABLE I.

ORDINARY WHOLE LIFE POLICIES, PREMIUMS PAYABLE THROUGHOUT LIFE.

4. The surrender value of these Policies is calculated according to the amount of premiums paid. It varies from 30 per cent to 40 per cent of the premiums paid, according to the durations, as follows:—

| | | | | | |
|---|---|---|---|---|---|
| Duration from | 3 to 5 complete years, | | 30 | per cent of the premiums paid. | |
| " | 6 complete years. | | 31 | " | " |
| " | 7 | " | 32 | " | " |
| " | 8 | " | 33 | " | " |
| " | 9 | " | 34 | " | " |
| " | 10 | " | 35 | " | " |
| " | 11 | " | 36 | " | " |
| " | 12 | " | 37 | " | " |
| " | 13 | " | 38 | " | " |
| " | 14 | " | 39 | " | " |
| " | 15 | and over | 40 | " | " |

If the premiums have been paid for complete years and a fraction, then the premium paid for the fraction will be taken into account, in calculating the surrender value.

5. To find the Paid-up Policy which may be taken in lieu of Surrender Value, the Surrender Value calculated as above, will be multiplied by the number in the column 'M' in the annexed table for the age next birthday at the time of the conversion.

6. If at a future time it be desired to find the surrender value of the Paid-up Policy, proceed as follows:—If the Paid-up Policy is to be surrendered within one year of its becoming Paid-up the surrender value of the original Policy which was employed in calculating the Paid-up Policy will be the surrender value of the Paid-up Policy. If however, the Paid-up Policy is to be surrendered after one year of becoming Paid-up, then to obtain the surrender value thereof, the Paid-up Policy must be multiplied by the number in column 'N' against the age next birthday of the life assured, at the date of surrender.

## TABLE II.

### WHOLE LIFE POLICIES BY LIMITED PAYMENTS.

7. In the first place find the amount of Paid-up Policy which can be granted. That amount of Paid-up Policy is calculated by taking it as the proportion to the original amount assured which the number of premiums paid for completed years bears to the total number payable under the original Policy. Thus, the premiums paid for fractions of a year are left out of account.

8. To calculate the surrender value at any time of the original Policy, the Paid-up Policy, calculated as above, must be taken, and its surrender value found exactly as in the case of Ordinary Whole Life Policies, that is, it must be multiplied by the number in column 'N' against the age next birthday of the life assured at the date of surrender. Similarly, at any future date the surrender value of the Paid-up Policy will be calculated in precisely the same way, the then age next birthday being taken.

## TABLE III.

### ENDOWMENT ASSURANCE POLICIES.

9. The treatment of Endowment Assurance Policies is very similar, as regards Paid-up Policies, to that of Whole Life Policies by limited payments, except that in the earlier years of the duration of the Policy, the Paid-up Policy must be reduced, according to the scale given below. Proceed as under:—

10. The amount of Paid-up Policy is calculated in the first place by taking that amount as the proportion to the original amount assured which the number of premiums paid for completed years bears to the total number payable under the Original Policy. Thus, the premiums paid for fractions of a year are left out of account. Then the amount of Paid-up Policy, so arrived at, is to be adjusted as follows:—

| | | | |
|---|---|---|---|
| If premiums have been paid for | 3 | completed years | Reduce the Paid-up Policy calculated as above by 10 per cent. |
| " | 4 | " | " 8 " |
| " | 5 | " | " 6 " |
| " | 6 | " | " 4 " |
| " | 7 | " | " 2 " |
| " | 8 | and over | No reduction |

11. To ascertain the surrender value of the Original Policy the column 'EA' in the annexed Table is to be used. The amount of Paid-up Policy must be multiplied by the number against the unexpired term in the Table. The unexpired term is the next higher Integral number of years, which the Policy has still to run until maturity. Thus, for instance, if the Policy has still to run from exactly 15 years to nearly 16 years, the unexpired term to be taken will be 16 years.

12. Similarly, to ascertain at any future time the surrender value of the Paid-up Policy, exactly the same course must be followed taking the then unexpired term as explained above to give the multiplier.

## TABLE IV.

### CHILDREN ENDOWMEMT POLICIES.

13. A lapsed Children Endowment Policy which has been in force for not less than three years may be exchanged for a fully Paid-up Policy, the amount of which shall bear the same proportion to the original amount assured, as the premium paid bears to the amount payable, if the insured lives till he completes the stipulated age.

14. A surrender value of not more than 40 per cent of the premium paid, without interest, will be paid on application in respect of policies which have been in force for more than three years.

## MYSORE STATE LIFE INSURANCE PUBLIC BRANCH.

TABLE FOR CALCULATING THE AMOUNTS OF PAID-UP POLICIES AND THEIR SURRENDER VALUES.

### "Miscellaneous and Other Items."

ORDER No. R. Fl. 1085-144—G. F. 272-25-1, DATED 11th AUGUST 1926.

READ—

During the budget discussion at the last Session of the Representative Assembly and the Legislative Council, it was suggested to Government that specification may be made, as far as possible, of the more important items included under indefinite heads such as 'Miscellaneous' and 'Other Items' both on the Receipt and Expenditure side of the Budget.

2. As the items comprised under such non-descript heads are likely to vary from year to year, Government observe that the arrangement in the Budget need not be disturbed and that details of items of not less than Rs. 2,000 included under such non-descript heads should be furnished in the explanatory memorandum accompanying the Budget Estimates. Government accordingly direct that in submitting the receipt and expenditure estimates in future the Comptroller and the Heads of Departments will invariably furnish particulars of all items of not less than Rs. 2,000 included under such heads as 'Miscellaneous' and 'Other Items' with explanation for variations in the provisions in the estimates as compared with accounts wherever necessary.

3. As regards revenue heads, the responsibility for furnishing the detailed information, primarily rests on Heads of Departments and the departmental registers prescribed under the rules relative to each department should enable the officers preparing the estimates to give particulars of the miscellaneous items. In cases where they do not supply adequate information it should be obtained by reference to initial records, if necessary.

4. In regard to the expenditure heads, the Comptroller will furnish details of the more important items included under 'Miscellaneous' or 'Other Items.'

5. The Comptroller is requested to see that in the budget forms supplied to the departments in connection with preparation of the next year's budget, a note is added inviting the Heads of Departments to these circular instructions.

BANGALORE, THURSDAY, AUGUST 26, 1926.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### Appointment of six Revenue Probationers for 1926-27.

READ—

Government Order No. R. 5068-5127—L. R. 373-22-1, dated 19th May 1923, sanctioning a scheme for direct recruitment to the Amildari Service and providing for the proper representation of backward communities in the Amildari Service.

2. Government Order No. R. 6634-88—L. R. 35-24-17, dated 5th May 1925, directing that the names of men belonging to backward communities both of the Revenue and other Departments including the Secretariat eligible for Amildari and Deputy Amildari appointments, should be included in the general list.

ORDER No. 684-734—C. B. 32-26-5, DATED 20TH AUGUST 1926.

Under the rules now in force for recruitment to the Amildari service, lists of eligible candidates, which contain names of officials of the Revenue Department, the Secretariat, the Income-tax Department and of officials belonging to backward communities of all departments are prepared every year and issued with the approval of Government and appointments are made from these lists. These lists contain the names of officials from the Revenue and other Departments, training in which is expected to qualify officials for the duties of an Amildar. The result of this arrangement has been that several officials are appointed to the Amildari Service when they are fairly advanced in age, and they often do not possess the activity of body and mind and the executive capacity required for the post of an Amildar.

2. The question of improving the tone of this important branch of executive service has been engaging the attention of Government. After a careful consideration of the several aspects of the case and also the opinion furnished by the Revenue Commissioner in the matter, Government are of opinion that one way of improving the tone of this service would

be by filling up a definite proportion of the vacancies in the grade of Amildars and Deputy Amildars by the direct recruitment of well qualified young men. With this object in view, Government are pleased to sanction the following arrangements for direct recruitment:—

(1) Six Revenue Probationers will be appointed during the year 1926-27 for direct recruitment to the Amildari and Deputy Amildari posts, on a salary of Rs. 80 per mensem during the probationary period, which will be fixed at two years. During this period, the Probationers are expected to qualify themselves by passing the prescribed examinations, after which they will be confirmed on the occurrence of vacancies.

(2) The Revenue Commissioner will invite applications from Graduates for the above six places of Revenue Probationers.

(3) Candidates will submit their applications to the Revenue Commissioner. No applications from candidates who are over 25 years of age will be entertained. Each application should be accompanied by a medical certificate as to the fitness of the candidate for executive work and two testimonials from gentlemen of recognised standing as to the character, social status, etc., of the candidate. A brief statement of the candidate's academic career with information as to prizes, medals, if any, won, and proficiency in sports, social and other qualities from the Head of the institution from which the candidate took his degree should accompany each application.

(4) A Committee consisting of the Revenue Commissioner, the Inspector-General of Education, the Excise Commissioner, the Senior Surgeon, and the Chief Secretary to Government will be appointed with the Revenue Commissioner as the convener, to deal with the applications. The Committee will consider the applications received, interview the candidates, and submit their recommendations to Government for orders.

3. The cost on account of these Probationers will be met by reappropriation of grants in the budget of the Revenue Department.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Grant of one Lakh of Rupees under Economic Development.

Read.—The discussions at the meeting of the Economic Conference held at Bangalore on the 30th July 1926 on the subject of utilising the provision of Rs. 1,00,000 made in the current year's Budget for Economic Development.

ORDER NO. REL. 37-60—E. C. 3-26-1, DATED 14TH AUGUST 1926.

From the discussions read above, Government observe that the members of the Conference were in favour of the main portion of the provision of Rs. 1,00,000 being utilised on certain important items of work in the programme of the Departments of Education, Agriculture, Industries and Commerce and Co-operation, a small sum being reserved for the establishment to be sanctioned in connection with the Economic Conference organization. They were also of opinion that a minimum grant of about Rs. 1,500 should be made to each of the District Boards for district economic work, the more backward districts being given larger allotments.

Government generally agree with this view. They are pleased to direct that a sum of Rs. 20,000 be reserved for the establishment that may be sanctioned in connection with the Conference organization. Separate orders will issue in this matter. Out of the balance, Government are pleased to make the following grants for the purposes shown against them:—

| | | |
|---|---|---|
| | Rs. | 10,000 for Visual Instruction Scheme. |
| | ,, | 5,000 for an Educational Survey. |
| | ,, | 2,000 for educational experiments. |
| | ,, | 7,500 for an Industrial Survey. |
| | ,, | 5,000 for the improvement of art industries. |
| | ,, | 2,000 for tourists' advertisements. |
| | ,, | 6,500 for helping hand-spinners. |
| | ,, | 7,000 for the establishment of a Dye-House. |
| | ,, | 4,000 for the demonstration of implements and manures. |
| | ,, | 3,600 for waste land-trial plantations. |
| | ,, | 9,000 for horticultural development. |
| | ,, | 2,000 for bee-keeping. |
| | ,, | 1,000 for the popularisation of Sericultural hand-basins. |
| | ,, | 5,000 for Industrial co-operation and the financing of Depressed Class Co-operative Societies. |
| | ,, | 3,000 for the publication of District and Taluk Hand Books. |
| Total | Rs. | 74,600 |

Government are also pleased to allot asum of Rs. 1,500 to each of the District Boards in the State, except the Shimoga District, to which, in view of the large need there is for economic development work in the District, they are pleased to sanction a grant of Rs. 5,000.

The amounts sanctioned above will be utilised after definite schemes are submitted to Government by the departmental or other authorities concerned and the sanction of Government obtained in each case. Government desire that immediate action should be taken in the matter.

The grants sanctioned above, together with the amount of Rs. 20,000 reserved for establishment, come to a total of Rs. 1,10,100 as against the sanctioned provision of 1,00,000 made in the Budget. It is anticipated, however, that in view of the fact that operations begin some time after the opening of the official year, there will be no necessity to make any additional allotment this year.

R. RANGA RAO,
Ex-officio *Secretary to Government,*
*Economic Conference.*

## Report on the working of Vaccination and of the Vaccine Institute during the Calendar year 1925.

READ—

Reports on Vaccination and the Vaccine Institute, Bangalore, for the Calendar year 1925, received with letters Nos. Per. Y. 16, dated 22nd May 1926, from the Sanitary Commissioner in Mysore, and No. 1104, dated 3rd—10th April 1926, from the Director of Public Health Institute, respectively.

ORDER No. G. 1881-900—SANY. 48-25-10, DATED 18TH AUGUST 1926.

Recorded.

2. *Number of Vaccinations performed.*—There were 168 vaccinators against 163 during the previous year. The total number of vaccinations performed by them was 1,71, 322 as compared with 1,53,720 during 1924, showing an increase of 17,602. Of these, the number of vaccinations performed in the rural areas was 1,25,213 against 1,11,116 in the previous year. The average number of vaccinations performed by each vaccinator was 914, which was more than that of the previous year by 104. Special attention continued to be paid to vaccinations in Holegeries and Madigakeries, the total number of cases performed being 11,675.

3. *Prevalence of small-pox.*—The total number of deaths from small-pox was 7,338 against 6,042 giving a ratio of 1·25 against 1·13 in the previous year. The largest number of deaths, *viz.*, 1,929 occurred in the Kolar District.

4. *Inspections.*—The total number of vaccination cases inspected by the Chief Sanitary Inspectors of the Districts in the course of their inspections was 38,205. The Sanitary Commissioner inspected the work of vaccinators in 78 towns and 75 villages.

5. *Compulsory Vaccination.*—With the passing of the amended Vaccination Regulation, VII of 1925 on 7th July 1925, vaccination became compulsory as a permanent measure in all the Municipalities constituted under the Mysore Municipal Regulation of 1906, and in the local area under the Kolar Gold Fields Sanitary Board. Proposals for extending it to other areas are under consideration.

6. *Cost of the Department.*—The total cost of the Department, exclusive of that of the Vaccine Institute, was Rs. 48,495-8-5 against Rs. 48,366-15-8.

7. *Vaccine Institute.*—During the year, 270 calves were successfully vaccinated and yielded 29,873 grains of pulp equivalent to 2,98,730 cases. The quantity of vaccine issued during the year was enough for 2,28,679 cases. The cost of lymph supplied during 1925 was 11.99 pies per case against 10.62 pies during 1924, the slight rise being due to increased charges consequent on the reorganisation of the establishment of the Institute. The income and expenditure of the Institute during 1925 were Rs. 20,947-4-5 and Rs. 13,007-14-2 respectively, yielding a net profit of Rs. 7,939-6-3. The outstandings on account of the supply of Vaccine lymph at the close of the year were Rs. 31,466-3-2, of which a sum of Rs. 20,043-5-7 related to the supplies made during previous years. It is hoped that consequent on the issue of

the Government Order No. L. 5137-210—San. 19-25-2, dated 18th January 1926, prescribing the procedure for the adjustment of the cost of Vaccine Lymph, these outstandings will be reduced.

8. Twenty candidates for Vaccinator's appointment were trained in the Vaccine Institute during the year and ten pupil Compounders and seven Sanitary Inspectors were also given training in vaccination.

9. *General.*—The number of deaths from small-pox during the year was more than that during 1924. The attention of the Deputy Commissioners of Districts and Presidents of District Boards is invited to the remarks contained in the last para of the Government review on the report for the year 1924 in regard to popularising vaccination in the State. The Sanitary Commissioner is requested to include a brief note in the matter in future reports.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## Report on Sanitation in the State during the Calendar year 1925.

READ—

Report on the Sanitation in Mysore during the calendar year 1925, received from the Sanitary Commissioner in Mysore, with his letter No. Per. Y. 15, dated the 18th May 1926.

ORDER No. G. 1901-21—SANY. 48-25-9, DATED 18TH AUGUST 1926.

Recorded.

2. Dr. B. Mahomed Usmon was the Sanitary Commissioner throughout the year.

3. *Vital Statistics.*—The total number of births registered in the State was 100,582 or 17·16 per mille of population as against 105,816 or 18·05 per mille during 1924 and was the same as the quinquennial mean. Male births predominated. The highest birth-rate for the year, *viz.*, 21·72 was returned by the Kolar District and the lowest, *viz.*, 13·01 by the Kadur District. The total number of deaths during the year was 102,263 or 17·44 per mille of population against 124,120 or 21·18 during 1924. The highest death-rate for the year, *viz.*, 23·03 was recorded in the Kadur District and the lowest, *viz.*, 14·70 in the Tumkur District. Deaths exceeded births by 1,681, the excess being contributed by the Districts of Mysore, Hassan, Shimoga and Kadur. The general death-rate among males averaged 18·00 per mille of population as compared with 16·89 among females. In towns circles, the number of deaths among males was more than that of females in proportion to the population of each sex. According to classes, the death-rate among the Mahomedans was 14·18, among Hindus 17·31 and among other classes 31·82 as against 19·20, 20·29 and 63·41 respectively during 1924. The great disparity in figures may be the result of defective registration, but the sudden and heavy increase in the death-rate of the pupulation included under the heading "other classes" requires explanation. The Sanitary Commissioner is requested to examine the causes and submit a separate report in the matter.

The number of deaths among children under one year of age was 10,354 as against 12,118 giving a ratio of 102·94 against 114·51 during 1924. The highest rate was for Shimoga and the next highest Kadur. It is only in the Cities of Bangalore and Mysore and the Kolar Gold Fields that organized Infant Welfare Work is carried on. It behoves other Municipalities, particularly those wherein the death of infants is excessive, to adopt similar measures for saving the lives of children. The attention of the larger Municipal Councils is invited to the remarks of the Sanitary Commissioner in paragraph 9 of his report, regarding the employment of Lady Health Visitors.

Mortality was very high in the marginally noted places. The attention of the Municipalities concerned is invited to this disquieting feature and they are requested to take immediate action to improve the health of the towns.

Alur, Heggaddevankote, Saragur, Sivane, Saklespur, Gundlupet and Ajjampur.

Registration seems to have been faulty in the places noted in the margin, the mortality being shown as less than 10 per mille.

T.-Narsipur, Malur, Kolar, Nanjangud, Shikarpur, Hole-Narsipur, Mandya, Dodballapur and Arkalgud.

The question of revising the rules for the registration of vital statistics in rural areas is under the consideration of Government.

4. *Diseases.*—There were no cases of cholera during the year. The total number of deaths from small-pox was 7,338 against 6,642 during 1924, the largest number of deaths, *viz.*, 1,929 having been returned for the Kolar District. The attention of the District Board of the Kolar District is invited to the necessity of a better and more efficient organization of their vaccination activities. The total number of vaccinations performed was 1,71,322 against 1,53,720 during 1924. The total number of attacks and deaths from plague were 7,743 and 4,943 as compared with 5,065 and 3,618 respectively during 1924. The total number of inoculations performed was 78,181 against 48,627, the largest number of inoculations, *viz.*, 20,192 having been done in the Chitaldrug District. Influenza was not reported except for a few sporadic cases in the Kolar District. The number of deaths from fevers was 50,734 against 60,392 in 1924 and 44, 966 in 1923. As in the previous year, the highest rate under fevers was returned for the Hassan District and the lowest for the Bangalore District. As usual, oiling of pools, filling in of disused wells and similar measures were undertaken and quinine continued to be distributed in the Malnad. The attention of the Municipal Councils at Alur, Shivane, Mudgere, Gundlupet, Sringeri and Molakalmuru is invited to the very high rate of mortality in those towns from fever. It is stated that in the Mysore City, a small special staff has been entertained and that tracings of malaria breeding have been prepared. Under relapsing fever, a total of 697 attacks and 89 deaths were reported against 1,222 and 295 respectively, during 1924. The number of deaths from dysentery and diarrhœa was 3,613 against 4,588 in 1924, while the corresponding figures for respiratory diseases were 3,130 and 3,127 respectively. It is alarming to see that there were 73 deaths from consumption on the Kolar Gold Fields. The figure for Mysore under this disease is 206 but no doubt a large number of these cases are of persons who come to Mysore for treatment in the Sanatorium. The number of deaths from this disease in the City of Bangalore is not given.

5. *Central Sanitary Board.*—The constitution and working of this Board was the same as in the previous year. The question of revising the rules for the constitution and working of the Board is under the consideration of Government.

6. *Sanitation in Cities, Towns and Villages.*—The Mysore City Improvement Trust Board incurred an expenditure of Rs. 1,49,585 on improvement works connected with sanitation at Mysore. The amount spent on this account in the Bangalore City has not been reported. An expenditure of Rs. 28,926 is stated to have been incurred by the Public Works Department on works of a sanitary nature, such as improvement of water supply, improvement of drainage and the like in towns, in addition to a sum of Rs. 1,93,992, spent by the Municipal Councils on account of improvement of drains and wells, removal of congestion, filling in of insanitary pits and construction of public latrines. The provisions of the Village Sanitation Regulation were newly introduced into 119 villages, the total number of villages where the Regulation was in force at the end of 1925 being 13,573. Separate places for storing manure were set apart in 2,226 villages. The number of villages shifted to healthier sites during the year was 102.

7. *Malnad Improvement.*—The work under the Malnad Improvement Scheme continued to be administered by the District Boards of the three Districts—Shimoga, Kadur and Hassan. A total of about 1,50,000 tabloids of quinine costing Rs. 5,248-12-0 was distributed and the special staff of vaccinators performed 10,339 vaccinations of which 8,464 were successful. A special Officer was appointed during the year to carry out an economic survey of parts of the Malnad and made a report which was referred to a Committee of which Mr. K. Chandy, First Member of Council, was Chairman. The report of the Committee is now under the consideration of Government.

Government hope, during the current year, to arrange for a health survey of the Malnad.

8. *Medical Inspection of School Children.* The number of schools and school children inspected by Medical Officers at places where dispensaries are located was 526 and 50,850 respectively. 14,858 of the children are stated to have been given medical treatment.

9. *Inspections.*—The Chief Sanitary Inspectors visited 1,393 villages, while the District Medical Officers and the Medical Subordinates visited 152 and 1,051 villages respectively. Sanitary Commissioner inspected 78 towns and 75 villages during the year. The Sanitary Commissioner is requested to impress on his subordinates the fact that it is only by carrying the people with them in sanitary measures that permanent improvements are possible.

10. *General.*—The work of the department was on the whole satisfactory. The excess of deaths over births, the large number of deaths among children, the outbreak of epidemics like small-pox, plague and infectious fevers of various kinds require the special attention of the Sanitary Department. The question of re-organizing this Department so as to increase its efficiency is under the serious consideration of Government.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## REVENUE SECRETARIAT.

### Indian School of Mines, Dhanbad.

READ—

Letter No. 4946-125-1926, dated 8th June 1926, from the Secretary to the Hon'ble the Resident in Mysore, forwarding copy of a *Communique of the Government of India in the matter of the opening of an Indian School of Mines at Dhanbad (Central Provinces), and stating that, if the Mysore Government agree, one vacancy will be reserved each year, for a qualified nominee of that Government and that if they are prepared to give a scholarship, arrangements will be made to reserve a second vacancy in addition, and enquiring as to the extent to which the Government of Mysore desire to avail themselves of the vacancies offered, and requesting to be informed of the arrangements which they may adopt for granting scholarships.

2. Letter No. 1001-1, dated 9th July 1926, from the Director of Geology stating that it is desirable to get one Mysore student trained in Mining in the Indian School of Mines, Dhanbad, at least once in every 4 years, and suggesting that necessary action may be taken to have one seat in the school reserved every 4 years, and that the selected candidate (B. Sc., or B. E. Graduate of the Mysore University) may be given a scholarship of Rs. 100 per mensem.

ORDER No. I. C. 1692-5—GEOL. 158-25-9, DATED 16TH AUGUST 1926.

Government agree with the Director of Geology that it is desirable to train some of the qualified Mysore students in the Indian School of Mines at Dhanbad, and are accordingly pleased to sanction his proposal with the modification that the rate of scholarship will be Rs. 60 per mensem for all the 12 months of each year of training. The Director is requested to point out the source in the current year's budget of the Geological Department from which the expenditure to be incurred this year may be met.

2. The conditions of the award of scholarship, etc., will be regulated according to the rules appended to this order.

3. The Residency will be separately addressed regarding the reservation of a seat for a nominee of this Government, once every 4 years.

## GOVERNMENT OF INDIA.

### DEPARTMENT OF INDUSTRIES AND LABOUR.

---

### COMMUNIQUE.

*Indian School of Mines, Dhanbad.*

THE Government of India intend to open the Indian School of Mines at Dhanbad, Bihar and Orissa, on the 1st November 1926.

2. The School will provide high grade instruction in Mining Engineering and Geology and will be open to students from all parts of India and Burma. It will award certificates in Coal Mining, Metalliferous Mining and Geology on the satisfactory completion of a three years' course and the diploma of Associateship in Mining Engineering and Geology after a further year's course. All students will be required to reside in the hostel attached to the school.

3. Candidates for admission should be under 22 years of age and must have passed the Intermediate Science Examination of an Indian University or an examination of an equivalent standard. Admissions will be made on the results of *an* entrance examination, which will consist of written papers on English composition, Mathematics and Elementary Physics and Inorganic Chemistry. Candidates desiring to appear in this examination at Dhanbad will be required to pay a fee of Rs. 10. Fifty students will be admitted to the School this year. A certain number of admissions will be reserved at the School for each Province, the remaining admissions being open to the best candidates without regard to domicile. Applications for admission must be made on the prescribed form, accompanied by educational and conduct certificates and a medical certificate in the form prescribed. Copies of these forms can be obtained from the Principal, Indian School of Mines, Dhanbad, and applications must reach him complete in all respects not later than the 15th July 1926.

4. The Government of India have decided to award the following scholarships tenable at the school for three years:—

(i) One scholarship of Rs. 70 per mensem ; and

(ii) Two scholarships of Rs. 40 per mensem each.

These scholarships will be awarded on the results of the Entrance Examination of the School and one of the scholarships will be reserved in the first instance for students from the North-West Frontier Province, Baluchistan, Delhi and Ajmer-Merwara. The scholarships will be payable for nine months of the School session in each year.

5. A prospectus of the School giving detailed information relating to admission, etc., is in course of preparation and when published will be placed on sale at the Government of India Central Publication Branch, 8, Hastings Street, Calcutta, and at the office of the Principal of the School.

A. G. CLOW,
*Deputy Secretary to Government of India.*

*Dated Delhi, the 3rd April 1926.*

## APPENDIX.

*Rules to regulate the award of a Mining Scholarship at the Indian School of Mines, Dhanbad.*

1. One scholarship will be awarded to a Mysorean who wishes to take a course of training in Coal Mining, Metalliferous Mining and Geology.

2. The value of the scholarship will be Rs. 60 per mensem for all the 12 months of each year of the period of training and it will be payable while the scholar is at work and for vacations; and during short authorised periods of leave.

3. The Scholarship will ordinarily be tenable for three years. On the satisfactory completion of the 3 years' course, the scholarship may, however, be extended by another year for obtaining the Diploma of Associateship in Mining, Engineering and Geology, on the recommendation of the Governing Body of the School and of the Director of Geology, Mysore Government.

4. Payment on account of the scholarship shall begin from the date on which the scholar joins the school.

5. The Director of Geology will invite applications from candidates who, being Mysoreans, have passed the B.Sc., or B.E., Examination of the Mysore University. Candidates may be required to note in their applications if they have undergone post-graduate training or have graduated with honours. The applications will be considered by a Committee consisting of the Director of Geology, Professor of Geology, Central College; Principal, College of Engineering, and the Chief Inspector of Mines. The Committee of which, the Director of Geology will be the Chairman, will forward the applications to Government with their recommendation as to which applicant is best qualified for being selected to undergo training.

6. The candidate selected will be required to pass the entrance examination of the School before admission thereto.

7. The scholar must reside in the hostel attached to the School and must abide by the rules and regulations prescribed by the Governing Body of the School.

8. The scholar will not be guaranteed any appointment under the Government, but will be required to enter into an agreement to serve the Government on completion of his training, should they desire to employ him within a reasonable time.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### High School at Maddagiri.

READ—

Government Order No. E. 5925-27—Edn. 212-25-2, dated 26th April 1926, passing orders on the proposals of the Inspector-General of Education, regarding the further programme of development of High Schools in the State.

2. Letter No. G. C. 961—25-26, dated 3rd May 1926, from the President of the District Board, Tumkur, submitting a copy of the resolution of the District Board passed at their meeting held on 10th April 1926, expressing their willingness to contribute a sum of Rs. 2,500 (in addition to Rs. 10,000 promised by the people) on account of a High School at Maddagiri and requesting that the question of establishing a new High School at Maddagiri may be placed before the Government for favourable consideration.

3. Correspondence ending with letter No. Camp 1—525, dated 29th June 1926, from the Inspector-General of Education, requesting approval of his action in having, in the circumstances reported, taken necessary measures to open a High School at Maddagiri with effect from 2nd July 1926 and submitting proposals regarding the staff and other requirements of the school.

ORDER No. E. 933-89—EDN. 212-25-10, DATED 14TH AUGUST 1926.

The opening of a High School at Maddagiri is included in the programme of development of High Schools approved in the Government Order dated 26th April 1926 read above.

2. The Inspector-General of Education reports that the High School at Maddagiri is intended to serve mainly the needs of boys from the Middle Schools in the Maddagiri and Pavagada Taluks and the Koratagere Sub-Taluk proceeding to the High School stage, that it will be a fairly big school with 80 to 100 students every year in the IV Form as the

Middle Schools develop and the number of passes in the Lower Secondary Examination increase and that it will have to provide for two sections in each of the forms ultimately. He has also submitted proposals regarding the immediate and prospective requirements of the school involving an expenditure of Rs. 7,942 (both recurring and non-recurring) during the current year and a non-recurring expenditure of about Rs. 9,000 and an average recurring expenditure of Rs. 18,874 per annum ultimately when each of the High School forms will have two sections. He states further that excluding the sum of Rs. 12,500 which the people of Maddagiri (including the District Board of Tumkur) are prepared to contribute, the non-recurring expenditure to Government on account of suitable building and equipment for the school will be about Rs. 59,000 and suggests that the Chief Engineer may be requested to take necessary steps for preparing the required plans and estimates for the building and the construction of the building started as early as possible, the amount required for the current year being met out of the contribution of Rs. 12,500 referred to above.

3. In view of the urgent necessity for opening a High School at the place and having regard to the co-operation forthcoming from the people and the District Board of Tumkur, Government are pleased to sanction the opening of a High School with the IV Form class at Maddagiri with effect from the 1st week of July 1926, on the distinct understanding that the continuance of the school will be subject to the condition that a suitable building for locating the High School will be made available by the local people (preferably the Maddagiri Municipal Council) free of rent till a Government building for the school can be provided and the contribution of Rs. 12,500 will be credited to the Treasury before the close of December 1926. The scale of establishment and other charges required during the current year as modified and sanctioned by Government is indicated in the statement appended.

4. The Inspector-General will submit separate proposals as necessity arises regarding requirements in future years in respect of staff and other needs of the school and obtain orders of Government. He is authorised to purchase articles of furniture and other equipment required in the current year without reference to the Stores Purchase Committee.

5. The expenditure on account of staff and other items during the current year will be met from the additional grant of Rs. 8,000 provided for the purpose in the current year's budget.

6. The Chief Engineer is requested to take necessary action in consultation with the Inspector-General of Education to prepare plans and estimates for the construction of a building for the school. The Inspector-General of Education is also requested to correspond with the President, District Board, Tumkur, and Mr. Shama Sastry of Maddagiri and see that the contributions promised are credited to the Treasury on or before the close of December 1926.

Grand Total (Rs. 4,477 plus 2,750) = Rs. 7,227.

ORDER No. FL. 1495-1504—Ex. 34-25-20, DATED 20TH AUGUST 1926.

Most of the date reserves not required for cultivation have been surrendered to the Revenue Department for being disposed of for cultivation in the marginally noted Government Orders. The lists of Date Reserves required to be maintained for the Excise Department have been printed. There are, therefore, very few Date Reserves available for cultivation. With a view, however, to ensure the exclusion from Date Reserves of lands which are not required for Excise purposes and which are fit for cultivation and consequent also on the abolition of the District Excise Officers' Posts it is necessary to revise the rules regulating the grant of such lands for cultivation. Government are, therefore, pleased to issue the following revised rules for the disposal of applications for the grant of lands reserved as date groves for cultivation.

1. G. O. No. R. 10692-96—Ex. 18-18-36, dated 16-3-1920.
2. G. O. No. R. 421-8—Ex. 18-18-30, dated 9-7-1920.
3. G. O. No. R. 1927-33—Ex. 18-18-51, dated 4-10-1921.
4. G. O. No. R. 2143-7—Ex. 18-18-52, dated 3-11-1921.
5. G. O. No. R. 2234-39—Ex. 18-18-63, dated 22-11-1922.

2. When an application for land included in the Date Reserve List is received and the Amildar is in favour of the grant of the land (in view of the paucity of suitable lands in the neighbourhood of the locality or for other valid reasons), the Amildar and the Excise Inspector of the Range concerned should inspect the land and report the matter with their recommendations to the Sub-Division Officer, who will if both the Officers agree, sanction the grant of the land under the 'Darkhast Rules' or submit the records for the orders of the Deputy Commissioner. If the Sub-Division Officer is not in favour of granting the land for cultivation, he may reject the application. It is then open to the party to appeal to the Deputy Commissioner.

3. If the Sub-Division Officer disagrees with the Excise Inspector and is of opinion that the land may be granted for cultivation he should forward the papers to the Deputy Commissioner. Orders passed by the Deputy Commissioner refusing the grant will be subject to appeal to the Revenue Commissioner.

4. If on appeal preferred under para (2) the Revenue Commissioner is unable to agree with the Deputy Commissioner, the matter should be referred to Government who after consulting the Excise Commissioner, if necessary, will dispose of the case in the best interests of both the Departments.

5. Ordinarily, in deciding cases under the foregoing rules, the proved requirements of *bona fide* cultivation shall have precedence over those of Excise Revenue in the case of all assessed lands and *vice versa* in the cause of all unassessed lands.

6. When a darkhast for land is finally rejected under the foregoing rules, a note to that effect shall be made in the "Khetwar Patrik" and all subsequent Darkhasts for the same land shall be summarily refused for a period of three full years ensuing.

The Excise Commissioner is requested to issue necessary amendments to the Mysore Excise Manual.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

**Irsal Patti Form.**

READ—

Government Order No. R. 7559-70—L. R. 20-22-77, dated the 27th June 1925, issuing orders for the revision of the Land Revenue, Accounts, Forms and Returns.

2. Letter No. G. 3769—25, dated the 17th July 1926, from the Revenue Commissioner in Mysore, in the matter of the amendment or omission of the foot-note (*a*) to the Irsal Patti Form, published as an annexure No. I to the Government Order read above.

ORDER No. R. 1187-98—L. R. 67-26-2, DATED 24th AUGUST 1926.

The Revenue Commissioner states that the Deputy Commissioner, Mysore, suggest that the foot-note (*a*) "the penal assessment (including cesses) as well as fines levied on Takrar Taktas for unauthorised occupation, etc., should be shown under this head", mentioned in the Irsal Patti Form (Annexure No. I on page 9 of the Government Order read above), may be omitted on the ground that, by crediting all such realisations in a lumpsum without classification, there will be loss of revenue to the Local Boards and the Education Department, inasmuch as the cesses

### Disposal of Date Reserves for Cultivation.

Government Order No. R. 1008-18—L. R. 155-03-11, dated 7th August 1907, prescribing the procedure to be adopted for the disposal of applications for lands, reserved as date groves for cultivation.

2. Subject No. 42 of the Representative Assembly, October Session of 1925, requesting the lands containing less than 50 date trees may be excluded from the list of date reserves.

3. Correspondence ending with letter No. G. C. 59-25, dated 10th December 1925, from the Excise Commissioner, submitting certain amendments to the rules regulating the grant of date reserves for cultivation necessitated by the abolition of District Excise Officers' posts.

which, if shewn separately, would have been transferred to the Boards and the Education Department will be merged in the Land Revenue Miscellaneous. The Revenue Commissioner agrees with the Deputy Commissioner in the view that cesses ought to go to the respective cess funds. He therefore recommends that either the foot-note may be omitted, or, modified suitably.

Government are pleased to direct that the existing foot-note (*a*) referred to above, be omitted and the foot-note (*b*) marked as (*a*).

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

**Settlement of Moplah and other coolies working in the Iron Works.**

READ—

The suggestion made by Mr. K. R. Srinivasa Iyengar, First Member of Council, in his tour notes in the Kadur and Shimoga Districts, during the month of May 1925, that the Conservator of Forests may be requested to work out details and to submit a scheme for the settlement of the Moplahs and other temporary classes of settlers who are working in the Bhadravati Iron Works.

2. Letter No. 522, dated 1st April 1926, from the Conservator of Forests, submitting a list of waste lands, both dry and wet, available in the villages of Hoskoppa, Koligode and Kabla of Narasimharajapura Sub-Taluk, for being given out to them.

3. Letter No. 727, dated 18th June 1926, from the same officer, submitting a scheme for the settling of the Moplahs in the said villages, together with the opinion of the Revenue Commissioner on the subject.

ORDER No. I. C. 1065-9—Ft. 179-25-6, DATED 14TH AUGUST 1926.

The Conservator after ascertaining the views of the Revenue Commissioner, has proposed that certain concessions may be granted to the settlers, such as free grant of assessed waste lands, free of assessment for 3 years, subject to specified conditions, free supply of plough bullocks or buffaloes, the supply of seed grain, the free grant of timber of other than of the reserved and classified kinds for building and agricultural purposes, and the grant of a maintenance allowance of Rs. 50 per family for one year.

2. The Revenue Commissioner, while generally agreeing to the proposals of the Conservator, has stated that, in regard to the grant of lands the Forest Department should pay the value in case of lands included in list B, referred to in the Government Order No. R. 7150-9—L. R. 181-21-53, dated 20th June 1922, and should also pay the full assessment from the date of taking charge in the case of dry lands and from the 4th year after the grant, in the case of wet lands. He suggests that the building sites should be approved by the Deputy Commissioner.

3. On a careful consideration of the matter, Government generally approve of the scheme and are pleased to grant the following concessions to the settlers, per family of 4 souls:—

(i) The grant of 3 acres of paddy lands, free of assessment for a period of 3 years, subject to the condition that the lands will not be liable to be sold, mortgaged or otherwise alienated by them for a period of 5 years. At the end of 5 years, the lands in the occupation of each settler will be made out in his own name;

(ii) The supply of a pair of buffaloes or bullocks at a cost not exceeding Rs. 100 the same being made over to the settlers at a small upset price fixed by the contractor after a period of 3 to 5 years after settling;

(iii) The supply of seed grains worth Rs. 5 per family free;

(iv) The free grant of timber other than that of the reserved and classified kinds to the extent of Rs. 20 for building dwelling houses, cattle sheds and for agricultural purposes.

Government do not consider it necessary to grant any subsistence allowance to the settlers as they are earning high wages in the Iron Works for fuel cutting.

4. Government do not also consider it necessary to charge the Forest Department with any upset price for the lands. The Revenue Commissioner is requested to arrange for the transfer of the lands referred to in the appended list to the Forest Department for grant to the settlers. If at the end of 5 years, the settlement does not thrive, the land will revert to the Revenue Department.

5. The selection of sites for dwelling houses will, as suggested by the Revenue Commissioner, be subject to the approval of the Deputy Commissioner, Kadur District.

6. The Conservator is requested to intimate the number of families he expects to settle and to point out the source in the budget of his Department for the current year from which he proposes to meet the expenditure involved.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

## Financial Branch.

READ—

Government Order No. G. 4679-80—Mily. 98-15-13, dated 25th August 1919, directing the formation of a Central Military Accounts Office with a view to the simplification of Regimental Accounts and sanctioning the appointment of an Accounts Assistant to the Chief Commandant of the rank of Assistant Comptroller to attend to all accounts work in the Military Department.

2. Correspondence ending with letter No. C. 204—24-25, dated 7th April 1926, from the Chief Commandant, submitting proposals in regard to the adoption of the Decentralization Scheme as suggested in Mr. K. R. Krishnaswamy Iyengar's note of 14th June 1924.

ORDER NO. FL. 1527-86—G. F. 275-25-2, DATED 21ST AUGUST 1926.

The formation of a Central Military Accounts Office as part of the Chief Commandant's Office under the charge of an Account Officer of the grade of an Assistant Comptroller was sanctioned in 1919 and some improvements in the system of Regimental Accounts and scrutiny of the transactions of the Military Department have also been since effected.

2. The existing procedure under which much of the audit and accounts work of the Military Department is conducted in the Comptroller's Office militates against the effective financial administration of the Department by its head. The organisation within the Department itself of a Financial Branch under a qualified officer who can work as the Financial Adviser of the Chief Commandant, as the Accounting Officer of the Military Department and as the Officer in charge of the internal Audit of all its transactions is a desirable measure of reform. In view of these considerations, Government direct the formation of a Financial Branch within the Military Department with effect from 1st October 1926. The Comptroller and the Chief Commandant are requested to settle before that date all preliminary measures necessary for the conduct by the new Branch of Audit, Accounts and Financial Work of the Military Department.

3. *Establishment.*—As regards the establishment required for the newly formed Branch, the Chief Commandant requests an addition of eight officials and proposes increases of pay to the existing Accounts Staff. Government are not convinced that a separate hand is necessary for each of the following items of work:—

1. Kunigal and Hesserghatta Grass Farms and Stables.
2. Travelling Allowance.
3. Public Works.
4. Military Pensions.
5. Chief Commandant's Office Establishment and Civil Pension.
6. Budget Works.
7. Remount Fund Accounts.

They consider that for the present no additional hands are necessary and direct that the Branch be formed with (1) the existing permanent officials of the Chief Commandant's Office on their present pay, (2) such temporary hands as can be entertained within the lumpsum provision of Rs. 2,500 allowed for temporary establishment in the current year's Budget and (3) one official to be transferred from the Comptroller's Office. The question of revising the pay of the permanent staff, of making the whole or part of the temporary establishment permanent and of sanctioning additional hands if necessary may be considered after the Branch has been at work for about six months.

4. *Work to be defined.*—The Chief Commandant and the Comptroller are requested to see that the details of audit, accounts and inspection work to be performed in respect of the different classes of transactions are clearly defined.

5. *General plan of decentralization.*—(*a*) The Accounts and Audit Sections of the newly formed Branch should be independent of each other.

(*b*) The Financial Branch of the Military Department will be placed under an officer of the Accounts Department who will work as an Assistant to the Chief Commandant.

His duties will be broadly classified under the following heads :—

(i) Financial Adviser to the Chief Commandant, Accounting Officer of the Military Department and Officer in charge of internal Audit of the financial transactions of the Department.

(ii) In all matters relating to audit and accounts, the Officer in charge of the Financial Branch should be guided by the instructions issued by the Comptroller. If cases arise in which the Chief Commandant does not accept the opinion of the Financial Assistant he will issue written orders which should be carried out by the latter and all instances of this kind should be reported at once to Comptroller for such action as he may consider necessary.

(iii) The detailed audit of all kinds of expenditure of the department will be conducted in the Financial Branch instead of as hitherto in the Comptroller's Office. The audit of receipts of the Department should form part of the normal work of the Branch. The system of audit of the several classes of payment and receipts should be on the lines settled by the Comptroller, keeping in view the requirements of the Department. An effective control over the stock transactions of the department is essential.

(*c*) Arrangements will be made for submission by Treasuries to the Financial Branch of the Military Department all paid Military cheques and bills. Particular care should be taken for the safe custody of bills and vouchers while under audit as also after audit.

(*d*) The Financial Assistant to the Chief Commandant should submit monthly to the Comptroller an audited account of the receipts and expenditure of the Department and also such other accounts and returns as the Comptroller may require.

(*e*) All the bills which under the rules of the Department are submitted to the Chief Commandant for sanction or countersignature and such other claims as may be specially prescribed hereafter should be subjected to preaudit.

(*f*) The Comptroller should arrange for the examination of the accounts and audit work of the Financial Branch of the Department at least once a year. His examinations should keep the following objects in view :—

(i) A general scrutiny to see that the work is properly performed.

(ii) A special scrutiny to see that the scheme of appropriations is adhered to and that the points to be noticed in the audit and appropriation reports are brought to his notice by the Financial Assistant.

If for any reasons, the examination of the accounts kept in the subordinate offices is considered necessary, the Comptroller will arrange to have it made by his inspecting staff.

The inspection by the Local Audit Staff of the offices noted in the margin will as already ordered in Government Order of 11th March 1926 cease after 1st October 1926. The Financial Assistant should arrange for the proper audit and inspection of accounts of these offices.

1. Military Funds.
2. Military Stores.
3. Infantry Office, Bangalore.
4. Infantry Office, Shimoga.
5. Do Mysore.
6. Imperial Service Regiment.
7. Imperial Service Transport Corps.
8. Mysore Horse.
9. Kunigal Stud Farm.
10. Hessarghatta Grass Farm.
11. Government Stables and Carriage Factory.

### IMPORTANT GOVERNMENT ORDERS.

#### CHIEF SECRETARIAT.

**Education Cess.**

READ—

Government Order No. E. 32-35—Edn. 71-25-46, dated 26th June 1926, sanctioning the proposals of the Inspector-General of Education for the utilisation of Education Cess in the Mysore District, involving an expenditure of Rs. 83,084 recurring per annum and Rs. 61,550 non-recurring and calling for proposals for the utilisation of the balance of the income from the cess available for recurring expenditure.

2. Letter No. C. 3942—25-26, dated 31st July 1926, from the Inspector-General of Education, submitting proposals for the utilisation of a portion of the balance of Education Cess funds available for expenditure in the Mysore District.

ORDER No. E. 1006-9—EDN. 36-26-8, DATED 19TH AUGUST 1926.

The annual income from the levy of education cess in the Mysore District is estimated at Rs. 1,10,000. The proposals sanctioned in Government Order dated 26th June 1926 read above absorb a sum of Rs. 83,084 per annum recurring, leaving a balance of Rs. 15,916 for further expenditure on items of a recurring nature after reserving a sum of Rs. 11,000 for covering any fluctuations in revenue. The Inspector-General of Education has now submitted proposals for the opening of 53 new schools in the District involving an expenditure of Rs. 9,699 recurring per annum and Rs. 7,950 non-recurring (as indicated in the statement appended) and requests sanction to the proposals so that they may be given effect to from 1st October 1926, if not from an earlier date. The non-recurring expenditure, *viz.*, Rs. 7,950 is proposed to be met out of the accumulated cess balance at the credit of the District Board. The proposals are also reported to have been approved by the District Board at their meeting held on 6th March 1926. Government are pleased to sanction the above proposals and to request the Inspector-General to take necessary action to open the schools at an early date.

2. Further proposals for the utilisation of the balance of Rs. 6,217 still available for recurring expenditure will be awaited.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Distribution of the allotment for Backward Class Scholarships.

READ—

The marginally noted Government Orders relating to the institution of scholarships for the education of the Backward and Depressed Classes, the distribution of the allotment for the said scholarships and rules for the award of the same.

1. Government Order No. 8940-90—Edn. 96-16-12, dated 8th May 1917.
2. Government Order No. E. 5030-3—Edn. 142-21-42, dated 17 February 1923.

2. Government Order No. 2210-24—Edn. 532-20-4, dated 3rd December 1921, passing orders on the systematisation of the scheme of scholarships tenable in the State and in British India.

3. Resolution No. VIII of the Budget Session of the Representative Assembly 1924, suggesting that the allotment for the Backward Class Scholarships be distributed between the Backward Communities and the Depressed Classes on the basis of population of the respective communities.

4. Resolution No. XXIII of the Budget Session of the Representative Assembly 1924, suggesting that all communities which have a population of three lakhs and more be treated as a separate group for the purpose of awarding Backward Class Scholarships.

5. Correspondence ending with letter No. 4051, dated 23rd March 1926, from the Secretary, Economic Conference, forwarding copy of the resolution of the Board of Education passed at their meeting held on 30th January 1926, regarding the suggestions contained in the above resolutions.

6. Un-official Note No. 1 of 1926-27, dated 22nd July 1926, from the Inspector-General of Education on the subject.

ORDER NO. E. 1258-62—EDN. 70-24-123, DATED 30TH AUGUST 1926.

Out of the amount sanctioned for the award of scholarships annually under the Backward Class Scholarship Scheme, a sum of Rs. 15,000 is set apart exclusively for the benefit of the Depressed Classes and the balance is distributed among the several Backward Communities including the Depressed Classes in proportion to the population of the respective communities or groups of communities.

The Resolution of the Representative Assembly suggesting the distribution of the full amount among the Backward Communities and the Depressed Classes on the basis of their population was referred to the Board of Education who have resolved that no revision of the existing scheme of distribution is necessary.

The Inspector-General of Education who was also consulted in the matter states that it is not possible to bring the allotment of Rs. 15,000 specially reserved for the Depressed Classes into the general pool as the distribution strictly according to the population basis will result in an appreciable reduction of the amount now allotted to them.

On a careful consideration of the question, Government observe that in the present condition of education among the Depressed Classes, it is not expedient to curtail to any extent the facilities allowed, to them, as it would affect their progress in education. They are therefore pleased to accept the recommendation of the Board of Education and the Inspector-General that the existing scheme of distribution of the allotment of Backward Class Scholarships among the Backward Communities and the Depressed Classes may be left undisturbed.

As regards Resolution No. XXIII suggesting that all communities who have a population of three lakhs and more be treated as separate groups for purposes of award of Backward Class Scholarships, the Board of Education have observed that at present no community having a population of three lakhs and above is combined with other communities for the purpose, except the Kurubar Community which has a population of over five lakhs and have recommended that the Kurubar Community may be treated as a separate group for the award of scholarships. The Inspector-General has stated that the Kurubar Community has been treated as a separate group by itself during the current year. Government direct that all communities which have a population of three lakhs and more be treated in future as separate groups for award of Backward Class Scholarships. The action of the Inspector-General in having treated the Kurubar Community as a separate group during the current year is approved.

P. G. D'SOUZA
*Chief Secretary to Government.*

## The Press Room at Mysore.

READ—

Government Order No. G. 5323-39—G. M. 12-23-5, dated the 26th September 1923, directing among other matters that the Chief Officer of the Mysore City Municipality be entrusted with the charge of the Press Room at Mysore.

2. Government Order No. L. 7106-8—Ml. 29-25-49, dated the 25th May 1926, sanctioning the abolition of the post of Chief Officer and the appointment in his place of a Revenue Officer of the grade of an Amildar.

ORDER NO. G. 2554-62—G. M. 104-26-1, DATED 3RD SEPTEMBER 1926.

Government are pleased to direct that the Revenue Officer be in charge of the Press Room at Mysore.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Report on Hospitals and Dispensaries.

READ—

The Report on the working of Hospitals and Dispensaries in the State for the Calendar year 1925, received from the Senior Surgeon with letter No. Pl. 35-7-90, dated the 2nd June 1926.

ORDER No. G. 2421-3—MED. 128-25-4, DATED 1ST SEPTEMBER 1926.

Recorded.

2. Dr. B. Mahomed Usmon was Senior Surgeon throughout the year.

3. The number of dispensaries at the beginning of the year was 196 (shown as 195 by an oversight in the previous year's report). Six new dispensaries were opened during the year.

4. The total number of patients treated in the institutions was 22,15,919 which was 41,748, more than in the previous year. Of these, the number of in-patients was 22,696 as against 23,403 in the previous year. Out of these, 14,596 were cured and 4,713 relieved. The total number of out-patients was 21,93,223.

5. The largest number of in-patients were treated for malaria and diseases of the eye and the largest number of out-patients suffered from malaria, diseases of the digestive system, diseases of the eye, and diseases of the respiratory system.

6. The total expenditure in the department was Rs. 10,08,372 of which Rs. 6,21,594 was spent on salaries, Rs. 1,18,269 on medicines, Rs. 2,28,651 on diet and other expenditure and the rest on buildings and repairs and investments. The grant from State Funds was Rs. 7,85,156; the District and Municipal funds contributed Rs. 1,98,762. Miscellaneous receipts consisting chiefly of fees collected in hospitals amounted to Rs. 24,454. The Senior Surgeon observes that the rules regarding levy of fees do not seem to be strictly enforced in some of the institutions. Government desire to emphasise the need for special attention to ensure the recovery of fees in all cases coming under the rules in force.

7. There were 156 midwives at the beginning of the year. Nine more were appointed during the course of the year. The number of cases attended by them was 12,288 which was 236 less than in the previous year. The average number of cases attended by each midwife was 75 per year as against 80 in the previous year. The Senior Surgeon observes that the work turned out by the trained midwives employed by Local Bodies must be considered poor and that their services are not called in as often as desirable. Orders have issued sanctioning a higher rate of reward than hitherto for work done by midwives under the Malnad Improvement Scheme and District Boards have been requested to adopt the same rates for midwives employed by them. It is trusted that this class of public servants in the Malnad will in consequence take more interest in their work and use all opportunities of being serviceable in labour cases.

8. The number of in-patients treated in the Victoria Hospital during the year was 3,756 as against 3,907 in the previous year the daily average being 151·50 as against 143·29. The number of out-patients was 44,229 with a daily average of 311·09 as against a total of 46,469 and a daily average of 339·28 respectively in the previous year. It is observed that an addition of 50 beds to the existing number is proposed to be made by re-arranging cots in the existing wards. A Matron selected by the College of Nursing, London, has recently been appointed to the Hospital. The number of in-patients in the Krishnarajendra Hospital was 2,908 of 72 less than in the previous year. The number of out-patients was 51,967 giving a daily average of 440·57 as against 53,222 with a daily average of 439·59 during the previous year. The number of in-patients in the Minto-Ophthalmic Hospital was 2,248 or 158 less than in the previous year. The number of out-patients was 19,844 as against 19,756, the daily average being 214·32 as against 206·60 in the previous year. One thousand four hundred and thirty-seven important operations were performed in this Hospital, of which three failed. The Maternity Hospitals, Bangalore, Mysore and the Kolar Gold Fields had a total number of 3,934 in-patients as against 3,108 in the previous

year. The total number of out-patients in these three Hospitals was 46,204 with a daily average of 312·03 as against a total of 42,800 and a daily average of 296·77 in the previous year.

9. The number of in-patients in the Princess Krishnajammanni Sanatorium was 124, as against 140 in the previous year. Of the number treated 40 were cured and 19 were relieved. The total number of out-patients was 1,400 as against 958 in the previous year. A Medical Graduate, who holds a certificate of having worked in a Tuberculosis Hospital in England, has been added to the staff of this Hospital. The total number of persons treated in the Epidemic Diseases Hospitals in Bangalore, Mysore and the Kolar Gold Fields was 733. Of these 429 were cured and 128 were relieved. There were 22 inmates in the Leper Asylum, Bangalore, at the beginning of the year; 86 were admitted during the year; 68 of these were discharged and 13 died leaving 27 in the institution at the close of the year.

10. The Medical Stores dealt with 193 annual indents and 1,377 extra indents during the year. Orders for tinctures, etc., to the extent of Rs. 23,288 were placed with the Mysore Pharmaceuticals, Ltd. The total amount paid on account of stores during the year was Rs. 1,85,427. Certain rules for improving the working of the stores were issued during the year. It is reported that as a consequence, no indent was pending in the Stores at the close of the year. It is stated that supplies ordered from England were delayed. The Stores Purchase Committee is requested to take steps in future to obtain the supplies in time. The report of inspection of the Stores promised by the Senior Surgeon should be expedited.

11. There were 154 inmates in the Lunatic Asylum, Bangalore, at the beginning of the year and 113 were admitted during the year. Of these 83 were discharged, 76 cured or improved and 28 died. Of the admissions, one was a voluntary boarder. The lunatics of the Civil and Military Station numbered 42 at the beginning of the year. The number of persons admitted as also of persons discharged was 19. As seven of the inmates died, there were 35 lunatics of the Station in the Asylum at the close of the year. The Official Visitors of the State and those deputed by the Civil and Military Station authorities, visited the institution 12 times during the year. The expenditure on the institution during the year was Rs. 53,757 against Rs. 57,205 in 1924.

12. The Senior Surgeon inspected 139 institutions during the year. Government are glad to record that there was a large number of endowments for medical relief during the year, the total amount endowed being Rs. 51,200. The largest of them was a donation of Rs. 35,000 made by Rao Saheb K. Ramaswamayya of Hole-Narsipur, now an Engineer in Bombay, for the establishment of a Maternity in the name of his mother at Hole-Narsipur.

13. Government sanctioned during the year under report the revision of the scale of pay of Lady Sub-Assistant Surgeons and have under consideration at present the improvement of the pay and prospectus of the whole class of Sub-Assistant Surgeons.

The work of the Department during the year was on the whole satisfactory.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

#### Anti-leprosy Campaign.

ORDER No. G. 2800-75—MED. 61-26-1, DATED 8TH SEPTEMBER 1926.

In response to an appeal made by H. E. the late Viceroy for funds in aid of the All India Council of the British Empire Leprosy Relief Association constituted for the purpose of combating leprosy in India, instructions were issued in January 1925, to Deputy Commissioners of Districts and Presidents of Municipal Councils for arranging public meetings in all Headquarter Stations and important towns in the State to explain to the public the objects of the campaign against leprosy, to enlist support and collect subscriptions. A public meeting of the citizens of Bangalore was also arranged in February 1925 under the presidency of the late Dewan, to concert measures with a view to giving effect to the appeal made by H. E. the Viceroy. The subscriptions collected in the State were, from time to time, remitted to the Honorary Treasurer to the Indian Council of the British Empire Leprosy Relief Association, Simla.

2. The Indian Council of the above Association has now announced a plan of action which includes (1) provision of short courses of training in the diagnosis and treatment of leprosy, and (2) propaganda.

3. In regard to the first item, the Central Committee have resolved to provide for the training of a certain number of doctors drawn from the various Provinces, in the special treatment of leprosy at the School of Tropical Medicine and Hygiene, Calcutta. Government have, in this connection, approved of the Senior Surgeon's proposal to depute Mr. S. Varada Iyengar, Assistant Surgeon, for the said training. After Mr. Varada Iyengar's return, arrangements will have to be made for the treatment of persons suffering from the earlier stages of the disease at the Leper Asylum at Bangalore which has been in existence for over 30 years but where only advanced and obvious lepers are at present treated.

4. In regard to the second item, action has to be taken now in the following directions:—

(1) Employment of different methods of propaganda in order to bring a knowledge of the disease and its proper treatment to the notice of the public;

(2) Popular instruction by means of coloured posters, lantern slides and pamphlets;

(3) Training of a sufficient number of medical men in the modern treatment of leprosy;

(4) Establishment of dispensaries for the treatment of lepers, especially early cases and arranging for clinics.

5. Government consider it desirable to appoint a committee to deal with these matters and advise Government on questions relating to the anti-leprosy campaign in the State and to administer the funds that may be allotted to the Mysore State by the Central Committee. The Committee will be constituted for two years for the present and will consist of the following officers and non-official gentlemen who have been good enough to agree to work on it:—

1. The Senior Surgeon.
2. The Secretary to Government, Medical Department.
3. The President, City Municipal Council, Bangalore.
4. Dr. M. Srinivasa Rao.
5. Dr. E. S. Krishnaswami Iyer.
6. Dr. C. B. Rama Rao.
7. Rev. Mr. Thorp.
8. Mr. Gell Knight.
9. ,, R. Gopalaswami Iyer.
10. Rev. Father Briand.
11. Mr. B. Abdur Rahmon, President, Bangalore District Board.
12. The Secretary, Civic and Social Progress Association.
13. The Medical Officer, Victoria Hospital.
14. The Medical Officer, Leper Asylum.

The Senior Surgeon and Sanitary Commissioner will be the Chairman and Convener of the Committee and the Medical Officer, Leper Asylum, will be the Secretary. The Headquarters of the Committee will be at Bangalore.

6. The Memorandum on the Method of Conducting Anti-Leprosy Campaign in India issued by the British Empire Leprosy Relief Association (Indian Council) and other literature on the subject, will be placed at the disposal of the Committee for necessary action in accordance with the approved programme.

7. The Committee will hold meetings whenever necessary and submit copies of the proceedings of the meetings for the information of Government. An annual report of work done should also be submitted before the end of January every year for being forwarded to the Central Committee for incorporation in the annual report of the Indian Council.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Special Duty Officer.

ORDER No. O. 780-7—O. E. 50-26-1, DATED 14TH SEPTEMBER 1926.

Mr. C. E. Rama Rau, Registrar, General and Revenue Secretariat, is placed on Special Duty with effect from 25th September 1926 in connection with the arrangements for the Reception and Entertainment of Indian Guests during the ensuing Dasara Festivities.

2. Gentlemen invited to Mysore as Guests are requested to place themselves in communication with that Officer for any information or assistance they may require in connection with accommodation, conveyance, etc., at Mysore.

3. The Deputy Commissioner, Mysore District, the President, Mysore City Municipal Council and the Executive Engineer, Special Division, Mysore, are requested to render all reasonable help to the Officer on Special Duty.

T. SINGARAVELU,
For *Chief Secretary to Government.*

## REVENUE SECRETARIAT.

### Grazing fees.

READ—

Government Order No. I. & C. 6048-60—Ft. 226-18-11, dated 4th April 1924, passing orders in the matter of the improvement of grazing facilities for the agricultural stock in the State, and issuing rules in the matter of grazing fees on hulbanni lands.

2. Representative Assembly subject No. 5 of June 1925, regarding the retention of the old rates of grazing fees, proposed by Messrs. B. Narayana Reddi and Chick Narayana Reddi of Bagepalli Taluk.

3. Representative Assembly subject No. 7 of October 1925, regarding the reduction of hulbanni rates, proposed by Mr. S. Venkataswami Gowda of Malur Taluk.

4. Representative Assembly subject No. 2 of June 1926, regarding the revival of the old rules relating to the hulbanni cess, proposed by Mr. Lakshmappa of Sidlaghatta Taluk.

5. Correspondence ending with letter No. D. 1 Dis. No. 69-26 dated 22nd July 1926, from the Revenue Commissioner in Mysore, furnishing his views in the matter.

ORDER No. R. 1492-503—L. R. 149-24-92, DATED 7TH SEPTEMBER 1926.

It is reported that the Deputy Commissioners of Districts, excepting the Deputy Commissioner of Kolar, are of opinion that the new rules announced in the Government Order of 4th April 1924, read above, may be given a trial for some years with some local modifications. The Revenue Commissioner considers that the rules have not been clearly understood by the people and that Kannada copies of the Government Order may be circulated in the villages and that, on the whole, it is desirable to work the system for a few years more, before any radical change is thought of.

On a careful consideration of the subject, Government agree with the Revenue Commissioner and direct that the rules issued in Government Order of 4th April 1924, read above, be tried for 3 years, before considering the question of changing the rules. The rates sanctioned in the rules are optional, and if the villagers object, the hulbanni may be sold by auction.

The Revenue Commissioner is requested to obtain from the Superintendent, Government Printing, the required number of copies of the Government Order, which was translated into Kannada and published in the Gazette of 1st May 1924 and distribute them to the Districts for wide circulation in the villages.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

### IMPORTANT GOVERNMENT ORDERS.

#### CHIEF SECRETARIAT.

**Mysore Gazette.**

READ—

Correspondence ending with letter No. 654, dated 16th February 1926, from the Compiler, *Mysore Gazette*, submitting proposals in regard to improving the receipts of the *Mysore Gazette* and reducing expenditure thereon.

ORDER NO. G. 2915-6—P. & S. 44-25-2, DATED 13TH SEPTEMBER, 1926.

The following are among the proposals made by the Compiler:—

(i) Subscription to the Kannada Edition may be reduced from Rs. 12 to Rs. 8 so as to encourage a larger number of subscribers to take it.

(ii) Subscription to the Gazette may be accepted for half-years also in future.

(iii) The rates charged for the publication of matter in the Gazette by private parties may be increased.

(iv) The free supply of the Gazette to Members of the Representative Assembly sanctioned in Government Order No. P. 6348-420—R. A. 40-23-1, dated 20th May 1924, may be discontinued and the old practice of supplying the Gazette to these members at half rates revived.

(v) All matter, except that required by law to be published in three issues of the Gazette, may be inserted once *in extenso* and only abstracts thereof in subsequent issues.

2. Government approve of the suggestions regarding the reduction of the subscription to the Kannada Edition of the Gazette and permitting subscription to the Gazette for half a year at a time.

3. The rates for publication of matter by private parties may be increased by 50 per cent and the result reported to Government after six months.

4. Government consider that the present practice of supplying free copies of the Gazette to Members of the Representative Assembly requires no change.

5. As regards the suggestion that matter, not required by law to be repeated, need not be repeated *in extenso* in the Gazette, Government observe that such a rule already exists and direct that, where the rule is infringed, the Compiler may ask the Department concerned to obtain the permission of Government to the repetition.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Report on the Working of the Jails and Lock-ups.

READ—

Letter No. 642—25-26, dated the 20th April 1926, from the Inspector-General of Prisons in Mysore, submitting the report on the administration of Jails and Lock-ups in the State during the calendar year 1925.

ORDER NO. G. 2708-18—PRIS. 64-25-2, DATED 6TH SEPTEMBER 1926.

Recorded.

2. The number of Jails and Lock-ups in the State remained the same as in the previous year. The number of prisoners of all classes admitted into the Jails and Lock-ups fell from 8,261 in 1924 to 6,551 during the year under report and the daily average number of prisoners was 1,105·40 against 1,197·31 in 1924.

3. The admissions of prisoners into the Jails during the year was 2,289 in the Bangalore Central Jail and 724 in the Mysore District Jail as against 2,772 and 725, respectively, in 1924. The maximum number on any one day was 818 in the Bangalore Central Jail and 221 in the Mysore Jail.

4. There was a further rise in the number of Juvenile offenders from 49 in 1923 to 60 in 1924 and again to 70 in 1925. In regard to the nature of offences among all classes of convicts, the offence of theft under Sections 379-381,457,461 and 462 of the Indian Penal Code outnumbered all other causes of imprisonment as in previous years. Six were sentenced to suffer death.

5. The number of prison offences recorded during the year was 1,166 against 644 in 1924. The heavy increase is ascribed to efficient supervision and liberal grant of remissions to informers in proved cases.

6. The cash earnings for the year was Rs. 23,322 against Rs. 27,801 during the previous year. The average earning per working convict fell from Rs. 34-1-9 in 1924 to Rs. 24-15-11 in 1925. The profits from the manufacturing department during the year was Rs. 3,019, against Rs. 4,522 in 1924 owing to a fall in the demand for Jail articles, especially of costly carpets manufactured in the Bangalore Central Jail. The question of improving the Jail industries was gone into by a Committee appointed for the purpose and on their recommendation the addition of certain new industries such as binding, improved rattan and basket weaving and mat-making was approved. The sale of Jail manufactures through the Arts and Crafts Depot was also introduced. Proposals for the introduction of improved methods of Agriculture in the Mysore Jail are awaited.

7. The total cost of maintenance of prisoners in the two Jails was Rs. 1,19,400 against Rs. 1,34,939 in the previous year. The average net cost of maintenance after deducting cash earnings works out to Rs. 102-15-8 per head as against Rs. 109-12-6 per head in 1924. The gross expenditure of the department was Rs. 1,47,582 as against Rs. 1,72,091 in 1924 owing to the fall in the number of the prison population and lower prices of diet articles and the gross cost per head during the year was Rs. 133-8-1 against Rs. 143-11-8 in 1924.

8. The health and sanitation of prisoners was good throughout the year and the number of deaths among prisoners was 11 against 12 in the previous year.

Particular attention was paid to the religious and moral instruction of prisoners and the appointment of two more religious ministers for Lingayets and Brahmins was sanctioned during the year. The appointment also of a lady visitor to the Bangalore Central Jail has removed a long-felt want.

9. The question of prison reform received continued attention during the year and a list was obtained from the Inspector-General of Prisons showing the recommendations of the Indian Jails Committee of 1919-20 which could, with due regard to financial and other considerations, be adopted in the State or in respect of which action could be taken by the Jail authorities themselves. Orders are being passed on these recommendations separately. The starting of a Borstal School in the State for the reclamation of juveniles and adolescents is receiving consideration.

10. The administration of the Jails and Lock-ups in the State was on the whole satisfactory during the year.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Construction of Railways in the State.

ORDER No. L. 1844-900—L. B. 63-26-1, DATED 9TH SEPTEMBER 1926.

Though Government in Notification No. Fl. 4932-81—G. F. 163-11-1, dated 22nd April 1914, laid down certain rules for showing concessions to the District Boards in the matter of the construction of railways in the State, yet there has been considerable divergence in the terms upon which these lines have been constructed in the various Districts of the State. The question of laying down a definite policy on this subject has been engaging the attention of Government for some time past.

Railway cess was introduced into Mysore in the year 1914 and in order to enable Local Bodies to take part in railway development the Local Boards Regulation was suitably amended for that purpose. The law as it now stands under Section 24 (a) of the Local Boards and Village Panchayets Regulation of 1918, lays down that a railway cess not exceeding six pies in the rupee on all items of revenue on which local cess is collected may be levied by a District Board to be utilised wholly for the construction of railways and tramways.

At present railway cess is levied at three pies in the rupee in the Mysore, Shimoga and Tumkur Districts and at six pies in the rupee in the Kolar, Kadur and Chitaldrug Districts, while in the Bangalore and Hassan Districts there is no levy of the cess. In the Kolar District, accumulated railway cess has been utilised for the capital cost and for the open line of the railway. In the Mysore District, the District Board has agreed to the accumulated surplus of the railway cess being utilised to meet the capital cost of the Nanjangud-Chamrajnagar line and to the future collections being used in paying interest and sinking fund charges. In the Kadur District the Board has agreed to pay the accumulated surplus of the railway cess to the Government who have undertaken to construct the Kadur-Chikmagalur line and has also agreed to continue to levy the cess and make it over to Government to meet the losses in working for a period of twenty-five years. In the Shimoga District proposals for utilising the cess towards the extension of the railway from Shimoga to the heart of the Malnad are under consideration. The Bangalore District Board is being asked whether it would agree to levy at once a cess of three pies in the rupee for guaranteeing about 60 per cent. of the loss on capital outlay on a light-railway between Bangalore and Hosur to be constructed and owned by Government. In those five Districts there is some definite connection between the railway cess and railway development.

In the Chitaldrug and Tumkur Districts, however, though a railway cess is being levied, to is not utilised for the purpose of any railway line actually working or under construction and owing to the unremunerative character of the new lines proposed in these Districts there is no immediate prospect of any such lines being undertaken. In the Mysore District, the District Board will own the Railway under the terms of agreement between Government and the Board. In the Kolar District, Government and the District Board are joint owners of the railway line constructed partly with the help of the cess. In Kadur, Shimoga and Bangalore Districts, Government will be the sole owners of the proposed lines.

This change in policy is in accordance with the Government of India resolution No. 2131-F., dated 19th February 1925, which has abolished the system of having separate branch lines constructed and owned by Local Bodies. New extension are treated as belonging to Government, the co-operation of the District Boards being taken only in case of lines which, though not remunerative on railway earnings, are required to be constructed for purely local reasons for the development of the particular area. In such cases, the local authority guarantees the Railway Board against loss by consenting to make up the difference between the net earnings and interest and other charges payable.

The Government of India have in their resolution made it clear that in the absence of special circumstances they would not encourage a Local Board to build from its own resources a branch or feeder line. None of the District Boards in the State are in a position to find the entire capital required for the construction of a railway line and any loan proposed to be raised by the Board requires the guarantee by Government to make it a successful floatation. For administrative reasons and also on

the ground of economical management, all railways in the State whether constructed at the expense of companies or District Boards have to be worked by Government. As pointed out in Government of India resolution, multiplicity of proprietory interest is an embarrssing factor and from all points of view it appears to be best to lay down as a general rule that no proprietory rights will be allowed either for local bodies or for companies on any new railway lines to be constructed in the State.

If a District Board proposes a line which is not expected to be remunerative on its earnings but the construction of which is urged for local reasons it is reasonable to expect Government who undertake its construction to be reimbursed the loss involved in the working of the line. It is indeed true that, in British India, the Local Board concerned has to reimburse Government the entire loss in working the railway but as the District Boards in Mysore are poorer in Financial resources than the Boards in British India and as Government and the Boards are equally interested in opening up the country by means of railways, it is desirable that some portion of the loss in working such lines should be borne by Government. Having regard to all the circumstances, Government consider that the District Board concerned should bear not less than 60 per cent and not more than 75 per cent of the loss. As observed above, the loss that the Bangalore District Board is being invited to bear is about 60 per cent. The Board concerned will be called on to levy a cess to cover the loss, and the cess will be liable to proportionate reduction from time to time with the sanction of Government, but not more frequently than once in five years, as the earnings of the line improve. The maximum period for which the cess is leviable will be settled in each case and will not exceed twenty-five years. The loss that is thus apportioned will include the interest payable on capital expenditure, depreciation and loss in working. For purposes of calculation the rate of interest will be fixed by the Government from time to time. When the railway runs through more than one District the District Boards concerned should bear the loss in proportion to the mileage in their jurisdiction or with reference to some other factor which Government may consider to be reasonable in the circumstances of the case. Under this arrangement, the burden to be borne by the District Board will be reduced and if the railway cess that the Board imposes is in excess of these requirements the balance may accumulate towards further extension of railway mileage. This proposal, no doubt, makes the general revenues of the State bear a portion of the loss of the lines which are not expected to be fully remunerative but it is only fair that Government should also contribute a part of the cost required for extending railway transport facilities in general in the State. This arrangement will also make it possible to undertake the construction of lines, the prospects of the starting of which are now remote. The undertaking by Government to supply the capital for construction and also bear not less than 25 per cent and not more than 40 per cent of the loss in working will encourage applications for undertaking construction of more lines.

The accumulated railway cess of District Boards may be utilised to provide a part of the capital required for the construction of new lines and the disposal of the amount after the lines begin to pay will be settled according to the merits of each case preferably in further railway extensions in the District.

In view of the policy laid down above, Government consider that the railway cess may be continued to be levied with the consent of the District Boards even though there may be no immediate prospects of any lines being constructed.

Government have under consideration the question of drawing up a programme for future railway construction after a careful survey of local requirements in order to provide all necessary links so as to make the State Railways subserve that atmost public convenience and increase the revenue earnings from the system as a whole and give special preference to lines in local areas which have derived no direct benefit from the existing policy of railway development though the people of which have been taxing themselves for railway purposes. Pending issue of orders on this point, railway cess will continue to be levied in the Chitaldrug and Tumkur Districts for a period of two years more and the people of these Districts will be informed by that time when new lines will be undertaken in these Districts.

B. NAGAPPA,

*Secretary to Government,*
*Local and Legislative Departments.*

### Election of non-official members to the Sanitary Board, K.G.F.

READ—

Government Order No. L. 6867—L. B. 9-25-10, dated the 8th May 1926, amending Government Notification No. L. 7846—Ml. 156-21-21, dated the 2nd April 1924, so far as it relates to the return of four non-official gentlemen to the Kolar Gold Fields Sanitary Board, from among the rate-payers of the Local area under the Board.

2. Letter No. C. 53, dated 29th June 1926, from the President of the Sanitary Board, Kolar Gold Fields, stating that for reasons given, the approval by Government of the candidature before election, does not seem to be necessary and that in this view, Rule 8 of the rules regulating elections issued with Government Order No. L. 6867—L. B. 9-25-10, dated 8th May 1926, may be suitably amended.

ORDER No. L. 1772—L. B. 9-25-21, DATED 4TH SEPTEMBER 1926.

Government agree with the views of the President and direct that the rule in question be amended as follows:—

"8. The President of the Sanitary Board shall publish in the Office of the Sanitary Board, Champion Reefs, a list of candidates at least seven days before the date fixed for election."

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

### Symbols.

READ—

Government Order No. L. 1330-44—L. B. 25-26-4 dated, 24th August 1926, approving of the following 8 symbols for being assigned by the Deputy Commissioner under sub-rule (2) of Rule 17 prescribed for the election of members to District Boards:—

1. Lion.
2. Elephant.
3. Horse.
4. Bird.
5. Sun.
6. House.
7. Scales.
8. Tree.

2. Letter No. A. 5-1383—26-27, dated 6th September 1926, from the Deputy Commissioner, Kolar District, suggesting that 4 or 6 more symbols may be approved to meet any contingencies that may arise, if more than 8 persons stand for election in a constituency and that the name of the candidate will be printed both in Kannada and English alongside the respective symbols.

ORDER No. L. 2091-105—L. B. 25-26-9, DATED 16TH SEPTEMBER 1926.

The following 4 additional symbols are approved by the Government, to meet the contingencies referred to by the Deputy Commissioner of the Kolar District.

1. Cart.
2. Tiger.
3. Cow.
4. Plough and a pair of bullocks.

2. The blocks for the additional symbols also shall be prepared and kept ready by the Superintendent, Government Press, for printing on the form of the voting paper.

3. The names of the candidates may be printed both in English and Kannada on the voting papers.

B. NAGAPPA

## REVENUE SECRETARIAT.

### Budget estimates for 1926-27 under the Irrigation Cess Fund

READ—

Letter No. C. Per. A. 80—25-26, dated the 12th June 1926, from the Revenue Commissioner in Mysore, submitting the budget estimates for the Irrigation Cess Fund for the year 1926-27. (Printed in extenso.)

2. Letter No. 675, dated the 27th June 1926, from the Chief Engineer in Mysore, stating that the proposals of the Revenue Commissioner in regard to the above budget may be accepted.

3. Correspondence ending with Memo No. Ref. Per. A. 82—25-26, dated 22nd July 1926, from the Revenue Commissioner, stating that the instructions contained in Government Order No. Fl. 3406-10—G. F. 225-24-3, dated the 14th December 1925, for crediting the Irrigation Cess Collections under Krishnarajasagara Channels to the Revenue account of Krishnarajasagara and for maintaining the channels from the same source may be given effect to, while passing orders on the Irrigation Cess Budget of this year.

4. Correspondence ending with letter No. K. R. S. 225, dated the 22nd July 1926, from the Special Officer, Krishnarajasagara, forwarding copy of his letter to the Chief Engineer intimating that the Krishnarajasagara unit may be eliminated from the Irrigation Cess Budget, in order to give effect to the order of 14th December 1925, referred to in paragraph 3 above.

ORDER No. R. 1374-92—L. R. 357-25-16, DATED 3RD SEPTEMBER 1926.

The estimated receipts for the year 1926-27, excluding the Krishnarajasagara unit, are shown below, together with the figures for the previous year:—

| | 1926-27. | 1925-26 |
|---|---|---|
| | Rs. | Rs. |
| Bangalore .. .. .. | 27,496 | 27,152 |
| Kolar .. .. .. | 45,077 | 44,819 |
| Tumkur .. .. .. | 47,416 | 43,975 |
| Mysore .. .. .. | 68,358 | 67,909 |
| Hassan .. .. .. | 45,125 | 40,291 |
| Shimoga .. .. .. | 67,750 | 66,720 |
| Kadur .. .. .. | 27,160 | 19,200 |
| Chitaldrug .. .. .. | 16,251 | 16,051 |
| Total .. | 3,44,633 | 3,31,117 |

By the addition of the opening balance (not actuals as usual, but the estimated closing balance figures of last year's budget), and of the State grants for Establishment, tools and plant, and for maintenance of channels, as detailed below, the probable total receipts for 1926-27 will be Rs. 16,25,960, as against Rs. 14,43,613 in 1925-26 as noted below:—

| | | 1926-27. | 1925-26. |
|---|---|---|---|
| | | Rs. | Rs. |
| (As per Government Order No. R. 3701-19, dated 25-1-1926 exclusive of Krishnarajasagara and as modified by (1) G. O. No. R. 3931-4 L. R. 337-25-2, dated 5th February 1926. (2) R. 85-88—L. R. dated 28th June 1926. (3) R. 6139-42—L. R. 337-25-4, dated 20th June 1926. | (1) Opening balance .. | 11,25,162 (estimated figures)* | 10,61,068 (actuals) |
| | (2) Estimated receipts .. | 3,44,633 | 3,31,117 |
| | (3) State grant for Establishment, tools and plants. | 67,291 | 33,800 |
| | (4) State grant for maintenance of channels .. | 88,874 | 17,628 |
| | Total .. | 16,25,960 | 14,43,613 |

2. The proposed expenditure for the year 1926-27, as compared with that of last year, is shown below:—

| District | 1926-27 | 1925-26 |
|---|---|---|
| | Rs. | Rs. |
| Bangalore .. .. .. | 20,622 | 22,000 |
| Kolar .. .. .. | 28,121 | 20,000 |
| Tumkur .. .. .. | 75,000 | 35,000 |
| Mysore .. .. .. | 1,35,935 | 35,780 |
| Shimoga .. .. .. | 25,000 | 10,000 |
| Kadur .. .. .. | 26,500 | 27,000 |
| Hassan .. .. .. | 40,083 | 13,000 |
| Chitaldrug .. .. .. | 22,580 | 25,000 |
| Total .. | 3,73,841 | 1,87,780 |

By the addition of Rs. 67,291 for the cost of the Establishment, tools and plant, and of the contribution of Rs. 68,985 to the General Irrigation Cess Fund, the aggregate expenditure for 1926-27 comes up to Rs. 5,10,117.

3. It is seen from the above figures that the expenditure proposed in the Mysore District is nearly four times, that in Hassan more than thrice, and that in Tumkur more

than twice, the amounts allotted for works and maintenance of channels last year. The prescribed limit of expenditure, *viz.*, (95 per cent of the estimated receipts in the case of Mysore and Chitaldrug and 75 per cent in respect of other districts) has been adhered to only in Kolar and Shimoga Districts. Government observe that, as a large number of tanks and channels are out of repair, there is no object in restricting the expenditure from the Irrigation Cess Fund and increasing the accumulated balances at the credit of the Fund. The expenditure proposed, will, therefore, be sanctioned, and Government trust that the works will be pushed through with the utmost promptness and vigilance and the estimates completely worked out, before the close of the year. The excess of expenditure over the receipts, in respect of the Districts of Tumkur, Kadur and Mysore, will be met out of the opening balances at the credit of the respective Districts. The Revenue Commissioner's figure, 377, noted as the opening balance against the Chitaldrug District, is not correct, as the minus balance was directed in paragraph 5 of Government Order No. R. 3701-19—L. R. 271-24-15, dated the 25th January 1926, on last year's Budget estimates for the Irrigation Cess Fund, to be met from the General Irrigation Cess Fund, leaving a nil balance.

4. The contribution of Rs. 88,874 from the State Funds to the Irrigation Cess Fund, on account of charges for maintenance of channels will be debited to the provision of Rs. 99,000 in the State Budget, under "23. Irrigation Works charged to Revenue (3) Repairs." As regards the contribution of Rs. 67,291 to the Fund on account of establishment, tools and plant, there is a provision of Rs. 50,000 only in the State Budget. As it is not possible to sanction any additional grant from the State Funds, the balance will be met out of the General Irrigation Cess Fund, which will then have a closing balance of Rs. 4,82,254-3-4 as detailed in the statement appended.

5. The Chief Engineer is requested to report with reference to paragraph 3 of the Government Order of 25th January 1926, sanctioning last year's budget estimates of the fund, the further action taken on the question of debiting the cost of maintenance of channels under the Vani Vilas Sagara to the revenue derived therefrom.

6. With these observations, the estimates of the Irrigation Cess Fund for 1926-27 are sanctioned, as detailed in the appended statement.

7. It is seen from the report of the Revenue Commissioner that the programme of works proposed to be undertaken during the year is not based on a triennial programme in the case of all Districts, as required in Government Order No. R. 3342-53—L. R. 302-25-2 dated 6th January 1926. He is requested to submit in future, the budget estimates of the fund, with the detailed programme of works in each District, based on the triennial programme and duly verified by the Chief Engineer, before the 31st March preceding the year to which it relates, so that, orders may issue on the Irrigation Cess Fund Budget, along with the State Budget Estimates, and supplied to the members of the Representative Assembly and the Legislative Council.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

*No. 80—25-26, dated Bangalore, 10th June 1926, from C. S. Balasundaram Iyer, Esq., B. A., Revenue Commissioner in Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department.*

IRRIGATION CESS FUND BUDGET FOR 1926-27 FORWARDS.

I have the honour to forward herewith the Irrigation Cess Fund Budget for the year 1926-27 together with a Memorandum on the subject.

A copy of the Memo with a copy of the Estimates has been forwarded to the Chief Engineer also as usual.

*Memorandum on the Irrigation Cess Fund Budget for the year 1926-27.*

The estimates from the several Deputy Commissioners were received on the dates noted in the margin. As the question raised by the Deputy Commissioner, Mysore District, as to which of the channels should come under Krishnarajasagara unit, was decided by Government in their Official Memorandum No. R. 5620-30—L. R. 302-25-6, dated 10th May 1926, the preparation of the estimates pertaining to Mysore District and Krishnarajasagara unit were delayed. Hence the Budget could not be submitted before the end of March as laid down in para 4 (ii) of Government Order No. R. 3342-53—L. R. 302-25-2, dated 6th January 1926.

| | | |

| Tumkur | 24th March 1926 | (Detailed list of works on 7th May 1926.) |
| Mysore | 16th April 1926<br>7th June 1926 | |
| Hassan | 19th March 1926 | (Detailed list of works 22nd March 1926.) |
| Shimoga | 19th March 1926 | (Detailed list of works not yet received.) |
| Kadur | 12th April 1926 | |
| Chitaldrug | 11th March 1926 | (Detailed list of works on 27th April 1926.) |

2. A consolidated statement showing the receipts and expenditure for the year 1926-27 based on the estimates furnished by the Deputy Commissioners is appended.

RECEIPTS.

The estimated receipts for the coming year 1926-27 are indicated underneath together with those of the current year:—

| DISTRICT. | 1926-27 | 1925-26. |
|---|---|---|
| | Rs. | Rs. |
| Bangalore .. .. | 27,496 | 27,152 |
| Kolar .. .. | 45,077 | 44,819 |
| Tumkur .. .. | 47,416 | 48,975 |
| Mysore .. .. | 68,358 | 67,909 |
| Hassan .. .. | 45,125 | 40,291 |
| Shimoga .. .. | 67,750 | 66,720 |
| Kadur .. .. | 27,160 | 19,200 |
| Chitaldrug .. .. | 16,251 | 16,051 |
| Krishnarajasagara ... | 7,504 | .... |
| Total .. | 3,52,137 | 3,31,117 |

minor sons, and who hold appointment elsewhere which they could not resign. There is nothing in the law to prevent a father from resigning his hereditary right in favor of his son, and the Village Offices Regulation recognises the right of Minor Barawardars to have their work done by Gumastas. Government consider, that to insist upon the Barawardar resigning in favor of his next of kin, in such cases, would not be fair.

2. With a view, however, to obviate the difficulty pointed out by the Revenue Commissioner, Government consider it sufficient to direct that the resignation in favor of a minor son will be allowed not more than once in the case of the Shanbhogi family, and that the next of kin will be preferred for appointment as Gumasta till the minor son comes of age. In cases where a Barawardar has no minor son and is not prepared to resign his appointment, the Baraward may be transferred to the next of kin who would enter upon the duties immediately.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

## RAILWAY SECRETARIAT.

### Reduction of Railway Fares.

READ—

Letter No. 106, dated 2nd September 1926, from the Secretary, Standing Committee, forwarding, for necessary action, the following extract from the minutes of the proceedings of the Meeting of the Standing Committee for Public Works, Railway and Electrical Departments, held on the 14th August 1926.

* * * * *

Para II. *Subject.*—Reduction of First and Second class fares and the abolition of the Intermediate classes.

*Resolution.*—The Committee recommend—

(1) that the Intermediate class be retained as it is popular and that the rates for this class may remain unchanged;
(2) that Intermediate classes be introduced between Shimoga and Birur as well;
(3) that the rates for First and Second classes on the metre gauge need not be changed for the present;
(4) that First and Second class return tickets may be issued at one and a half fares for 25 miles and over or on payment of fare for 25 miles for shorter distances; tickets issued for 25 miles or less being made available for two days and those for above 25 miles for five days;
(5) that return tickets be made applicable to Narrow Gauge Lines also; and
(6) that the effect of the above changes on passenger traffic of the several classes be reviewed six months after they have been in force.

* * * * *

ORDER No. R. S. 494-98—RE. F. 130—O. L. 26-27, DATED 16TH SEPTEMBER 1926.

The recommendations of the Standing Committee are approved.

2. The Agent, Mysore Railways, is requested to take necessary action in the matter and submit report for the information of Government on para (6) of the resolution in due course.

A. A. KHAN,
*Secretary to Government,*
*Railway Department.*

## OFFICE OF THE *EX-OFFICIO* SECRETARY, REPRESENTATIVE ASSEMBLY LEGISLATIVE COUNCIL AND ECONOMIC CONFERENCE.

### Dasara Session of the Representative Assembly 1926.

ORDER No. REL. 119-32—R. A. 12-26-1, DATED 17TH SEPTEMBER 1926.

Mr. C. E. Rama Rau, Registrar, General and Revenue Secretariat, placed on Special Duty in Government Order No. O. 780-7—O. E. 50-26-1, dated 14th September 1926, in connection with the entertainment of Indian Guests during the ensuing Dasara Festivities is also placed on Special Duty in connection with the arrangements for the Dasara Session of the Representative Assembly in October 1926.

The Representative Assembly Members attending the Dasara Session are requested to communicate with that Officer for any information or assistance they may require in connection with accommodation, etc., at Mysore.

The Deputy Commissioner, Mysore District, the President, Mysore City Municipal Council and the Executive Engineer, Special Division, Mysore, are requested to render all reasonable help to the Officer on Special Duty.

R. RANGA RAO,
Ex-officio *Secretary to Government,*
*Representative Assembly, Legislative Council,*
*and Economic Conference.*

## Appointment of District Economic Superintendents.

READ—

Government Order No. Rel. 142-218—E. C. 8-26-1, dated the 22nd September 1926, sanctioning among other things the appointment of a District Economic Superintendent to each of the eight districts in the State.

ORDER NO. REL. 219-29—E. C. 8-26-2, DATED 22ND SEPTEMBER 1926.

The Government of His Highness the Maharaja are pleased to sanction the appointment of the following gentlemen as District Economic Superintendents with effect from 1st October 1926:—

1. Mr. T. Venkataraugam, B.A., LL.B., Amildar, Goribidnur.
2. „ R. V. Surappa, B.A., Amildar, Maddagiri.
3. „ H. Narayana Rao, B.A., Amildar, Nagamangala.
4. „ K. Abdul Khadir Khan, B.A., Amildar, Kadur.
5. „ J. B. Mallaradhya, M.A., Amildar, Shimoga.
6. „ H. K. Mallappa, Assistant Inspector of Education.
7. „ K. C. Eapen, M.A., B.SC.

2. The Officers of the Revenue and the Education Department appointed as Economic Superintendents will get their grade pay *plus* an allowance of Rs. 50 per mensem. The others will draw a pay of Rs. 150 per mensem.

3. These appointments will be on a temporary basis and the last officer appointed above will be on probation for a period of six months from the date of appointment.

4. The cost for the current year will be met out of the grant of Rs. 1,00,000, made in the budget for Economic Development Work.

5. Separate orders will issue regarding the appointment of the Eighth Economic Superintendent.

6. The Revenue Commissioner and the Inspector-General of Education are requested to take action for relieving the officers selected from their departments before the 1st October 1926.

R. RANGA RAO,
Ex-officio *Secretary to Government,*
*Representative Assembly, Legislative Council,*
*and Economic Conference.*

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

**Acceleration of Conversion of Aided Schools in the Mysore District.**

READ—

Government Order No. E. 32-35—Edn. 71-25, dated 26th June 1926, stating among other matters that a sum of Rs. 10,000 will be made available from State Funds for the acceleration of conversion of Aided Schools in the Mysore District.

2. Government Order No. E. 853-4—Edn. 249-25-5, dated 10th August 1926, passing orders on the Budget of the Education Department for the year 1926-27.

3. Letter No. C. 430—26-27, dated 31st July 1926, from the Inspector-General of Education, submitting proposals for the utilisation of Rs. 10,000 referred to above.

ORDER No. E. 1035-8—Edn. 36-26-16, DATED 2ND SEPTEMBER 1926.

The Inspector-General of Education has been permitted to incur an expenditure of Rs. 10,000 towards the conversion of Aided Schools in the Mysore District, against probable savings in the Departmental Budget for the current year. He has now submitted proposals, as indicated in the statement appended, for utilising the amount towards the conversion of 95 Aided Primary Schools into Government Institutions and the opening of seven new schools at a total cost of Rs. 9,984 per annum recurring and Rs. 15,300 non-recurring, as detailed below:—

| Particulars | Recurring | Non-recurring |
|---|---|---|
| | Rs. | Rs. |
| Conversion of— | | |
| Seventy-six Kannada Primary Boys' Schools .. | 6,939 | 11,400 |
| Thirteen Adikarnataka Primary Boys' Schools .. | 1,095 | 1,950 |
| Six Urdu Primary Boys' Schools .. | 669 | 900 |
| Opening of fresh schools | | |
| Seven New Primary Boys' Schools .. | 1,281 | 1,050 |
| Total .. | 9,984 | 15,300 |

The Inspector-General has stated further that if the proposals are sanctioned, they can be given effect to from the 1st October 1926, that the amount of recurring expenditure saved up to October may be utilised for meeting a portion of the non-recurring expenditure, that the total expenditure during the current year is estimated at Rs. 21,966 as

| | | Rs. |
|---|---|---|
| Recurring (for 8 months from 1st October) 2/3 of Rs. 10,000 in round figures ... | ... | 6,666 |
| Non-recurring ... | ... | 15,300 |
| Total ... | | 21,966 |

detailed in the margin and that deducting the amount of Rs. 10,000 referred to above, the balance of Rs. 11,966 required will be met from the source indicated below:—

Rupees 4,600 from local contributions expected from the villagers.

Rupees 7,366 out of the sum of Rs. 7,500 which the District Board of Mysore have agreed to make available from the accumulated balance of education cess collections.

3. Government are pleased to sanction the proposals of the Inspector-General of Education and to direct that the expenditure during the current year be met as indicated above.

P. G. D'SOUZA,
*Chief Secretary to Government.*

OFFICE OF THE EX-OFFICIO SECRETARY, REPRESENTATIVE ASSEMBLY LEGISLATIVE COUNCIL AND ECONOMIC CONFERENCE.

**Mysore Economic Conference.**

READ—

Paragraphs 58 to 67 of Government Order No. 1367-1426—C. B. 100-23-1, dated 27th October 1923, making the Mysore Economic Conefrence a permanent adjunct of the administration and laying down its main lines of work.

ORDER NO. REL. 142-218—E. C. 8-26-1, DATED 22ND SEPTEMBER 1926.

Under the Reforms graciously introduced by His Highness the Maharaja in 1923, the Mysore Economic Conference has become a permanent adjunct to the administration in matters pertaining to development work in the State. As a matter of convenience it has been divided, according to the nature of the questions to be examined into three Boards, *viz.*, Board of Education, Board of Agriculture and Board of Industries and Commerce, and each of these Boards is responsible for advising Government from time to time on all questions coming within its sphere.

In view of the declared policy of Government that increased attention and larger grants would be given to economic development work during the coming years, the question whether the lines of work fixed for the Conference in the Government Order of 1923 could be improved so as to make the Conference a more useful and helpful body than at present, was examined by Government. Government also took the opportunity of consulting the Economic Conference on this matter at the last session of that House in July 1926. The Conference laid down certain general lines of the modifications which in their opinion, were required in the organization. The details were worked out by a Committee consisting of the marginally noted gentlemen as members and presided over by Rajasabhabhushana Diwan Bahadur Sir K. P. Puttanna Chetty.

1 Mr. K. Matthan.
2 „ P. G. D'Souza.
3 „ G. H. Krumbiegel.
4 „ Md. Zahiruddin Mecci.
5 „ A. V. Ramanathan.
6 Rev. F. W. Spencer.
7 Mr. B. K. Garudachar.
8 „ B. Sitaramachar.
9 „ M. S. Linge Gowda and
10 „ R. Ranga Rao (Secretary).

This Committee met on 9th August 1926, made a comprehensive review of the question, and have submitted a carefully thought out report to Government.

The main recommendations of the Committee refer to the frequency of the meetings of the Boards, the necessity for a Standing Committee, the desirability of reviving the appointment of Economic Superintendents, the need of co-ordinating the activities of the Government with those of the District Boards in respect of economic

matters, and the desirability of having as Secretary to the Conference an officer who would be able to give adequate attention to the work of the Conference.

Government have considered these recommendations and their decisions are given below:—

1. Regarding the frequency of the meetings of the Boards the Committee are of opinion that in order to secure a keen and sustained interest in economic questions the meetings of the various Boards and of the General Conference should be held more frequently than at present. They accordingly recommend that the General Conference should meet at least twice a year and the Boards every two months. In the case of the Education Board, however, they are of opinion that in view of the fact that there is a large number of Committees working in co-ordination with the Education Department, it would be sufficient if that Board met four times in the year. Government are of opinion that it will be sufficient if each Board meets four times a year. It will be open, however, to the Chairmen of the Boards to hold one or two additional meetings if found necessary. The General Conference will meet twice a year at intervals of about six months.

2. In connection with the membership of the Boards, the Committee have recommended that the Secretaries to Government in the Departments of Education, Agriculture and Industries and Commerce should be *ex-officio* members, and that, in addition to the Deputy Commissioners of Districts who are members of the Conference, non-official Presidents of District Boards should also be members of the General Conference. Government approve of this suggestion. Government are also pleased to accept the proposal of the Committee that there should be some provision for nominating experts and other men of exceptional ability or merit to the Boards, though they may not be representatives of any particular interest or industry. They are accordingly pleased to direct that the strength of each Board be increased by two, these two places being filled at the discretion of Government by nomination of suitable persons.

3. The Committee recommend that there should be a Standing Committee consisting of members representing all the three Boards and that it should meet periodically to examine and co-ordinate the activities of the three Boards. Government agree that such a Committee is desirable as it will provide for an exchange of opinion among the Boards at frequent intervals and permit of prompt disposal of subjects common to more than one Board. They are accordingly pleased to direct that a Standing Committee consisting of the Chairmen of the three Boards, the Heads of all the Development Departments in the State, and two non-official members selected from each Board shall be formed. The Standing Committee will meet at intervals of four months and will ordinarily be presided over by the Dewan-President.

4. The present constitution of the Conference does not provide for efficient economic work in the Districts as there is no definite agency responsible for it. The Committee have therefore recommended that the appointment of the Economic Superintendents should be revived. Government agree with the Committee in this view, and are pleased to direct that there shall be an Economic Superintendent for each District. His status will not be inferior to that of an Amildar and for purposes of administrative control he will be placed under the Deputy Commissioner. It will be his duty to work in close co-operation with District Boards, Municipalities and other Local Development Bodies in the District, both official and non-official. The Economic Superintendent will, under the instructions of the Deputy Commissioner, examine the economic requirements and possibilities of the various parts of the District, collect information, prepare schemes and place them before the District or other local bodies. The latter will examine their feasibility and make such modifications as may be necessary in the light of their larger experience and the conditions of their finances. The District Board or other local body will also have the right to request the Deputy Commissioner to get any scheme under their consideration examined by the Economic Superintendent.

5. The Committee have recommended that the Economic Superintendents should, for the present, be entrusted with the organization of Village Panchayets in the District under the orders of the Deputy Commissioner. As Village Panchayet work is mainly of an economic character, Government are of opinion that it will be useful if the Economic Superintendents are associated with it. This will in no way interfere with or diminish the responsibility of the Amildars in the matter. The Economic Superintendent will merely act as an agent of the Deputy Commissioner and see that Village Panchayet work receives adequate attention in the District.

Separate action will be taken regarding the appointment and posting of the Economic Superintendents. They will have a small establishment consisting of a Clerk on Rs. 25 and two peons on average salary of Rs. 11, each per mensem. The cost will be debited to the lumpsum grant of Rs. 1,00,000 made in the current year's budget for economic development.

6. The Committee have examined the capacity of District Boards to undertake development work and they are of opinion that while these Boards should and do take the keenest interest in this important matter, their financial resources, exception in the case of two or three District Boards, are too limited to enable them to devote adequate funds for this purpose. They recommend therefore that Government should come to the help of the District Boards in this matter. Government accept this suggestion and are pleased to direct that an annual grant equal to the sum set apart by the District Board for Economic Development work be given for a period of three years for each District Board subject to a maximum of Rs. 5,000 in each case. In the case of District Boards, whose resources are limited it will be open to Government to make a grant in excess of the provision made by such District Boards provided, however, that the total grant so made does not exceed the limit of Rs. 5,000.

In the case of Village Panchayets also Government will be prepared to make suitable contributions for Economic Development work.

The actual allotments to be made in any year will depend upon the urgency of the schemes proposed by the local bodies as well as the total grant that Government may be able to provide in the Budget for Economic Development work.

7. Government desire also that the provisions of Section 40 of the Mysore District Boards Regulation should be freely utilized for appointing Joint Committees for District Boards and Municipal Councils in each District, as co-ordination of activities between these two bodies will be frequently necessary.

8. The Committee have recommended that in view of the greater activities of he Conference and its Boards and Committees, the Secretary to the Conference should be an officer whose main duty would be connected with Economic Development work and who would keep himself in close touch with all the economic activities in the State, study requirements and prepare schemes. They are of opinion that the present arrangement under which the Secretary to the Economic Conference is also Secretary to the Legislative Council and the Representative Assembly, and Secretary to Government in certain Departments and Publicity Officer, does not enable that officer to give sufficient attention to work connected with the Economic Conference. After examining various possibilities, the Committee have come to the conclusion that a separate Officer should be appointed as Secretary to the Conference and that he should also be entrusted with the work of rural re-construction under the Village Panchayet scheme. Government have considered the question and are of opinion that while it is no doubt desirable to have as Secretary to the Conference an officer, who would be able to devote sufficient time to Conference work, it is not advisable to entrust him with the work of the Village Panchayet Scheme which has to be worked for the present, and till such time as a Special Officer is found necessary by the Deputy Commissioners. In the circumstances, Government are pleased to direct that the Secretary to the Legislative Council and Representative Assembly will case to be Secretary to the Conference, and that the duties of the latter will be taken over by one of the Secretaries to Government. This arrangement will involve no additional cost and is, in the opinion of Government, calculated to improve the efficiency of the Conference. The changes that will be necessary in the distribution of work in the Secretariat will be separately examined and orders issued.

As the Secretary to the Economic Conference has at present no separate staff, it may be possible that the new arrangements sanctioned here may involve some slight additional expenditure. This point will also be separately examined.

Under the arrangements in force at present, the Secretaries to the three Boards are carrying on the work of the Boards independently of the Secretary to the Conference. Government desire to observe that while this practice may continue in routine matters, the Secretaries to the Boards should keep themselves in close touch with the Secretary to the Conference and obtain his instructions in all important matters.

In conclusion, Government desire to convey their thanks to Rajasabhabhushana Diwan Bahadur Sir K. P. Puttanna Chetty and the members of the Committee for the careful and comprehensive manner in which they have worked out the question entrusted to them for examination and report.

R. RANGA RAO,
Ex-officio *Secretary to Government,*
*Representative Assembly, Legislative*
*Council and Economic Conference.*

## Appointment of District Economic Superintendent.

READ—

1. Paragraph 4 of Government Order No. Rel. 142-218—E. C. 8-26-1, dated 22nd September 1926, regarding the appointment of a District Economic Superintendent for each District in the State.

2. Government Order No. Rel. 219-29—E. C. 8-26-2, dated 22nd September 1926, appointing seven District Economic Superintendents and reserving the appointment of the eighth for orders.

ORDER NO. REL. 234-43—E. C. 8-26-4, DATED 28TH SEPTEMBER 1926.

In the second of the orders read above, Government appointed seven District Economic Superintendents as against 8 officers that were required. They are now pleased to appoint Mr. B Suryanarayana, B.A., B.Sc. (Agri.), as a District Economic Superintendent, with effect from 1st October 1926. The appointment is temporary. He will draw a pay of Rs. 150 per mensem.

R. RANGA RAO,

*Representative Assembly, Legislative Council,*
*and Economic Conference.*

## REVENUE SECRETARIAT.

### Sub-Taluk Office.

READ—

Subject No. 4 of the Representative Assembly held in June 1926, regarding the increase in the establishment of Sub-Taluks, and the reply of Government thereto.

2. Correspondence ending with letter No. C. 3668—25-26, dated 2nd August 1926, from the Revenue Commissioner in the matter.

ORDER NO. R. 1739-48—L. R. 66-26-27, DATED 17TH SEPTEMBER 1926.

The question of increasing the establishment of Sub-Taluk Offices was discussed at the meeting of the Representative Assembly held in June 1926. The Revenue Commissioner, who was consulted in the matter, states that the volume of work has increased in all Sub-Taluk Offices in recent years, that the existing staff is not sufficient to cope with the work and that all the Sub-Taluk Offices require strengthening. He therefore recommends that an additional Gumasta on Rs. 25—1—30 may be sanctioned to each Sub-Taluk Office, at an extra cost of Rs. 230 per month, or Rs. 2,760 per annum. After a careful consideration of the question, Government are pleased to sanction the entertainment of an additional Gumasta on Rs. 25-1-30 for each Sub-Taluk Office, *temporarily*, pending the settlement of the question of conversion of Sub-Taluks into full Taluks. The extra cost during the current year will be met by reappropriation of the sanctioned grants of the Revenue Department.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

## PUBLIC WORKS SECRETARIAT.

### Committee.

READ—

Government Order P. W. 328-336—K. S. S. 1826-34, dated the 23rd December 1925, sanctioning among other things the shifting of Yedatore Town.

(2) Letter No. O. C. 295—25-26, dated the 30th August 1926, from the Deputy Commissioner, Mysore District.

ORDER NO. P. W. 127-130—K. S. S. 655-658, DATED 9TH SEPTEMBER 1926.

To facilitate the work of shifting Yedatore Town, the Deputy Commissioner, Mysore, proposes the appointment of a Town Formation Committee with the following personnel for formulating a comprehensive plan of action, scrutinizing estimates and designs as they get ready and arranging for timely attention to all details:—

1. The Deputy Commissioner, Mysore District (*President*).
2. The Executive Engineer, Upper Channels Division, Yedatore.
3. The Special Land Acquisition Officer, Krishnarajasagara.
4. Mr. T. Abdul Khader, Sub-Division Officer, Mysore.
5. The Amildar and *Ex-officio* President, Municipal Council, Yedatore.
6. Mr. Devoji Rao, Vice-President, Municipal Council, Yedatore.
7. Mr. Bale Siddalinga Setty.
8. The Assistant Engineer, Channels Sub-Division, Yedatore (*Secretary*).

Government are pleased to approve the appointment of the Committee proposed.

2. The Committee will submit all proposals to Government in the Krishnarajasagara Secretariat, and technical proposals sanctioned by Government will be carried out under the supervision of the Special Officer, Krishnarajasagara Works.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### Engineering Industry.

ORDER No. I. C. 2191-250—I. & C. 228-25-9, DATED 29TH SEPTEMBER 1926.

With a view to encourage the Engineering Industry in the State, Government are pleased to direct that the departments requiring agricultural implements, sugar-cane mills and similar other articles of machinery should invariably place their orders for the supply of such articles with local firms engaged in their manufacture (*e.g.*, the Government Central Industrial Workshop, Messrs. Petrie Hay & Son and the Railway and General Engineering Company, in the Bangalore City), provided that the products of local manufacture are of the required quality and standard and do not compare unfavourably as regards their prices with the products manufactured by firms outside the State.

2. The Agricultural Department which is the largest purchaser of such articles, should, as far as possible, adhere to the above direction, and if there are any defects in the articles manufactured by local concerns they should be brought to the notice of the authorities of such concerns with a view to remedy them and to supply articles in accordance with the requirements of the Agricultural Department.

3. If for any reason, any department of Government finds it necessary to place an order for supply of materials with firms outside the State, previous sanction of Government should be obtained therefor in each case.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Fee leviable on "Serum Simultaneous Inoculation."

READ—

Government Order No. I. C. 3521-32—C. V. 57-25-4, dated 23rd November 1925, directing the levy of a fee of one rupee per head of cattle protected with the Serum Simultaneous Method of inoculation.

2. Letter No. R. O. C. 1856 H. C. 470 of 25-26, dated 26th August 1926, from the Director of Agriculture in Mysore, urging the desirability of postponing the levy of fees referred to above, for some time to come till the advantages of the new method become sufficiently known to the agriculturists in the State.

ORDER No. I. C. 1994-2005—C. V. 19-26-2, DATED 24TH SEPTEMBER 1926.

Government are pleased to direct that the rate of fee leviable on Serum Simultaneous noculations be reduced from one rupee to eight annas per head of cattle and that the reduced rate come into effect from the 1st October 1926.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## Sentences of Long Term Prisoners.

READ—

1. Correspondence ending with letter No. 1151—51-25, dated the 12th July 1926 from the Inspector-General of Prisons in Mysore, submitting for consideration a draft scheme for the introduction of the Probation System in the State and the constitution of Standing Advisory Boards for the revision of sentences of long term prisoners.

2. The opinions of the District Magistrates of Districts and the Registrar, Chief Court, on the draft scheme, furnished in response to Circular No. 2642-50, dated the 25th November 1925.

ORDER No. G. 3446-55—PRIS. 39-24-22, DATED 29TH SEPTEMBER 1926.

The Indian Jails Committee recommended in their report the introduction of a system for the revision of the sentences of long term prisoners with a view to their release on probation prior to the termination of their sentences. Government have had this question under consideration for some time and have obtained a scheme from the Inspector-General of Prisons as also the opinions of the District Magistrates of Districts and of the Chief Court thereon. The scheme submitted by the Inspector-General of Prisons provides for the constitution of Advisory Boards to consider the cases of such prisoners and the submission to the Boards of the previous history of the convict in each case and the opinion of the District Magistrates as to the desirability of his release from the point of view of the community. The District Magistrates suggest slight modifications and are of opinion that it is desirable to introduce the scheme in the State. The Chief Court consider that the opinion of the Revising or Advisory Boards should be as independent as possible and based entirely on the convict's prison or other records. They are of opinion that the Boards need not have the views of the District Magistrates before them in deciding on the revision of sentences.

2. Government are pleased to approve of the scheme submitted by the Inspector-General of Prisons with slight modifications. In regard to the relation of the District Magistrate to the Boards, they agree with the Chief Court and consider that it is not necessary for the Boards to have the views of the District Magistrates before them in deciding on the cases submitted for their consideration. Government direct that the scheme as now approved may be tried for a period of three years in the first instance.

3. The rules relating to the constitution and working of these Boards as approved by Government are appended to this order.

4. The Inspector-General of Prisons is requested to take further action in regard to working out the details of the scheme.

R. RANGA RAO,
*Secretary to Government,*
*Medical and Agricultural Departments.*

## APPENDIX.

Rules for the formation of Standing Advisory Boards for recommending the release of long term prisoners confined in Jails.

The Government of His Highness the Maharaja of Mysore are pleased to appoint Standing Advisory Boards, one at Bangalore and another at Mysore to investigate and report on the sentences of the prisoners confined, respectively, in the Central Jail, Bangalore, and the District Jail, Mysore.

2. The Advisory Board in Bangalore shall consist of—

The Inspector-General of Prisons (Chairman).

The Sessions Judge, Bangalore Division. } Members.
A Non-official Member appointed by Government. }

The Superintendent, Central Jail, Bangalore, will be Secretary to the Board.

At Mysore the Board shall consist of:—

The Inspector-General of Prisons (Chairman).

The Sessions Judge, Mysore Division. } Members.
A Non-official Member appointed by Government. }

The Superintendent, Mysore Jail, will act as Secretary.

3. The term of office of each Non-official Member will ordinarily be fixed at three years.

4. Each Board shall sit at least once in six months and consider the cases of all prisoners who have had not more than one conviction and who satisfy the following conditions:

(*a*) that the prisoner has served two-thirds of his sentence including remissions; and further,

(*b*) that he has served not less than two and a half years including remission, and submit early recommendations, with a view to the release of as many of this class as can be released without injury to the community.

5. To enable the Advisory Boards to judge the fitness of prisoners for release, it is necessary in every case that the judgment of the Court, full and accurate details of the prisoners, previous history and his prison record, should invariably be placed before them. This duty will devolve on the Superintendent of the Jail in his capacity as Secretary to the Board, but the Police and the District Magistrate should render him every assistance in collecting the information. The Boards should also consult officers of the Prisoners' Aid Society, if any, on the arrangements which may be practicable for the supervision of the prisoner's after-life.

6. The Superintendent of the Jail concerned will send up the necessary records of each case to the Police who will collect full and accurate details of the prisoner's previous, history, etc., and return the papers with the information to the Superintendent of the Jail as early as practicable.

7. Each case of a prisoner recommended for conditional release should be submitted separately with a covering sheet in the form annexed to this order, which should contain the full police history as well as other details ending with the recommendation of the Board. The judgment and the jail papers relating to the convict should be sent with the sheet so that each case may be self-contained.

8. The recommendation of the Board will specify the period during which the convict is to be on probation which shall in no case exceed the unexpired portion of the original sentence, but may be less in cases of exceptional good conduct and service.

9. Prisoners who are conditionally released should ordinarily pass a period of probation during which their fitness for final release can be tested. During this period the prisoner should be under the supervision of a probation or Parole Officer, whose duty it will be to see that the conditions of release are not broken and to give the prisoner any protection, assistance or advice he may need. Where a Discharged

Prisoners' Aid Society can undertake this work, it should be asked to do so. Where it cannot, the District Magistrate himself should undertake the work. He may make use of the services not only of private persons, but also of Government servants other than those belonging to the Police Department, such as Sub-Registrars and Officers of the Co-operative and Industries and Commerce Departments. These agents of the District Magistrate should be brought into touch with the Discharged Prisoners' Aid Societies, if any, in the district, and should be encouraged to send to that Society periodical notes about a prisoner's behaviour. If at any time it should be necessary to bring to notice the fact that a prisoner is relapsing into crime, and that action by the District Magistrate is called for, communication should be made direct to the District Magistrate.

---

## ANNEXURE.

### FORM OF CONDITIONAL RELEASE.

---

Convict No.

Name.

Name of Village, Taluk and District.

Court by which prisoner was convicted and Case Number.

Section of the I. P. C. or other law under which convicted.

Date of sentence.

Period of sentence.

Date on which prisoner completed two-thirds of his sentence.

Where the prisoner intends to stay, if released.

Unexpired portion of sentence on date of Boards' recommendation.

Full Police history with recommendation of District Superintendent of Police.

Remarks of the Superintendent of the Jail on the conduct of the convict while in prison.

Recommendation of the Advisory Board, with detailed reasons where the Board differs from the District Superintendent of Police.

## PART I.

### IMPORTANT GOVERNMENT ORDERS.

**CHIEF SECRETARIAT.**

**Patta Book Form.**

READ—

Government Order No. R. 6704-13—L. R. 330-20-68, dated 31st May 1922, passing orders directing the reduction in size of the Patta Book.

2. Subject No. 15 of the Representative Assembly Session of June 1926, regarding the size and free supply of the Patta Books.

3. Correspondence ending with letter No. C. 370—26, dated 6th August 1926, from the Revenue Commissioner in Mysore, furnishing his views in the matter.

ORDER No. R. 2140-9—L. R. 66-26-28, DATED 2ND OCTOBER 1926.

During the Representative Assembly Sessions of June 1926, Mr. Venkataswami Gowda of Malur Taluk proposed that the size of the Patta may be reduced and that it may be issued in a small book form, well bound and stitched, and that its price may be raised to four annas per copy. Messrs. Kesaviah and Hanumantha Rao proposed that the book should be supplied free of cost.

2. The Revenue Commissioner who was consulted in the matter, suggests:—

(i) that the size of the present Patta Form which is convenient and suitable needs no change;

(ii) that the smaller sized book (priced 9 pies) may be dispensed with, the larger one (priced 1 anna) being retained, that a thin cloth cover would add to the convenience and that the price may then be raised to 1½ or even 2 annas a copy;

(iii) that the note (5), *viz.*, "a year's demand and collection should be written on each page," printed on the last page of the form, may be omitted; and

(iv) that the book need not be supplied free of cost.

3. The Superintendent, Government Printing, who was consulted, states that it is possible to print and supply Patta Books containing 32 pages each, with a cloth cover like the Savings Bank Pass Book, at four annas a copy.

4. Government agree with the Revenue Commissioner that the note (5) printed on the last page of the Patta form, may be omitted to enable the poorer classes to use the book for several years, that the book need not be supplied, free of cost, and that the larger sized book may be supplied with a cloth cover to those who require it, and its price then raised. As regards the Revenue Commissioner's suggestion for the discontinuance of the smaller sized book (priced nine pies), Government, consider that as all Patta forms have to be paid for, it is not desirable to abolish the lower priced form.

5. Government are accordingly pleased to direct, in modification of their order of 31st May 1922 read above, that the note (5) on the last page of the form be omitted in future, and that the book now priced at one anna, be printed and supplied in future, with 32 pages, neatly bound in long cloth, and priced at four annas per copy. The smaller Patta Book, (priced nine pies), will be continued for the use of those who desire a cheaper form.

6. The Superintendent, Government Printing, is requested to have the books printed accordingly, and supply them on future indents. The one anna forms that are in stock in various offices and with the Superintendent may also be sold till the stock is exhausted and need not be reprinted.

7. The Revenue Commissioner is requested to communicate the above orders of Government to the Representative Assembly Members who brought the subject.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## GENERAL SECRETARIAT.

### Assistant Surgeons and Sub-Assistant Surgeons.

READ—

Government Order No. G. 679-80—Medl. 69-16-4, dated the 13th July 1918, passing orders on the reorganization of the Medical Department and fixing therein the minimum pay of Sub-Assistant Surgeons at Rs. 35 and that of Assistant Surgeons, Second Grade, at Rs. 120 per mensem.

2. Government Order No. G. 19965-6—Medl. 114-17-4, dated the 7th March 1919, directing that the minimum pay of Sub-Assistant Surgeons be raised from Rs. 35 to Rs. 45 per mensem.

3. Government Order No. Fl. 6-55—S. & A. 5-21-11, dated 9th October 1921, sanctioning additions to pay, in the case of certain class of Government servants, in lieu of high price allowances.

4. Letter No. G. C. 245, dated the 30th January 1926, from the Senior Surgeon in Mysore, submitting proposals for the revision of the scale of pay of Sub-Assistant Surgeons.

5. Letter No. G. C. 246, dated the 30th January 1926, from the same officer, submitting proposals for the revision of the scale of pay of Surgeons and Assistant Surgeons.

6. Correspondence ending with letter No. G. C. 246-5, dated the 19th July 1926, from the Senior Surgeon on the same subject.

ORDER No. G. 3645-6—MED. 101-25-11, DATED 5TH OCTOBER 1926.

The question of revising the scale of the pay of Sub-Assistant Surgeons and of Assistant Surgeons has been under the consideration of Government from some time past.

2. Government are pleased to direct that the scale of pay of Sub-Assistant Surgeons be revised as follows:—

| | | |
|---|---|---|
| First class——6 | Sub-Assistant Surgeons on | Rs. 125-5-150 |
| Second class——18 | ,, ,, ,, | ,, 100-5-125 |
| Third class——191 | ,, ,, ,, | ,, 50-5-100 |

3. There will be two promotion examinations, one before promotion to pay of Rs. 75 falls due, and another for promotion to the higher grade on Rs. 100-5-125. Promotion to the class on Rs. 125-5-150 will depend on proved merit and capacity, the selection being restricted to those who have reached the maximum pay of Rs. 125 in the lower class on Rs. 100-5-125.

4. The proposal of the Senior Surgeon not to fill up any of the six places in the class on Rs. 125-5-150, until the officials who find a place in the class on Rs. 100-5-125 in the re-allocation shall have reached the pay of Rs. 125 and drawn that pay for at least a year, is approved.

5. The revision will come into effect from the date of this order. The Senior Surgeon is requested to submit proposals regarding the allocation of the Sub-Assistant Surgeons. As proposed by the Senior Surgeon, Sub-Assistant Surgeons who have passed one or more grade examinations may be given the benefit of having passed such examinations in the allocation proposals.

6. As regards Assistant Surgeons, Government are pleased to direct that the initial pay of Assistant Surgeons, Second Grade, be raised from Rs. 120 to Rs. 150 per mensem, and the pay of such of those officers as are now drawing less than this minimum be raised to Rs. 150 from the date of this revision.

R. RANGA RAO,
*General Secretary to Government.*

## Covenant.

READ—

1. Government Order No. 13139-40—Med. 250-12-7, dated the 27th June 1914, issuing rules regarding the grant of scholarships to medical pupils undergoing training as Sub-Assistant Surgeons.

2. Government Order No. G. 160-1—Med. 65-18-10, dated the 3rd July 1919, as modified by Government Order No. L. 6084-90—Med. 68-21-19, dated the 20th April 1922, prescribing the form of covenant to be entered into by Medical pupils holding scholarships, etc., from Government.

3. Letter No. A. Dis. 7, July 1926, from the Senior Surgeon in Mysore, submitting proposals for modifying the rules and the covenant relating to the training and the employment of Sub-Assistant Surgeons.

ORDER No. G. 3655-7—MED., DATED 8TH OCTOBER 1926.

Under the rules for the grant of scholarships to medical pupils undergoing training as Sub-Assistant Surgeons and the form of agreement into which such students should enter, they are required after they complete their course of study and pass their final examination, to enter the service of Government if and when they are offered an appointment either as passed Medical Pupils or as Sub-Assistant Surgeons as the case may be, and if for any reason they do not accept the offer of appointment, they should refund to Government the amount of the scholarship given to them. But no time limit has been fixed within which the offer of employment should be made to these candidates. As there has so far been a demand for nearly all the stipendiary medical pupils of the Medical School, no student has had to wait for a long period before being taken into the service. This is no longer the case and the Senior Surgeon brings to notice that the number of persons qualified as L. M. P.'s is now far in excess of the needs of the Department and that if the rules are enforced, most of the scholarship holders will have to keep on waiting long for a chance of entering into the State Service. Government, therefore, consider that in the interests of the candidates, the rules should be modified, and are accordingly pleased to direct that the rules and the form of covenant be changed so that a scholarship holder who has qualified as L. M. P. need not wait longer than a period of six months after he has so qualified himself for appointment in the State Service. If no appointment is offered to him before the expiry of this period, he will be under no obligation to serve the State.

The Senior Surgeon is requested to make the necessary changes in the rules and form of Agreement to be entered into by the candidates, and submit them for the approval of Government.

Vacancies in the grade of Sub-Assistant Surgeons or Passed Medical Pupils are being now advertised in the *Mysore Gazette* through the Central Recruitment Board in accordance with Government Order N. G. 8025-7—Med. 64-25-25, dated the 3rd April 1926. L. M. P.'s who were scholarship holders and who at the time of such advertisement have not completed six months of waiting and are therefore under a contract to take up service, if it is offered, will all be considered as applicants for such vacancies. Those also who have passed the period of six months may also apply for the vacancies so advertised, if they wish to join service.

R. RANGA RAO,
*General Secretary to Government.*

## Malnad Improvement.

READ—

Government Order No. L. 1891-902—Sany. 50-24-13, dated 8th September 1925, constituting a Committee to consider the Report of the Special Economic Survey Officer for the Malnad.

2. Letter No. 4580, dated 18th—21st December 1925, from the Secretary of the above Committee, forwarding the report of the Committee (printed as an Annexure).

ORDER No. C. 1-50—SANY. 17-26-1, CAMP, MYSORE, DATED THE 11TH OCTOBER 1926.

In reviewing, in their Order No. L. 2891-904—Sany. 28-24-1, dated the 1st October 1924, the work done under the Malnad Improvement Scheme in the period of about ten years during which it had been in operation and laying down their policy in this respect for the future, Government reserved the question of establishing a Land Mortgage Bank in the Malnad for further consideration, and as a preliminary measure directed that a general economic investigation of at least one typical taluk in each of the three Malnad Districts be made by an officer specially deputed for the purpose. Orders for carrying out such a survey were issued in January 1925 and the work was entrusted to Mr. S. Kesava Iyengar, Professor of Economics, Hyderabad, as Special Officer. On further consideration, it was ordered that the survey be confined to some typical villages in the first instance. The Special Officer completed the survey and submitted a report in July 1925, embodying the results of his investigations. As the report covered a wide range of matters coming within the purview of several departments, Government considered that a detailed examination of the various questions involved was necessary, and for this purpose constituted, in the first order read above, a Committee with Mr. K. Chandy, Member of Council, as Chairman and the gentlemen noted in the margin as members. The Committee completed their work and submitted a report which was published for general information in January last. A note on three of the main recommendations of the Committee, *viz.*, those regarding the establishment of Land Mortgage Banks, the introduction of a Record of Rights, and legislation for the relief of indebted agriculturists, was placed before the Representative Assembly at the last Budget Session. The Government have also had the benefit of the opinion of that House on these matters.

1. Mr. C. S. Balasundaram Iyer,
2. „ K. Matthan,
3. „ P. G. D'Souza,
4. „ N. S. Subba Rao,
5. „ A. K. Syed Taj Peeran,
6. „ R. Nanaswami Rao,
7. „ G. B. Hoblikar,
8. „ N. S. Nanjundiah,
9. „ C. Srinivasa Rao,
10. „ C. Subba Rao,
11. „ Silvester Pais,
12. „ Bagamane Devagowda,
13. „ A. Mahomed Hussain, and
14. Col. W. L. Crawford.

2. The proposals made by the Committee can be classified into two groups, *viz.*, those relating to the extension or modification of measures already sanctioned (including proposals for the revival of arrangements previously in force but latterly discontinued) and those on which final orders of Government are now required. The suggestions of the Committee in respect of medical relief and sanitation, improvement of tanks, provision of additional facilities under education, transport, cultivation and other similar matters come under the first group. The proposals that a special agency be established for Malnad Improvement work, that a Committee be formed for each district for giving advice as regards improvement measures and that an annual Conference be held to review the work done under this scheme also come under this group.

3. The Committee have placed in the forefront of their recommendations the proposal for the establishment of Land Mortgage Banks. The question of a Land Mortgage Bank in the Malnad has been under consideration for a long time. It was considered more than once by the Economic Conference and definite proposals were submitted by the Conference for the formation of a Bank. The question also was considered by the Co-operative Committee appointed by Government in 1920 and detailed proposals regarding such Banks are contained in pages 40 to 42 of the Report of that Committee. The proposals of the present Committee now under consideration have been made after an examination of the whole question *de novo* and proceed more or less on the lines suggested by the Economic Conference and the Co-operative Committee, with the modification that separate Banks are proposed for each district. The present Committee also consider that it is desirable to introduce a Record of Rights, at least in the area coming under the operation of these Banks and to undertake legislation for the relief of agriculturist debtors. When these proposals were placed before the recent session of the Representative Assembly, it was found that the members of that House were in favour of the establishment of these Banks, and the introduction of the two other measures in connection therewith.

4. Government have carefully considered the questions involved in these proposals, and are of opinion that while provision for long-term credit is very much needed in the Malnad, it is difficult to say whether Land Mortgage Banks of the kind proposed are best suited for providing that credit. Nor is it certain that a Record of Rights and a Debt Relief Act would operate altogether for the benefit of the agricultural population in the Malnad.

Land Mortgage Banks are new to India and their working in British Indian Provinces cannot be said to have yet passed the stage of experiment. In view, however, of the fact that successive Committees have proposed the establishment of Banks of this class and that the opinion of the Representative Assembly is in favour of the measures recommended, Government are prepared to give the scheme a trial. They feel, however, that there is need for proceeding cautiously in the matter. They are accordingly pleased to direct that steps be taken to establish three Banks as proposed by the Committee with the modification that each Bank will, for the present, operate over only one taluk. The Shimoga District Bank will have jurisdiction only over the Sagar Taluk, that of Kadur over the Koppa Taluk and that of Hassan over the Saklespur Taluk.

5. The main objects of the Land Mortgage Banks will be the redemption of mortgages and the improvement of lands. The capital of each Bank will, for the present, consist of two lakhs of rupees made up of 8,000 shares of the value of Rs. 25 each. The funds of the Bank will consist of share capital, loans, deposits, grants, and other miscellaneous items. The Bank will also be authorised to issue debentures to the extent of 50 per cent of the value of the lands mortgaged to it, provided that the total liabilities of the Bank do not exceed five times the share capital of the Bank. Loans should be restricted to a minimum of Rs. 500 and a maximum of Rs. 5,000 in the case of individuals and a minimum of Rs. 5,000 and a maximum of Rs. 20,000 in the case of Co-operative Societies. The interest on debentures issued by the Bank as well as that which it will charge in respect of the loans given to the members, should be fixed with reference to the conditions of the money market prevailing at the time the transactions take place. The principal and the interest due by the members will be discharged by a system of equated payments extending over a period of 25 years. Government will be prepared to finance each of these Banks to the extent of a lakh of rupees and to give necessary assistance in their management. The exact manner in which such financial assistance will be given, whether by a guarantee of interest on debentures or in any other suitable form, will be settled with reference to the requirements of each Bank as soon as the other details connected with the starting of the Banks are worked out. They also generally approve of the draft bye-laws for the Banks appended to the report of the Committee.

6. The Record of Rights will be introduced in the three taluks to which the operations of the District Land Mortgage Banks extend. Orders have already been passed deputing Mr. Heblikar to study the working of this system in the Bombay Presidency and to submit proposals for the introduction of this system into the three taluks. Separate orders will issue regarding the details of this measure on receipt of his proposals.

7. Government will also take steps to undertake legislation on the lines of the Deccan Agriculturists' Relief Act at the earliest possible opportunity. The operation of this measure will, as in the case of the Record of Rights, be confined to the three taluks in which the Land Mortgage Banks carry on their operations. A Bill for this and for other purposes will be immediately prepared and placed, if possible, before the next Dasara Session of the Representative Assembly for the consideration of that House.

8. The Committee propose that for carrying out the measures suggested by them in connection with medical relief and sanitary and other improvements, a special establishment should be appointed. A special staff of the kind proposed was once sanctioned under the old Malnad Improvement Scheme and was abolished only in 1921. Government consider that it is not desirable to revive the arrangement of having a separate establishment for carrying out improvement measures of the kind under reference. These measures all come within the normal activities of one or other department of Government and should be attended to by these departments. Any extra establishment or funds required for carrying them out should be applied for by the respective departments of Government. In the same connection, the Committee have considered the question of re-adjusting the Malnad Districts for administrative convenience, and in view of the difficulties of such adjustment, have suggested that it may be desirable to form separate District Boards for the purely Malnad areas. Government are not in favour of making any changes in the administrative jurisdiction of the Kadur and Hassan Districts. The question of forming separate District Boards for the purely Malnad areas will be deferred for consideration till after the Boards—one for each district—are formed under the District Board Regulation of 1926 and some experience is gained of the working of those Boards.

9. The proposal of the Committee regarding the appointment of District Committees to advise on improvement measures amounts to the revival, with some modifications, of the Committees which were previously in existence for the same purpose but were abolished when Malnad Improvement work was added on to the work of the District Boards of the respective districts. Government approve of the proposal to revive District Committees as they would be able to give their entire attention to Malnad Improvement matters. The Committee in each district will consist of the Deputy Commissioner as President and President of the District Board, the District Medical Officer, the District Inspector of Education, the District

Forest Officer, the District Health Officer, if any, the Executive Engineer and the Sub-Division Officers of the Malnad Sub-Divisions together with a few non-official members, of whom 50 per cent may be members of the District Boards, as members. Each Committee will meet twice a year to review progress and prepare suitable programmes and submit them to Government. There is no objection to the Committees in the three districts meeting together once a year for a general survey of the work done in connection with the Malnad Improvement Scheme.

10. On the detailed suggestions of the Committee for the improvement of sanitation, extension of medical relief, facilities for transport, spread of knowledge and redress of forest grievances and the like, Government do not propose to pass orders here. Some of the proposals, as for example, that regarding the Kadur-Chikmagalur Railway, have, independently of the report of the Committee, been already sanctioned. Some others are under active consideration in the respective departments of Government. Each of these suggestions will be taken up separately and orders issued in due course.

11. On one of these recommendations, however, Government wish, in view of the importance of the subject, to indicate their policy. Government are fully in agreement with the Committee in their recommendation regarding the grant of facilities to the members of the Depressed Classes to acquire lands in the Malnad. While Government have no objection to grants being made to individual applicants of these classes, they would prefer to have a practicable scheme worked out for dealing with groups of 25 or 30 applicants formed into Co-operative Societies for the acquisition and cultivation of land as also for arranging for the profitable marketing of the produce raised by them. Government are prepared to help these societies with funds in the initial stages and, in view of the difficulty of finding competent men of the community to manage the societies, to give them the services of suitable persons for managing the work of the societies until men of their own class become available to undertake such work. The Registrar of Co-operative Societies and the Director of Agriculture are requested to consider the matter and submit a joint report to Government within a month from the date of this Order.

12. Government trust that the scheme for Land Mortgage Banks sanctioned in this Order will find adequate popular support and that the leaders of the people in the Malnad will help to make these Banks a success. The Deputy Commissioners of the three districts concerned are requested to call together a meeting of the leading citizens of the districts and after ascertaining what support the scheme is likely to receive at their hands, submit definite proposals for the orders of Government. These proposals should be submitted by the end of November next.

13. Government wish to take this opportunity to re-affirm the policy that has been pursued so far in regard to the Malnad. They recognize that the Malnad area, as well as some others similarly constituted, stand in need of special attention. They have under contemplation a health survey of the State and as it is intended that the survey should have special reference to malaria and hookworm disease, it will relate mainly to the Malnad. Government have recently included the Hunsur and Heggaddevankote Taluks of the Mysore District in the area of operation of the Malnad Improvement Scheme. In addition to the usual departmental grants in which the Malnad Taluks along with other parts of the State participate, Government will continue to allot a special grant every year for meeting the expenditure involved by measures specially taken up under the Malnad Improvement Scheme. The measures which Government have sanctioned or may sanction can, however, be really successful only with the willing and active co-operation of the people of the Malnad. Government have hopes that such co-operation will be forthcoming.

14. In conclusion, Government desire to express their thanks to Mr. K. Chandy, the Chairman, and the official and non-official members of the Committee for the great care they have bestowed on the consideration of the matter referred to them and for the valuable report they have furnished. They also desire to place on record their high appreciation of the labours of Mr. Kesava Iyengar, Special Economic Survey Officer, and note with satisfaction the opinion of the Committee, regarding the ability and zeal with which Mr. M. Venkatesa Iyengar assisted the Committee in the work entrusted to them.

R. RANGA RAO,
*General Secretary to Government.*

## LOCAL AND LEGISLATIVE SECRETARIAT

### Village Panchayet Regulation.

ORDER No. L. 2500-14—L. B. 26-26-40, DATED 5TH OCTOBER 1926.

As the Village Panchayet Regulation has come into operation and as orders of Government on certain points are necessary in order to bring the Regulation into force in the districts, Government are pleased to pass orders on the several points detailed in the following paragraphs. In doing so, Government have taken into consideration the recommendations of the Mysore Inamdars' Association and the opinions of the Deputy Commissioners of Districts.

2. *Areas into which the Village Panchayet Regulation may be introduced.*—The Mysore Inamdars' Association suggests that the Village Panchayet Scheme may not, if possible, be introduced into alienated villages. The principles of the Village Panchayet Regulation which brings within its purview alienated villages also, having been approved by the Representative Assembly and the Regulation having been considered in all its aspects and passed by the Legislative Council, Government consider that it is not advisable to go back on the provisions of the Regulation and are, therefore, pleased to direct that the Village Panchayet Regulation be introduced into all the villages in the State both unalienated and alienated including those in the two Jaghirs of Yelandur and Sringeri.

3. *Date from which the Regulation may come into force.*—Government consider it necessary that both the District Boards Regulation and the Village Panchayet Regulation should come into force in any area simultaneously. Under Notification No. L. 1652—L. B. 25-16-6, dated 31st August 1926, the District Boards Regulation will come into force in all the Districts from the 1st of February 1927.

Government therefore direct that the Village Panchayet Regulation should come into force in each of the Districts from the 1st of February 1927. A Notification will issue accordingly.

4. *Principles to be observed in grouping villages.*—The Inamdars' Association has suggested that an Inam village should not be grouped with any other village, whether alienated or unalienated for establishing Panchayets. Government are pleased to accept this recommendation and direct that the following principles be ordinarily observed by the Deputy Commissioners in establishing Panchayets under Section 4 of the Regulation:—

(1) Every village shall generally have a separate Panchayet for itself.

(2) When, however, the Deputy Commissioner considers the grouping of villages necessary, he may do so, regard being had to the income, area, and population of the villages to be grouped, provided that the following conditions are satisfied:—

(*a*) Every Inam Village shall have a Panchayet for itself and it shall not be grouped with any other Inam or Government Village without the consent of the Inamdar or Inamdars.

(*b*) The inhabited site of any village grouped with other villages shall not be more than 3 miles distant from that of any other village in the group.

(*c*) The territorial jurisdiction of an existing village Panchayet shall, as far as possible, remain undisturbed except to the extent absolutely necessary.

5. *Number of members for Panchayets.*—Though under Section 5 of the Regulation Government may direct that a Panchayet may consist wholly of elected members, yet it is expedient that for the present the village Panchayets shall consist of members who will be partly elected and partly nominated; the Deputy Commissioner may fix the total strength as also the number of elected and nominated members for each Panchayet in the District.

6. *Nominations to Panchayets.*—In Government Villages, Government consider that the Deputy Commissioner should appoint the nominated members on the recommendation of the Amildar. With regard to Inam Villages, the Inamdars' Association suggests that the Inamdar may have the right to nominate 33 per cent of the members of each Panchayet. Government consider that the power of appointment, should vest in the Deputy Commissioner and that it is sufficient if the Inamdar is given the privilege of recommending a certain number of the nominated members if he relinquishes his right to mohatarfa in the village. Government, therefore, direct that 50 per cent of the nominated Panchayetdars be appointed by the Deputy Commissioner on the recommendation of Inamdars who relinquish their right to mohatarfa in their villages, and that the remaining nominated members in such villages and all the nominated members in other villages be appointed by the Deputy Commissioner. In making nominations, the principle laid down in para 3 of Government Order No. L. 4542-71—L. B. 104-24-1, dated 24th December 1924 may be followed and the presence of village elders secured on the Panchayet by nomination wherever necessary or convenient.

7. *Chairmen of Panchayets.*—Under Section 10 of the Village Panchayet Regulation, the Chairman will be appointed by name unless Government direct that he be elected. Government consider that for some time to come the Chairman may be appointed by the Deputy Commissioner, unless in any special case he considers that the Chairman may be elected by the Panchayetdars. The Deputy Commissioners may submit to Government a list of Village Panchayets on which the privilege of electing the Chairman may be conferred.

8. The Inamdars' Association has recommended that the election of the Chairman in the Inam Villages may rest with the Inamdar and that if the power of election is given to Panchayets the elected persons may be subject to the approval of the Inamdar. Government cannot accept this recommendation as the selection of the Chairman under Section 10 rests with the Deputy Commissioner. They are, however, pleased to direct

that appointments of Chairmen for Panchayets in Inam Villages where the Inamdars resign their right to mohatarfa be made by the Deputy Commissioner on the recommendation of the Inamdar.

9. *Mohatarfa.*—The Panchayets under the Regulation will come into existence from the 1st of February 1927 and it will not be possible for these Panchayets to levy taxes under Section 36 of the Regulation immediately thereafter. Mohatarfa may, therefore, continue to be levied by Jamabandi Officers in Government Villages and in Inam Villages in which the right to levy mohatarfa has been reserved to Government at the time of the Inam Settlement, till the Panchayets concerned actually levy the taxes. Mohatarfa so collected by the Revenue Department from the 1st of February 1927 should be credited to the Village Panchayets concerned. The Comptroller is requested to issue needful subsidiary instructions in the matter. The existing arrangement under which mohatarfa is credited to the District Boards will cease from the 1st of February 1927 on which date the District Boards Regulation comes into force. In all villages which already have Panchayets, the collection of mohatarfa has already ceased and will not be revived.

10. By introducing the Village Panchayet Regulation into Inam Villages wherein the Inamdars have the right to collect mohatarfa there is danger of either village sanitation and improvement being neglected, or the people being over-taxed. As the responsibility for village sanitation, will, hereafter, devolve solely on the Panchayets, and as Government have relinquished their right to collect mohatarfa, Government hope that the Inamdars concerned will also give up their right to the levy of mohatarfa in the interests of their villages. The Deputy Commissioners are requested to consult the Inamdars in the matter, and submit suitable proposals.

### Special Licenses for the Possession of Dangerous Petroleum.

READ—

Letter No. G. 126, dated 10th August 1926, from the Director of Industries and Commerce in Mysore, stating that it is necessary to introduce a form for the issue of special licenses for possessing dangerous petroleum in receptacles containing more than 65 gallons but not more than 2,000 gallons each, referred to in Rule 6, Chapter IV of Part II of the Petroleum Rules and submitting a sample form for the approval of Government.

ORDER No. I. C. 2118-27—GEOL. 129-26-2, DATED 28TH SEPTEMBER 1926.

Government approve of the form proposed by the Director of Industries and Commerce in Mysore and the same is appended to this order. The form will be included in the Petroleum Rules as Form Q.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Revenue Department.*

### CONDITIONS OF LICENSE.

1. The petroleum shall be stored in one gas tight metal tank of a capacity of..... gallons sunk completely underground in the position shown on plan submitted, and placed in a pit lined with concrete or brick in cement, the tank being packed round with sand, earth or clay so that no air space is left below ground level and the tank is not visible.

2. A pump or pumps shall be placed in the position shown on plan submitted, the pipe connection between the tank and the pump or pumps shall be placed underground and all joints, valves and cocks shall be gas tight.

3. For the purpose of charging the tanks of locomotives the petroleum shall be:

(*a*) Pumped through strong metal piping by means of approved pumps into above-ground measuring tanks of a capacity not exceeding 30 gallons, fixed in approved positions, and run thence through sound hose, fitted with secure self closing cock and nozzle.

(b) Pumped through strong metal piping by means of approved pumps into an above-ground service tank of approved capacity, fixed in an approved position, and run thence through strong metal piping into measuring tanks of a capacity not exceeding 30 gallons, fixed in approved positions and thence through sound hose, fitted with secure self closing cock and nozzle, into the tanks of locomotives, or

(c) Pumped by means of approved measuring pumps, fixed in approved positions, through sound hose fitted with secure tap and nozzle, into the tanks of locomotives.

4. All tanks, pumps, pipes and fittings shall be strongly constructed of the best materials.

5. All service or measuring tanks shall be fitted with overflow and emptying pipes returning to the storage tank.

6. The petroleum shall enter the tank "under seal" and all tanks shall be fitted with a vent pipe leading into the open air, the open end being covered with brass gauze 32 mesh and fitted with a hood or the open end shall be fitted with an inlet valve and an exhaust valve.

7. If the licensing officer call upon the holder of a license by a notice in writing, to execute any repairs to the storage premises, which may, in the opinion of such officer be necessary for the safety of the said premises, the holder of the license shall execute the repairs within such period, not being less than one month from the date of receipt of the notice as may be fixed by the notice.

8. The tank before being repaired, shall be cleared of all dangerous petroleum and of all dangerous vapours arising from the same.

9. The license-holder is prohibited from delivering any quantity of dangerous petroleum exceeding three gallons to any one who has not a license under Section 5 or Section 6 of the Act.

10. All due precautions shall be taken for the prevention of unauthorised persons having access to any petroleum kept and to the vessels containing or having actually contained the same.

11. Every person managing or employed on or in connection with the storage or premises shall abstain from any act whatever which tends to cause fire or explosion and which is not reasonably necessary and shall prevent any other person from doing such act.

12. The storage premises shall be liable to inspection by an officer not being of lower rank than a Sub-Inspector of Police authorised by the Local Government in this behalf.

13. On no account shall tins or drums be filled with dangerous petroleum from the pump or pumps.

## FORM Q.

*Special License to possess dangerous petroleum in one receptable containing more than sixty-five gallons.*

*(Rule 6, Chapter IV of Part II.)*

---

No. Fee Rs. eight.

License is hereby granted to Messrs..... for the storage in the licensed premises described below of.....gallons of dangerous petroleum in one tank subject to the rules for the storage of petroleum published in Notification No. I. C. 5415—Geol. 103-22-14, dated the 13th March 1924 as subsequently amended and to the further conditions attached hereto.

The.....192 Secretary to Government.

(Description of the licensed premises above referred to.)

The licensed premises are situated at No..... and consist of a gas tight tank of a capacity of.....gallons sunk underground in the petrol godown.

## PUBLIC WORKS SECRETARIAT.

### Programme of Tank Restoration, 1926-27.

READ—

(1) Proceedings of the meeting of the Executive Engineers held in the Dewan's Chambers, on the 19th July 1926.

(2) Notes ending with No. D. 303, dated 12th October 1926, by the Public Works Secretary, submitting a programme of tank restoration for the year 1926-27 and for the next three years.

ORDER No. 724-741, DATED, CAMP MYSORE, THE 17TH OCTOBER 1926.

The grants applied for by the Chief Engineer of Mysore, for a number of irrigation works in his Draft Budget Estimates for 1926-27 had to be deleted on various grounds. In the course of the Budget discussion in June last in both the Representative Assembly and the Legislative Council, the inadequacy of grants for Irrigation Works was brought to the notice of Government. The Dewan in his concluding speech at the Representative Assembly Session stated that "a very large number of tanks, big and small, have long remained in a state of disrepair, owing to one reason or another; and the representatives are quite right in insisting on their early restoration. Government realise that the matter is one that concerns not only the well-being of the raiyat, but also their own revenues, as well as the permanent assests of the State. A working programme of tank repairs will soon be drawn up and early action will be taken thereon. We hope to be able to spare some more money than we originally thought possible out of the Irrigation Cess Fund. I hope to be able to tell this House when we next meet, that some tangible progress has been made under this head." With a view to discuss this and other important questions of the Public Works Department, a conference was held on the 19th July 1926, at which all the Executive Engineers of Divisions were invited, and it was settled that a programme of tank restoration should be drawn up for the current year and for the following three years. The Public Works Secretary has submitted the programme.

2. It is seen therefrom that a number of large works, which had been stopped for want of funds, and several other new works, are proposed to be taken up. The grant required for the year 1926-27 will amount to Rs. 2,61,000, in addition to what has already been granted in the sanctioned Budget Estimates and the grant for the succeeding three years is put down at Rs. 3,52,500, 3,15,500 and 2,74,500.

3. Government are pleased to approve of the programme. The additional sum required will be allotted from the accumulated amount of Irrigation Cess Fund as an extra grant under "23. Irrigation."

Necessary action may be taken to obtain the sanction of the Legislative Council.

4. Government observe that the prosperity and happiness of the raiyats depend on the good condition of the tanks, and it is hoped that every endeavour will be made to work out the programme.

5. The question of taking up the construction of the Maralvadi tank and the Anjanapur Reservoir is under consideration and separate orders will issue in due course.

JOHN BHORE,
*Secretary to Government,*
*Public Works Department.*

## RAILWAY SECRETARIAT.

### Appointment of Mr. M. Cheluve Urs.

ORDER No. R. S. 670-75—RY. F. 131-E. 26-27, DATED 15TH OCTOBER 1926.

Mr. M. Cheluve Urs, who was awarded a Damodar Doss Foreign Scholarship in Government Order No. E. 3667-73—Edn. 55-23-78, dated 8th February 1924, to obtain operating experience in Loco Work in England, having now returned after completing his foreign training, is appointed as Assistant Loco Superintendent, Mysore Railways, on probation for one year with effect from 1st October 1926, on a starting pay of Rs. 250 per mensem in the grade of Rs. 200—25—450 against the existing vacancy.

C. DOVE-WILSON,
*Secretary for Railways,*
*Government of Mysore.*

## CHIEF SECRETARIAT.

### Problems connected with Labour and the Inspections of Factories.

ORDER No. 1267-1317—C. B. 84-26-2, DATED CAMP MYSORE, 11TH OCTOBER 1926.

In view of the steady expansion of industrial undertakings in the State and the increasing complexity and importance of the problems concerning labour, Government consider it desirable to appoint a central authority for dealing with problems connected with the condition of labour and the amelioration of the classes from which it is generally drawn and for collecting statistical and other information relating thereto, such as, emigration, wages and kindred matters. It will also be an advantage to arrange for a periodical inspection of factories by officers having the requisite technical knowledge. Government are accordingly pleased to assign these duties to the Department of Industries and Commerce.

2. The functions to be exercised in this connection fall under the following heads:—

(1) The study of economic conditions of labour and formulation of proposals in regard to their betterment,

(2) The wage census and keeping in touch with the wages question throughout the year,

(3) The administration of the Factories Regulation including the inspection of factories and questions connected with hours of labour, overcrowding, sanitation and such other matters affecting the welfare of labourers, and

(4) Emigration of labour.

3. The Director of Industries and Commerce will be made responsible hereafter for the discharge of all duties relating to the matters referred to above. That officer will examine the arrangements now in force and submit proposals for co-ordinating the duties assigned to various authorities under the existing regulations and rules. He will also make suitable arrangements, obtaining the orders of Government in cases where this is necessary, for getting from local officers and from the employers of labour, information under the heads referred to. He will, further, be responsible for keeping Government informed in time of any situation relating to labour that may call for the adoption of special measures.

4. Government desire that officers of the various departments dealing with questions connected with labour should give all necessary facilities to the Director of Industries and Commerce for carrying out the duties now assigned to him. The Director of Industries and Commerce is requested to include in the annual report of the administration of his department, in future, a special section indicating the work done by him in accordance with the instructions issued above.

P. G. D'SOUZA,
*Chief Secretary to Government.*

### Amelioration of the Labour Communities.

ORDER No. 1318-68—C. B. 84-26-3, DATED CAMP MYSORE, 11TH OCTOBER 1926.

Government in their Order No. 1267-1317—C. B. 84-26-2, dated the 11th October 1926, have assigned to the Director of Industries and Commerce the duties connected with the employment of labour in Factories and those that concern the improvement of labour and the condition of workers generally.

2. The work of the amelioration of the classes from which labour is drawn is now part of the normal activities of the several departments of the Administration. Some special facilities have, however, been provided in the State for some time for imparting general and vocational education to two of the labouring classes which are known as the Depressed Classes and for the spread of the co-operative movement among them and the improvement of their economic condition. Government consider that the departments concerned should continue to be responsible to carry out all such measures. They feel, however, that somewhat more rapid and better results may be attained by directing the officer intimately connected with these improvements to keep himself in touch with what is being done in the various departments for the benefit of the depressed classes and co-ordinate the measures adopted for their economic improvement. They are therefore pleased to assign this work to the Registrar of Co-operative Societies. This officer will, in consultation with the departments concerned, attend to all such questions for the betterment of the depressed classes as relate to housing, relief of indebtedness, improvement of their habits, social morals and customs, the formation of agricultural colonies, land settlements, and the starting of special Co-operative Societies for industrial and other purposes for their benefit.

3. Government desire that officers of the various departments dealing with questions connected with labour and the depressed classes should give all necessary facilities to the Registrar of Co-operative Societies for carrying out the duties now assigned to him. The Registrar of Co-operative Societies is requested to include in the annual reports of the administration of the department, in future, a special section indicating the work done by him in consequence of the instructions issued above.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## FINANCIAL SECRETARIAT.

### Modification of Article 150A of the Mysore Service Regulations.

ORDER No. FL. 1-60—S. & A. 11-26, DATED CAMP MYSORE, 11TH OCTOBER 1926.

In modification of Order No. Fl. 893-952—S. & A. 11-26-2, dated 5th August 1926, Government are pleased to direct that the following rule be substituted for the existing Article 150A, Mysore Service Regulations, in regard to grant of leave to an officer after his 55th birthday:—

Leave granted to a Government servant should in no case extend more than six months beyond the date on which he attains his 55th birthday, or if a Government servant is retained in service after that date, more than six months beyond the date on which he ceases to discharge his duties.

Leave under this section can be allowed only in exceptional circumstances and any leave so granted must be of a kind which is due and not in excess of the amount at credit.

NOTE.—Leave up to two months in the aggregate during an extension of service may be sanctioned by the Heads of Departments specified in Appendix R to Non-Gazetted Officers without reference to Government. In all other cases, previous sanction of Government is necessary for the grant of leave to an officer after attaining the age of superannuation.

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Search Fees.

READ—

The following subjects proposed for discussion at the Budget Session of the Representative Assembly:—

SUBJECT No. 31.—SEARCH FEES.—

*A.* Fees for general searches were being levied in the Registration Department at the rate of Rs. 1-8-0 irrespective of the number of years for which the search was made. For the past two years search fee is levied at Rs. 2 for the first year and eight annas for each subsequent year. The search fees for twelve years will be Rs. 7-8-0. This is exorbitant. The revised rates may be abolished and the former rates restored. If this is not possible, a fee of Rs. 2-0-0 may be levied irrespective of the period for which the search is made.

*B.* Search fees in these offices may be reduced to their previous rates as the prevailing rate is prohibitive.

*C.* It is prayed that search fees may not be levied in Registration Offices if the petition for the copy makes clear mention of the number, year and date and necessary particulars of the document, copy of which is applied for.

2. Correspondence ending with letter No. C. R. 37—26-27, dated 17th September 1926, from the Inspector-General of Registration stating that in Bombay and Punjab no search fees are levied when necessary particulars are given by parties applying for copies of documents in Registration Offices and recommending that a similar procedure may be adopted in Mysore also.

ORDER No. FL. C. 65-67—REGIS. 41-25, DATED Camp Mysore, 12TH OCTOBER 1926.

Government are pleased to direct that no search fees need be charged in respect of a document of which a copy is applied for when the names of the claiming and the executing parties, the nature of the document and the date of registration are shown in application for the copy.

A notification amending the rules published in Notification No. P. 5552—Regis. 30-19-9, dated 6th January 1923, will issue accordingly.

It is not possible to reduce fees for searches in other circumstances.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

**Grant of loans for building tiled houses in place of thatched ones in rural areas.**

READ—

Subject No. 26 of the Representative Assembly of September 1925, proposed by Messrs. C. Subba Rao, A. Ananthiah and others of Shimoga District regarding the grant of Takavi Loans for encouraging raiyats to build tiled houses by way of prevention against destruction by fire.

2. Correspondence ending with letter No. C.-2165—25-26, dated 26th July 1926, from the Revenue Commissioner, furnishing his opinion together with those of the Deputy Commissioners of Districts in the matter.

ORDER No. R. 50-104—L. R. 299-25-42, DATED CAMP MYSORE, 17TH OCTOBER 1926.

The existing rules under the Land Improvement Loans Regulation and Section 194 of the Land Revenue Code provide for the grant of loans to agriculturists for the building of houses in tracts newly made available for occupation and for the rebuilding of houses destroyed by fire or by flood, the loan in such cases being repayable in ten years or less. At the session of the Representative Assembly in September 1925 representations were made that loans might be given to build tiled houses so as to prevent chances of accidents by fire. Government undertook to consider the suggestion and have since obtained the opinion of the Revenue Commissioner in the matter. That Officer in consultation with the Deputy Commissioners of Districts, states that the suggestion deserves sympathetic consideration and proposes the addition of a rule to the rules referred to above, including the building of tiled houses in place of thatched ones in rural areas among the purposes for which loans might be granted. As the Land Improvement and Takavi Loans are meant only for holders of arable land and it is desirable that other persons also in rural areas should be helped to build tiled houses, he recommends the extension of the concession to non-agriculturists such as petty tradesmen, labourers, artisans, etc., as in the case of flood relief loans.

2. Government are pleased to approve of the proposals made by the Commissioner. A rule will be added to the rules Land Improvement Loans Regulation and Section 1 Land Revenue Code as noted in the margin. A suitabl will be provided for the grant of these loans in the bud year. The loans granted for the purpose will be repayable in a period not excee years as in the case of the loans for buildings provided under the existing rules. loans may also be granted on the authority of this order to persons who are not h lands, such as, shikmidars, cultivators, petty tradesmen, labourers, artisans, i jodidars, etc. Loans granted to such people should be subject to the furnishing o security and the execution of an agreement in proper form providing for the rec the loans as arrears of Land Revenue in case of default and for the amount of loans first charge on the mortgage basis on houses built with such loans.

To Rule I B ii (b) add 'or the building of tiled houses in place of thatched ones in rural areas.'

3. The Revenue Commissioner is requested to propose suitable rules togeth the form of agreement for regulating the grant of these loans.

P. G. D'SO
*Chief Secretary to Gove*

## Condonation of delays.

READ—

Letter No. C. 1404—25-26, dated 26th July 1926, from the Revenue C sioner in Mysore, stating that the procedure of condoning delays in payment purchase money in sales of the right of occupancy of unoccupied Government should be regularised and provided for, in the Land Revenue Rules, and sug amendments to Rule 26 of the Rules an consequential addition to condition the terms of the Sale Proclamation Form ppendix B (2) of the Land Revenue and also some minor additions in conditions 9 and 10 of the said Form.

2. Un-official Note dated 17th August 1926, from the Inspector of Office S furnishing his opinion in the matter.

ORDER No. R. 2335-95—L. R. 43-26-9, DATED 22ND OCTOBER 1926.

Sections 180 and 181 of the Land Revenue Code read with Rule 26 of the Revenue Rules, lay down that the full amount of the purchase money in sal unoccupied Government lands shall be paid before the sunset of the fifteenth day the date of the sale, and that, in default, the occupancy right shall be resold.

2. The question of amending Rule 26 of the Land Revenue Rules, so as power to condone unavoidable delay in some cases and remove undue har caused by a strict enforcement of the fifteen days' rule, has been under the cons tion of Government for some time past. The Revenue Commissioner has also, letter read above, urged the need for suitable amendment, and suggests amend to Rule 26 of the Land Revenue Rules and consequential addition to condition the terms of the Sale Proclamation Form (Appendix B (2) Land Revenue Rule that, Government may have power to condone delays and also waive forfeitu deposit money, in deserving cases, the Revenue Commissioner being also empo to condone delays where the period does not exceed one month. In this conne the Revenue Commissioner has also proposed some minor additions to condition and (10) of the said Form, so as to include therein cesses prescribed by Govern from time to time, other than the Local Fund Cess.

3. Government approve of the amendments proposed by the Revenue missioner, with the modifications that the period should not exceed 15 days whe condonation is ordered by the Revenue Commissioner and that a penalty not exce ten per cent of the purchase amount or Rs. 50 should also be recovered. The accordingly pleased to amend Rule 26 and the conditions Nos. 6, 9 and 10 Proclamation Form (Appendix B (2) of the Land Revenue Rules), as under:—

*Rule* 26.—"Every sale by auction under these Rules, or in pursuance of a the provisions of the Land Revenue Code, shall, unless otherwise provided fo conducted so far as may be, in accordance with Sections 171, 172, 176 to 183 inclusive, and 186 of the said Code. Sales not otherwise provided for, shall be by auction by such persons as may be authorized in this behalf, by these Rule the Deputy Commissioner. No sales of

Sales of land shall be subject to confirmation by the Deputy Commissioner or by some other officer authorized by these Rules or by the Deputy Commissioner, such confirmation not being ordered before the date of payment of the full amount of purchase money.

Provided that, in conducting the following sales:—

(*a*) sales of the right of grazing and of the right to take or cut grass in waste lands,

(*b*) sales of the right to take the fruit of specified Government trees for a specified period, and

(*c*) sales of dead wood,

the procedure shall be in accordance with such orders as may, from time to time, be made by the Deputy Commissioner, either generally or specially in this behalf, instead of the procedure prescribed in Sections 171 and 172 of the Land Revenue Code.

*The Government or the Revenue Commissioner may for sufficient cause condone delay in the payment of the full amount of purchase money, and also waive forfeiture of the deposit money, and the authority condoning the delay may, in its discretion levy a penalty up to ten per cent of the purchase money, not exceeding Rs. 50 in any case. The power herein conferred on the Revenue Commissioner shall be limited to cases of delay not exceeding fifteen days.*

The proclamation and written noticeof sale required to be issued under Sections 171 and 172 of the said Code shall be in one of the forms contained in Appendix B or as near thereto as may be.

*Appendix B (2) Form of Proclamation and written notice of sale of the Right of occupancy of unoccupied land.*

* * *

Conditions of sale are given below—

* * *

6. In default of payment within the said period of the full amount of the purchase money, the deposit, after defraying thereout the expenses of the sale shall be forfeited to Government, and the occupancy right shall be resold, and the defaulting purchaser shall forfeit all claim to to the occupancy right, or to any part of the sum for which it may be subsequently sold.

*Government or the Revenue Commissioner to the extent empowered in this behalf, may for sufficient cause, condone delay in payment of the full amount of purchase money, and also waive forfeiture of deposit money, and the authority condoning the delay may, in its discretion, levy a penalty up to ten per cent of the purchase money, not exceeding Rs. 50 in any case.*

* * *

9. The purchaser shall previously to entering upon occupation of the land, obtain the permission in writing of the Amildar or Deputy Amildar under Section 58 of the Land Revenue Code. Such permission will only be accorded on the purchaser's paying Local Fund Cess at the rate of one anna in the rupee on the amount of the purchase money, *and other cesses prescribed by Government from time to time.* If the land is occupied without such permission being first obtained, the occupation will be liable to be treated as unauthorised under Section 59 of the Land Revenue Code.

It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent of the land.

10. The purchaser will have to pay the assessment of the land, *that has been fixed or may be fixed*, and local fund *and other cesses*, thereon, commencing with the year. Provided that, if without his own fault, he does not obtain possession of the land in due time to make use of it that year, he shall not be chargeable with the assessment and Local Fund *and other cesses* thereof till the next following year.

5. A notification for the above amendments will issue separately.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Coffee and Cardamom Cultivation.

READ—

Government Order No. R. 2466-75—L. R. 41-09-5, dated the 21st September 1909, directing that within the ever-green belt on the eastern slopes of the ghats, no land can be given out for cardamom cultivation without sanction of Government and

that as regards lands for coffee cultivation, the reservation of 50 yards margin on either side of jungle streams and around springs be strictly adhered to in all cases.

2. Government Order No. R. 4759-68—L. R. 41-09-9, dated 11th January 1910, defining the tract on the eastern slopes of the Ghats within which the grant of land for cardamom cultivation is prohibited.

3. Government Order No. R. 4616-19—L. R. 280-14-12, dated the 10th November 1915, directing in modification of the above orders, that the restriction against the grant of land for cardamom cultivation be waived in the case of lands, the drainage of which is through the western ghats towards the Arabian Sea and not into the basin of the Hemavati.

4. Government Order No. R. 3623-32—L. R. 36-22-2, dated 30th December 1922, directing that, cardamom cultivation be permitted on lands granted for coffee cultivation prior to 23rd May 1922, subject to certain conditions and that Government reserve discretion to affix such conditions as they may consider necessary, in respect of future grants.

5. Government Order No. R. 6354-6—L. R. 199-23-12, dated 11th June 1924, directing the removal of the prohibition of cardamom cultivation without a margin of 50 yards of perennial streams on springs, and the reduction in case of coffee lands, of the limit of margin, from 50 to 25 yards.

6. Representative Assembly Subjects Nos. 23 and 29 of the Dasara Session of October 1924, urging the removal of the restriction of growing cardamom on coffee lands and that of the reservation of 25 yards along jungle streams in coffee lands.

7. Letter No. 630, dated the 18th June 1926, from the Secretary, Economic Conference, forwarding for orders of Government copy of the resolution passed by the Board of Agriculture *re* the abolition of the rule prohibiting coffee cultivation within 25 yards of jungle streams in coffee growing areas.

8. Correspondence ending with letter No. Ref. on C. 1193—25-26, dated the 16th September 1926, forwarding with his opinion the communications in original received from the Deputy Commissioners of Hassan, Shimoga and Kadur, giving their veiws *re* the removal of the restrictions on coffee and cardamom cultivations referred to above.

9. Extract from the report of the Malnad Improvement Committee of 1925, recommending the abolition of the prohibition against coffee cultivation on the margins of streams reserving 25 yards round spring heads and sources of streams.

ORDER NO. R. 2464-74—L. R. 149-24, DATED 28TH OCTOBER 1926.

According to the standing orders referred to above, cardamom cultivation is prohibited (i) in lands the drainage of which is into the basin of the Hemavati and (ii) in the lands granted for coffee cultivation, with a few exceptions. There is also a restriction in regard to the cultivation of coffee on the margin of streams or round springs, where a space of 25 yards is required to be left uncultivated. This restriction has been entirely removed in the case of cardamom cultivation in the Government Order of 11th June 1924 read above.

2. The Representative Assembly has been repeatedly urging the removal of the several restrictions against coffee and cardamom cultivation referred to above. The Revenue Commissioner who was requested to furnish his opinion in the matter, in consultation with the Deputy Commissioners of the Malnad Districts suggests, in agreement with the views of the Deputy Commissioners of Hassan, Shimoga and Kadur that the rule regarding the 25 yards margin may be abolished in the case of coffee lands, that the restriction to grow cardamom on coffee lands may be removed, and that the prohibition of the cultivation of cardamom in certain restricted areas, may be abolished, as the reasons urged against this removal are held by competent authorities to be antiquated and absolete.

3. The subject of the removal of the 25 yards rule in respect of coffee lands was also considered at a Meeting of the Board of Agriculture and a recommendation to abolish the rule as resolved upon by the Board has been made by the Secretary, Economic Conference to Government, in his letter dated 18th June 1926, referred to above. The Committee of 1925 on Malnad Improvement have made the same recommendation with a reservation regarding spring-heads and sources of streams.

4. In the above circumstances, Government are pleased to direct in the interests of the expansion of cultivation and the development of the Malnad, that the restrictions referred to above be all removed as suggested by the Revenue Commissioner with the exception that in the case of lands granted for coffee cultivation, a margin of 25 yards continue to be reserved round spring-heads or sources of streams.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## GENERAL SECRETARIAT.

### Lunatic Asylum.

READ—

1. Resolution No. 18 moved by Messrs. Mahomed Abbas Khan and G. Paramasivaiya at the Budget Session of the Mysore Legislative Council, during June 1926, recommending that the name of the "Lunatic Asylum" at Bangalore, be changed to "Mental Diseases Hospital."

2. Correspondence ending with letter No. G. C. 45-1, dated the 31st July 1926, from the Senior Surgeon in Mysore stating that the name of the institution may be changed into "Mental Hospital."

ORDER NO. G. 4016-36—MED. 49-25-65, DATED 16TH OCTOBER 1926.

Government are pleased to approve of the change of the name of the "Lunatic Asylum" into "Mental Hospital." As the change of name involves an amendment of the Mysore Lunacy Regulation and the Rules under the Regulation, necessary action will be taken early to amend the said Regulation accordingly.

R. RANGA RAO,

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### NOTIFICATION.

**Condonation of Delay.**

ORDER No. R. 2396—L. R. 43-26-10, DATED 22ND OCTOBER 1926.

Rule 26 and the conditions Nos. 6, 9 and 10 of the Proclamation Form (Appendix B (2) of the Land Revenue Rules), are amended as indicated below:—

Between the third and the last paragraph of the Rule add the following paragraph:—

*The Government or the Revenue Commissioner may, for sufficient cause, condone delay in the payment of the full amount of purchase money, and also waive forfeiture of the deposit money, and the authority condoning the delay may, in its discretion, levy a penalty up to 10 per cent of the purchase money, not exceeding Rs. 50 in any case. The power herein conferred on the Revenue Commissioner shall be limited to cases of delay not exceeding 15 days.*

The rule, as thus amended, will be as under:—

*Rule 26.* "Every sale by auction under these Rules, or in pursuance of any of the provisions of the Land Revenue Code, shall, unless otherwise provided for, be conducted so far as may be, in accordance with Sections 171, 172, 176 to 183 both inclusive and 186 of the said Code. Sales not otherwise provided for, shall be made by auction by such persons as may be authorized in this behalf, by these Rules or by the Deputy Commissioner. No sales of lands shall take place until after the expiration of at least seven days from the latest date on which the notice of sale shall have been affixed, as required by Section 172.

Sales of land shall be subject to confirmation by the Deputy Commissioner or by some other officer authorized by these Rules or by the Deputy Commissioner, such confirmation not being ordered before the date of payment of the full amount of purchase money.

Provided that, in conducting the following sales,

(*a*) sales of the right of grazing and of the right to take or cut grass in waste lands,

(*b*) sales of the right to take the fruit of specified Government trees for a specified period, and

(*c*) sales of dead wood,

the procedure shall be in accordance with such orders as may, from time to time, be made by the Deputy Commissioner, either generally or specially in this behalf, instead of the procedure prescribed in Sections 171 and 172 of the Land Revenue Code.

*The Government or the Revenue Commissioner may, for sufficient cause, condone delay in the payment of the full amount of purchase money, and also waive forfeiture of the deposit money, and the authority condoning the delay may, in its discretion, levy a penalty up to 10 per cent of the purchase money, not exceeding Rs. 50 in any case. The power herein conferred on the Revenue Commissioner shall be limited to cases of delay not exceeding 15 days.*

The proclamation and written notice of sale required to be issued under Sections 171 and 172 of the said Code shall be in one of the forms contained in Appendix B or as near thereto as may be."

*Conditions of sale in the Form of Proclamation and Written Notice of sale of the Right of occupancy of unoccupied land; (Appendix B (2)).*

*Condition* 6.—Add the following sub-paragraph after condition 6:—

*Government or the Revenue Commissioner to the extent empowered in this behalf, may, for sufficient cause, condone delay in payment of the full amount of purchase money and also to waive forfeiture of deposit money, and the authority condoning the delay may, in its discretion, levy a penalty up to 10 per cent of the purchase money, not exceeding Rs. 50 in any case.*

*Condition* 9.—After the word "money" at the end of the second sentence in the first sub-paragraph, add "*and other cesses prescribed by Government from time to time.*"

*Condition* 10.—After the word "land" occurring in the first sentence, read, "*that has been fixed or may be fixed*" and for "Cess" occurring in the first and second sentences read "*and other cesses*".

The above conditions, as thus amended, will be as under:—

* * * * *

6. In default of payment within the said period of the full amount of the purchase money, the deposit, after defraying thereout the expenses of the sale shall be forfeited to Government, and the occupancy right shall be resold, and the defaulting purchaser shall forfeit all claim to the occupancy right, or to any part of the sum for which it may be subsequently sold.

*Government or the Revenue Commissioner to the extent empowered in this behalf, may for sufficient cause, condone delay in payment of the full amount of purchase money, and also to waive forfeiture of deposit money, and the authority condoning the delay may, in its discretion, levy a penalty up to 10 per cent of the purchase money, not exceeding Rs. 50 in any case.*

* * * * *

9. The purchaser shall previously to entering upon occupation of the land, obtain the permission in writing of the Amildar or Deputy Amildar under Section 58 of the Land Revenue Code. Such permission will only be accorded on the purchaser's paying Local Fund cess at the rate of one anna in the rupee on the amount of the purchase money, *and other cesses prescribed by Government from time to time.* If the land is occupied without such permission being first obtained, the occupation will be liable to be treated as unauthorised under Section 29 of the Land Revenue Code.

It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent of the land.

10. The purchaser will have to pay the assessment of the land, *that has been fixed or may be fixed*, and local fund *and other cesses*, thereon, commencing with the year. Provided that, if without his own fault, he does not obtain possession of the land in due time to make use of it that year, he shall not be chargeable with the assessment and Local Fund *and other cesses* thereof till the next following year.

By Order,
P. G. D'SOUZA,
*Chief Secretary to Government.*

## DEVELOPMENT SECRETARIAT.

### Economic Conference.

ORDER No. D. 2919-23—E. C. 16-26-1, DATED 28TH OCTOBER 1926.

The Government of His Highness the Maharaja are pleased to notify that the following additional gentlemen who are Non-Official Presidents of District Boards be

appointed Members of the General Economic Conference in pursuance of Government Order No. Rel. 142-218—E. C. 8-26-1, dated the 22nd September 1926:—

1. Mr. N. S. Nanjundiah (Hassan).
2. „ C. B. Gopala Rao (Kolar).
3. „ B. Abdur Rahmon (Bangalore).

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Symbols.

READ—

Government Order No. L. 1330-44—L. B. 25-26-4, dated the 24th August 1926, approving of 8 symbols for being assigned to candidates at elections to the District Boards in order to enable any illiterate voter to identify the name of the candidate for whom he wishes to vote.

2. Government Order No. L. 2091-105—L. B. 25-26-9, dated the 16th September 1926, adding 4 more symbols to those prescribed in the Government Order read above.

3. Letter No. D. 2205—26, dated the 23rd October 1926, from the Deputy Commissioner, Mysore District, suggesting that in view of the large number of candidates standing for elections from general constituencies some more symbols such as (1) Ship, (2) Camel and (3) Sword may be prescribed in addition to those already sanctioned in the Government Orders read above.

ORDER NO. L. 2757-69—L. B. 25-26-13, DATED 29TH OCTOBER 1926.

The following 3 symbols are approved by Government, to meet the contingencies, referred to by the Deputy Commissioner, Mysore District:— (1) Ship, (2) Camel and (3) Sword.

2. The blocks for the additional symbols also shall be prepared and kept ready by the Superintendent, Government Press, for printing on the form of the voting paper.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## FINANCIAL SECRETARIAT.

### Special Localities Allowances.

READ—

Government Order No. Fl. 6723-72—S. & A. 166-19-1, dated 24th March 1920, issuing rules regulating the grant of allowances to officers stationed in unhealthy and specially expensive localities.

ORDER NO. FL. 3290-349—S. & A. 101-25-2, DATED 27TH OCTOBER 1926.

Certain allowances called Malnad and Semi-malnad allowances are now being given to some officers stationed in the four Districts of Shimoga, Kadur, Hassan and Mysore. But the whole arrangement is full of anomalies. Officers of some Departments get these allowances while those of others do not, though all of them are working at the same places. Even in the same Department some of its officers get these allowances while others do not. In some cases, even in the same department the rates allowed differ. These distinctions and divergences are indefensible and they have formed the subject of discussion both in the Representative Assembly and the Legislative Council. Repeated representations have also been made for the grant of malnad allowances to school masters, residing in Malnad districts.

2. An attempt at introducing a uniform arrangement was made in 1920 and Government agreed with the Local Allowance Committee which considered the question that officials of all Departments (on pay not exceeding Rs. 100) stationed in Malnad and other specially unhealthy or expensive localities should be treated alike and given a uniform rate of allowance. As the Committee's recommendations involved additional expenditure, Government decided in the order read above that they might

be given effect to as soon as funds were available, but the decision has not so far been given effect to.

The position has, besides, since altered in some respects and it is necessary therefore to review it again with a view to remove, as far as possible, the inconsistencies in the existing arrangement and to limit the additional expenditure to the minimum.

3. After a careful consideration of the question in all its aspects, Government are pleased to issue the following rules for the grant of Special Localities Allowances, in supersession of all existing orders (except as specified below) relating to Malnad and Semi-malnad allowances and also allowances to officers stationed in unhealthy tracts and specially expensive localities, *viz.*, Krishnarajasagara, Hiriyur and Kolar Gold Fields:—

(i) Officers in superior service who are stationed in places specified in Appendix S of the Mysore Service Regulations and in Krishnarajasagara, Hiriyur and the Kolar Gold Fields, and whose emoluments do not exceed Rs. 50 per mensem will be permitted to draw "Special Locality Allowances" at the rate of one anna per rupee subject to a minimum of Rs. 1-8-0 per mensem.

*Note.*—Emoluments for this purpose will include pay, allowances of all kinds excluding only travelling allowance and pension, if any, drawn for past service.

(ii) The allowances now drawn on account of unhealthiness of locality or costliness of living by officers on pay exceeding Rs. 50 residing in the localities referred to above, will cease with effect from the date on which the new rules come into force the present incumbents being permitted, however, to draw them till they are transferred.

(iii) Members of menial establishments working in the areas specified above, will not be entitled to the "Special Locality Allowances." Such of those officers as are now drawing special allowances in Malnad or other special areas will however continue to do so and these allowances will cease on change of incumbents.

(iv) These rules will not apply to officers in the Military, Railway and Police Departments in respect of whom the existing orders will apply, until the cases of these Departments are considered and separate orders are passed regarding them.

4. The revision of "Special Localities Allowances" according to the above rules involves an extra cost of about Rs. 6,843 per annum, when it is fully brought into effect. The new rules sanctioned in this order will come into force from the 1st July 1927, except in regard to the discontinuance under rules (ii) and (iii) of existing allowances, which will be given effect to as soon as the conditions contemplated in the rules occur. The Comptroller is requested to make the necessary provision in the next year's budget.

B. SRINIVASIENGAR,
*Financial Secretary to Government.*

## Advances for House-building.

ORDER No. Fl. 3402-461—G. F. 86-26-1, DATED 1ST NOVEMBER 1926.

Under existing orders (*vide* Article 263, Mysore Account Code, Volume I) house-building advances up to twelve months' pay are admissible to Officers who desire to build houses for their occupation in important towns having extensions laid out in accordance with regular schemes, and advances for house-building in other places are limited to 6 months' pay.

2. As the limit of 6 months' pay is represented to be too low, Government are pleased to direct that the higher limit of 12 months' pay be applied uniformly to advances for house-building by Government Officers in all places in the State where no houses are available and where house rent is exceptionally high.

3. The Comptroller is requested to issue necessary amendments to Mysore Account Code, Volume I.

### IMPORTANT GOVERNMENT ORDERS.

**CHIEF SECRETARIAT.**

**Rule VII of the Grant-in-aid Code.**

READ—

1. Government Order No. 4557-8—Edn. 188-19-19, dated 29th May 1922, issuing revised rules for educational grants-in-aid.

2. Government Order No. E. 6562-63—Edn. 15-24-17, dated 4th June 1926, sanctioning the proposals of the Inspector-General of Education in the matter of making provision for the training of two Graduate Teachers of Aided High Schools every year for a period of three years from 1926-27, the grant payable by Government being fixed at two-thirds of the stipend actually given by the management, but not exceeding Rs. 33⅓ per mensem for each teacher deputed for such training.

3. Correspondence ending with letter No. H. C. 298—25-26, dated 29th September 1926, from the Inspector-General of Education, recommending that Rule VII (*b*) of the rules issued with Government Order read above may be revised so as to provide for grants being sanctioned to the management of Aided High Schools for deputing Graduate Teachers for training, etc.

ORDER No. E. 2486—EDN. 76-25-34, DATED 10TH NOVEMBER 1926.

Government are pleased to direct that Rule VII of the existing Grant-in-aid Rules be revised as follows :—

(*a*) *Stipends.*—Grants under Rule III (*v*) may be paid at the following rates for special courses of instruction on the stipends of students under training. These rates may be increased by 50 per cent in the case of women students or by 25 per cent in the case of students from particular classes or areas :—

Full stipends will be given to students who enter into contracts to serve the Department for at least three years; otherwise only half stipends will be given as scholarships.

(*a*) For Teachers' Certificate:—

| | Rs. | |
|---|---|---|
| Upper Secondary Grade | 10 | a month |
| Lower Secondary Grade | 8 | do |
| Primary grade | 5 | do |

(*b*) For training Graduate Teachers of High Schools in methods of teaching—B.T., or L.T. Course:—

A grant at the rate of Rs. 33⅓ per mensem or two-thirds of the stipend actually paid to the teacher, whichever is less, will be paid to the Manager of the School.

(*c*) For training Science Teachers:—

A grant at the rate of Rs. 15 per mensem for one year will be paid to Managers who send Science Graduates employed by them with the object of training in Science Class demonstrations as required in High Schools.

(*d*) For Instruction in Manual Training:—

A grant at the rate of Rs. 15 per mensem for Graduates and of Rs. 10 for others will be paid to the Managers who send teachers for training for one year in Manual Training.

Teachers under training who receive stipends under these rules shall enter into an agreement with Government to serve in the Department or in the Institutions concerned for a period of not less than three years subsequent to the completion of the training, if required to do so.

The grant of stipends under these rules shall be subject also to the conditions that the selection of the teachers for training has been previously approved by the Education Department and that there is sufficient provision therefor in the budget.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Special Interests.

READ—

Letter No. C. 115—L. F. 26-27, dated the 7th October 1926, from the Deputy Commissioner, Chitaldrug District, forwarding with his recommendations the applications received by him from the marginally noted Associations in the Chitaldrug District seeking enfranchisement for representation of Special Interests on the Chitaldrug District Board under the new Mysore District Boards Regulation.

1. Veerasaiva Vidyavardhaka Sangha, Davangere.
2. Anjuman Himayat Islamia, Molakalmuru.
3. Do Minual Islamia, Molakalmuru.
4. Do Muffidul Islam Association, Chitaldrug.

ORDER No. L. 2916-23—L. B. 62-26-58, DATED 5TH NOVEMBER 1926.

The Deputy Commissioner, Chitaldrug District, has recommended that the following Associations may be enfranchised for representing their interests on the District Board:—

(1) Veerasaiva Vidyavardhaka Sangha, Davangere.
(2) Anjuman Himayat Islamia, Molakalmuru.
(3) Do Muffidul Islam, Chitaldrug.

He states that the other Mahomedan Association at Molakalmuru need not be enfranchised as it is not desirable to grant franchise to two Associations formed with one and the same object in a small Taluk like Molakalmuru.

Government agree with the opinion of the Deputy Commissioner and are accordingly pleased to extend the franchise to the three Associations, recommended by him.

They are further pleased to direct that the extension of the franchise to the said Associations should not be regarded as a permanent privilege and that preference will have to be shown as occasion arises to minor communities that are unlikely to get representation through the general electorate after they form themselves into duly recognised Associations.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments*

## Drinking Water Wells.

ORDER No L. 3024-31—L. B. 26-26-83, DATED 12TH NOVEMBER 1926.

Under Section 20 of the Mysore Village Panchayet Regulation, II of 1926, the duty of providing supply of water for domestic use devolves on the Panchayets to be inaugurated from the 1st February 1927, and forms one of their obligatory duties towards which they should make adequate provision, within the limits of the funds at their disposal. In order to satisfactorily carry out the requirements of each Panchayet, Government are pleased to direct that Amildars of Taluks and Deputy Amildars who will be immediately responsible for the supervision and control over the Panchayets, should maintain in their Offices, a ledger containing complete list of villages with and without drinking water draw wells, the condition of the existing wells and the action taken from time to time to supply wells in villages where no wells exist at present.

A definite programme of wells to be constructed from year to year should be drawn up and submitted to the Deputy Commissioners by the end of January 1927 and the Deputy Commissioners will consolidate the demands of the several taluks and submit the total demand for each District under Drinking Water Wells so as to reach Government before the end of February 1927, with a view to enable Government to settle the provision required to be made in the State Budget under this head during each year.

Cases wherein estimates are ready and which would be taken up and completed in the year alone should be entered in the programme. Special attention should be paid to hattis or villages occupied by Adikarnatakas or Adidravidas. The Sub-Divison Officers and Deputy Commissioners should also include wells in the items of works to be inspected by them during the tours.

A half-yearly progress report of Drinking Water Wells in each taluk should also be submitted by the Amildars to the Deputy Commissioners who will send a consolidated report to Government at the end of every year.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## Relaxation of the Rule Prescribing Qualifications.

Read—

Government Order No. P. 5666-7—Cts. 73-23-6, dated the 5th May 1926, prescribing qualifications for the posts of Head Munshis of Munsiffs' Courts, Sheristedars of Subordinate and District Judges' Courts and Head Munshis of District Courts.

2. Letter No. R. O. C. 32—26-27, dated 13th July 1926, from the Registrar, Chief Court, stating that it is not clear whether the rules referred to above are applicable to acting appointments in leave vacancies of more or less short duration and that it is neither necessary nor practicable to rigidly apply the rule in regard to the passing of the prescribed tests in the case of temporary appointments in short leave vacancies and recommending that the rule regarding the passing of prescribed tests or of obtaining exemption therefrom be relaxed generally in the case of officials appointed to leave vacancies not likely to eventually become permanent.

ORDER No. P. 2046-8—CTS. 28-26-2, DATED 13TH NOVEMBER 1926.

The recommendation of the Chief Court is sanctioned.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## GENERAL SECRETARIAT.

### Appointment of a trained Mechanic.

ORDER NO. G. 4292-330—G., M. 147-26-1, DATED 28TH OCTOBER 1926.

Sanction is accorded to the appointment of a trained mechanic on the establishment of the General and Revenue Secretariat on a salary not exceeding Rs. 75 per mensem tentatively for one year with effect from 1st November 1926, to look after the repairs of the typewriters in the General and Revenue Secretariat as well as those in the offices located in Bangalore. The cost during the current year will be met out of the Contingencies of the General and Revenue Secretariat, necessary provision being made therefor under 4 Civil Secretariats Establishments in future budgets. The appointment will be non-pensionable unless the person selected already holds a pensionable appointment.

2. The undermentioned Heads of Departments will arrange to get the typewriters under their control repaired by the Mechanic; spare parts whenever necessary being supplied at the cost of the offices. The rules in this behalf are appended hereto. The Heads of Departments will also furnish information to the Chief Secretary as to the typewriters under them, the amount spent on account of repairs during the past 3 years and the quota of charges they are prepared to make available during the current year out of their contingencies towards the pay of the mechanic.

3. From the date of the appointment of the Mechanic the Comptroller should refuse to pass any bills on account of repairs of typewriters in the offices in Bangalore, except those relating to spare parts.

R. RANGA RAO,
*General Secretary to Government.*

---

### ANNEXURE.

RULES RELATING TO THE REPAIRS OF TYPEWRITERS IN USE IN THE GOVERNMENT OFFICES IN BANGALORE.

The Mechanic appointed for repairing typewriters in the General and Revenue Secretariat and the offices in Bangalore will be attached to the General and Revenue Secretariat and work under the direct orders of the Registrar, General and Revenue Secretariat.

2. The Mechanic should inspect all the machines at least once a week, clean and oil them. He will be responsible to keep them in thorough working order and to repair them whenever they are in need of repairs. If any spare parts are required, the offices concerned should arrange to supply them at their cost. Whenever any machine is in need of spare parts, the Mechanic should at once report the fact to the Head of the Office, who will arrange to get them. When the services of the Mechanic are required at other times in any office, his services should be indented for by making a reference to the Registrar, General and Revenue Secretariat.

3. The Heads of Offices should report to the Chief Secretary once in six months as to the nature and quantity of work turned out by the Mechanic. Any delay or dereliction of duty on the part of the Mechanic should also be reported to the Chief Secretary.

4. It should be distinctly understood that the ultimate responsibility for the maintenance of the typewriters in order rests on the Heads of Offices and their typists and that the appointment of the Mechanic will not absolve them of such responsibility.

### Qualifications of Voters of Urban Constituencies of the Representative Assembly and Legislative Council.

ORDER NO. REL. 289-99—R. A. 14-26-1, DATED 11TH NOVEMBER 1926.

Voters of Urban Areas of the Representative Assembly and the Legislative Council are now the same as those who take part in the Municipal elections in those

areas. In view of the fact that for the latter the rules of election have been changed so as to make assessment the basis of the qualification and not actual payment, it is necessary that the rules regarding the qualifications of voters of Urban Constituencies of the Representative Assembly and the Legislative Council should be suitably modified.

Necessary Notifications will issue in the matter.

M. SESHADRI,
For *General Secretary to Government.*

**Electoral Rolls of the Representative Assembly and Legislative Council.**

ORDER NO. REL. 301-14—R. A. 15-26-1, DATED 11TH NOVEMBER 1926.

Doubts having been expressed regarding the preparation and publication of Electoral Rolls of the Legislative Council and the Representative Assembly, the Government of His Highness the Maharaja of Mysore are pleased to direct that the rolls may be prepared either in English or Kannada, whichever is more convenient and that their publication need not necessarily be in the Gazette. It would, for instance, be sufficient if, in territorial constituencies, electoral rolls are published in the Deputy Commissioners' Offices, Sub-Division Offices and the Taluk Offices and in the Chavadis of some of the principal villages such as hobli headquarters and copies are also made available to the public on payment. In some cases, on the other hand, it may be desirable that the Electoral Rolls should be published in the Gazette as, for instance, in the case of the Legal Interests and the Mysore University.

As a general rule, Government are pleased to direct that in the case of territorial constituencies, the Electoral Rolls relating to them may be prepared either in Kannada or in English and they may or may not be published in the Gazette. Ordinarily their publication in the Official Gazette will not be necessary.

In the case of special interests and minority associations, it would probably be desirable to prepare the Electoral Rolls in English and publish them in the *Mysore Gazette.*

The existing rules will be modified in accordance with these general instructions and issued in time for the ensuing elections.

M. SESHADRI,
For *General Secretary to Government.*

**Qualifications of Voters to the Legislative Council.**

READ—

Paragraphs Nos. 26 and 40 to 49 of Government Order No. 1367-1426—C. B. 100-23-1, dated Camp Mysore, the 27th October 1923, fixing the qualifications of voters to the Representative Assembly and the Legislative Council.

Proceedings of the Dasara Session of the Representative Assembly of 1925 containing the discussions on a resolution moved by Messrs. Md. Abbas Khan, Paramasiviah and N. G. Sanjiviah, recommending that in future elections, the property qualifications of voters and candidates prescribed for the Legislative Council in the Rural Constituencies be so reduced as to make them correspond with those fixed for elections to the Representative Assembly.

ORDER NO. REL. 323-332—L. C. 3-26-1, DATED 11TH NOVEMBER 1926.

In paragraphs Nos. 26 and 40 to 49 of the Government Order read above, Government have fixed the qualifications of the voters to the Representative Assembly and the Legislative Council in accordance with the recommendations of the Reforms Committee. The main difference in the qualifications of the two sets of voters consists in the fact that the property qualifications of voters from rural areas to the Legislative Council are fixed twice as high as those of the corresponding voters to the Representative Assembly.

At the Dasara Session of the Representative Assembly of 1925, a resolution was moved by Messrs. Md. Abbas Khan, Paramasiviah and Sanjiviah that the qualifications should be made uniform so that the electorate of the Legislative Council may be the same as that of the Representative Assembly. After considerable discussion, the resolution was passed unanimously by the House and Government promised to consider the matter and issue orders in time for the preparation of the next electoral rolls.

Government have considered the question and are of opinion that there is much to be said in favour of the resolution. A change in accordance with the wishes of the Representative Assembly will have the effect of enlarging the electorate of the Legislative Council. Government are, therefore, pleased to accept the resolution. Necessary notifications will issue modifying the qualifications of the voters to the Legislative Council.

This modification will not, however, affect the candidates who may stand for election to the Legislative Council. In their case, the existing qualifications will continue unchanged.

M. SESHADRI,
For *General Secretary to Government.*

### Mysore State Provident Fund.

READ—

Letter No. 63—S. P. F., dated 12th October 1926, from the Comptroller to Government, submitting the report on the working of the Mysore State Provident Fund for the year 1925-26.

(Printed as annexure.)

ORDER No. FL. 3626-85—G. F. 83-26-2, DATED 12TH NOVEMBER 1926.

Recorded.

Government note with pleasure that the number of subscribers has increased by 137 and that the closing balance is also higher by Rs. 1,27,559.

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

---

ANNEXURE.

I have the honor to submit the following report on the working of the Mysore State Provident Fund for the year 1925-26.

1. *Number of Subscribers.*—The number of subscribers at the commencement of the year was 2,738. During the year under report, 249 persons were admitted as members, of whom 36 were compulsory subscribers. One hundred and twelve persons ceased to be members leaving 2,875 subscribers at the close of the year.

2. *Receipts.*—The amount subscribed during the year was Rs. 1,36,459-8-2 as against Rs. 1,18,670-13-4 in the previous year showing an increase of Rs. 17,788-10-10.

3. *Temporary Advances.*—Temporary advances were granted to 676 subscribers, the amount advanced in the year being Rs. 87,531 as against Rs. 80,665 in the previous year. The repayment of temporary advances amounted to Rs. 84,934-10-0 as against Rs. 66,611-14-0 during 1924-25.

In Government Order No. Fl. 5838-5902—G. F. 212-25-2, dated 8th April 1926, Government have ordered that except for strong reasons to be recorded in writing by the sanctioning authority, no new advance will be allowed until at least twelve months have elapsed since the date of the previous advance. The effect of this order in reducing the number of temporary advances will be reported in the next report.

4. *Withdrawals.*—There were 112 cases of withdrawals from the fund during the year of which 67 were due to retirements, 29 to deaths, 11 to resignations and 5 to dismissals. The amounts thus withdrawn aggregated Rs. 40,364-5-8 as against Rs. 58,879-4-2 in the previous year.

5. The financial position of the fund on 30th June 1926, stood as follows:—

| | | | | Rs. | a. | p. |
|---|---|---|---|---|---|---|
| Opening Balance on 1st July 1925 | | | | 5,95,614 | 9 | 11 |
| Subscriptions during the year | | | | 1,86,459 | 8 | 2 |
| Repayment of temporary advances | | | | 84,934 | 10 | 0 |
| | | Total | | 8,17,008 | 12 | 1 |
| Withdrawals during the year— | Rs. | a. | p. | | | |
| Permanent | 40,364 | 5 | 8 | | | |
| Temporary advances | 87,531 | 0 | 0 | | | |
| | | Total | | 1,27,895 | 5 | 8 |
| | | Balance | | 6,89,113 | 6 | 5 |
| Interest for 1925-26 | | | | 34,159 | 9 | 9 |
| Closing Balance on 30th June 1926 | | | | 7,23,273 | 0 | 2 |

6. *Nominations.*—During the year under report there were 82 nominations, the total number registered from the beginning being 1,450. The parties are being apprised in the Annual Statements of Accounts sent to them of the benefits of nomination.

7. Annual advices to subscribers regarding the state of their account are being issued.

8. Government have definitely ordered in their letter Nos. Fl. 7198—G. F. 106-25-4, dated 25th June 1926 and Fl. 2776—G. F. 50-26-2, dated 29th September 1926, that the deposits in this fund, whether voluntary or compulsory, are exempt from all liability, whether Government or private.

9. In Notification No. Fl. 1339—G. F. 48-26-2, dated 17th August 1926, Government ordered the reduction of interest on Provident Fund Deposits from 5½ to 5 per cent with effect from 1st March 1927.

## CHIEF SECRETRRIAT.

### Commission.

READ—

Letter No. C. 4058—25, dated 4th October 1926, from the Revenue Commissioner in Mysore, recommending sanction to the issue of a Commission to Mr. Yemberumanar, Inamdar of Jodi Nalkundi and Sarvamanya Mutsandra and Agent of Jodi Bommanahalli villages of Nagamangala Taluk, in respect of the above Inam villages under Section 99 of the Land Revenue Code.

ORDER NO. R. 2818-20—L. R. 177-26-2, DATED, 16TH NOVEMBER 1926.

Government are pleased to direct the grant of powers under Clauses (*b*), (*c*), (*e*) and (*f*) of Section 99, Land Revenue Code to Mr. Yemberumanar, Inamdar of Jodi Nalkundi and Sarvamanya Mutsandra and Agent of Jodi Bommanahalli villages of Nagamangala Taluk, Mysore District. The accompanying commission may be issued to the Inamdar.

Commission granted under Section 99 of the Land Revenue Code, Regulation IV of 1888 to Mr. Yemberumanar, Inamdar of Jodi Nalkundi and Sarvamanya Mutsandra and Agent of Jodi Bommanahalli villages of Nagamangala Taluk, Mysore District.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you Mr. Yemberumanar, Inamdar of Jodi Nalkundi and Sarvamanya Mutsandra and Agent of Jodi Bommanahalli villlages of Nagamangala Taluk, Mysore District, the following powers specified in clauses (*b*), (*c*), (*e*) and (*f*) of Section 99, Land Revenue Code, to be exercised within the limits of the Inam villages of Jodi Nalkundi and Bommanahalli and Sarvamanya Mutsandra of Nagamangala Taluk, Mysore District :—

(*b*) to attach the property of persons making default in the payment of such land revenue or rent as aforesaid ;

(*c*) to fix, from time to time, the times at which the land revenue or rent due to him shall be payable ;

(*e*) to receive notices of relinquishment under Section 71, and to determine the date up to which such notices shall be received as in that section provided ; and

(*f*) to take measures for the maintenance and repairs of boundary marks in the manner provided for survey officers in section 130 of the Land Revenue Code.

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall by the Government of His Highness the Maharaja of Mysore.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## IMPORTANT GOVERNMENT ORDERS.

### GENERAL SECRETARIAT.

**Anti-Leprosy Campaign Committee.**

READ—

Government Order No. G. 2800-75—Med. 61-26-1, dated the 8th September 1926, appointing a Committee for being in charge of the Anti-Leprosy Campaign in the State.

2. Letter No. C. 322-2, dated the 2nd October 1926, from the Sanitary Commissioner in Mysore, suggesting that the name of Dr. A. K. Pani, may also be added to the list of the members of the Committee referred to above.

3. Correspondence ending with letter No. C. 322-4, dated the 2nd November 1926, from the same officer stating that Dr. A. K. Pani has signified his consent to serve, if appointed on the Mysore Leprosy Relief Committee.

ORDER No. G. 5154-6—MED. 61-26-6, DATED 18TH NOVEMBER 1926.

Government are pleased to sanction the appointment of Dr. A. K. Pani as an additional member of the Mysore Leprosy Relief Committee.

M. SESHADRI,

For *General Secretary to Government.*

## FINANCIAL SECRETARIAT.

### Abolition of Annachattrams.

READ—

Government Order No. 804-17—Muz. 177-14-10, dated 11th October 1916, directing the abolition of 20 Annachattrams in the State and their conversion into Rest Houses.

2. Government Order No. 1462-79—Muz. 268-22-11, dated 17th April 1924, directing the transfer of the buildings of the abolished Chattrams to District Boards for use as Rest Houses.

3. Subject No. 40 of the Birthday Session of the Representative Assembly of 1923, *re* affording equal facilities to members of all communities in the Government Anna-Chattrams in the State.

4. Government Order No. 156-61—Muz. 89-23-6, dated 28th July 1926, appointing a committee to consider the question as to whether under the present altered conditions, the *tasdik* grants now allowed to the Annachattrams may not be diverted to other more beneficent purposes.

5. Letter dated 31st August 1926, from the Secretary to the Annachattrams Committee, forwarding the report of the Committee. (Printed as enclosure.)

6. Correspondence ending with letter No. C. 150 of 26-27, dated 15th September 1926, from the Muzrai Commissioner in Mysore, furnishing his views on the Committee's proposals.

ORDER No. 875-90—MUZ. 89-23-10, DATED 13TH NOVEMBER 1926.

There were originally sixty-eight Annachattrams and Rest Houses in the State maintained at the expense of Muzrai Funds. The unsatisfactory condition of several of these institutions and the necessity for abolishing such of them as have not been fulfilling the purposes for which they were intended, has long been recognised. So far back as in 1879, it was brought to the notice of Government that the grants allowed to the Annachattrams were for the most part absorbed in paying for their staffs, leaving only a small margin for feeding travellers and that the Chattram buildings were, for want of repairs, totally unfit, in many cases, to provide suitable shelter to travellers. The Chief Commissioner accordingly observed in the Proceedings of 8th December 1879 that the bulk of the Annachattrams might be converted into Rest Houses and that charitable feeding might, with advantage, be confined only to a few special Chattrams and to seasons when it might be required in connection with religious pilgrimages.

2. In the Government Annachattrams in the State, only *bonafide* Brahmin travellers are fed and raw rations are issued to *bonafide* Byragi travellers. Rations may also be given under the existing practice out of the Chattram funds to persons who are deserving objects of charity by reason of bodily infirmity or extreme old age ; such payments are called Nehmi allowances and are allowed either for limited periods or for life in some cases. The number of Nehmidars in some of the Government Annachattrams is large, with the result that feeding is usually stopped for several days in the month on the ground of insufficiency of funds.

3. A representation was made at the Dasara Session of the Representative Assembly in 1909, that rations might be issued to non-Brahmin travellers also in the Government Annachattrams, but Government observed in their order of 17th August 1910, that it was undesirable to enlarge the scope of these institutions beyond the limits recognised by longstanding usage.

4. The working of the Government Annachattrams and their usefulness under the present altered conditions were examined by the Muzrai Committee appointed in the year 1914, and on its recommendation that only the chattrams situated near renowned shrines and *theerthas* and at certain other important centres, should be retained and that the remaining ones might be converted into rest houses, free feeding was stopped in twenty of the Annachattrams. The buildings of the abolished institutions were handed over to District Boards for use as Rest Houses.

5. In the Birthday Session of the Representative Assembly of 1923, the grant of qual facilities to all communities in the existing Annachattrams was again pressed on the attention of Government. Government stated that there were practical difficulties in giving effect to the proposal, but promised that the question of issuing rations to persons who would not take food in Chattrams would be investigated.

6. On further examination of the question in all its aspects, Government came to the conclusion that the system of supplying food, cooked or raw, to travellers of any community in the Government Annachattrams could not be worked satisfactorily and that, in view of the increasing facilities for rapid transport on pilgrim routes that are now available, the need for the continuance of the Annachattrams in the interest of the travelling public had ceased to exist. Before, however, finally deciding on the revision of the existing arrangements in the Annachattrams, Government appointed a committee consisting of the marginally noted gentlemen to consider the question as to whether the funds now utilised for the Annachattrams may not be diverted to other more beneficent purposes, such as the establishment of poor houses, encouragement of Ayurvedic and Unani systems of Medicine, and institutions for the deaf and dumb, the blind, etc.

Rajamantrapravina Dewan Bahadur Mr. P. Raghavendra Rao, Chairman, Retired Member of Council.
Rajakaryaprasakta Rao Bahadur Mr. M. Shama Rao, Retired Inspector-General of Education.
Mr. T. E. Jayarama Iyer, Retired Revenue Secretary.
Mr. B. K. Garudachar, Member, Legislative Council.

7. The Committee has fully considered the subject and submitted a report containing valuable recommendations. It has broadly classified the existing Annachattrams under three heads as follows:—

(1) Local Annachattrams including private institutions receiving grants-in-aid established on pilgrim routes.

(2) Local Annachattrams at pilgrim centres, and

(3) Charities outside the State.

8. As regards the Chattrams on pilgrim routes (twenty-nine in number), the Committee recommends that, in view of the facilities for rapid travelling now available to pilgrims and of the altered conditions in general, the Annachattrams in all these places may be abolished except that at Mysore. In the case of the Chattram at Mysore, which is under the management of the Palace, the Committee suggests that free feeding may be restricted to certain seasons or to special occasions like the Birthday of His Highness the Maharaja and the Dasara. In recommending the abolition of the Government Annachattram at Bangalore, where a certain number of students of the Veda Maha Patasala and of Sri Chamarajendra Sanskrit College are being given one meal a day, the Committee suggests that the sum of Rs. 800 which will become available by the discontinuance of feeding may be utilised for the award of Scholarships to the students of these institutions.

9. There are two private Chattrams in the Mysore District, namely, (1) Pay Master Venkata Rao's Chattram at Lingarajapura, Mandya Taluk, and (2) Jagulal Dharmasala at Mysore, which are now in receipt of Government grants of Rs. 175 and Rs. 864 per annum respectively, and the Committee recommends that the grants to these institutions may also be discontinued in view of the proposed stoppage of free feeding in all Government Annachattrams.

10. As regards Chattrams at pilgrim centres, the Committee observes that these institutions (nine in number) are no longer serving any useful purpose and that there is, therefore, no need for maintaining them with the exception of the Chattram on the Himavat Gopalaswamy Hill. This latter institution which is receiving an annual grant of Rs. 118-8-0 is proposed by the Committee to be retained, as it is situated in an out-of-the-way place where there are no facilities to the travelling public and as it is also largely frequented by poor pilgrims (such as Byragis) on their way to Rameswaram.

11. As regards the three charities outside the State, namely, (*a*) Tirupathi charities with an annual grant of Rs. 20,000, (*b*) Benares Chattram with a grant of Rs. 2,883 per annum, and (*c*) Barahazar Santarpane at Subramanya with a grant of Rs. 3,500 per annum, the Committee recommends their continuance and suggests that, if possible, these charities may be improved and made more efficient.

12. In making its recommendations for the abolition of the local Annachattrams, the Committee contemplates the total discontinuance of the Nehmi charges in the institutions. As the sudden stoppage of these allowances may cause hardship in deserving cases, the Committee recommends that every one of these cases may be carefully examined and necessary relief given from the savings due to the abolition of the Chattrams.

13. The Committee's proposals are calculated to result in a saving of Rs. 32,000 per annum, and as regards the purposes for which the funds released by the abolition of the Annachattrams may be appropriated, the Committee makes the following recommendations:—

(1) Half the savings, or roughly Rs. 16,000 may be granted for the encouragement and development of the indigenous systems of medicine both Ayurvedic and Unani.

(2) The other half of the savings may be used for the following objects of general usefulness, namely,

(a) Grants-in-aid to institutions for the relief of the Deaf and Dumb and the Blind,

(b) Grants-in-aid to Homes for the relief of the Aged and the Infirm,

(c) Grants-in-aid to Orphanages, and

(d) Financial assistance to poor students of the Mysore University.

14. The principles on which the suggestions of the Committee are based are all well considered and Government generally approve of them with some modifications in details and are pleased to pass the following orders:—

15. The recommendation of the Committee for abolishing all the Government Annachattrams, except the marginally noted four Institutions, is sanctioned. The grants on the existing scale to these latter Institutions will be continued for the present.

| | Annual grant. Rs. |
|---|---|
| Local Chattram on the Himavat Gopalaswamy Hill ... ... | 118 |
| Tirupathi Charities ... ... | 20,000 |
| Benares Chattram ... ... | 2,883 |
| Barahazar Santarpane at Subrahmanya ... ... | 3,500 |

16. The Committee's suggestion for the discontinuance of annual grants to the following two private institutions is also approved.

| | Rs. |
|---|---|
| (1) Pay-Master Venkata Rao's Chattram at Lingarajapura, Mandya Taluk, .. .. | 175 |
| (2) Jagulal's Dharmasala at Mysore .. .. | 864 |

17. The grant of Rs. 800 now allowed to the Chattram at Bangalore for giving one meal a day to some of the students of the Sri Chamarajendra Veda Maha Patasala and the Sri Chamarajendra Sanskrit College will be withdrawn and utilised for granting scholarships to the students of these two institutions.

18. The proposal of the Committee that free feeding at the Chattram at Mysore may be restricted to certain seasons or to special occasions is reserved for separate consideration.

19. Out of the grants allowed for the Annachattrams and Rest Houses, charges on account of Nehmi allowances are now being incurred. No more allowances of this nature should be sanctioned or renewed. As regards the stoppage of the existing allowances, the Muzrai Commissioner is requested to institute enquiries into all the cases, with a view to discontinue them immediately or as early as the conditions of each case permit. His attention is invited to para 3 of Government Order of 17th April 1924, in this connection.

20. Government direct that free feeding in the abolished Annachattrams be stopped from 1st January 1927 and that the discontinuance of the grants to the two institutions referred to in para 16 *supra* be given effect to from 1927-28.

21. The Muzrai Commissioner is requested to take prompt action for the disposal of the buildings and connected properties of the abolished chattrams and to reduce from 1st January 1927, to the barest minimum, the establishment to be kept on until the said disposal is complete.

22. When the arrangements sanctioned above are fully given effect to and the connected establishments of the Annachattrams are all disbanded and all the Nehmi allowances are also discontinued, and when the cash balances of the Chattrams already abolished and now ordered to be abolished are invested in securities, it is anticipated that a sum of about Rs. 40,000 per annum will be available for distribution.

23. Government generally accept the suggestions of the Committee for utilising the funds released by the abolition of the Annachattrams, except in regard to the financial assistance proposed to be given to the poor students of the Mysore University. Scholarships and freeships are now allowed on a fairly liberal scale and Government do not consider it advisable to divert any part of these funds for affording financial assistance to the University students.

24. The question of distributing the released funds among the several objects proposed by the Committee is reserved for separate consideration after the exact amount of savings accruing from the abolition of the Annachattrams is ascertained.

25. The thanks of Government will be conveyed to the Chairman and the Members of the Committee for the valuable suggestions and recommendations contained in their Report which has been of great help to Government in dealing with this important matter.

B. SRINIVASA IYENGAR,

*Secretary to Government,*
*Financial Department.*

## ANNEXURE.

*Letter dated 31st August 1926, from V. Vedavyasacharya, Esq., B.A., Secretary to the Annachattram Committee, Bangalore, to C. Ranganatha Rao Sahib, Esq., B.A., B.L., Secretary to Government, Revenue Department.*

Adverting to Government Order No. 156-61—Muz. 89-23, dated 28th July 1926, I am directed, by the Committee therein appointed, to forward herewith, their Report on the Subject.

## REPORT.

*Terms of Reference.*—In their Order No. 156-61—Muz. 89-23, dated 28th July 1926 after referring to (1) the unsatisfactory manner in which the system of giving free food at Annachattrams was actually working, and (2) the diminution in their usefulness owing to materially altered conditions, and briefly indicating some lines of activities of a more beneficent nature towards which the grants of these Chattrams could perhaps be usefully diverted, Government appointed the present Committee to go into the question and to make their recommendations in the matter. Though the terms of reference, as mentioned in the order above, somewhat restrict the scope of the recommendations to be made, yet we are inclined to think that we shall not be transgressing our limits, if we briefly review the origin and the history of Annachattrams and to offer our views on the need to continue, or to abolish, the several classes of these institutions, having regard, among other things, to their previous history and their present condition.

2. *The Origin of the Idea of Free Feeding.*—The system of free feeding in India is of ancient origin. It has all along been considered one of the most meritorious of acts to feed, or to give alms to, persons belonging to the sacerdotal classes. In days when there was more intimate and direct connection than at present between the State and Religion, free feeding institutions were the direct outcome of this spirit and the State sought to acquire merit and prosperity by establishing free feeding houses in important cities, in pilgrim centres, on pilgrim routes, in short, in all places, where travellers belonging mostly to the sacerdotal classes were likely to congregate in large numbers and would feel greatly inconvenienced, if there were not such facilities. It need not, however, be supposed that this system of free feeding was peculiar to India or to the Hindus. It will be found that analogous institutions existed, in similar circumstances in countries so far apart as China and Persia, Burma and Palestine and among communities so diverse as Christians and Buddhists, Jews and Mussalmans, at one time or another, during the course of their history.

3. *Annachattrams in the State.*—The Annachattrams in our own State have always been an important feature of the Muzrai Administration of the State from the beginning, though it would seem, that in the days of Dewan Purniah, they were established on a firm basis. The several institutions in the State, as well as those outside it, were organised by him on a comprehensive basis and liberal grants, with suitable establishments, were sanctioned to ensure their proper working right through the year. These Chattrams, perhaps, by reason of this, came to be known as Purniah's Chattrams.

4. *The present Annachattrams and the need for reconsidering their position.*—Since then, however, conditions have changed greatly and the Annachattrams have lost much of their usefulness. In the olden days, when travelling was difficult and had to be performed by easy stages, on foot or in bullock carts, these Chattrams served a very real and useful object, as halting places at convenient distances, where men and cattle could take rest after their day's journey, before resuming it the next day. With the spread of railway communications and other modes of rapid locomotion, the old routes and the Chattrams along such routes, ceased to be frequented by the travelling public. On the other hand, the grants to Chattrams have, most of them, come to be used up in meeting the establishment and Nehmi charges, and the balances, if any, which remained have hardly been sufficient to run the institutions throughout the month, even with the reduced number of travellers, owing to the abnormal rise in the prices of food-stuffs, since

the time the grants were originally fixed. Government recognising that these institutions had generally outgrown their usefulness, as a class, have, from time to time, abolished some and ordered the conversion of others into rest-houses, the latter being eventually handed over to the management of the District Boards concerned, with the consent of those bodies. Added to this, is the feeling of the general tax-payer of the present day, that, whatever may have been the reasons for starting these institutions in the days gone by, these reasons have practically ceased to exist now. The foregoing brief account will, we trust, have served to show the need for reconsidering the necessity for continuing this class of Muzrai Institutions.

5. *Classification of Chattrams.*—It has appeared to us that it would greatly facilitate the consideration of the question, if some classification of these institutions was attempted and in this view, the differentiation detailed below, has been made :—

The Chattrams may be broadly classified as—

(1) Local.—*i.e.*, those which are situated within the State, and
(2) Foreign.—*i.e.*, those which are situated outside the State.

6. *Charities outside the State.*—Taking up for consideration, the latter class of charities first, it will be seen that they comprise the institutions noted in the margin. Every one of these three institutions has a historic origin and has, so far as we have been able to trace out, associations of a deeply intimate and personal character, connected with the names of some of the illustrious ancestors of our gracious sovereign and ruler, His Highness the Maharaja.

1. Tirupati Charities.
2. Benares Chattram.
3. Barahazar Santarpane (at Subrahmanya).

7. 1. *Tirupati Charities.*—The date when the Tirupati Charities were started by the Mysore State is not exactly known, though it is seen that they are being maintained for the past one hundred years and more. Tirupati is the most important pilgrim centre for Hindus, south of the Vindhyas, and is perhaps only next to Benares in fame, in the whole of India, Government have charities at the place involving an expenditure of about Rs. 20,000 per year. It is understood that the charities were extended and organised in the time of His Highness the late Maharaja Mummadi Krishnaraja Wodeyar Bahadur.

8. 2. *Benares Chattram.*—The Mysore Maharaja's Chattram at Benares dates from the year 1822. It would appear, from the available documentary evidence, to have been established for the spiritual benefit of Mahamatosri Cheluvarajammanniavaru, presumably the step-mother of His Highness the late Maharaja Mummadi Krishnaraja Wodeyar Bahadur. Benares is still the chief centre of Hindu pilgrimage in India and all Hindu rulers of any consequence (almost without an exception) have been maintaining Annachattrams in the place, from their respective State funds from a long time.

9. *Barahazar Santarpane.*—The institution of the Barahazar Santarpane—or the feeding of 12,000 Brahmins—at Subrahmanya on the occasion of the Champa Shasti Festival, is of even more ancient origin. There are references to show that it has existed continuously, at least since the year 1801. In 1826, His Highness the late Maharaja Mummadi Krishnaraja Wodeyar Bahadur visited the place and made costly gifts to the temple and His Highness the late Maharaja Chamarajendra Wodeyar Bahadur also visited the temple and made costly presents, including an elephant.

10. There is, therefore, considerable religious and personal sentiment attaching to these three institutions. There is also another point which we wish to emphasize in this connection. Any reduction in the grants to these institutions, or any measure which would tend to restrict or hamper their usefulness, is likely to create an unfavourable opinion in the Hindu World, particularly outside the State, besides helping to cast a reflection on the State. For these reasons, we are strongly of the opinion that it is neither advisable nor desirable to interfere with these three charities. We would even go further and recommend that, if possible, they be improved and made more efficient.

11. *Local Charities.*—As regards the local Annachattrams they may be roughly divided into two groups (1) those which are situated at pilgrim centres and (2) those which are situated on the recognised pilgrim routes.

12. At present, there are thirty-eight chattrams in the State, including the two private institutions in the Mysore District, noted in the margin, which are in receipt of Government Grants. The amount sanctioned to these Chattrams vary considerably as also the establishment and nehimi charges, and, in consequence, the balances available for the feeding of travellers. In some Chattrams the travellers are fed; in others only raw rations are supplied, while in some others only sadavart is given to Bairagees.

1. Paymaster Venkata Rao's Chattram at Lingarajpur, Mandya Taluk.
2. Jaggulal Dharmasala, Mysore.

13. *Chattrams on Pilgrim Routes.*—The most important pilgrim routes are those leading out of the State, to Tirupati, Udipi and Subrahmanya. In the case of Subrahmanya,

there is not a continuous volume of pilgrim traffic all the year round, justifying the continuance of Chattrams at Bisle or Saklespur. The concourse of pilgrims takes place only during a short season and there are feeding facilities at present (on payment) all along the route during that period. Between Shimoga and Udipi, there is a very convenient motor bus service; and feeding facilities, if any, needed on the way, are amply provided by hotels, almost at every halting place en route. Lastly, the Tirupati route is hardly used by pilgrims now, there being quite a number of convenient train services to Tirupati. List A appended to this Report shows the several places on the pilgrim routes, where Annachattrams are now situated. We have carefully considered the need for a Chattram in every one of these places; and for the reasons we have mentioned above, we have come to the conclusion that they may all be abolished, subject, however, to the observations made below, and that in the case of the two private Chattrams in the Mysore District, which are now in receipt of Government grants, the said grants may be discontinued.

14. *Government Annachattram at Bangalore.*—We now wish to refer in some detail to the utilisation of the funds which will become available by the abolition of the Government Chattram at Bangalore. The Bangalore Chattram was originally a Muzrai Institution, but owing to mismanagement in pre-Rendition days a sum of Rs. 800 (out of the cash grant of Rs. 1,563-5-0) was diverted in favour of Govindachetty's Chattram in the Civil and Military Station. After the historic Rendition of March 1881, this amount of Rs. 800 was given back to the Government Chattram in the City, in consideration of feeding a certain number of students belonging to the Sanskrit College at Bangalore. The Sri Chamarajendra Sanskrit College at Bangalore has been recently transferred to the control of the Education Department, the studies therein being remodelled on secular and general lines. At present the Muzrai grant of Rs. 800 made to the Annachattram at Bangalore, is distributed equally beeween the Veda Maha Pathasala and the Sri Chamarajendra Sanskrit College, Bangalore; that is, a certain number of students of each of these two institutions are being given one meal a day at the Chattram. It is within our knowledge that the food given there is indifferent and that the students lose much of their valuable time in going to the Chattram every day for their food and returning from it. We would therefore recommend that the sum of Rs. 800 which will become available by the abolition of this Chattram, be wholly and specifically given, for the award of suitable scholarships to the students of both the Veda Maha Pathasala and the Sri Chamarajendra Sanskrit College, Bangalore.

15. *Mysore Chattram.*—In the case of the Chattram at Mysore under the management of the Palace, we would respectfully venture to suggest that free feeding therein may be restricted to certain seasons or to special occasions like the Birthday of His Highness the Maharaja, the Dasara Festivities, etc.

16. *Chattrams at Pilgrim Centres.*—The Chattrams at pilgrim centres have also outgrown their usefulness. List B appended to this report shows the several pilgrim centres where Annachattrams are now situated. When pilgrims congregate at these centres, which happens only on special occasions, there is, usually, organised private charity on a large and generous scale. The better classes have their own facilities for feeding, while the others are fed, at the expense of private charity. In any event, there is no real need for maintaining Government Annachattrams at these pilgrim centres. We would, however, make an exception in the case of the Chattram on the Himavathgopalaswami Hill, as it is situated in an out of the way place, with absolutely no facilities of any kind, and is largely frequented by poor pilgrims (such as Bairagees, etc.) on their way to Rameswaram from Benares. The annual Government Grant is also relatively small, being only Rs. 118-8-0. It may be added that there are also sentimental associations connecting this place with the Ruling House of Mysore. For the reasons stated, we recommend that all the Chattrams included in List B be abolished, with the exception of the one on the Himavathgopalaswami Hill.

17. The effect of our recommendations will be to release a sum of about Rs. 27,000 per annum as noted in the margin* for being diverted for other purposes. In this connection we would suggest that necessary action be immediately taken to hand over the Rest Houses (already ordered to be abolished) to the District Boards or to otherwise dispose of them, so that the savings of about Rs. 5,124 per annum as noted in the margin, may also become available for being utilised for the purposes indicated later. We have not made any allowance in the

| | Rs. |
|---|---|
| * A. Government grants for Annachattrams ... | 27,900 |
| (i) Deduct Government grant to Chattram on the Himavathgopalaswami Hill ... ... | 118 |
| (ii) Deduct Muzrai grant to the Bangalore Annachattram (recommended specifically for the award of scholarships) ... ... | 800 |

| Government grants for Rest Houses ... ... | 5,124 |
| Total of A and B ... | 32,106 |

above estimate for the continuance of the nehimi charges that are now being incurred both in respect of Annachattrams and Rest Houses. It has come to our notice that the nehimi system, as it is administered at present, is not serving any useful purpose and that, in many instances, the present recipients are not deserving of the concessions. The principles enunciated in Government Order, Camp No. 103 of 21st November 1884, in the matter of granting nehimis do not appear to have been kept in view with the result that it has led to grave abuses. We would, therefore, recommend the total abolition of nehimi charges as such. As we fear, however, that such a step may cause hardship in some of the really deserving cases which could be brought under the terms of the order above quoted, we are of opinion that every such case may be carefully examined and the necessary relief given from the provision which we have indicated below.

18. *Objects for which it may be used.*—Taking, in the circumstances stated, a round sum of Rs. 32,000 as the total amount avilable for disposal otherwise, we proceed to make the following recommendations:—

(i) Half the savings or roughly Rs. 16,000 may be granted for the encouragement and development of the indigenous systems of medicine, both Ayurvedic and Unani. We consider that this is one of the most desirable objects on which the savings may be usefully spent, for, the relief of human suffering is perhaps one of the—if not the—best forms of charity. We understand that a scheme for the starting of an Ayurvedic College with a Hospital attached to it, is under the consideration of Government and that a sum of Rs. 20,000 is required for meeting the expenditure, if it is opened during the current year.

(ii) The other half of the savings may be used for the following objects of general usefulness:—

(*a*) To institutions, or for the relief of the Deaf, the Dumb and the Blind, especially when such unfortunates are helpless and left alone in the world.

(*b*) To Homes, or for the relief, of the aged and the infirm, who have none on whom they can depend for maintenance and support.

(*c*) Orphanages for the maintenance, education, and the setting up in life, of orphans, who are poor and have no other means of support.

(*d*) Poor students studying in the Mysore University. Some portion of the savings may be spent in giving financial assistance to poor students of the University who have not sufficient means to stay in the College Hostels or in private hotels, if they are prepared to club together in batches and make such arrangements for their board and lodging, as may be acceptable to the University Authorities.

19. It is our view and recommendation that the above four forms of charity should be disbursed, irrespective of considerations of caste, creed, colour or community.

20. The Committee wish before closing this Report, to place on record, their high appreciation of the efficient help rendered to them by the Secretary, Mr. V. Vedavyasacharya, in their somewhat delicate task and of the hearty manner in which he co-operated in their work.

21. The Committee met twice, once for discussion and formulation of recommendations and another time for considering and passing the draft Report.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

#### Endowment.

READ—

Application dated 14th August 1924, from Mr. Murugappaiya, President, Anatha Veerasaiva Vidyarthigala Sahaya Sangha, Holalkere, stating that his father, the late Mr. Gurusanthappaiya of Kalvehalli Mutt, Channapatna, Holalkere Taluk, has bequeathed in his will a sum of Rs. 20,000 in Mysore State Loan Bonds as an endowment for Educational purposes, the interest thereon being utilised for the benefit of the poor Veerasaiva students of the Holalkere Taluk and forwarding a copy of the Proceedings of the meeting of Panchayetdars held on 13th August 1924 regarding the utilisation of the income from the bonds with a request that arrangements may be made by Government for the perpetual administration of the endowment.

2. Correspondence ending with Letter No. Cpt. 1219—25-26, dated 17th September 1926, from the Inspector-General of Education, regarding the acceptance of the endowment referred to above and submitting proposals for the utilisation of the income from the endowment.

ORDER No. E. 2458-60—EDN. 95-25-55, DATED 10TH NOVEMBER 1926

The Inspector-General of Education reports that the President of the Anatha Veerasaiva Vidyarthisahayaka Sangha, Holalkere, has submitted a copy of the resolution passed at the meeting of Panchayetdars held on 13th August 1924, stating that Messrs. Murigappaiya and Sadasiviah, the two sons of the late Mr. Gurusanthappaiya of Kalvehalli Mutt who has willed his property of Rs. 20,000 invested in the 6¼ per cent State Loan Bonds, for the benefit of the Sangha with effect from November 1932, are both willing to transfer to the name of the Dewan of Mysore, bonds of the value of Rs. 10,000 immediately with a view to start and maintain a

Veerasaiva Free Boarding Home at Holalkere in the name of their deceased father Mr. Gurusanthappaiya and requests the acceptance of the offer. He accordingly recommended the acceptance of the offer, the endowment being called "Holalkere Taluk Channapatnada Kalvehalli Mattada Gurusanthappaiya's Anatha Veerasaiva Vidyarthi Sahayaka Fund." Government, however, considered that it would be more advantageous if bonds to the full value of the endowment, *viz.*, Rs. 20,000 were transferred once for all to the name of the Dewan of Mysore subject to the understanding that in the case of bonds of the value of Rs. 10,000 which are to be transferred only after 1932, the interest on them will be paid to Mr. Murugappaiya till 1932, and utilised for the charities only after that date. Mr. Murugappaiya has consented to the above proposal and has forwarded bonds of the aggregate value of Rs. 20,000 duly endorsed in favour of the Dewan of Mysore.

The Inspector-General also reports that the endowment will be administered by Mr. C. Murugappaiya son of the late Mr. Gurusanthappaiya and President of the present Anatha Veerasaiva Vidyarthisahayaka Sangha, Holalkere, in consultation with a Panchayet consisting of the marginally noted five gentlemen mentioned in the will of the late Mr. Gurusanthappaiya. He further states that the annual income from the endowment till 1932 will be only Rs. 625 and the Managing Committee referred to above propose to utilise the amount towards meeting the cost of feeding (free) 15 poor and deserving Veerasaiva students, selected by them, certain items of recurring expenditure such as cook's pay, part of the Manager's pay and rent, being borne by Mr. Murugappaiya and recommends that the proposal of the Committee being in conformity with the intention of the donor may be accepted tentatively and adds that the interest on the endowment will be arranged to be paid to the President of the Hostel, Mr. Murugappaiya, half-yearly, on receipt of a report together with the accounts of the hostel as in the case of similar endowments.

1. Mr. Davangere Urekondegudlappa Rudrappa, V. V. Press Proprietor.
2. " Nandana-Hosur Patel Basappa.
3. " Holalkere Gadda Devaru Matada Mahadevappaiya.
4. " Holalkere Maralu Siddeswara Matada Hutchaveerappiah.
5. "

Government are pleased to accept the endowment of Rs. 20,000 offered by the sons of the late Mr. Gurusanthappaiya under the designation mentioned above and to direct that the income on the bonds of the value of Rs. 10,000 be utilised immediately for the purpose of carrying out the objects of the endowment, the income on the remaining bonds being paid to Mr. Murugappaiya till 1932, after which date the income on the full endowment of Rs. 20,000 will become available for being spent on purposes for which the endowment is intended. The recommendations of the Inspector-General of Education in the matter of administration of the fund and the utilisation of the income derived therefrom at present are also sanctioned as a tentative measure.

4. The Inspector-General of Education is requested to communicate to Mr. Murugappaiya the appreciation of Government of the action taken by him towards the fulfilment of the desire of his deceased father by instituting a charity for the benefit of the poor students of the Veerasaiva Community.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Report on the Administration of the Revenue Survey Department.

READ—

The Administration Report of the Mysore Revenue Survey Department for the year ending 30th June 1926, received with letter No. 76, dated the 2nd September 1926, from the Superintendent, Revenue Survey and Settlements in Mysore.

(Printed as an accompaniment.)

ORDER NO. R. 2929-39—L. S. 18-26-5, DATED 22ND NOVEMBER 1926.

Recorded.

2. Mr. D. Srinivasaiengar was Superintendent of Survey throughout the year of Report.

3. *General Work, Survey, Reclassification, etc.*—Two Field Establishments worked during the year as against 3, in the year 1924-25. The detailed survey of 11

Inam villages and the original classification in 9 out of them, were completed. The Resurvey operations were, as in last year, mainly confined to the reclassification of wet and garden lands and to such measurement as was necessary for settlement purposes. Reclassification was made in 82 Government villages in the Nanjangud and Kankanhalli Taluks which were left over at the end of the previous year, and in 20 Inam villages, comprising in all 1,678 fields with an area of 5,363 acres. The monsoon work of the Field Establishments consisted mainly of Akar work, and during the greater part of the year, they were employed on copying tippans, preliminary to the distribution and formation of the District Survey Staff. Copies of Field tippans on tissue paper were prepared for 431 villages in 18 taluks, comprising 62,533 survey numbers and 14,54,707 Waslas. Besides the printing and issue of village maps, 2,547 copies of maps of 14 resettled taluks were printed by the Department and supplied to the Superintendent, Government Printing, for being bound along with the resettlement reports of the taluks concerned.

4. *Revision Settlement.*—During the year, revision settlement was introduced into the taluks of Anekal, Channapatna, Malvalli, Chamrajnagar, Gundlupet, and Krishnarajpete, resulting in an increase of revenue of Rs. 1,97,685 per year. The prescribed programme of resettlements was adhered to. There now remain in the State only three taluks—Kankanhalli, T.-Narsipur and Nanjangud, to be resettled during the next three years.

5. *Potgi to Patels and Shanbhogs.*—The assessment of original potgi of two Inam villages was completed during the year and revised potgi on account of resettlements fixed in 940 villages situated in 15 different taluks. Biennial revision of potgi was effected in 16 villages of the Seringapatam Taluk under the Krishnarajasagara reservoir, and decennial revision, in respect of 241 villages in 7 taluks and of 48 Inam villages. The Survey Superintendent is requested to see that the revision of potgi in all the taluks, resettled up-to-date, is completed early.

6. *Inams.*—During the year, 3 service Inams were confirmed, while 7 service and 15 minor Inams were resumed to Government. There was a net decrease in Inam Revenue by Rs. 42-8-0 while the Land Revenue increased by Rs. 95-8-0. Supplemental Quit-rent Registers and correction dockets were issued in twenty cases.

7. The total cost of the department, during the year under report, was Rs. 2,25,498 or Rs. 1,468 less than in the previous year. Certain retrenchments and a re-organisation of the department were sanctioned from 1st July 1926, which will result in further savings from the current year.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## DEVELOPMENT SECRETARIAT.

### Amrit Mahal Department.

READ—

Report on the working of the Amrit Mahal Department during the year 1925-26, received with letter No. P. 27 (a), dated 22nd September 1926, from the Director of Agriculture.

ORDER NO. D. 3390—A. M. 24-26-3, DATED 17TH NOVEMBER 1926.

Recorded.

There were, at the beginning of the year under review, 6,532 head of cattle in the Department; the number at the end of the year was 6,118, showing a decrease of 414. The number of births during the year was 1,350 and strayed animals returning to the herds, etc., amounted to 6, making an aggregate increase of 1,356. The number of disposals by sale was 730, of reported deaths 693, of missing animals 341, and of wrong entries 6, making a total deduction in number, of 1,770.

Of the 693 deaths reported during the year, 66 were for 1924-25, and 47 were not proved, leaving 580 proved deaths during the year; of these, 410 were due to normal causes and 170 to outbreaks of rinderpest, black-quarter, anthrax, etc.

Seven hundred and thirty animals were sold for Rs. 52,739 against 748 for Rs. 48,433 in the previous year; the cows sold (212) were mostly over ten years old and otherwise defective.

The gross demand for the year amounted to Rs. 1,19,255 as against Rs. 1,10,133 during the preceding year; the expenditure amounted to Rs. 29,535 against Rs. 32,814 in the previous year.

*General.*—There has been a steady improvement under all sources of income and a prominent feature this year has been the increase in the birth rate of cattle; the birth rate calculated on cows of calf-bearing age had declined from 41 per cent in 1916-17 to 20 per cent in 1924-25 but increased during the year to 39 per cent. No serious attempt has yet been made to reduce the number of animals reported as missing year by year; the number so reported this year being 341 as against 334 in 1924-25. Heavy arrears are still outstanding against the old servegars and energetic efforts should be made to collect them during the current year. The question of reorganising the Department with a view to improve its working is engaging the attention of Government.

Government are glad to note that the working of the Department shows progressive improvement and are pleased to place on record their appreciation of the services of Mr. Abdull Sherif, late Superintendent of the Amrit Mahal Department, who has retired during the current year after having been in charge of the Department for the past four years. During this period, there was marked improvement in the revenue of the Department.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Development Departments.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Rural Reconstruction.

READ—

Circular letter No. L. 1180-7—L. B. 51-26-1, dated 17th August 1926, calling for the opinion of the Deputy Commissioners of Districts regarding the basic principles to be kept in view in distributing the grant of Rs. 1,30,000 provided in the State Budget for 1926-27 under "30 Grants for Public Improvements—for Rural Reconstruction."

2. The opinions of the Deputy Commissioners received on the subject.

ORDER NO. L. 3305-13—L. B. 51-26-14, DATED 18TH NOVEMBER 1926.

Several principles have been suggested by the different Deputy Commissioners for adoption in connection with the distribution of the above grant. The question was also considered at the meeting of the Deputy Commissioners and Heads of Departments in June last. It was resolved therein that whatever the objects may be for which the grant is made to the Village Panchayets, it should be treated as an outright grant to them and that for the present a sum of Rs. 30,000 may be reserved to meet the charges on account of Panchayets Inspectors and Clerks to be attached to the Amildars for work connected with the Village Panchayets and the balance may be placed at the disposal of the Deputy Commissioners to be distributed among Panchayets which stand in need of financial help to start with.

Government accept the above view and are pleased to direct that the balance of Rs. 1,00,000 remaining after the above reserve be distributed as follows:—

| | | |
|---|---|---|
| Mysore | Rs. | 20,000 |
| Kolar and Bangalore | ,, | 13,000 each |
| Hassan | ,, | 10,000 |
| Kadur | ,, | 8,000 and |
| The remaining 3 districts | ,, | 12,000 each |

Separate orders will issue regarding the appointment of Panchayet Inspectors and Clerks referred to above.

The Deputy Commissioners are requested to ascertain the needs of the several Panchayets, through the Amildar and Deputy Amildar concerned and distribute the amount placed at their disposal among them according to the circumstances of each case and to the extent that may conveniently be found possible.

A report showing the action taken and how the amount is distributed may be submitted for the information of Government at the end of February 1927.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## Report on the Working of the Stamp Department.

READ—

Letter No. Per. 31—25, dated 1st October 1926, from the Commissioner of Stamps, forwarding a report on the working of the Stamp Department, for the year 1925-26.

ORDER No. FL. 4095-104—ST. 15-26-3, DATED 26TH NOVEMBER 1926.

The total receipts from Stamps and the expenditure during the year under report were Rs. 20,81,944 and Rs. 1,96,201, respectively, against Rs. 20,32,361 and Rs. 1,70,754 during the previous year. The increase in revenue is mainly under Court Fee Stamps and it is reported to be due to a larger number of suits filed. The income from Receipt Stamps, Copy Stamps and stamp duty, fines, etc., has also improved. There was a small decrease in the income from the sale of General Stamps, Hundi, Share transfer, Foreign Bill and Notarial Stamps. What this reduction is due to requires investigation. The increase in expenditure is chiefly under "Refunds."

2. It is reported that during the year under review, almost all the offices and courts were inspected either by the Deputy Commissioners or by the *ex-officio* Inspectors of Stamps and that the Commissioner of Stamps inspected Six District Treasuries and nine Taluk Treasuries.

3. Out of a total demand of Rs. 57,978 on account of institution fees awarded to Government in pauper suits, a sum of Rs. 8,496 was recovered from the parties, a sum of Rs. 2,975 was written off the accounts as irrecoverable, leaving a balance of Rs. 46,507, yet to be recovered. The amount outstanding is large and the Deputy Commissioners of Districts should be requested to arrange for its prompt recovery.

4. During the year, the stock of stamps and water-marked papers in the Central Depot and also in the Stamp Manufactory was verified by the Assistant Commissioner, Dodballapur Sub-Division as per Government Order No. Fl. 5244-51—G. F. 63-24-15, dated 11th March 1926.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## GENERAL SECRETARIAT.

### Issue of Broadcast Receiver Licenses.

READ—

Government Order No. G. 2757-806—P. P. 111-24-2, dated 27th October 1925, authorising the Director of Industries and Commerce to receive applications for Broadcast Receiver Licenses in the State and forward to Government for orders cases in which he is of opinion that the applicant may be granted the license.

2. Correspondence ending with letter No. G. 148—C. S., dated the 16th August 1926, from the Director of Industries and Commerce on the above subject.

ORDER No. G. 4843-85—P. P. 72-25-18, DATED 12TH NOVEMBER 1926.

In the letter read above, the Director of Industries and Commerce has pointed out the necessity to arrange for the issue of Broadcast Receiver Licenses in the State on the same terms as in British India. Government agree with him and direct that in modification of the Government Order read above he may issue broadcast receiver licenses on payment of a fee of Rs. 10 per annum, of which a sum of Rs. 8 will accrue to the licensee of the Broad Casting Company. The forms of the license and applications for license are annexed to this order.

A statement of disposal of applications for licenses should be submitted for the information of Government at the end of each quarter.

M. SESHADRI,
For *General Secretary to Government.*

is hereby authorised (subject in all respects to the conditions set forth below) to erect and work a wireless station for the purpose of receiving messages at.....

.....

(Location of the Station)

for a period ending on the last day of the month of.....192.....

The payment of the license fee of Rs. 10 is hereby acknowledged.

Registered No.....of Expired License..... .....dated.....

day of.....192....

Date Stamp.

Issued on behalf of the Government of H. H. the Maharaja of Mysore.

*Director of Industries and Commerce.*

Signature of Licensee.....

.....

*Conditions of Broadcast Receiver License.*

1. The Licensee shall not permit the station to be used for any purpose other than that of receiving messages.

2. The station shall not be used in such a manner as to cause interference with the working of other stations. In particular reaction must not be used to such an extent as to energise any neighbouring aerial.

3. An aerial wherever possible will be located at a fairly reasonable distance from the Power Lights, Telegraph or Telephone Lines. Wherever it crosses over or is liable to fall or to be blown upon any telegraph or telephone line or overhead power wire (including electric lighting and power and tramway wires) it must be guarded to the reason-

able satisfaction of the owner of the power line or lines concerned so as to prevent any damage being done in the event of a break occurring.

4. The licensee shall not divulge or allow to be divulged to any person (other than the duly authorised officer of the Government of His Highness the Maharaja of Mysore or a competent legal tribunal) or make any use whatsoever of any message received by means of the licensed station other than time signals, musical or other programmes and messages transmitted for general reception.

5. The station shall be open to inspection at all reasonable times by any officer duly authorised by the Government of His Highness the Maharaja of Mysore in this behalf. At the request of such authorised officer this license shall be produced for inspection.

6. This license may be cancelled by the officer authorised in this behalf by the Government of His Highness the Maharaja of Mysore at any time either by specific notice in writing sent by registered post to the licensee at the address shown hereon, or by means of a notice published in the *Mysore Gazette* addressed to all holders of wireless receiving licenses, and will be cancelled on the breach of any of the foregoing conditions. In the event of cancellation no part of the fee will be returned.

7. Any change of address must be promptly communicated to the Issuing Authority appointed by Government in this behalf and the license returned in order that the necessary amendments may be made thereon.

8. The location of the station may be altered temporarily at the discretion of the Licensee, but if it is intended that the station shall leave the original location for a period exceeding one month, the Licensee must inform the Issuing Authority appointed by Government in this behalf and return this license for endorsement.

9. If it is desired to continue to maintain the station after the date of expiration, this license must be renewed *within fourteen days.*

10. The licensee shall not assign, underlet or otherwise dispose of this license to any other person or body.

11. The licensee shall at all times indemnify the Officer appointed by the Government of His Highness the Maharaja of Mysore in this behalf against all actions, claims and demands which may be brought or made by any corporation, company or person in respect of any injury arising from any act licensed or permitted in this license.

### Associates to Polling Officers.

READ—

Summary of the discussion on the following resolution moved by Messrs. G. Mallanna, Venkatappa, B. Siddalinga Setti and Channappa at the Dasara Sessoin of the Mysore Representative Assembly of 1926:—

"This Assembly recommends to the Government of His Highness the Maharaja that arrangements be made to allow the agents of candidates to be near the Polling Officer during elections to the Representative Assembly and the Legislative Council."

ORDER No. REL. 386-96—R. A. 17-26-1, DATED 26TH NOVEMBER 1926.

The present rules for the conduct of elections in rural constituencies both for the Legislative Council and the Representative Assembly provide that the Deputy Commissioner or the President of the Kolar Gold Fields Sanitary Board may nominate one or two non-officials for being associated with the Polling Officer for assisting him in conducting the poll.

The trend of opinion elicited during the discussion on the resolution read above was that it would be enough if instead of two, four non-officials were associated with the Polling Officer to conduct the elections.

Government accept the above and are pleased to direct that four non-official gentlemen to be nominated by the Deputy Commissioner or the President of the Kolar Gold Fields Sanitary Board be associated with each Polling Officer. Necessary notifications in this behalf will issue separately.

M. SESHADRI,
For *General Secretary to Government.*

## FINANCIAL SECRETARIAT.

### Budget estimates.

READ—

Correspondence ending with letter No. C. 20 of 1926-27, dated the 3rd—5th November 1926, from the Muzrai Commissioner in Mysore, submitting for sanction the budget estimates of income and expenditure of the General Muzrai Fund for the year 1926-27.

*(Printed as annexure).

ORDER No. 912-13—Muz. 37-26-2, DATED 24TH NOVEMBER 1926.

The Muzrai Commissioner states that out of the sum of Rs. 10,000 provided in the Budget for repairs of Muzrai Institutions, a sum of Rs. 2,942 has remained unspent and requests that a sum of Rs. 12,928 may be provided for this purpose in the year 1926-27. Government consider that the normal provision of Rs. 10,000 made in the budget may stand and that the Muzrai Commissioner may apply for an additional grant later, if a necessity arises therefor.

2. The usual provision of Rs. 500 for grants-in-aid to new Veda and Agama Patasalas is allowed for the present instead of Rs. 1,000 asked for by the Muzrai Commissioner.

3. With these modifications, the Budget Estimates of the General Muzrai Fund for the year 1926-27 submitted by the Muzrai Commissioner are sanctioned and appended to this order.

B. SRINIVASA IYENGAR,
*Secretary to Government,*
*Financial Department.*

## ANNEXURE.

*Letter No. C. 20 of 1926-27 dated the 3rd —5th November 1926, from the Muzrai Commissioner in Mysore, to the Secretary to Government, Financial Department.*

---

With reference to correspondence ending with your letter No. 674 M. F. 37-26, dated 8th October 1926, in the matter of the Budget estimates of the General Muzrai Fund for 1926-27, I have the honor to submit herewith a revised budget on the lines indicated by you and to state as follows:—

1. The number and date of the Government Order on which every item of expenditure rests has been quoted, as far as possible.

2. The provision of Rs. 500 for grants-in-aid to new Veda and Agama Patasalas has been made under the authority of the budgets of previous years, wherein it has been accepted. Moreover, such a provision seems to be absolutely necessary in view of the numerous applications that are being received. Two recommendations in respect of the marginally noted Patasalas are already before Government. A further recommendation in favour of the Patasala at Nagamangala has been received from the Deputy Commissioner of the Mysore District and the matter is under consideration. At the request of the Promoters of the Veda Patasala at Devarayasamudra, a report has been called for from the Deputy Commissioner. These and many other institutions of the kind, will have to be subsidised during the year and a provision sufficient to cover the expenditure under this item is necessary. Before any portion of the grant is utilised, previous sanction of Government will be obtained in individual cases. The whole or any portion of the unutilised grant will lapse to the credit of the fund alone at the close of the year. The Agama classes opened in Mysore are not flourishing as they should have been for want of students in all the three Agamas and unless a number of Patasalas following the same curricula are opened in moffusil places and students trained therein are sent to Mysore for higher study, matters are not likely to improve. In these circumstances, I beg that a provision of Rs. 1,000 a year may be allowed permanently.

Patasala at Karmaradi village in the Tirthahalli Taluk.
Patasala at Magadi.

3. A triennial programme of works has not been drawn up as it is very difficult to follow it up strictly and as subsequent reports received from the Deputy Commissioners may require changes in it. A list of works selected for this year is herein enclosed for kind perusal. The proposal to append a list of works to the Budget Estimates may be given effect to and every year a list of works to be taken up will be included in the Budget.

Against a provision of Rs. 10,000 proposed in the Budget for "Repairs of Institutions" an expenditure of Rs. 12,928 including a reserve of Rs. 500 has been shown in the statement for 1926-27. Out of Rs. 10,000 made available last year for the same purpose estimates aggregating Rs. 7,057-10-4 were only sanctioned by Government. Recommendations made on behalf of items 1, 2 and 3 in the statement are pending orders of Government. The balance of Rs. 2,942-5-8 left unspent out of the last year's grant has been carried over and three institutions mentioned above brought also under the current year's programme. It is requested that a total expenditure of Rs. 12,928 may be authorised during the current year, the excess over Rs. 10,000 being met from the accumulated surplus at the credit of the Fund to which the amount has alone lapsed.

4. The interest accruing annually on the 6¼% Loan Bonds and also 4% Government of India Pro-notes of the face value of Rs. 15,000 recently purchased has been brought on the receipt side.

5. Mr. B. Venkataramanaiah was Peshkar of the Sri Narayanaswami temple at Melkote and Sri Srikanteswaraswami temple at Nanjangud.

6. With the above observations, I beg to submit the Budget Estimates for sanction of Government.

---

BANGALORE, THURSDAY, DECEMBER 9, 1926.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### Grant of Lands out of Date Reserves for Cultivation.

READ—

Government Order No. R. 2378-88—L. R. 92-22-16, dated 23rd November 1922, issuing certain instructions for the disposal of Amrut Mahal Kavals, surrendered to the Revenue Department, by grant to the landless classes for upset price, subject to certain conditions.

2. Correspondence ending with letter No. C. 204—22-23, dated 29th May 1923, from the Revenue Commissioner in Mysore, recommending that, as in the case of Amrut Mahal Kavals, applicants of the landless and the depressed classes may be granted lands out of Date Reserves thrown open for cultivation, for suitable upset price, subject to restriction about alienation.

3. Government Order No. R. 4574-82—L. R. 30-24-18, dated 31st January 1925, raising from five to ten years, the period within which lands granted under the Government Order of 23rd November 1922 to members of landless classes out of Amrut Mahal Kaval lands should not be alienated by grantees.

4. Correspondence ending with Revenue Commissioner's letter No. Ref. on C. 4275—23-24, dated 5th November 1926, forwarding lists of Date Reserves surrendered to the Revenue Department.

ORDER No. R. 3285-94—L. R. 92-22-93, DATED 6TH DECEMBER 1926.

With a view to help the members of the landless classes to acquire land, Government in their Order No. R. 2378-88—L. R. 92-22-16, dated 23rd November 1922, regarding the disposal of lands taken over from the Amrut Mahal Department to the Revenue Department directed the reservation of certain kavals or portions of them which did not contain valuable tree-growth, for being granted to the landless classes irrespective of the communities to which they might belong. In regard to the lands surrendered by the Excise Department, however, no such reservation was ordered. The Revenue Commissioner in his letter dated 29th May 1923, read above stated that if Revenue Officers are empowered to grant lands out of surrendered Date Reserves to applicants belonging to the landless and the depressed classes

for suitable upset prices, these lands would be more readily disposed of and actually cultivated and that there would thus be a chance of the deserving poor of the landless and depressed classes getting portions of these lands. Government have considered the matter in all its aspects and agree with the view of the Revenue Commissioner and are pleased to direct that the rules issued in the Government Order of 23rd November 1922, for the grant for upset price of Amrut Mahal Kaval lands to the landless classes be made applicable also to lands thrown open for cultivation out of Date Reserves.

2. The market value of these lands reserved for grant to the landless classes should be generally fixed by the Sub-Division Officers, who in cases of doubt, should obtain the orders of the Deputy Commissioner. The concessions sanctioned in the Government Order No. R. 1850-8—L. R. 261-22-141, dated 29th March 1924, regarding the grant of lands for half the upset price in special cases and recovery of the price in not more than five instalments and the waiving of the upset price in particular cases, will apply to grants under this order also.

3. As in the case of lands out of Amrut Mahal Kavals, the grantees should agree not to alienate the lands so granted for a period of ten years.

4. The Revenue Commissioner is requested to issue suitable circular instructions to the Deputy Commissioners for the speedy disposal of applications for lands out of surrendered Date Reserves, by grant to the landless and the depressed classes as above indicated, and by sale by public auction in other cases.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Report on the working of the Registration Department.

READ—

Letter No. Per. 25—25-26, dated 26th September 1926, from the Inspector-General of Registration in Mysore, submitting a report on the working of the Registration Department in Mysore, during the year 1925-26 with the prescribed statistical statements.

ORDER No. H. 4085-94—Regis. 12-20-3, DATED 20TH NOVEMBER 1926.

Recorded.

2. During the year under review, the following additions to the Registration Rules were ordered:—

(*i*) *Rule 84B.*—Provision was made for filing a duplicate copy of a map or plan of the property mentioned in a document to be registered on Book III in a separate file book to be specially opened for the purpose and styled "The supplementary Register Book No. III."

(*ii*) *Rule 48A.*—Directing that a revocation or cancellation of a will or an authority to adopt should be treated as a document of testamentary character and registered in Book III.

(*iii*) *Rule 78A.*—Ordering that a rectification deed or cancellation deed should be registered in the same class of Register book as that in which the original document which it rectifies or cancels has been registered.

3. There was an increase in the number of registrations and the income of the department improved from Rs. 3,43,264 in the previous year to Rs. 3,52,108 or by about 2·6 per cent. Except in the Districts of Kolar and Chitaldrug, where there was a decrease, the increase was general in the remaining districts. This increase is attributed to various causes, chief among them being (1) greater activity in trade and (2) general economic improvement.

4. The Inspection work done during the year by the several inspecting officers including the Inspector-General of Registration was, on the whole, satisfactory.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

### Grants for Rural Reconstruction.

READ—

Comptroller's Circular letter No. 37—W. A. D. (Mis.), dated the 21st July 1923, prescribing the procedure for drawing grants sanctioned by Government from "30. Grants for Public Improvements."

2. References from the District Boards bringing to notice the inconvenience caused to them by the above circular especially in regard to the utilisation of the grant for drinking water wells, a good portion of which often lapsed to Government for various reasons.

ORDER NO. L. 3432-41—L. B. 110-26-1, DATED 26TH NOVEMBER 1926.

Under the rules now in force, grants sanctioned under "30. Grants for Public Improvements" for Rural Water-supply are made to the District Boards who are required to incur the expenditure in the first instance out of their own funds and recoup it from the grant payable by the Government on bills after pre-audit by the Comptroller. Under this system, a portion of the allotment made for grants for Rural Water-supply in the State Budget often lapses to Government as bills are received too late in the year for being scrutinised and passed for adjustment in the Treasury Accounts.

In the case of Government Grants for Village Improvements the amounts allotted for each district are transferred to a debt head "14. Miscellaneous Funds (*a*) Village Improvement Fund" in the State Accounts and the amounts required for the execution of works are drawn on separate work bills duly passed by the Deputy Commissioner out of the said Village Improvement Fund. Though this procedure prevents lapse of Government Grants it involves needless work both in the offices of the Deputy Commissioner and the Comptroller.

As under the New Village Panchayet Regulation the control of Panchayets will be transferred from the District Boards to the Deputy Commissioners, the question of devising a simple account procedure in respect of grants for providing water-supply and other improvements in villages was duly considered and Government have resolved that after the New Village Panchayet Regulation comes into force all moneys given as Government Grants for Rural Reconstruction whether for construction of drinking water wells or Village Improvement works should be treated as absolute grants to be distributed by the Deputy Commissioner among the Village Panchayets concerned. Such allotments should be credited into the fund constituted for each Village Panchayet, including the amounts collected in the village and contributions from District Boards.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## Symbol.

READ—

Government Order No. L. 1330-44—L. B. 25-26-4, dated the 24th August 1926, prescribing eight symbols for being assigned to candidates at elections to the District Board in order to enable any illiterate voter to identify the name of the candidate for whom he wishes to vote.

2. Government Order No. L. 2091-105—L. B. 25-26-9, dated the 16th September 1926, prescribing four additional symbols for the purpose referred to above.

3. Government Order No. L. 2757-69—L. B. 25-26-13, dated the 29th October 1926 adding three more symbols to those prescribed in the Government Orders read above.

4. Letter No. M. 3. E. 938—26-27, dated the 11th November 1926, from the Deputy Commissioner, Shimoga District, requesting sanction to the adoption in anticipation of sanction of the symbol "Thrisula" also for being assigned to candidates in the manner laid down in the Government Order of 24th August 1926.

ORDER NO. L. 3528-41—L. B. 25-26-17, DATED 2ND DECEMBER 1926.

Under the circumstances the action of the Deputy Commissioner is approved and "Thrisula" will be added to the list of symbols sanctioned in the Government Orders read above.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## Report on the Administration of Criminal Justice in the State for the year 1925-26.

READ—

The Report on the administration of Criminal Justice in the State for the year 1925-26, received from the Registrar, Chief Court, with his letter No. P. 41-25-26, dated 8th October 1926.

ORDER No. P. 2460-8—CTS. 130-26-3, DATED 6TH DECEMBER 6921.

Recorded.

2. *Offences Reported.*—There was a decrease in the total number of offences reported in the State during the year under report, *viz.*, from 19,233 in 1924-25 to 18,452, the decrease being contributed by all the districts except Mysore, Shimoga and Kadur. The location of the Special Magistrates' Courts in urban centres far away from the villages is stated to be partly the cause of the fall in the number of offences reported. Altogether 35,132 persons were brought to trial against 37,748 in 1924-25. Of these, 7,690 or 21·88 per cent were convicted and 21,074 or 59·98 per cent were acquitted or discharged against 22·5 per cent and 59·5 per cent, respectively, in the previous year. There were 5,935 persons pending trial at the end of the year against 6,277 in 1924-25.

3. *Average Duration.*—The average duration of cases in the Courts of the Stipendiary Magistrates fell from 49·43 days in 1924-25 to 45·8 days in 1925-26, while it rose slightly in the Courts of the Bench Magistrates from 35·77 to 36·8 days. The average duration in the Court of the Bench Magistrate at Honnali continued to be high, *viz.*, 160 days for 27 cases disposed of. It is reported that this is due to the irregular sittings of the Magistrates and that action is being taken to improve the work of the Court. If the existing Magistrates do not evince sufficient interest in their work, they may be replaced by others.

4. *Witnesses.*—The number of witnesses actually examined in the Courts of Magistrates was 43,183 against 47,855 in the year 1924-25. The number detained for more than three days decreased from 113 in 1924-25 to 80 in the year under report. Information as to the total number of witnesses that attended the Magistrates' Courts has not been furnished as required in the review on the report for 1924-25 and this is explained as due to the District Magistrates of Mysore, Shimoga, Chitaldrug and Kadur not having furnished the information in spite of a pre-requisition therefor. The explanation of the District Magistrates concerned may be obtained and submitted.

5. *Heinous Offences.*—There was a general fall under this head, the fall being considerable under 'Homicide', *viz.*, from 32 in the year 1924-25 to 15 in the year under review, of which 14 were cases of murder. 'Rape' and 'Grievous Hurt' showed a rise, the figures being 6 and 232, respectively, against 4 and 104 in the previous year.

6. *Sessions Work.*—Including the pending cases, there were for disposal 129 cases against 135 in the previous year. The number of cases disposed of was 112 leaving 17 cases pending at the end of the year. The disposals kept pace with the institutions, but the average duration rose from 39·35 days during 1924-25 to 43·3 days in the year under review. The reason for the rise in the duration is stated to be the intervention of the annual vacation as the cases which were received just before the vacation had to be posted to dates after the vacation. Government do not consider this a satisfactory reason.

7. *Trial by Jury.*—Twenty-seven cases were tried by jury against 17 in 1924-25 and the Judges agreed with the verdict in 24 cases and the remaining 3 cases in which they wholly disapproved of the verdict were referred to the Chief Court under Section 307, Criminal Procedure Code.

8. *Preventive Jurisdiction.*—Forty-five persons against 83 in 1924-25 were ordered to give security and 23 of them were imprisoned against 19 in the previous year in default of furnishing security. Though there was a fall in the number of persons sentenced to short terms of imprisonment, *viz.* from 813 in 1924-25 to 636 in 1925-26, there is still some scope for more improvement in this direction. It is unsatisfactory that there was a decrease in the number of persons dealt with under Section 562, Criminal Procedure Code, *viz.*, from 64 to 40, which points to an insufficient use of the provisions of Section 562 on the part of the Magistrates. The attention of the District Magistrates is drawn to the remarks of Government in their reviews of the previous years' reports and they are requested to bear them in mind while scrutinising the calendars of Subordinate Magistrates.

9. *Appellate Work of the Subordinate Courts.*—The total number of appellants before Magistrates as well as Sessions Judges was 1,075 as against 1,178 in the year 1924-25. Of these, appeals of 726 persons were before Magistrates and of 349 before Sessions Judges. There was an appreciable improvement in the disposal of appeals both by the Sessions Judges and Magistrates and also a marked reduction in the average duration of appeals, *viz.*, 37·7 against 44·4 days in 1924-25, in the Courts of the Magistrates and 34·7 against 37·3 in 1924-25, in the Courts of Sessions Judges. The District Magistrates disposed of 10 cases as against 14 in the previous year.

10. *Chief Court Work.*—The number of appeals filed in the Chief Court was 113 against 153 in 1924-25. Of these, eight were transferred to the Court of the Sessions Judge, Bangalore Division, for disposal. Including 22 appeals pending from the previous year, there were in all for disposal 127 appeals as against 176 in the year 1924-25. Of these, 106 appeals were disposed of leaving 21 appeals of 37 persons pending at the end of the year. The average duration of appeals has been on the rise during the past three years, the figures being 43·98 days in the year 1923-24, 48·8 days in 1924-25 and 52·65 days in the year under review. Government consider this to be unsatisfactory. It is hoped that this tendency towards a rise will be checked.

11. *Work of the Special Magistrates.*—The Separation Scheme was extended to the Chitaldrug District, during the year, thus completing the introduction of the scheme to the whole State. Including the cases pending at the end of the previous year, there were 8,086 cases for disposal in all the Special Magistrates' Courts, of which 6,891 cases were disposed of leaving 1,195 cases pending. Though the disposals rose during the year, *viz.*, to 85 per cent as against 84 per cent during the year previous, it is observed that in the City Magistrate's Court, Bangalore, Special First Grade Magistrates' Courts, Bangalore, Chikmagalur and Kolar Gold Fields, Special First Class Magistrates' Courts of Closepet, French-Rocks, Hassan and Chikballapur and Special Second Class Magistrates' Courts of Hole-Narasipur, Mandya and Shimoga, the disposals did not keep place with the institutions. The District Magistrates are requested to impress on the Magistrates of these Courts the need for greater promptness on their part in the disposal of cases.

12. *Bench Courts.*—The Honorary Bench Magistrates disposed of 7,111 cases against 6,826 in the previous year. The number of cases left pending was 1,064. It is satisfactory to note that the number of cases disposed of by the Bench Magistrates is on the increase and that generally the Magistrates evince interest in their work, though, in some instances there is cause for complaint and scope for improvement.

13. *Inspections*—The Chief Judge inspected all the Courts of the District Magistrates except the District Magistrate's Court, Chitaldrug, and eleven Special First Class Magistrate's Courts and Mr. Justice D. K. Rama Rao inspected the District Magistrate's Court, Chitaldrug. The District Magistrates inspected all the courts in their respective districts except the District Magistrates, Mysore and Shimoga, who did not inspect a few Bench Courts.

14. *General.*—The question of adjustment of work among the Magistrates has been investigated by the Laws Delays Committee and the opinion of the Chief Court on their recommendations is awaited.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## Handbook on Income-tax Land and Procedure.

ORDER NO. FL. 4551-62—I. T. 27-26, DATED 7TH DECEMBER 1926.

Representations having been made in the Representative Assembly and the Legislative Council that the technical details of the Income-tax Regulation were difficult to understand particularly by traders and businessmen and that certain sample forms for the maintenance of accounts might be prescribed by the department, the Commissioner of Income-tax was requested to publish a pamphlet both in English and Kannada explaining the principal features of the Incom-tax Regulation.

2. The Commissioner of Income-tax has accordingly published with the approval of Government "A Handbook on Income-tax Law and Procedure" for the guidance of assessees both in English and Kannada explaining the provisions of the Income-tax Regulation and also giving specimen statements of accounts for certain businesses.

3. Copies of the publication are made available for sale at 4 annas a copy to the public at the Government Book Depot, Bangalore, and at all Income-tax Offices in the State.

B. NAGAPPA,
*Secretary to Government,*

## RAILWAY SECRETARIAT.

### Reduction of Fares in the Mysore Railways.

READ—

Government Order No. R. S. 1742-47—Ry. F. 130 O. L. 22-23, dated 22nd January 1923, sanctioning among others the first and second class passenger fares on Mysore Railways from 15th February 1923.

2. Government Order No. R. S. 494-98—Ry. F. 130 O. L. 26-27, dated 16th September 1926, approving of the following recommendations of the Standing Committee regarding the reduction of first and second class fares, etc :—

(1) that the rates for first and second classes on the Metre Gauge need not be changed for the present;

(2) that first and second class return tickets may be issued at one and a half fares for 25 miles and over or on payment of fare for 25 miles for shorter distances; tickets issued for 25 miles or less being made available for two days and those for above 25 miles for five days;

(3) that return tickets be made applicable to Narrow Gauge lines also; and

(4) that the effect of the above changes on passenger traffic of the several classes be reviewed six months after they have been in force.

3. Letter No. 158, dated 27th October 1926, from the Agent, Mysore Railways, forwarding, for orders of Government, a copy of Note dated 27th October 1926, from the Traffic Manager, suggesting the reduction of first and second class fares on the Mysore Railways (Metre Gauge).

ORDER NO. R. S. 969-75—RY. F. 130—O. L. 26-27, DATED 6TH DECEMBER 1926.

The results of working since 1923 and during 1925-26, show a continuous falling off in first class passengers owing chiefly to motor car competion and also a falling off of second class passengers owing to the introduction of the Intermediate class. In consideration of this, Government are pleased to sanction with effect from 1st February 1927,—

(*a*) the reduction of the first and second class fares from 24 and 12 pies to 16 and 10 pies per mile, respectively, on the Metre Gauge, the fares on the narrow Gauge being left unchanged, and

(*b*) the increase of the period of availability of first and second class return tickets introduced in the Government Order dated 16th September 1926 to ten days.

### CHIEF SECRETARIAT.

#### Study Leave Rules.

READ—

Government Order No. 635-S5—C. B. 59-24-1, dated 10th September 1924, sanctioning certain rules for the grant of facilities to encourage officers to undertake tours for purposes for study in or outside India.

2. Letter No. 252—Rys., dated 22nd November 1926, from the Comptroller to Government, requesting to be informed if the above rules are applicable to non-gazetted officers also.

ORDER No. 1792-1843—C. B. 109-26-2, DATED 6TH DECEMBER 1926.

Government are pleased to extend the benefits of the Rules referred to above to the non-gazetted officers as well.

P. G. D'SOUZA,
*Chief Secretary to Government.*

#### Grant of Date Reserve Lands for upset price.

READ—

Government Order No. R. 2378-88—L. R. 92-22-16, dated 23rd November 1922, issuing certain instructions for the disposal of Amrut Mahal Kavals surrendered to the Revenue Department, by grant to the landless classes for upset price, subject to certain conditions.

2. Correspondence ending with letter No. C. 204—22-23, dated 29th May 1923, from the Revenue Commissioner in Mysore, recommending that, as in the case of Amrut Mahal Kavals, applicants of the landless and the depressed classes may be granted lands out of date reserves thrown open for cultivation, for suitable upset price, subject to restriction about alienation.

3. Government Order No. R. 4574-82—L. R. 30-24-18, dated 31st January 1925, raising from 5 to 10 years the period within which lands granted under the Government Order of 23rd November 1922 to members of landless classes out of Amrut Mahal Kaval lands should not be alienated by grantees.

4. Correspondence ending with Revenue Commissioner's letter No. Ref. on C. 4275—23-24, dated 5th November 1926, forwarding lists of date reserves surrendered to the Revenue Department.

ORDER No. R. 3285-94—L. R. 92-22-93, DATED 6TH DECEMBER 1926.

With a view to help the members of the landless classes to acquire land, Government in their Order No. R. 2378-88—L. R. 92-22-16, dated 23rd November 1922, regarding the disposal of lands taken over from the Amrut Mahal Department to the Revenue Department, directed the reservation of certain kavals or portions of them which did not contain valuable tree-growth, for being granted to the landless classes irrespective of the communities to which they might belong. In regard to the lands surrendered by the Excise Department, however, no such reservation was ordered. The Revenue Commissioner in his letter dated 29th May 1923, read above, stated that if Revenue Officers are empowered to grant lands out of surrendered date reserves to applicants belonging to the landless and the depressed classes for suitable upset prices, these lands would be more readily disposed of and actually cultivated and that there would thus be a chance of the deserving poor of the landless and depressed classes getting portions of these lands. Government have considered the matter in all its aspects and agree with the view of the Revenue Commissioner and are pleased to direct that the rules issued in the Government Order of 23rd November 1922 for the grant for upset price of Amrut Mahal Kaval lands to the landless classes be made applicable also to lands thrown open for cultivation out of date reserves.

2. The market value of these lands reserved for grant to the landless classes should be generally fixed by the Sub-Division Officers, who in cases of doubt, should obtain the orders of the Deputy Commissioner. The concessions sanctioned in the Government Order No. R. 4850-8—L. R. 261-22-141, dated 29th March 1924, regarding the grant of lands for half the upset price in special cases and recovery of the price in not more than five instalments and the waiving of the upset price in particular cases, will apply to grants under this order also.

3. As in the case of lands out of Amrut Mahal Kavals, the grantees should agree not to alienate the lands so granted for a period of ten years.

4. The Revenue Commissioner is requested to issue suitable circular instructions to the Deputy Commissioners for the speedy disposal of applications for lands out of surrendered date reserves, by grant to the landless and the depressed classes as above indicated, and by sale by public auction in other cases.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Grants of Land to Depressed Classes.

READ—

Extract of Resolution passed at the Tiptur Taluk Adikarnataka Conference about grant of lands to Adikarnatakas.

2. Correspondence ending with letter No. D. Dis. 395—26-27, dated 17th November 1926, from the Revenue Commissioner in Mysore, furnishing his opinion thereon.

ORDER No. R. 3309-20—L. R. 211-26-3, DATED 7TH DECEMBER 1926.

The concessions prayed for in the Resolution are (1) that lands included in the 'A' and 'B' lists should be granted at half the estimated value, (2) that the value of lands granted should be recovered in ten yearly instalments instead of five instalments as at present, and (3) that the lands so granted should be free of assessment for the first five years and on $\frac{1}{8}$, $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, and full assessment in the next five years.

2. The Revenue Commissioner considers that no action is necessary on the first request, as the existing orders of Government, *viz.*, Government Orders No. R. 4850-8—L. R. 261-22-141, dated 29th March 1924, and No. R. 2239-42—L. R. 94-25-3, dated 6th November 1925, provide for the grant of the concession prayed for.

As regards the second request he is of opinion that a period of ten years would be too long and that the existing concession providing for the recovery of the price in five instalments is enough. In regard to the last request he considers that as the lands to be given are likely to be dry lands requiring more personal labour than the application of any large capital, the grants may be made on the following shraya rates as a further concession to applicants of depressed classes:—

| | | |
|---|---|---|
| 1st year | .. .. | free of assessment |
| 2nd year | .. .. | ¼ assessment |
| 3rd year | .. .. | ½ do |
| 4th year | .. .. | full do |

3. Government agree with the Revenue Commissioner that as regards the grant of lands and the recovery of the value by instalments no change in existing rules is necessary. In regard to the third request, the proposals of the Revenue Commissioner are approved.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Levy of Penalty.

READ—

Government Order No. R. 28-38—L. R. 174-26-2, dated 16th October 1926, issuing rules for the levy of penalty for default in the payment of Land Revenue under Section 154 of the Land Revenue Code.

2. Dewan's concluding remarks at the Representative Assembly of October 1926, in the matter of the levy of the penalty referred to above.

ORDER NO. R. 3395-405—L. R. 174-26-4, DATED 10th DECEMBER 1926.

Government are pleased to direct that until further orders the rules for the levy of the penalty sanctioned in the Government Order read above be not enforced.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## DEVELOPMENT SECRETARIT.

### Endowment for opening an Agricultural School.

READ—

Correspondence ending with letter, dated 5th October 1926, from Mr. G. Venkataramanaiya, Pleader, Ramakrishna Vilas, Bangalore City, offering an endowment for the opening of an Agricultural School in the Village of Ramakrishnapur, Anekal Taluk.

ORDER NO. D. 4074-80—A. & E. 71-26-7, DATED 9TH DECEMBER 1926.

Mr. Venkataramanaiya has offered to place at the disposal of Government, 233 acres and 4 guntas of land, excluding Minor Inams in the Ramakrishnapur Village, 40 acres of wet, dry and garden lands in the adjoining villages of Kanchinaikanahalli and Kitiganahalli, and a sum of Rs. 7,500 in the form of State Loan Bonds. He prays that Government may be pleased to accept this offer and, out of the proceeds realised from the lands and the cash donation, to open and maintain a free Agricultural School and free Hostel. He also undertakes to contribute Rs. 2,500 towards the construction of necessary school and hostel buildings.

2. His offer is subject to the following conditions:—

(1) That the school is named "Ramakrishna Krishi Sala."

(2) That the institution is managed by a Board of Management on which two seats are reserved—one for Mr. Venkataramanaiya himself and the other for the branch of the Sri Ramakrishna Mission, Bangalore City.

(3) That the training given in the school is free.

(4) That the institution is open to all classes, 35 per cent of the seats being reserved for Brahmin candidates, if forthcoming, and

(5) That, in the event of the school being discontinued by Government, for any reason, the endowment should be handed over to the branch of the Ramakrishna Mission, Bangalore City, for management so as to carry out the same object.

3. He further requests that, if the sum of Rs. 2,500 which he proposes to devote for buildings is not sufficient, Government may be pleased to make a suitable contribution, and that the jodi, assessment, and cesses on the lands endowed by him may be waived so long as the school continues.

4. Government are pleased to accept the endowment of Mr. Venkataramanaiya, subject to the conditions (1), (3), (4) and (5) in para 2 above. An Agricultural School, on the lines of the one at Chikanahalli in the Sira Taluk, will be established at Ramakrishnapur Village. The school will be considered a Government institution, enjoying a private endowment and will be under the general direction of the Director of Agriculture assisted by an Advisory Board consisting of five members, one of whom will be Mr. Venkataramanaiya, and the other, a representative of the Ramakrishna Mission, Bangalore City. Separate orders will be passed in regard to the other members of the Board.

5. The Director, assisted by the Advisory Board, will manage the lands endowed to the School and utilise the proceeds and the interest from the State Loan Bonds for the purposes of the school and hostel. As a mark of appreciation of the generous intentions of Mr. Venkataramanaiya and with a view to encourage such endowments for the promotion of Agricultural Education in the State, Government are pleased to direct that the assessment, etc., of Rs. 196-11-4 now realised from the lands proposed to be endowed to the school, be remitted so long as the school is managed by Government and be treated as a subvention to the school. The entire expenditure of the school will be met as far as possible from the net receipts from the endowment supplemented by the Government subvention. The Director is requested to submit separate proposals, if any further grant is required towards the establishment charges of the school.

6. As regards the expenditure on account of buildings to be constructed, Government are pleased to sanction a grant of Rs. 2,500 to supplement the sum of Rs. 2,500 which the donor has agreed to devote for buildings. The Inspector-General of Education and the Director of Agriculture are requested to point out the source from which the Government grant of Rs. 2,500 above referred to, may be met. The donor may be permitted to construct the school and hostel buildings in accordance with the plan and estimate approved by the Director of Agriculture in consultation with the Chief Engineer. The work will be supervised by the Executive Engineer, Bangalore Division.

7. The Deputy Commissioner, Bangalore District, is requested to take possession of the lands referred to in para one above after due scrutiny. The Comptroller will take necessary action to have the State Loan Bonds for Rs. 7,500 offered by the donor, duly endorsed in favour of the Dewan. The Director of Agriculture is requested to submit for the orders of Government his proposals for the opening of the School and the formation of a Board of Management therefor, together with the plan and estimate for the buildings to be constructed. The school may be opened with effect from 1st January 1927, and the Director is requested to submit his proposals *before the 15th December 1926.*

8. Government are pleased to place on record their appreciation of the generous endowment of Mr. Venkataramanaiya.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Development Departments.*

## GENERAL SECRETARIAT.

### Report of the Mysore State Troops.

Read—

Report of the Mysore State Forces for the year 1925-26, received with letter No. C. 14—1926-27, dated the 1st September 1926, from the Chief Commandant, in charge, Mysore State Troops.

ORDER No. G. 5888-9—Mily. 78-26-4, DATED 1ST DECEMBER 1926.

Recorded.

2. Major J. A. W. Foottit, I.A., was in Command of State Forces till 17th September 1925, when he proceeded on leave. Mr. C. S. Kuppuswami Iyengar, Personal Assistant to the Chief Commandant was in charge of the Chief Commandant's duties for the rest of the year.

3. The composition of the forces remained as in previous years. The health of the men as well as of the animals was good.

4. The discipline of the forces was good throughout. The members of the Regiments took part in various matches, Rifle Association meetings and tournaments and won a large number of prizes and cups. Government note also with pleasure that almost all the men who attended the various instructional courses at Kirkee, Sauger, Lahore and Pachmarhi returned successful after finishing the courses.

5. The expenditure on the Army during the year amounted to Rs. 16,38,919 as against Rs. 16,75,508 in the previous year. The expenditure on military works both original and repairs amounted to Rs. 62,379-0-2 as against a provision of Rs. 62,500. It has come to the notice of Government that military buildings in several places require special attention. The amounts provided in the current year's budget for these works should be fully utilised.

6. Government have recently passed orders on the proposals for the reorganization of the State Forces which had been under consideration for some time. Orders have also been passed regarding the decentralization of military audit and the work in the Financial Section of the Chief Commandant's Office has been placed in the charge of an officer who has been trained in Military Accounts Offices in British India.

M. SESHADRI,
For *General Secretary to Government*

## Report on the working of the Government Stud Farm, Kunigal.

READ—

Report on the working of the Government Stud Farm, Kunigal, for the year 1925-26, received with letter No. C. 14—1926-27, dated the 9th September 1926, from the Chief Commandant, Mysore State Troops.

ORDER No. G. 5945-7—MILY. 84-26-3, DATED 1st DECEMBER 1926.

Recorded.

2. Of the eight stallions on the Farm at the beginning of the year, one died and one was destroyed during the year, and two stallions were added to the Farm during the year. The number of mares was 62 at the close of the year as against 59 at the beginning and the number of foals 65 as against 63.

3. Forty-one out of 52 coverings were held during the year which gave a percentage of 78·8. The district stallions covered 89 mares during the year as against 58 during the previous year. Fifteen horses were sold in Bombay realising Rs. 14,750 and Rs. 5,205 were realised by sales in the State, the total realizations from the sales being Rs. 19,955. These results are satisfactory. The Farm produce raised on the lands placed at the disposal of the Stud Farm and utilised for the Farm is estimated at Rs. 13,352-8-0. A further sum of Rs. 6,137-7-1 was realised in cash from these lands and credited to the Treasury.

4. From the statements appended to the report it appears that the amount outstanding from previous years for horses sold is remaining practically entirely uncollected. A detailed report should be made to Government as to the action taken for the recovery of this amount. Of the amounts due for feed and keep charges of private mares for previous years, a very small sum has been recovered; while of the demand for the year of report under the same head, more than 75 per cent remains uncollected. Government consider that the terms under which mares are accepted for being fed and kept at the Farm require examination. The Chief Commandant is requested to give special attention to this matter and see that arrangements are made for recovering dues from the owners of private mares in advance whenever it is proposed to keep such mares on the Farm. The whole demand for the year of report under covering charges has been collected and this is satisfactory.

5. The total receipts from the Farm during the year amounted to Rs. 28,191. The expenditure is shown as Rs. 64,498. Government wish to draw the attention of the Chief Commandant and the Comptroller to the last paragraph of their review of the working of the Farm for the year 1924-25 requesting the submission of a suitable form of account to accompany the annual report so as to show the net result of the working of the Farm. The Chief Commandant is requested to submit these proposals to Government not later than the 15th December next.

M. SESHADRI,
For *General Secretary to Government.*

## FINANCIAL SECRETARIAT.

### Remittance of pensions through the Postal Money Order System.

Read again—

Government Order No. Fl. 2014-74—S. A. 66-23, dated the 15th October 1925, sanctioning the continuance of the scheme of payment of pensions of amounts not exceeding Rs. 20 by the Postal Money Order system for a period of one year.

2. Government Order No. Fl. 7279-352—S. & A. 95-25-2, dated 30th June 1926, sanctioning the continuance of the scheme for a further period of two years.

READ—

Letter No. Pen. 217, dated the 18th November 1926, from the Comptroller stating that in British India the limit of payment of civil and military pensions by Postal Money Order has been raised from Rs. 20 to Rs. 50 in the case of British Indian pensioners and that the system has been made permanent there and soliciting sanction to Mysore pensioners up to Rs. 50 being similarly paid by Postal Money Order as a temporary measure, as it would tend to an uniformity of procedure both within and outside Mysore, the question of making the same permanent being considered in June 1928.

ORDER NO. FL. 4492-549—S. & A. 64-26-2, DATED 7TH DECEMBER 1926.

The Comptroller's proposal is approved.

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

## PUBLIC WORKS SECRETARIAT.

### Allocation of hands for the Financial Branch of the Electrical Department.

READ—

G. O. No. E. D. S. 4250-4, dated the 19th May 1926, sanctioning a revision of the scales of pay of the Financial Branch of the Electrical Department, with effect from 14th April 1926 and requesting the Chief Electrical Engineer in Mysore, to submit a detailed statement of allocation through the Comptroller of Mysore.

2. Correspondence ending with U. O. No. 18026, dated the 12th October 1926, from the Chief Electrical Engineer, submitting for sanction of Government, a revised statement of allocation of hands for the Financial Branch of the Electrical Department.

ORDER NO. E. D. S. 327-32, DATED CAMP MYSORE, 27TH NOVEMBER—6TH DECEMBER 1926.

Government are pleased to sanction the allocation of hands for the Financial Branch of the Electrical Department referred to in para 2 above, with slight alterations as shown in the accompanying statement.

BANGALORE, THURSDAY, DECEMBER 23, 1926.

## PART I.

## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

### Revenue Probationers.

READ—

Government Proceedings No. 684—C. B. 32-26-4, dated the 20th August 1926, sanctioning the appointment of Six Revenue Probationers during the year 1926-27 for direct recruitment to the Amildari and Deputy Amildari posts on a salary of Rs. 80 per mensem and appointing a Committee to select candidates for the appointment of Revenue Probationers.

2. Letter dated the 12th November 1926, from the Revenue Commissioner in Mysore, submitting the report of the Committee for the selection of the candidates for the appointment of Revenue Probationers.

ORDER No. 1928-30,—C. B. 32-26-11, DATED 20TH DECEMBER 1926.

Government are pleased to direct that the following candidates be appointed Revenue Probationers with effect from the 3rd January 1927 :—

1. Mr. K. P. Ramanathiah, M.A.
2. " B. Rachappa, B.A.
3. " K. Thipperudriah, B.A.
4. " George Matthan, B.Sc.
5. " A. S. Khaleel, B.A., B.L.
6. " L. Muniswamy, B.A.

During the period of probation, which has been fixed at two years, the Probationers will draw a salary of Rs. 80 per mensem, and they should qualify themselves for appointment as Amildars or Deputy Amildars by passing the prescribed tests, *viz.*, the Local Service Revenue Higher, Criminal Higher and Accounts Lower Examinations and the Equitation test.

The confirmation of the Probationers after the period of probation, as Amildars or Deputy Amildars is subject to the occurrence of vacancies. Ordinarily 50 per cent of the vacancies in the grade of Amildars and Deputy Amildars will be made available for the Revenue Probationers.

The Revenue Commissioner is requested to issue necessary orders regarding the posting of the Probationers and the course of training to be undergone by them and report the action taken to Government.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## Police Probationers.

ORDER No. 1931-3—C. E. 32-26-12, DATED 20TH DECEMBER 1926.

In view of the occurrence of several vacancies in the Assistant Superintendents' and the higher grades of the Police Department in the near future, Government consider it desirable to appoint two young men, with sufficient aptitude and educational qualifications, as Police Probationers, and they have decided to select from among the applicants for appointment as Revenue Probationers, two additional Probationers for the Police Department. The following candidates will be appointed Police Probationers with effect from 3rd January 1927 :—

1. Mr. U. K. Somappa, B.A.
2. " R. Muthoji Rao Scindia, B.A.

The period of probation is fixed at two years, and during this period the Probationers will draw a salary of Rs. 80 per mensem and they should qualify themselves for confirmation in the regular cadre of the Police Department by passing the prescribed tests.

The Inspector-General of Police in Mysore is requested to issue necessary orders regarding the posting of the Probationers and the course of training to be undergone by them and report the action taken to Government.

P. G. D'SOUZA,
*Chief Secretary to Government.*

## DEVELOPMENT SECRETARIAT.

### Free grant of building timber and bamboos to Adi Dravidas and Adi Karnatakas.

READ—

Subject No. 42 of the Representative Assembly Proceedings of October 1926, praying that the timber required for building materials may be given free of cost to people of the Adi Dravida and Adi Karnataka Communities, for the construction of dwelling houses.

2. Letter No. D. 1859-26, dated the 11th October 1926, from the Conservator of Forests, stating that he is not in favour of free grants and that at least the cost incurred by the Department in raising the trees should be recovered, for the materials supplied.

ORDER No. D. 4337-46—FT. 168-26-4, DATED 16TH DECEMBER 1926.

Government are of opinion that Adi Dravidas and Adi Karnatakas deserve special consideration, in view of their general poverty and low economic position and are therefore pleased to direct that, in cases where the Deputy Commissioner of the District concerned, considers that any Adi Dravida or Adi Karnataka family is in need of wood and bamboos for the construction of dwelling houses, he may order the free grant from District Forests, of unreserved wood and bamboos not exceeding Rs. 7-8-0 in value per family, calculated at the existing seigniorage rates, as in the case of grants for the reconstruction of houses destroyed by accidental fire.

2. Where the wood to be granted is from State Forests, the Deputy Commissioner may send his recommendation to the Conservator of Forests who will take the necessary action to comply with such a request.

3. In cases however, where the wood and bamboos are cut and delivered by the Forest Department, the actual expenses should be recovered from the grantees.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Development Departments.*

## Standing Committee of the Economic Conference.

ORDER No. D. 4482-541—E. C. 13-26-5, DATED 20TH DECEMBER 1926.

The Government of His Highness the Maharaja of Mysore are pleased to notify below the personal of the Standing Committee of the Economic Conference constituted in pursuance of Government Order No. Rel. 142-218—E. C. 8-26-1, dated 22nd September 1926 :—

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Development Departments.*

## LOCAL AND LEGISLATIVE SECRETARIAT.

### Civil Justice.

READ—

The report on the Administration of Civil Justice in Mysore for the year 1925-26, received from the Registrar, Chief Court, with his letter No. P. 41 of 25-26, dated the 11th October 1926.

ORDER No. P. 2654-64—CTS. 135-26-3, DATED 17TH DECEMBER 1926.

Recorded.

2. *Number of Courts.*—The additional Sub-Court at Mysore which was sanctioned for a period of one year from 1st July 1924, to relieve congestion in the Mysore Division (principally of appeals) was further continued till the end of December 1926. There were at the close of the year 3 District Judges' Courts, 4 Subordinate Judges' Courts of which one was temporary and 23 Munsiffs' Courts.

3. *Village Courts.*—Eight new Village Courts were established during the year and one of the existing courts was abolished. The total number of courts in existence at the end of the year was 201, of which 118 were working. Orders were passed abolishing with effect from 1st July 1926, 49 Village Courts which were doing little or no work for a long time.

4. *Original Work* (*a*) *Institutions.*—The institutions showed a further rise as compared with the previous year, the number being 37,822 suits against 36,397 in the year 1924-25. Of these 15,749 suits were ordinary and 22,073 Small Causes, against 15,047 and 21,350 respectively in the year 1924-25.

(*b*) *Disposals.*—The disposals during the year were 16,481 ordinary and 22,273 Small Causes against 16,144 and 21,279 respectively in the year 1924-25. It is satisfactory that the disposals have exceeded the institutions, due chiefly to the exertions by the Munsiffs whose work compares favourably with that of the Munsiffs elsewhere in India. It is, however, noticed that the number of applications for setting aside ex-parte decrees and orders of dismissal is rather large and that the number of suits refiled and remanded is also high. It is hoped that suits are not disposed of ex-parte or for default merely for the sake of statistics.

(*c*) *Duration.*—The durations of contested, ordinary and Small Cause suits show a satisfactory fall from 641·2 days and 274·1 days respectively in 1924-25 to 549·19 days and 231·76 days respectively in the year under review. There is still great scope for further reduction.

5. *Execution of Decrees.*—Including 26,073 applications pending from the previous year, there were for disposal 69,451 applications for execution of decrees against 66,444 in 1924-25. Of these 41,133 were disposed of leaving 28,318 pending. Government regret to note that in spite of their observations in the reviews of the previous years' reports no improvement is noticed in the execution of decrees. It is hoped that this branch of work will receive greater attention on the part of the presiding officers of courts. The percentage of applications that proved wholly infructuous decreased slightly from 61 in the previous year to 60 in the year under review.

6. *Appeals in Subordinate Appellate Courts.*—The number of appeals filed or received by transfer in the courts of the District Judges and Sub-Judges was 996 against 1,109 in 1924-25. Including 850 pending from the previous year (after excluding 186 transferred from court to court) there were for disposal 1,846 appeals against 1,843 in 1924-25. Of these, 934 appeals were disposed of leaving 912 pending disposal against 1,036 in the year 1924-25. As observed in the previous year's review, the disposals have not kept pace with the institutions.

7. The average duration of appeals in the Sub-Judges' Courts fell from 612·75 days in 1924-25 to 438·01 days in the year under review which is satisfactory, but it rose in the District Judges' Courts from 384·03 days in 1924-25 to 406·77 days, due chiefly to the high figures in the District Judge's Court, Bangalore, for which no explanation is forthcoming.

8. *Chief Court.*—The Chief Court had before them 1,792 cases of all classes as against 1,576 cases in the year 1924-25 and of these they disposed of 724 in the year under review as against 769 in the previous year. The number of cases disposed of by the Chief Court has been on the decline for the past three years, the figures being 829 in the year 1923-24, 769 in the year 1924-25 and 724 in 1925-26.

(*i*) *First appeals.*—Four hundred and nine appeals were filed during the year against 447 in the year 1924-25. Of these 31 appeals were transferred to the District Judge, Bangalore Division. Including 524 appeals pending from the previous year (exclusive of 70 appeals transferred to the District Judge, Bangalore Division), there were for disposal 902 appeals as against 854 in 1924-25. The number disposed of was only 177 leaving 725 appeals pending. The number of disposals of first appeals is steadily going down for the last three years, 309 appeals having been disposed of in the year 1923-24, 260 in the year 1924-25 and 177 in the year under review, and

have fallen far short of the institutions. The fall is attributed to the complicated nature of the appeals and the time taken up for arguments.

(*ii*) *Second appeals.*—The number of second appeals filed was 238 against 177 in the year previous. Including 93 appeals pending from the previous year there were 331 second appeals for disposal. Of these 151 appeals were disposed of against 143 in 1924-25 leaving 180 pending disposal against 93 in 1924-25. The number is slightly higher than in the previous year, but much less than the institutions.

(*iii*) *Average duration.*—The average duration showed a further rise both in the case of first and second appeals, the figures being 483·1 days in 1923-24, 510·51 days in 1924-25 and 541·80 days in the year under review in the case of first appeals, and 180·77 days against 143·27 days in 1924-25 for second appeals.

9. *Inspections.*—The Chief Judge inspected all the District Judges' Courts, Subordinate Judges' Courts and 20 Munsiffs' Courts and Mr. Justice D. K. Rama Rao inspected two Munsiffs' Courts. The only Court that was not inspected by any of the Judges of the Chief Court was the Munsiff's Court at Narasimharajapura. The District Judges inspected all the Courts in their respective jurisdictions.

10. *General.*—The report of the Laws' Delays Committee has been received and the opinion of the Chief Court on the various recommendations of the Committee is awaited.

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## FINANCIAL SECRETARIAT.

### Report on the working of the Mysore State Life Insurance Scheme.

READ—

Letter No. 10364, dated 17th November 1926, from the Secretary, Mysore State Life Insurance Committee, submitting the report on the working of the Mysore State Life Insurance Scheme during 1925-26 along with the Auditor's report on the examination of the books of the Insurance Office.

ORDER No. FL. 4815-64—G. F. 101-26-2, DATED 18TH DECEMBER 1926.

Recorded.

2. Government are glad to note that the working of the Insurance Department during the year under review has been quite satisfactory. The closing balance of the Insurance Fund in the Official and Public Branches was Rs. 73,09,811 and Rs. 6,58,072 against Rs. 67,66,575 and Rs. 4,56,091 respectively in the preceding year. The cost of management has been brought down to 4·11 per cent of premium income from 5·50 per cent in 1924-25. The annual report along with the Auditor's report has been sent on the due date and audited figures have been adopted throughout.

3. It is observed however that both in the Official Branch and in the Public Branch, there has been a fall in the number of proposals dealt with during the year. The report does not explain what this is due to. It is hoped that with the increased facilities afforded to the public to insure in the Public Branch the number of cases dealt with in the Public Branch will hereafter show a steady improvement. The proportion of rejected proposals to those accepted during the year in the Official Branch is also higher than usual. The relative figures for the Public Branch have not been given. This may be furnished in future.

B. SRINIVASA IYENGAR,
*Financial Secretary to Government.*

## DEVELOPMENT SECRETARIAT.

### Report of the Civil Veterinary Department.

READ—

Report on the working of the Civil Veterinary Department during the year 1925-26, received with letter No. Per. 27—26-27, dated the 17th September 1926, from the Director of Agriculture in Mysore.

ORDER No. D. 4391-453—C. V. 27-26-3, DATED 17TH DECEMBER 1926.

Recorded.

1. *Personnel.*—The Department continued to be under the administrative control of the Director of Agriculture. Major R. W. Simpson was in charge of the Department, except for the last 3 months of the year, when he was on combined leave, when Lt. A. A. Monteiro Officiated as Superintendent, Civil Veterinary Department.

2. *Epidemics and other Cattle Diseases.*—Rinderpest was prevailing in 361 centres, in Shimoga District and in Chitaldrug District, at the beginning of the year. But owing to the unrestricted movement of cattle from the infected areas, especially in connection with cattle fairs and shandies, the epidemic spread rapidly to the other districts. Including the outbreaks pending attention at the beginning of the year, there were more than 2,000 outbreaks registered during the year, as against 901 in the previous year. Special measures were undertaken to control the spread of the epidemic. Additional temporary Veterinary Inspectors were entertained; and special grants were sanctioned for the purchase of serum.

As the method of inoculating with serum alone which was hitherto adopted, and which is reported to give immunity for only 9 days was insufficient to confer effectual protection during the present year owing to the widespread prevalence of the disease, the simultaneous method of inoculation was started in September 1925. Government ordered a levy of a fee of Re. 1 per head of cattle inoculated in this manner. This led to a considerable reduction in the number of simultaneous inoculations and Government have since reduced the fee from Re. 1 to 8 annas per head. During the year, 39,912 animals, were in all protected by the active method of inoculation and 66,630 by the passive method, as against 1,00,199 protected purely by the passive method, in the previous year. The question of the local production of rinderpest and other sera, is engaging the attention of Government.

In connection with the campaign of 'Simultaneous' inoculations a Depot was opened at Bangalore for the production of virus: 44,605 c.c., of virus were collected and distributed to the Veterinary Inspectors on special campaign work.

As it was found that the disease could not be controlled in spite of inoculation operations on however large a scale in the absence of legislation to regulate and control the movement of diseased cattle, as also of cattle, from infected areas, a draft bill on the lines of the Cattle Diseases Act, Madras, was placed before the Representative Assembly in the Dasara Session of 1925. The measure had however to be dropped, as the House were opposed to many of the important features of the proposed legislation. The matter was reconsidered; and the question of taking only the minimum of legislative action that is necessary to control the epidemic, is engaging attention. The main principles underlying the proposed amendment of Regulation No. VI of 1899, taking power to Government to frame rules to regulate the movement of diseased cattle, and of cattle of infected villages, were placed before the Representative Assembly last Dasara Session, when, Government are glad to note, the House were unanimously in favour of the proposed amendment in the law.

3. There were, during the year, in addition to rinderpest, outbreaks of anthrax, black-quarter, haemorrhagic septicaemia and sheep-pox, in several parts of the State.

4. *Cattle Mortality.*—The recorded cattle mortality from contagious diseases, amounted to 48,676 heads of cattle, during the year of this, rinderpest accounts for 34,228 or a little more than 70% of the mortality. Government regret to notice that there has been no improvement in the matter of submission of cattle mortality returns by the village officers. The Deputy Commissioners of Districts are requested to issue necessary instructions in this important matter.

5. *Veterinary Institutions.*—Five new dispensaries were opened during the year, at Tirthahalli, Hosdurga, Hole-Narsipur, Anekal and Chamrajnagar. The question of giving increased facilities for veterinary aid is under the consideration of Government.

Government observe that there was a decrease in the number of admissions of cases treated and of castrations performed as compared with the previous year. It is reported that this was due to the Veterinary Inspectors having been engaged almost solely on rinderpest campaign work, as also to the non-prevalence of foot and mouth disease, during the year.

Government are glad to note the co-operation and public spirit shown by some of the citizens, in the matter of providing suitable buildings or rendering other assistance for the opening of new veterinary dispensaries in the State.

6. *Higher Veterinary Training.*—The two Veterinary Inspectors deputed in the previous year to undergo training in Veterinary Bacteriology and Pathology at the

Imperial Institute of Veterinary Research at Muktesar, continued to receive satisfactory training. Two of the three Veterinary Inspectors sent to the Punjab College for post-graduate training, were successful in the examination and returned to duty, during the year. Seven fresh scholarships were sanctioned, during the year, for undergoing training in the Lahore Veterinary College.

7. *Improvement of the Cattle-breed.*—While reviewing the previous year's administration report of the Civil Veterinary Department, Government requested the Director of Agriculture to investigate the question of improving the breed of cattle by a system of temporary free distribution of Amrut Mahal bull-calves as suggested by Major R. W. Simpson and to submit specific proposals in consultation with that officer for the orders of Government. The matter requires early consideration and the Director of Agriculture is requested to expedite his proposals in this respect.

8. *General.*—Government have since passed orders bringing the several veterinary staffs attached to different departments all under one cadre, so as to prevent stagnation and to secure an even flow of prospects to the really deserving men, to whatever department of Government they may happen to be attached for the time being.

It is gratifying to note that much useful work was done by the Department during the year under review.

C. RANGANATHA RAO SAHIB,
*Secretary to Government,*
*Development Departments.*

## GENERAL SECRETARIAT.

### Amendment to the Rules *re.* The Conduct of Elections to the Representative Assembly and the Legislative Council.

READ—

Summary of discussions on the following resolution moved by Messrs. G. Mallanna, Venkatappa, B. Siddalinga Setti and Chennappa in the Dasara Session of the Representative Assembly in October 1926:—

"This Assembly recommends to the Government of His Highness the Maharaja that arrangements be made to allow the agents of candidates to be near the Polling Officer during elections to the Representative Assembly and Legislative Council".

ORDER THEREON No. REL. 492-502—R. A. 25-26-1, DATED 22ND DECEMBER 1926.

In the course of the discussion on the resolution read above, it was brought ato the notice of Government that the rules regulating the conduct of elections to the Representative Assembly and the Legislative Council do not at present provide for the assignment of symbols to approved candidates as in the case of District Board elections, to facilitate the identification of the candidates by illiterate voters.

Government are pleased to accept the suggestion and to direct that the rules regulating the conduct of elections to the Representative Assembly and the Legislative Council be amended so as to provide for the assignment of a symbol to each approved candidate standing for election. Necessary notifications in this behalf will issue separately.

M. SESHADRI,
For *General Secretary to Government.*

*No. R. 3328—L. R. 224-25-4, dated 6th January 1926.*

Addenda and Corrigenda to the potgi rules issued under Notification No. R. F. 68-94, dated 31st August 1900.

(1) Add the following new clause (v a) after Rule V:—

"V a. The grose revenue of a village means and includes:—

(*a*) the annual assessment of occupied Government lands, including permanent water rate;

(*b*) Jodi and quitrent in Inam villages and lands, including Khayamgutta;

(*c*) Local, Irrigation, Railway, Education, Coffee and other cesses, if any;

(*d*) Mohatarfa collections;

(*e*) Hulbanni and Amarayi (based on the average collections of three years preceding the revision);

(*f*) Temporary assessment and temporary water-rate (based on the average collections of three years preceding the revision).

(2) Re-cast Rule XV as follows:—

"The gross revenue demand of the village in the year in which the settlement of remuneration for the village officers is made will be taken as the basis for the calculation of the remuneration of officiators subject to the computation provided in clauses (*e*) and (*f*) in rule V a.

To this, ten per cent of the assessment on the assessed waste land will be added in cases where the said demand falls short of the gross assessment of all the Government land of the village, occupied and waste, but not so as to exceed the same."

*No. Fl. 3808—Ex. 4-25-52, dated 6th January 1926.*

Under para 3 (2) of Government Order No. Fl. 6067-89—Ex. 92-23-7, dated 9th May 1925, the following members will constitute the Excise Licensing Board for the Chintamani Town Municipality:—

# PART II—Section 2.

## NOTIFICATIONS BY GOVERNMENT.

## CHIEF SECRETARIAT.

*No.* 2113—*C. B.* 20-25, *dated* 25*th January* 1926.

In exercise of the powers vested in them under section 6 (2) (b) of the Mysore Legislative Council Regulation, XIX of 1923, the Government of His Highness the Maharaja of Mysore are pleased to nominate Mr. B. Ramaswamaiya, B.A., B.L., Offg. Revenue Commissioner in Mysore, as a member of the Mysore Legislative Council, *vice* Mr. C. S. Balasundaramier, B.A., resigned.

*No. E.* 3919—*Edn.* 61-23-40, *dated* 25*th January* 1926.

The following revised rules for the award of Secondary School-Leaving Certificates, sanctioned by Government are published for general information :—

## RULES.

### I. TO WHOM AWARDED.

These certificate may be awarded, on the completion of their School Course to boys or girls who

(1) have attended one or more recognised High Schools from the IV Form upwards,
(2) have put in the attendance required under Clause VI below, and
(3) have been presented for the Public Examination. (*Vide* Clause VII.)

### II. BY WHOM AWARDED.

(1) The certificate will be awarded by a Board consisting of 20 members including the Inspector-General of Education and the Secretary, Local Examinations Board, who shall be the *Ex-officio* President and Secretary, respectively of the Board.

(2) The members of the Board shall be appointed by Government for a period of three years and shall be eligible for re-appointment.

(3) The Board shall arrange for the award of the certificate in accordance with the provisions of the Scheme.

### III. SCOPE OF THE CERTIFICATE.

The certificate shall take into account the school work done by the pupil in the VI Form and shall also contain the final marks with such particulars of information regarding the candidate, as date of birth, the schools in which he studied, the subjects studied and his eligibility for College Courses of Study and Public Service. It shall be in the form given in the Appendix.

### IV. SUBJECTS OF STUDY.

All the six subjects specified in Division I and *one* of those mentioned in Division II below shall be studied during the course and offered for the Public Examination :—

I.

1. English.
2. A Second Language : Any *one* out of—
   (*a*) Vernacular, *viz.*, Kannada, Tamil, Telugu or Urdu.
   (*b*) Classical, *viz.*, Sanskrit, Arabic, Persian, Greek or Latin.
   (*c*) Foreign, *viz.*, French or German.

(*N.B.*—The same Classical Language shall not be offered both as a Second Language under Division I and as an Additional Language under Division II.)

3. Elementary Mathematics. (Arithmetic, Algebra and Geometry.)
4. Elementary Science. (Physics, Chemistry and Biology.)
5. History of India and England.
6. Geography of the World.

II.

General
- (i) Additional (or Higher) Mathematics.
- (ii) A Classical Language. (Sanskrit, Arabic, Persian, Greek or Latin.)

Vocational
- (iii) Book-keeping and Commercial Accounts.
- (iv) Business Correspondence, Simple Precis and Typewriting.
- (v) Shorthand and Typewriting.
- (vi) Drawing.
- (vii) Mensuration with Survey and Draughtmanship.
- (viii) Printing and Book-binding.
- (ix) Electrical Wiring and Fitting.
- (x) Smithy.
- (xi) Mechanical Shop and Fitter's Work.
- (xii) Pattern-making and Foundary Work.
- (xiii) Weaving.
- (xiv) Pharmacy.
- (xv) Agriculture with Practical Field and Farm Work.
- (xvi) Prints and Engraving.
- (xvii) Needle-work, Embroidery and Dress-making.
- (xviii) Domestic Science.
- (xix) Music.

(2) The subjects of study shall be divided into two compartments or Groups, A and B, so as to provide for a candidate passing the Examination in Parts.—Group A will comprise (1) English, (2) Second Language, (3) History of India and England and (4) Geography. Group B will comprise (1) Elementary Mathematics, (2) Elementary Science and (3) one of the general or vocational subjects elected by the candidates.

(3) Candidates for the Public Examination (*vide* Clause VII) shall offer the subjects of both the Groups till they have passed in either of them. Those that have passed in one Group need not offer the subjects of that Group again for the Public Examination.

## V. TERMS.

The School year will be divided into two terms. The first term shall extend from the date of reopening of the High Schools after the Summar Vacation to the commencement of the Dasara Holidays and the second term from the reopening of the High Schools after the Dasara Holidays up to the date on which the classes may be authorised by the Department of Education to be closed for the Annual Class Examinations or the Public Examination as the case may be.

## VI. ATTENDANCE.

No pupil shall be promoted from the IV to the V Form or from the V to the VI Form or admitted to the Public Examination, unless he has attended the IV, V and VI Forms, respectively for at least 60 per cent of the number of working days in each term and 120 days for the School year, or 75 per cent of the number of working days in the School year and is certified to by the Heads of the High Schools concerned as having regularly attended Physical Drill or having taken part regularly in games and sports. Exemptions may be granted by the Board on the recommendations of the Heads of the High Schools concerned, in exceptional cases where the deficiency in attendance does not exceed a few days for the whole year.

## VII. THE PUBLIC EXAMINATION.

(1) The Secondary School-Leaving Certificate Public Examination will commence each year on the 22nd March unless that day happens to be a Public Holiday in which case, it will be held on the next working day and subsequent days. It will be conducted at all District Headquarter Stations and at such other centres as may be notified. The Scheme of the Examination will be notified in the Gazette at least two months before the commencement of the Examination. Applications (in the prescribed form) for admission to the Examination should be sent so as to reach the Secretary to the Board not later than the 20th December preceding the Examination, those relating to pupils being sent up through the Heads of the Institutions concerned and those from private candidates (*vide* Clause VIII below) being sent direct to the Secretary.

(2) The fee for the full Examination (*i.e.*, in both Groups) shall be Rs. 12 for each candidate and for the Examination in either Group, Rs. 6 for each candidate.

(3) Fees once paid will on no account be refunded or reserved for subsequent Examinations.

(4) The Board shall be competent to moderate the marks obtained in the school and at the Public Examination.

## VIII. PRIVATE CANDIDATURE.

A candidate who has failed as a school pupil, at the Public Examination of any year, will be allowed to appear for the Public Examination in subsequent years, as a private candidate. Girl candidates may also be permitted to appear for the Public Examination, by private study, without having previously appeared as school candidates, provided they forward with their applications for admission to the Examination, a certificate from the Head of a recognised High School or Inspecting Officer of the Mysore Education Department, of status not lower than that of a District Inspector, *that they have gone through a regular course of study in private*, in the subjects they bring up for the Public Examination.

## IX. SUBSIDIARY RULES.

The Board shall be competent to frame such subsidiary rules as it thinks fit for the estimate of school work done, the conduct of the Public Examination and other matters connected with the award of the certificate, subject to the provisions of this Scheme. Such rules will be notified from time to time by the Inspector-General of Education.

*No. I. C. 4985—Ft. 204-25-5, dated 21st January 1926.*

ERRATUM.

For the last three lines of Government Notification No. I. C. 4579—Ft. 204-25-4, dated 8th January 1926, appearing in page 11 of Part II of the *Mysore Gazette*, dated 14th January 1926, substitute the following :—

"The extended Hegalmane Enclosure will consist of :—

Gulikoppa Village Survey Nos. 1, 8, 9, 11, 12, 14, 15, 16, 17, 18, 19, 21, 22, 23, 24, 25, 35, 36 and 37".

*Notification No. I. C. 4953—Ft. 2355-25-2, dated 21st January 1926.*

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the Schedule below, a State Forest, under the provisions of the said Regulation.

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint the Revenue Sub-Division Officer, Nanjangud Sub-Division, to be Forest Settlement Officer, who shall inquire into and determine the existence, nature and extent of any rights claimed by, or alleged to exist in favour of, any person in or overland comprised within such limits or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Mysore District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore are further pleased under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Mysore District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under Sections 10, 11, 12, 13 or 14, of the Regulation.

*Schedule.*

| District | Taluk, Hobli or village | Approximate area | Name of the block | Situation and boundaries |
|---|---|---|---|---|
| | | A. G. | | |
| Mysore District. | Gundlupet Taluk, Hangala Hobli. | 1,721 0 or 2·7 square miles. | Lokkere block. | The proposed block is situated midway between Mayar and Kanyanpur Forest Block II. |

BOUNDARIES.

*North.*—Starting from a point on the western boundary line of Survey No. 81 in Kebbepura village and at a distance of 10¼ chains south-east from the south-eastern corner of Survey No. 210, the boundary line of the proposed Lokkere Block runs north-east straight through Survey No. 81 of Kebbepura village for a distance of 52⅓ chains and meets the eastern boundary of Survey No. 81 of Kebbepura village at a distance of 11½ chains south-east from the south-eastern corner of Survey No. 265 of Kebbepura village. Then the line runs north-east straight through Survey No. 82 of Kebbepura village for a distance of 51¼ chains and meets the western boundary of Belavadi village at a distance of 22 chains east from the south-eastern corner of Survey No. 253 of Kebbepura village. Then the line runs south-east straight through Survey No. 20 of Belavadi village for a distance of 21 chains and meets the north-western corner of Survey No. 18 of Lokkere village. Then the line runs south-east straight along the northern boundary line of Survey No. 18 of Lokkere village for a distance of 61 chains and meets the north-eastern corner of Survey No. 18 of Lokkere village. Then the line runs south-east straight along the northern boundary line of Survey No. 273 of Bachalli village for a distance of 49⅝ chains to a point at a distance of 10¾ chains north-west from the north-western corner of Survey No. 495 of Bachalli village.

*East.*—Then the line runs south-west straight through Survey No. 273 of Bachalli village for a distance of 50¾ chains and meets the western boundary line of Bachalli village at a distance of 18¾ chains north-west from the north-western corner of Survey No. 502 of Bachalli village. Then the line runs north-west straight through Survey No. 18 of Lokkere village for a distance of 26⅛ chains to a point at a distance of 15½ chains north-east from the north-western corner of Survey No. 21 of Lokkere village. Then the line runs west straight through Survey No. 18 of Lokkere village for a distance of 32 chains and meets the southern boundary line of the same survey number at a distance of 12⅛ chains north-west from the north-western corner of Survey No. 19 of Lokkere village. Then the line runs south-west straight through Survey No. 17 of Lokkere village for a distance of 50¾ chains to a point 11 chains west from the south-western corner of Survey No. 13 of Lokkere village. Then the line runs south straight through Survey No. 17 of Lokkere village at a distance of 26¾ chains and meets the northern boundary line of Yalachatti village at a distance of 12¼ chains west from the north-western corner of Survey No. 72 of Yalachatti village.

*South.*—Then the line runs south-west through Survey No. 71 of Yalachatti village for a distance of 26⅝ chains and meets the eastern boundary of Cheluvarayanapura village (a sub-village of Lokkere village) at a distance of 8 chains south from the north-eastern corner of Survey No. 51 of Cheluvarayanapura village. Then the line runs west straight through Survey No. 51 of Cheluvarayanapura village for a distance of 25 chains and meets the western boundary line of Cheluvarayanapura village at a distance of 10¼ chains north-east from the north-eastern corner of Survey No. 69 of Jakkahalli village.

*West.*—Then the line runs north-west straight through Survey No. 33 of Jakkahalli village for a distance of 58 chains and meets the northern boundary line of Jakkahalli village at a distance of 11½ chains east from the south-eastern corner of the Survey No. 189 of Kebbepura village. Then the line runs north-east straight through Survey No. 80 of Kebbepura village for a distance of 57 chains to a point at a distance of 13 chains north-east from the south eastern corner of Survey No. 289 of Kebbepura village. Then the line runs north straight through Survey Nos. 80 and 292 of Kebbepura village for a distance of 19½ chains to a point in Survey No. 292 of Kebbepura village and at a distance of 13 chains north-east from the north-eastern corner of Survey No. 286 of Kebbepura village. Then the line runs north-west straight through Survey No. 292 of Kebbepura village for a distance of 22 chains and meets the south-western corner of Survey No. 292 of Kebbepura village. Then the line runs north-west along the western boundary line of Survey No. 81 of Kebbepura village for a distance of 24 chains and meets the starting point.

By Order,
B. SRINIVASA IYENGAR,
*Secretary to Government,*
*Revenue Department.*

## PUBLIC WORKS SECRETARIAT.

# The Mysore Gazette.

Vol. 61.] PUBLISHED BY AUTHORITY. [No. 5.

BANGALORE, THURSDAY, FEBRUARY 4, 1926.

## PART II—Section 1.

### APPOINTMENTS, POSTINGS, TRANSFERS, LEAVE, POWERS AND OTHER PERSONAL NOTICES.

### CIVIL APPOINTMENTS.

### CHIEF SECRETARIAT.

"Heads of Departments and all other Officers concerned are informed that Notifications in the Gazette are to be accepted as disposing of all references regarding appointments, postings, transfers, leave and other personal questions affecting Officers, as to which orders are gazetted by the Government in this Part of the Gazette, and that any subsidiary orders as to relief of their subordinates and the like, which such Notifications necessitate, must be issued by the immediate Official Superiors of the Officers concerned in consultation with the Heads of Departments wherever necessary immediately on receipt of the Gazette. No subordinate officer should take action on a Gazette Notification without the specific orders of his immediate Official Superior."

*No. O.* 2489—*O. E.* 59-24-2, *dated Bangalore, 8th April* 1925.

1. When he is in Bangalore and has no other special engagements, the Dewan will be glad to receive official and non-official visitors in his chambers in the Public Offices, every Friday (except when it happens to be a Public Holiday) between the hours noted below :—

| | |
|---|---|
| Official visitors ... ... ... | 9-30 A.M. to 11 A.M. |
| Non-official visitors ... ... | 11 A.M. to 12-30 P.M. |

Special interviews on other days may be arranged by corresponding with the Private Secretary.

2. Petitioners may appear and personally present their petitions to the Dewan at the Public Offices every Saturday at 12 noon. During the hours of interview referred to in para (1) above, no petitioners will be heard.

*No. G.* 1122—*G. M.* 130-15-1, *dated 24th July* 1919.

The Petition Box kept at the General and Revenue Secretariat, Bangalore, will be cleared at 12 NOON every day by the Chief Secretary to Government and in his absence from Bangalore by some senior Secretariat Officer.

## REPRESENTATIVE ASSEMBLY, LEGISLATIVE COUNCIL AND ECONOMIC CONFERENCE SECRETARIAT.

*No. G.* 5540—*Samy.* 17-25-20, *dated 2nd February* 1926.

The following Notification No. 10, dated 25th January 1926, issued by the Chief Commissioner of Coorg is hereby published for general information :—

*Dated Bangalore, the 25th January* 1926.

No. 10. Whereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague or cholera at Kurchi, a village in Srimanglanad in South Coorg, if persons From plague or cholera infected areas either in the Mysore State or elsewhere are permitted to assembly at that place on the occasion of the ensuing Irpu *Jatra* during the Mahasivaratri Festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said *Jatra* of persons from plague or cholera-infected areas on the 11th and 12th February 1926.

All persons proceeding to the *Jatra* in contravention of this notification will be turned back.

By Order,
R. RANGA RAO,
*Secretary to Government,*
*Representative Assembly and Legislative Council.*

*Notification No. Fl. 4361—Ex. 64-25-5, dated 3rd February 1926.*

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous years). The right of transporting Special Liquours, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock, noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification will be considered.

## APPENDIX I.

FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I, . . . , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Government has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being ;

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15) and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and any diminution from any cause whatever, (Acts of God *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner, my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that this imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

(23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

24. that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

Sealed, signed and delivered in the presence of us:—

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the peroid of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots., and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots, provided the expense to me is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of *ganja* to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact,

such gallon and other measures as may be prescribed by the Excise Commssioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded Depots it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shal be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms, fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for Depots, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192

*No. Fl. 4362—Ex. 52-25-17, dated 3rd February 1926.*

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract, with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 35,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugar-cane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| | |

| 8. Proof Liquor .. | ——— |
| 9. Denatured Spirits .. | 60° O. P. |
| 10. D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per cent of the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P. and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station, Bangalore, will not be paid for in advance, but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery, special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack, denatured spirits and rectified spirits on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage on bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. (No bottling or packing charges shall be claimed when supply is made in bulk or in bottles produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contactor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior, to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final. The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-6.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

## APPENDIX I.

Table showing the particulars of spirits issued from the Government Central Distillery during the past three years.

| Kind of liquors | 1922-23 | 1923-24 | 1924-25 |

## APPENDIX II.

### FORM OF TENDER.

To

The Excise Commissioner in Mysore, Bangalore.

Sir,

With reference to the Government Notification No. FI. ; dated published in the *Mysore Gazette*, I beg to tender for the exclusive privilege of the *manufacture of arrack and other country spirits* for the Territories of Mysore and the Civil and Military Station, Bangalore, for a period of three years from 1st July 1926, to 30th June 1929, subject to the terms and conditions specified in the notification above quoted.

2. I hereby offer to manufacture and supply for the entire period of the contract arrack of the strength of 35° under proof and special liquors of 20° U. P. and other spirits as per particulars below :—

| Arrack. | Rate per gallon of 35° under proof Rs. a. p. |
|---|---|
| Molasses arrack ... ... ... | |
| Sugar-cane jaggery arrack ... ... | |

| Special liquors | | Rate per gallon Rs. a. p. | Bottling charges per gallon Quarts | Bottling charges per gallon Pints | Packing charges per gallon |
|---|---|---|---|---|---|
| Brandy ... | 20° U. P. | | | | |
| Whisky ... | ... " | | | | |
| Gin ... | ... " | | | | |
| Rum ... | ... " | | | | |
| Milk punch ... | ... " | | | | |
| Proof spirit ... | — | | | | |
| Rectified spirits ... | 60° O. P. | | | | |
| Denatured spirits ... | 60° O. P. | | | | |
| Sugar-cane jaggery ... | | | | | |
| Arrack in bottes ... | 35° U. P. | | | | |
| D. D. Rum ... | 25° U. P. | | | | |

3. I enclose.....for Rs. 5,000 as required by para 6 of the said notification.

I beg to remain,
Sir,
Your most obedient servant,

*No. R.* 3803—*L. R.* 54-25-7, *dated 1st February* 1926.

ADDENDA AND CORRIGENDA TO LAND REVENUE RULES.

Substitute the following for para 3 of Rule 16 of the Land Revenue Rules :—

"Beds of tanks finally abandoned may be given out for cultivation permanently after being sub-divided and assessed in the same manner, as other unassessed lands. But all such lands should, ordinarily, be sold by public auction and the sales should be held by the Revenue Sub-Division Officer. The Revenue Commissioner may, in special cases, order their disposal for an upset price equivalent to their market value. The beds of kattes or the so called tanks which have no atchkat under them, may be disposed of by the Revenue Commissioner in the manner he deems fit.

By Order,
B. SRINIVASA IYENGAR,
*Secretary to Government,*
*Revenue Department.*

## RAILWAY SECRETARIAT.

*No. R. S.* 1197, *dated 8th January* 1926.

Under Section 6 of the Land Acquisition Regulation No. VII of 1894, it is hereby declared that the lands described hereunder are required for a public purpose, *viz.*, Railway Station yard of Mandagere, and under Sections 7 and 3 (*c*) of the said Regulation, the Assistant Commissioner in charge of French Rocks, is authorised to take order for the acquisition of the said lands :—

B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## REPRESENTATIVE ASSEMBLY, LEGISLATIVE COUNCIL AND ECONOMIC CONFERENCE SECRETARIAT.

*No. G. 5540—Sany. 17-25-20, dated 2nd February 1926.*

The following Notification No. 10, dated 25th January 1926, issued by the Chief Commissioner of Coorg is hereby published for general information:—

*Dated Bangalore, the 25th January 1926.*

No. 10. Whereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague or cholera at Kurchi, a village in Srimanglanad in South Coorg, if persons from plague or cholera-infected areas either in the Mysore State or elsewhere are permitted to assembly at that place on the occasion of the ensuing Irpu *Jatra* during the Mahasivaratri Festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said *Jatra* of persons from plague or cholera-infected areas on the 11th and 12th February 1926.

All persons proceeding to the *Jatra* in contravention of this notification will be turned back.

By Order,
R. RANGA RAO,
*Secretary to Government,*
*Representative Assembly and Legislative Council.*

REMARKS.—The plan of the property to be acquired is kept in the Taluk Office, Chitaldrug for public inspection.

*Notification No. Fl.* 4361—*Ex.* 64-25-5, *dated* 3rd *February* 1926.

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous year). The right of transporting Special Liquors, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called, "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification will be considered.

## APPENDIX I.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Government has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being ;

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep in tact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15) and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that this imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

(23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

(24) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

Sealed, signed and delivered in the presence of us :—

Witnesses :—

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the period of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots, and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots; provided the expense to me is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of ganja to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact

such gallon and other measures as may be prescribed by the Excise Commssioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded Depots it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distil lery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms, fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192 .

Sealed and signed and delivered in the presence of us:—

*No. Fl.* 4362—*Ex.* 52-25-17, *dated 3rd February* 1926.

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 35,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugarcane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| | | |
|---|---|---|
| 1. | Brandy .. .. | 20° U. P. |
| 2. | Whisky .. .. | " |
| 3. | Gin .. .. | " |
| 4. | Rum .. .. | " |
| 5. | Milk punch .. .. | " |
| 6. | Bottled Jaggory Arrack | 35° U. P. |
| 7. | Rectified Spirit .. | 60° O. P. |
| 8. | Proof Liquor .. | ——— |
| 9. | Denatured Spirits .. | 60° O. P. |
| 10. | D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants, as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per centof the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P., and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station Bangalore, will not be paid for in advance but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack, denatured spirits and rectified spirits on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage on bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. No bottling or packing charges shall be claimed when supply is made in bulk or in bottles (produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contactor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final. The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-0.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

By Order,

B. SRINIVASA IYENGAR,

*Secretary to Government,*
*Revenue Department.*

## APPENDIX II.

### FORM OF TENDER.

To

The Excise Commissioner in Mysore, Bangalore.

Sir,

With reference to the Government Notification No. Fl. , dated published in the *Mysore Gazette*, I beg to tender for the exclusive privilege of the *manufacture of arrack and other country spirits* for the Territories of Mysore and the Civil and Military Station, Bangalore, for a period of three years from 1st July 1926, to 30th June 1929, subject to the terms and conditions specified in the notification above quoted.

2. I hereby offer to manufacture and supply for the entire period of the contract arrack of the strength of 35° under-proof and special liquors of 20° U. P. and other spirits as per particulars below:—

| Arrack. | Rate per gallon of 35° under proof Rs. a. p. |
|---|---|
| Molasses arrack ... ... ... | |
| Sugar-cane jaggery arrack ... ... ... | |

| Special liquors | | Rate per gallon Rs. a. p. | Bottling charges per gallon | | Packing charges per gallon |
|---|---|---|---|---|---|
| | | | Quarts | Pints | |
| Brandy ... | 20° U. P. | | | | |
| Whisky ... | " | | | | |
| Gin ... ... | " | | | | |
| Rum ... ... | " | | | | |
| Milk punch ... ... | " | | | | |
| Proof spirit ... ... | — | | | | |
| Rectified spirits ... | 60° O. P. | | | | |
| Denatured spirits } Sugar-cane jaggery } ... | 60° O. P. | | | | |
| Arrack in bottles ... | 35° U. P. | | | | |
| D. D. Rum ... | 25° U. P. | | | | |

3. I enclose.....for Rs. 5,000 as required by para 6 of the said notification.

I beg to remain,

Sir,

Your most obedient servant.

## FINANCIAL SECRETARIAT.

*No. Fl.* 4592—*G. F.* 40-25-49, *dated* 10*th February* 1926.

The Government of His Highness the Maharaja are pleased to declare that the provisions of Sub-Section 1 of Section 6 of the Mysore Securities Regulation, VIII of 1925, shall apply to 'The Accountant-General, Punjab.'

By Order,
M. N. KRISHNA RAO,
*Financial Secretary to Government.*

## PUBLIC WORKS SECRETARIAT.

*No. M.* 2564-66, *dated Camp Malvalli* 22*nd January* 1926.

Under Section 6 of the Land Acquisition Regulation, VII of 1894, it is hereby declared that the lands described hereunder are required for a public purpose, *viz.*, the restoration of the Adalapur Tank in Tumkur Taluk and under Sections 7 and 3 (*c*) of the said Regulation, the Assistant Commissioner in charge of the Tumkur Taluk, is authorised to take order for the acquisition of the said lands:—

A plan of the property described above is kept in the Chitaldrug Sub-Division Office for inspection by the public during office hours except on public holidays.

*Notification No. Fl. 4361—Ex. 64-25-5, dated 3rd February 1926.*

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous year). The right of transporting Special Liquors, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called, "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government. and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification will be considered.

## APPENDIX I.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Government has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being ;

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep in tact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15) and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that the imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

(23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

(24) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

Sealed, signed and delivered in the presence of us :—

Witnesses :—

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the peroid of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots., and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots, provided the expense to me is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of ganja to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact

such gallon and other measures as may be prescribed by the Excise Commissioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded Depots it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms, fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit. or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192 .

Sealed and signed and delivered in the presence of us:—

*No. Fl.* 4362—*Ex.* 52-25-17, *dated* 3rd *February* 1926.

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 25,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugarcane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| | |

| 10. D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per cent of the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P. and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station, Bangalore, will not be paid for in advance, but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack, denatured spirits and rectified spirits on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage on bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. No bottling or packing charges shall be claimed when supply is made in bulk or in bottles (produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contactor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-6.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

## REVENUE SECRETARIAT.

*Notification No. Fl. 4361—Ex. 64-25-5, dated 3rd February 1926.*

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous year). The right of transporting Special Liquors, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called, "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders, will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification will be considered.

### APPENDIX I.

FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Government has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being ;

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep in tact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15) and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and, any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that the imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

(23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

(24) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the peroid of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots, and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots, provided the expense to me, is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of ganja to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact

such gallon and other measures as may be prescribed by the Excise Commissioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded Depots it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distil lery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner, to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192

*No. Fl. 4362—Ex. 52-25-17, dated 3rd February 1926.*

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 35,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugarcane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| | |
|---|---|
| 1. Brandy .. .. | 20° U. P. |
| 2. Whisky .. .. | ,, |
| 3. Gin .. .. | ,, |

| 8. Proof Liquor .. | ——— |
| 9. Denatured Spirits .. | 60° O. P. |
| 10. D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per cent of the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily, a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P. and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station, Bangalore, will not be paid for in advance, but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack; denatured spirits and rectified spirits, on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage of bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. No bottling or packing charges shall be claimed when supply is made in bulk or in bottles (produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract. the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contactor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-6.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

## APPENDIX I.

Table showing the particulars of spirits issued from the Government Central Distillery during the past three years.

| Kind of liquors | 1922-23 | 1923-24 | 1924-25 |
|---|---|---|---|
| | Gallons | Gallons | Gallons |
| Molasses arrack—State ... ... | 2,79,791 | 2,58,552 | 2,55,971 |
| Do C. & M. Station ... | 80,425 | 80,085 | 73,972 |

| Total ... | 3,78,331 | 3,55,277 | 3,47,456 |

## APPENDIX II.

### FORM OF TENDER.

To

The Excise Commissioner in Mysore, Bangalore.

Sir,

With reference to the Government Notification No. Fl. , dated published in the *Mysore Gazette*, I beg to tender for the exclusive privilege of the *manufacture of arrack and other country spirits* for the Territories of Mysore and the Civil and Military Station, Bangalore, for a period of three years from 1st July 1926, to 30th June 1929, subject to the terms and conditions specified in the notification above quoted.

2. I hereby offer to manufacture and supply for the entire period of the contract arrack of the strength of 35° under-proof and special liquors of 20° U. P. and other spirits as per particulars below :—

| Arrack. | Rate per gallon of 35° under proof Rs. a. p. |
|---|---|
| Molasses arrack ... ... ... ... | |
| Sugar-cane jaggery arrack ... ... ... | |

| Special liquors | | Rate per gallon Rs. a. p. | Bottling charges per gallon Quarts | Bottling charges per gallon Pints | Packing charges per gallon |
|---|---|---|---|---|---|
| Brandy ... | 20° U. P. | | | | |
| Whisky ... ... | " | | | | |
| Gin ... ... | " | | | | |
| Rum ... ... | " | | | | |
| Milk punch ... ... | " | | | | |
| Proof spirit ... ... | — | | | | |
| Rectified spirits ... | 60° O. P. | | | | |
| Denatured spirits / Sugar-cane jaggery ... | 60° O. P. | | | | |
| Arrack in bottles ... | 35° U. P. | | | | |
| D. D. Rum ... | 25° U. P. | | | | |

3. I enclose.....for Rs. 5,000 as required by para 6 o the said notification.

I beg to remain,
Sir,
Your most obedient servant.

*No. R. 4141—R. M. 59-25-6, dated 17th February 1926.*

With reference to Rule 2 of the Rules issued with Government Order No. R. L. R. 149-24-74, dated the 3rd October 1925 and Government Order No. R. 4137-40-14-25—R. M. 59-25-5, dated 17th February 1926, the Government of His Highness the Maharaja are pleased to declare the undermentioned tracts in the Kolar District as entitled to remission of half wet and garden assessment during the year 1925-26 :—

# PART II.—Section 2.

## NOTIFICATIONS BY GOVERNMENT.

### CHIEF SECRETARIAT.

*No. G. 6236—P. P. 83-25-2, dated 25th February 1926.*

Whereas by the Notification by the Government of India in the Foreign Department No. 176, dated 31st December 1875, the Indian Christian Marriage, Act, 1872, was, with certain modifications, declared to apply to the territories of Mysore, so far as regards marriages between persons one of whom is an Indian Christian subject of Mysore and neither of whom is a Christian British subject.

In exercise of the powers conferred by Sections 6 and 9, respectively of the said Act, the Government of His Highness the Maharaja of Mysore are pleased (*a*) to grant license to the Reverend W. H. Spencer, the Reverend William Perston, the Reverend Leonard J. Hopkins and the Reverend D. Guruputra to solemnize marriages within the territories of Mysore and outside the limits of the Civil and Military Station, Bangalore, and (*b*) to license the said Reverend Spencer, the said Reverend Perston, the said Reverend Hopkins and the said Reverend Guruputra to grant certificates of marriage within the said territories between Indian Christians.

*No. I. C. 5995—J. S. 24-25-4, dated 2nd March 1926.*

It is notified for general information that in accordance with the rules under Section 144 of the Mysore Companies Regulation VIII of 1917, the Government of His Highness the Maharaja are pleased to sanction the grant of a temporary auditor's certificate to—

1. Name—Mr. B. Raghavendra Rao.
2. Address—Head Clerk and Storekeeper, Indian Institute of Science, Bangalore.
3. Languages accounts in which the holder is entitled to audit—English and Kannada.

By Order,
P. G. D'SOUZA,
*Chief Secretary to Government.*

*No. G. 7041—Sany. 17-25-23, dated 3rd March 1926.*

As plague is reported to be prevalent in two villages close by Bannerghatta in the Anekal Taluk and as it is learnt that Bannerghatta village itself is not free from the possibility of a recrudescence of the disease, the public are warned of the risk they run by attending the Jatra and Car Festival at the place which take place during the first week of March 1926.

By Order,
M. VENKATESA IYENGAR,
For *Secretary to Government,*
*Medical and Agricultural Departments.*

## REVENUE SECRETARIAT.

*Notification No. Fl. 4361—Ex. 64-25-5, dated 3rd February 1926.*

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous year). The right of transporting Special Liquors, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called, "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification will be considered.

### APPENDIX I.

FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Goventernm has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being ;

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I, shall be bound to maintain and keep in tact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15) and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35°, under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that the imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

(24) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

Sealed, signed and delivered in the presence of us :—

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the peroid of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots., and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots, provided the expense to me is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of ganja to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact

such gallon and other measures as may be prescribed by the Excise Commssioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded [illegible] it shall be open to Government to permit licensees of shops to take supplies [illegible] arrack direct from the Government Central Distil lery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited; and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms, fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192

*No. Fl.* 4362—*Ex.* 52-25-17, *dated* 3*rd February* 1926.

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 25,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugarcane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| | |
|---|---|
| 1. Brandy .. .. | 20° U. P. |
| 2. Whisky .. .. | ,, |
| 3. Gin .. .. | ,, |
| 4. Rum .. .. | ,, |
| 5. Milk punch .. .. | ,, |
| 6. Bottled Jaggory Arrack | 35° U. P. |
| 7. Rectified Spirit .. | 60° O. P. |
| 8. Proof Liquor .. | ——— |
| 9. Denatured Spirits .. | 60° O. P. |
| 10. D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per centof the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P. and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station, Bangalore, will not be paid for in advance, but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack, denatured spirits and rectified spirits on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage on bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. No bottling or packing charges shall be claimed when supply is made in bulk or in bottles (produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contactor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-6.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

By Order,
B. SRINIVASA IYENGAR,
*Secretary to Government,*
*Revenue Department.*

By Order,
B. NAGAPPA,
*Secretary to Government,*
*Local and Legislative Departments.*

## REVENUE SECRETARIAT.

*Notification No. Fl. 4361—Ex. 64-25-5, dated 3rd February 1926.*

Tenders are hereby invited for the exclusive privilege of establishing Bonded Depots at the localities specified in Appendix III and of transporting thereto arrack from the Bangalore Government Central Distillery *under bond*, and thereat distributing it to the respective arrack shop-keepers attached to the said Depots during the next three years beginning with the 1st of July 1926 and ending with the 30th of June 1929.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices (I) and (II) (hereto annexed) and the rules published under Notification No. R. 5961—Ex. 107-18-3, dated 20th November 1919, and the Excise Laws and Rules now in force, or which may, from time to time be passed by Government, or issued by the Excise Commissioner in virtue of the powers delegated to him.

3. The quantity of arrack conveyed from the Government Central Distillery to each Bonded Depot during the last three years is mentioned in Appendix III. No quantity is however guaranteed for transport to the contractor who is bound by actual requirements (be the same more or less than the quantity carried in any previous year). The right of transporting Special Liquors, Denatured spirits and Rectified spirits is not included in the contract as the licensees will be permitted to take their supplies from the distillery direct.

4. Tenderers must specify the lowest rate of remuneration, for fifty gallons of arrack to be carried from the distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depots and another rate for the Depots in all the other places. The rates, thus tendered and accepted by Government, shall be the rates at which remuneration shall be calculated on the actual quantity carried in each case and be payable to the successful tenderer who shall be called, "Government Contractor for the carriage of arrack to Bonded Depots," during the currency of the contract granted under this notification. The contract will include the carriage of requisite supplies of ganja to the several Taluk Treasuries from the Government Central Distillery for which no separate remuneration will be given.

5. Each tender must be accompanied by a deposit of Rs. 100 for the Bangalore City Depots and Rs. 500 for the mofussil Depots specified in Appendix III and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of establishing Bonded Depots, and of carrying arrack thereto from the Bangalore Government Central Distillery and distributing the same to the retail shops" and must be sent to the Excise Commissioner at Bangalore so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner who reserves to himself full power to reject any or all of the tenders without assigning any reason, as well as to accept separate tenders for supply to the Bangalore City Depots and for supply to the rest of the State. The deposits made by the applicants whose tenders are rejected will be returned to them by the Excise Commissioner.

6. The applicant whose tender may be accepted shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash or in approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore for the time being, to make up with the deposits previously made a sum of Rs. 2,000 for the Bangalore City Depots and Rs. 13,000 for the aforesaid mofussil Depots, and shall execute an agreement in the prescribed appended Forms (I) for the Bangalore City Depots, and (II) for the said mofussil Depots on proper stamps, binding himself to conform to the conditions therein set forth; and if he fails to execute the agreement in proper form or refuses to sign th agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

7. No tender proposing any modification of any of the terms of this notification wil be considered.

### APPENDIX I.

FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO THE BANGALORE CITY BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore for the period of three years beginning with the 1st of July 1926 and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the Depot or Depots in the City of Bangalore, in quantities sufficient to meet the

demand of the shops dependent on such Depot or Depots and whereas the said Goventernm has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives, and assigns, hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks and will not use those rejected by the Distillery Officer ;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under-proof or at any other strength prescribed by Government, from time to time, to the licensed shop-keepers on production of Treasury receipts in proof of pre-payment of duty and price of such arrack, the price of proof liquor, if any, used for the adjustment of weak liquor in the Depots being borne by me ;

(3) that in special cases sanctioned by the Deputy Commissioner, I shall be bound to carry the requisite supply of arrack to any altered locality of the existing Depots provided the expenses to me are not likely to be greater than supplying the present Depots ;

(4) that it will be open to the Excise Commissioner to close any Depot during the period of the contract as being superfluous for the time being :

(5) that I shall be bound to carry the requisite supplies of ganja to the Taluk Treasury for issue to licensed vendors of the drug ;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of for every gallon of arrack conveyed by me from the Distillery in the previous month provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and 20th. Government shall allow me no wastage under any circumstances whatsoever nor shall any separate remuneration be claimed for the ganja carried by me ;

(7) that the usual establishment and other requirements as may be prescribed by the Excise Commissioner for such Depots and the house rent thereof shall be paid for by myself ;

(8) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government ;

(9) that the establishment at the depot shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep in tact such gallon and other measures as may be prescribed by the Excise Commissioner ;

(10) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants ;

(11) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time come into force and also to such rules of practice as may be prescribed by the Excise Commissioner ;

(12) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees two thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore ;

(13) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license ;

(14) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay and that I shall not, without the previous sanction of the Excise Commissioner post Depot Mutsaddies once dismissed for bad behaviour, etc., to other places.

(15) that I shall be bound to make good the loss accruing to Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depot or the Taluk Office respectively in due time ;

(16) that in the event of my default in keeping adequate stock in the Bonded Depot it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distillery and that this will not absolve me from my responsibility for meeting any losses to Government or

the shop-keepers under clause (15), and that the amount of compensation payable by me in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision will be binding on me subject to an appeal to Government only;

(17) that the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the distillery, and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack, and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies, excepted), shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof and per seer of 80 tolas of ganja respectively;

(18) that at the beginning of the contract, I shall be bound to buy from Government, and at the termination of the contract, I shall be bound to sell to the incoming contractor or to Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(19) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depot;

(20) that it shall be competent to the Excise Commissioner subject to the sanction of Government to deduct at the end of each half-year from the bills of remuneration due to me any amounts that may be due to Government or to the shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year, it may be recovered later during the term of the contract;

(21) that the imposition of a fine or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(22) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government;

(23) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government buildings before the close of the following month and produce a voucher in support of such payment and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot and selects another, I shall be bound to take it up and locate the Depot in it; and

(24) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness whereof I, , hereunto set my hand and seal this day of 192

Sealed, signed and delivered in the presence of us :—

## APPENDIX II.

### FORM OF CONTRACT BOND TO BE EXECUTED BY THE GOVERNMENT CONTRACTOR FOR CARRIAGE OF ARRACK TO MOFUSSIL BONDED DEPOTS.

WHEREAS I, , have been granted by the Government of His Highness the Maharaja of Mysore, for the period of three years beginning with the 1st of July 1926, and ending with the 30th of June 1929, the right of conveying arrack from the Central Distillery *under bond* to the various Depots in the districts of Bangalore, Kolar, Tumkur, Mysore, Hassan, Kadur, Shimoga and Chitaldrug, in quantities sufficient to meet the demand of the retail shops dependent on such Depots, and whereas the said Government, has agreed to pay me the remuneration hereinafter described, I, the said for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter set forth :—

(1) that I shall bind myself to transport arrack in strong and sound casks in such manner as may be prescribed by the Excise Commissioner from time to time;

(2) that I hold myself responsible to Government for the correct delivery from the Bonded Depots of the requisite supplies of arrack at 35° under proof or at any other strength prescribed by Government from time to time, subject to such margin for evaporation as may be prescribed by the Excise Commissioner to the various licensed shop-keepers, on production of Treasury receipts in proof of prepayment of duty and price of such arrack, the price of proof liquor, if any, used for adjustment of weak liquor in the Depots being borne by me;

(3) that in special cases sanctioned by the Deputy Commissioner at the instance of any shop-keepers, I shall be bound to open new Depots in any tract and to carry the requisite supply of arrack to such new Depots or to any altered locality of the existing Depots, provided the expense to me is not likely to be greater than maintaining and supplying present Depots;

(4) that it is open to the Excise Commissioner to close any Depot during the period of the contract as being superflous for the time being or to order that any particular shop should be supplied with liquor from any other Depot than the one to which the shop is attached;

(5) that I shall be bound to carry the requisite supply of ganja to the Taluk Treasuries in the State for issue to licensed vendors of the drug;

(6) that as remuneration for my contract, the Government shall pay me each month an amount calculated at the rate of annas for every gallon of arrack conveyed by me from the distillery in the previous month; provided that in the first week the quantity actually delivered at the Depots before the close of the previous month shall be paid for and the balance later between the 15th and the 20th. Government shall also allow me actual wastage at a rate not exceeding 1·5 per cent on the quantity of arrack, removed by me from the distillery, until actual delivery of the liquors to the shop-keepers at the Depots;

(7) that at the end of each half-year, the duty and price on the quantity booked as wastage in excess of the margin allowed will be made good to Government by me;

(8) that no separate remuneration shall be claimed for the ganja conveyed by me;

(9) that the usual establishment required for such Depots and other requirements as may be prescribed by the Excise Commissioner and the house rent thereof shall be paid for by myself;

(10) that I shall be bound to obtain from each Depot Mutsaddi appointed by me a Mutchalika, and produce the same for inspection of the Excise Commissioner whenever required by him. Such Mutchalika shall be in such form as may be approved by the Excise Commissioner for safe-guarding the interests of Government. Provided that Government will be at liberty to take the management of the Depot or Depots during the term of the lease, and place the Depots in charge of Mutsaddis appointed by or under the orders of the Deputy Commissioners, in which case, so much of the charges incurred by Government on account of such Depot or Depots will be paid by me, by deduction from my monthly remuneration bill;

(11) that the establishment at such Depots shall keep such accounts and be furnished with and use such seals for sealing the sample bottle and the bulk of liquor issued to shop-keepers and that I shall be bound to maintain and keep intact

such gallon and other measures as may be prescribed by the Excise Commssioner;

(12) that the establishment shall be under the control and orders of myself, and I shall regard them as my servants;

(13) that I shall conform to the Excise Laws and Rules now in force, and which may from time to time be issued by Government, and also to such rules of practice as may be prescribed by the Excise Commissioner;

(14) that for the due fulfilment of the terms of this contract, I hereby deposit in the State Huzur Treasury, Bangalore, the sum of rupees thirteen thousand in cash or approved Government Securities of equivalent value duly endorsed in favour of the Dewan of Mysore;

(15) that I equally with the Depot-keepers shall be bound by the conditions of the Depot license;

(16) that I shall be bound to dismiss or transfer any of my servants on the requisition of the Excise Commissioner or the Deputy Commissioner of the District in which they may be employed, whenever transfers of an individual Mutsaddi from or to a place are deemed desirable or necessary in Government interests, and I shall appoint satisfactory men in place of dismissed men without delay; and that I shall not, without the previous sanction of the Excise Commissioner, post Depot Mutsaddis once dismissed for bad behaviour, etc., to other places;

(17) that I shall be bound to make good the loss accruing to the Government and the shop-keepers by short stock or no stock in the said Depots or by my neglect or carelessness in not conveying the necessary supplies of arrack or ganja to the Depots or the Taluk Offices respectively in due time;

(18) that in the event of my default in keeping adequate stock in the Bonded Depots it shall be open to Government to permit licensees of shops to take supplies of arrack direct from the Government Central Distil lery and that this will not absolve me from my responsibility for meeting any losses to Government or to shop-keepers under clause (17), that the amount of compensation payable in such cases to Government and the licensees will be fixed by the Excise Commissioner whose decision shall be binding on me subject to an appeal to Government only;

(19) that as the liability of the arrack manufacturing contractors ceases on delivery by them of arrack to me at the Distillery and of the Distillery Officer on delivery of the ganja consignments at the said place, all further liability or responsibility to account for the whole quantity of such arrack and ganja thenceforth, shall rest with me, and any diminution from any cause whatever (Acts of God, *vis major* and the State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack of 35° under-proof, and proportionately for the higher or lower strength and per seer of 80 tolas of ganja, respectively;

(20) that at the beginning of the contract, I shall be bound to buy from Government and at the termination of the contract I shall be bound to sell to the incoming contractor or Government as the case may be, the stock of casks used in the transport of arrack, gallon pots and other articles in the Bonded Depots for the price that may be fixed by the Excise Commissioner;

(21) that in case of any breach of the laws and rules or of the aforesaid conditions or in case of any attempt at fraud by my servants, agents, or employees, it shall be competent to the Deputy Commissioner to impose upon them, or for the Excise Commissioner to impose upon myself in the event of my neglect; a fine not exceeding Rs. 50 for every such breach or neglect, or, at the option of the Excise Commissioner to declare the money deposited by me forfeited, and to cancel the contract with the previous sanction of Government. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract, and shall not be entitled to participate in any profit that might accrue to Government by such disposal. In the event of the transport business being managed by Government *amani*, I shall be bound to place at the disposal of Government, on terms, fixed by the Excise Commissioner my entire stock of casks and other requisites supplied and kept in the Depots;

(22) that it shall be competent for the Excise Commissioner, subject to the sanction of Government, to deduct at the end of each half-year from the bills of remuneration due to me any amount that may be due to Government or to the

shop licensees under any of the terms of this contract. If the amount is not recovered in one half-year it may be recovered later during the term of the contract;

(23) that the imposition of a fine, or the forfeiture of the deposit, or the cancelment of the contract, shall not be held to prevent prosecution for any offence committed under any law for the time being in force;

(24) that this contract shall not be transferable except with the consent of the Excise Commissioner subject to the approval of Government.

(25) that I shall be bound to open Depots in buildings approved of by the Deputy Commissioner of the District concerned and where Government buildings are made available for use as Depots, to use them, paying such rent as may be charged by the Deputy Commissioner. I shall be bound to pay the rent due for each month for Government building before the close of the following month and produce a voucher in support of such payment, and in case of my failure to do so in any month it will be open to the Excise Commissioner to withhold from my remuneration bill for the latter month the amount for which voucher has not been produced until I make the payment and produce the voucher. In case the Deputy Commissioner condemns a private building used by me for a Depot, and selects another, I shall be bound to take it up and locate the Depot in it; and

(26) that all sums due by me to Government under this contract shall be recoverable as arrears of land revenue.

In witness thereof I, hereunto set my hand and seal this day of 192

*No. Fl.* 4362—*Ex.* 52-25-17, *dated 3rd February* 1926.

Tenders in the form hereto appended are hereby invited for the exclusive privilege of the *Manufacture of Arrack and other Country Spirits* for supply to the territories of Mysore, for a period of three years from 1st July 1926 to 30th June 1929.

2. The contract for the Civil and Military Station of Bangalore is included in this contract with the permission of the Hon'ble the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in para 8 of this notification and to the Excise Laws passed by the Government and the rules in force in Mysore and to the Excise Law in force for the time being within the Civil and Military Station of Bangalore.

4. The quantity of arrack required is estimated at about 25,000 gallons a month, the quantity actually issued from the Bangalore Central Distillery in the year 1924-25 having been 3,47,456 gallons. No quantity is, however, guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon of 35° U. P. separately for sugar-cane jaggory arrack, and for molasses arrack as also per gallon of the marginally noted kinds of liquors, at which they offer to supply during the whole period of the contract. They should also quote rates separately for bottling in quart and pint bottles and for packing the marginally noted kinds of liquors.

| 9. | Denatured Spirits .. | 60° O. P. |
| 10. | D. D. Rum .. | 25° U. P. |

6. Each tender must be accompanied by a deposit of Rs. 5,000 in cash or in Government securities, of equivalent value, duly endorsed in favour of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the Manufacture of Country Spirits," and must be sent to the Excise Commissioner at Bangalore, so as to reach him before noon on Tuesday the 16th March 1926, after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in Bangalore at 12 o'clock noon on the 16th March 1926, in the presence of such of the applicants as may be present. The final disposal of tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the State Huzur Treasury, Bangalore, a further sum in cash, or Government securities which shall be accepted at the market value, duly endorsed in favour of "The Dewan of Mysore," to make up with the deposit previously made, the sum of Fifty Thousand Rupees, and shall execute an agreement in the form prescribed on proper stamp, offering as additional security all his apparatus, stock and block in the Distillery, and binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to either make the deposit or sign the agreement required within such period, the deposit already made by him will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

(1) The contractor shall manufacture arrack and other country spirits within the enclosure of the Government Central Distillery, near Bangalore, or at such other place as may be approved by Government. For the use of the Distillery buildings near Bangalore and also for the arrangements existing in connection with the water supply, the contractor shall pay such rent to Government as may be fixed by the Chief Engineer from time to time, which will include the interest and depreciation charges for the installation of electric lights made to the distillery building. The rent at present is Rs. 1,156 per mensem.

(2) Such improvement or addition to the said buildings, or water supply or electric lighting and power as may be approved by Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government, and such repairs to the distillery buildings and channels as may be pointed out by the Executive Engineer shall also be promptly executed by the contractor provided the annual cost of such repairs does not exceed Rs. 50.

(3) The recurring monthly charges consisting of the cost of the electric power consumed and depreciation charges at 5 per cent of the initial cost shall be borne by Government and the contractor, in the proportion of 1 to 2 for the portions of the buildings in the occupation of each until a separate meter is provided for the consumption of power in the portion occupied by Government, (*viz.*, the Resident Inspector's quarters, the ganja warehouse and the Guard Room), when the cost of the power consumed will be borne by each. The cost of the renewal of lamps, bulbs, etc., shall be borne by the contractor in the portion of the building occupied by him.

(4) The contractor shall keep in store at the Central Distillery, ordinarily a supply of ordinary arrack sufficient for a month's consumption (35,000 gallons) and never less than 25,000 gallons (of admissible spirits) in terms of 35° U. P. and also a month's supply of other kinds of liquors.

(5) The spirits manufactured shall be of good quality and Hesaraghatta filtered water or distilled water shall be invariably used at the distillery under the supervision of the Distillery Officer for reducing spirits to the authorised strength. Hesaraghatta filtered water shall be supplied by Government and will be under the control of the Distillery Officer. Its use is limited to the reduction of the spirits only. The articles used in distilling will be approved by the said officer. No ingredients obnoxious to health will be used in distilling or put into the arrack or other country spirits or special liquors whether before or after they are manufactured. The spirits manufactured shall not be adulterated or diluted save by the addition of Hesaraghatta or distilled water, as the case may be, for the purpose of reducing the strength to the authorised degree.

(6) In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish outstills after giving the manufacturers the first refusal of so doing. Government may also permit any person or persons to distil or purchase elsewhere alcohol for industrial or medicinal purposes, if the contractor is unable to supply the same at the same price as that charged in the adjoining British Indian Provinces.

(7) The contractor shall issue at the Government Central Distillery to the Senior Government Officer in charge thereof, such quantity of arrack and other kinds of country spirits as may be indented for by him for supply, (i) to such Bonded Depots as Government may from time to time establish and maintain within the State, (ii) to such other places or persons or institutions as may be directed by the Excise Commissioner, and (iii) to the Government Excise Warehouse in the Civil and Military Station, Bangalore, in compliance with indents received from the Superintendent of Excise, Civil and Military Station, Bangalore.

(8) Arrack supplied to the Civil and Military Station, Bangalore, will not be paid for in advance, but once in a fortnight on receipt of bills from the contractor to be submitted to the Collector, Civil and Military Station, through the Superintendent of Excise. In the case of issues made to the State, the Distillery Officer will issue a cheque on the Officer in charge, State Huzur Treasury, Bangalore, to the contractor and in his favor for the value of arrack and other country spirits, if any, issued.

(9) The contractor will supply at the Distillery special liquors, and other kinds of bottled liquors, *viz.*, jaggory arrack, denatured spirits and rectified spirits on the indents received from the respective licensees and recover the value thereof from the parties direct. The cost of carriage on bottled liquors will be payable by the shopkeepers themselves.

(10) Should the contractor be permitted with the approval of Government at any time during the tenure of his contract, to supply country spirits manufactured in the Central Distillery to Coorg, or any other place outside the limits of the Mysore State, such proportionate cost towards the Distillery Establishment as may be fixed by the Excise Commissioner shall be paid by the contractor.

(11) The bulk of the arrack required shall always be of the ordinary sort, *i.e.*, sugar-cane jaggory or molasses arrack and the contractor shall be bound to supply such arrack at such strength and in such quantities as may be prescribed by the Excise Commissioner; and the rates to be paid shall be calculated proportionately upon the prices of 35° U. P. If to meet the demand for the quantity of molasses arrack prescribed under this clause by the Excise Commissioner, the contractor shall supply sugar-cane jaggory arrack, he will not ordinarily be entitled to claim the higher rate prescribed for jaggory arrack. When, however, the contractor is unable to supply the molasses arrack at any time on account of causes beyond his control and is obliged to supply jaggory arrack instead, he may submit a representation for payment at the higher rate payable for the latter and any such representation will receive due consideration, and the orders of Government fixing the rate shall be final. When arrack is supplied to Bonded Depots at a strength stronger than 35° U. P., payment will be made as if the strength of the arrack was 35° U. P.

(12) The contractor is also bound to manufacture and supply to the licensees special liquors, rectified spirits and other kinds in bottles (more or less) of 8½ drams (6 bottles to a gallon) or pints (12 bottles to a gallon). Except when otherwise required, the bottles containing liquors shall be duly corked and sealed and shall also be labelled so as to notify the price of the bottle if required. These should be delivered duly packed in deal wood cases, wired and nailed, as may be ordered by the Excise Commissioner. No bottling or packing charges shall be claimed when supply is made in bulk or in bottles (produced by the licensed shop keepers).

(13) The contractor shall always keep an adequate supply of such bottles and packing materials, failing which he will be held responsible for any loss that may accrue to Government and to the licensees and shall also be liable to a penalty not exceeding Rs. 100 for each day's deficiency.

(14) The manufacturer shall have no interest in the retail vend of any country spirits, nor shall he employ as agent or in other capacity in the distillery any such persons having such interests.

(15) The contractor shall submit for the approval of the Excise Commissioner, the names of persons employed by him as Manager and Distillers in the distillery and no person not thus approved shall be permitted to act in these capacities. He will be bound to remove at once, if so ordered, any of his employees whose conduct is found to be suspicious, or who is drunk, or riotous or is in illicit possession of liquor.

(16) The contractor should keep the premises of the Distillery always clean and in sanitary condition. He should make his own arrangements for cleaning the premises and removing the ashes from the boiler and the broken bottles, etc., from the Distillery every day.

(17) The contractor, his agent and employees shall be bound to conform to the provisions of the Excise Laws and Rules for the time being in force or which may hereafter be enacted from time to time in the State of Mysore and in the Civil and Military Station of Bangalore; and he shall see that all his employees give full effect to them.

(18) The outgoing contractor shall give, and the incoming contractor shall take over, any arrack or other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same, such value as may be fixed by the Excise Commissioner.

(19) Should the incoming contractor or the Excise Commissioner so require by at least one week's previous notice in writing, the outgoing contractor shall cease preparing "wash" during the last month of his expiring contract and vacate the building so as to admit of the incoming contractor commencing operations. Should no notice be given, the outgoing contractor may continue distilling till the end of his contract after which further distillation by him must cease. The incoming manufacturer shall issue arrack and other country spirits and other special liquors from the distillery to the Bonded Depots, if so required by the Excise Commissioner in sufficient time (not exceeding two weeks prior to the commencement of his contract) to have his supplies ready in all Bonded Depots for issue from the 1st July of the year of his contract.

(20) The outgoing contractor shall sell and the incoming contractor shall buy all apparatus and stock and block belonging to the former at the Government Central Distillery near Bangalore, for a fair and equitable price fixed by the Excise Commissioner, calculating the original cost and deducting therefrom such portion of it on account of depreciation as may be considered reasonable and adding the cost of permanent improvements. The cost of permanent improvements during the period of contract will be such as may be fixed by the Excise Commissioner. The Excise Commissioner will also fix the method of calculating depreciation of machinery and the percentage of depreciation. His decision in respect of fixing the cost shall be final. The present valuation will be notified separately. The last valuation was Rs. 1,11,650-3-6.

(21) Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer, Bangalore Division.

(22) In case of breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit made by the contractor and all his apparatus and stock and block forfeited and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.

(23) The contract shall not be transferable except with the approval of the Government of Mysore.

(24) Government reserve to themselves the power of altering the rates of duty and price, it being distinctly understood that the contractor shall not be entitled to claim any compensation for loss on account of such alteration. Government may also, during the currency of the contract, make alterations in the strength of liquors to be supplied either in regard to the whole contract area or any part thereof, when the rates originally agreed upon will be proportionately altered.

(25) All sums due by the contractor to Government under this contract shall be recoverable as arrears of land revenue.

## APPENDIX I.

Table showing the particulars of spirits issued from the Government Central Distillery during the past three years.

| Kind of liquors | 1922-23 | 1923-24 | 1924-25 |

## APPENDIX II.

### FORM OF TENDER.

To

The Excise Commissioner in Mysore, Bangalore.

Sir,

With reference to the Government Notification No. Fl. , dated published in the *Mysore Gazette*, I beg to tender for the exclusive privilege of the *manufacture of arrack and other country spirits* for the Territories of Mysore and the Civil and Military Station, Bangalore, for a period of three years from 1st July 1926, to 30th June 1929, subject to the terms and conditions specified in the notification above quoted.

2. I hereby offer to manufacture and supply for the entire period of the contract arrack of the strength of 35° under-proof, and special liquors of 20° U. P. and other spirits as per particulars below:—

| Arrack. | Rate per gallon of 35° under proof Rs. a. p. |
|---|---|
| Molasses arrack ... ... ... ... | |
| Sugar-cane jaggery arrack ... ... ... | |

| Special liquors | | Rate per gallon Rs. a. p. | Bottling charges per gallon | | Packing charges per gallon |
|---|---|---|---|---|---|
| | | | Quarts | Pints | |
| Brandy ... | 20° U. P. | | | | |
| Whisky ... ... | " | | | | |
| Gin ... ... | " | | | | |
| Rum ... ... | " | | | | |
| Milk punch ... ... | " | | | | |
| Proof spirit ... ... | — | | | | |
| Rectified spirits ... | 60° O. P. | | | | |
| Denatured spirits ... | 60° O. P. | | | | |
| Sugar-cane jaggery Arrack in bottles ... | 35° U. P. | | | | |
| D. D. Rum ... | 25° U. P. | | | | |

3. I enclose.....for Rs. 5,000 as required by para 6 o the said notification.

I beg to remain,
Sir,
Your most obedient servant.

*No. R. 4398—L. S. 2-25-30, dated 9th March* 1926.

Under Section 236 of the Mysore Land Revenue Code, Regulation No. IV of 1888, the Government of His Highness the Maharaja are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Code, into Jodi Thirumalapura village, Chiknayakanhalli Taluk, Tumkur District.

*No. I. C. 6228—Geol. 93-25-4, dated 9th March* 1926.

In exercise of the powers conferred by Clause (3), Section 1 of the Mysore Petroleum Regulation (I of 1923), the Government of His Highness the Maharaja of Mysore are pleased to direct that the provisions of the said Regulation, other than those relating to dangerous petroleum and the importation of petroleum, shall extend to all Municipal areas in the State and to the locality administered by the Kolar Gold Fields Sanitary Board.

*No. 1158—Muz. 127-25-4, dated 10th March* 1926.

The period of five years of the Dharmadarsis appointed in Government Notification No. 1868—Muz. 410-11-2, dated the 12th February 1912, for the supervision of the affairs of the Sri Siddalingeswaraswami Temple at Yediyur, Kunigal Taluk, having expired, the undermentioned gentlemen are appointed as Dharmadarsis in their places for a period of five years :—

| *Name.* | *Occupation.* |
